STXBP1 ENGAGE

SURVEY: HTTPS://EU.RESEARCH.NET/R/STXBP1-ENGAGE

We recognize that every person’s experience living with STXBP1 is unique. The goal of this survey is to understand what it means to care for someone living with STXBP1 from your perspective.

ELIGIBILITY

- You must be an adult (18 years or older) caregiver to a person living with STXBP1
- The person you care for must have a clinical diagnosis of STXBP1 confirmed with genetic testing
- You must be able to complete the survey in either English or Spanish

FOR EACH COMPLETED SURVEY, A DONATION WILL BE MADE TO A STXBP1-RELATED CHARITY
