

## Get involved!

Each family is asked to volunteer ten hours each school year. This can be combined hours per family. These hours can include activities like:

- helping as an aid in a classroom
- help in library
- making special presentations
- maintenance in the summer or on weekends
- chaperoning on field trips
- assisting in class preparation
- assisting in events

One volunteer hour = one ACVP hour.

Each \$10 donation in goods = one ACVP hour.

If a parent or guardian cannot fulfill ACVP Hours, payment of \$10 for every hour will be required.

- Example:
- A The Lemon family fulfills 8 ACVP hours by the first Friday of June. Thus the Lemon family is short 2hrs, thus required to pay \$20.
  - B The Lemon family is very busy and would rather pay \$100 towards their ACVP Hours, thus fulfilling their required responsibility.

**When you are ready to volunteer, print out ACVP Form and bring to office so we may set your time with the supervisor. Thank you!**
