HOW IT WORKS

When can I rent a bike?

You can reserve a bike online 24-7 or you can reserve a bike with the [coordinating office](#) (M-F 8:30-4:30pm). The days and times available to use the bike correspond with the rental location hours ([see page 1](#)). Both locations are open 7 days a week!

No, bikes must be returned 15 minutes before the closing hours of the rental location ([see hours on page 1](#)).

What if I keep the bike out past my rental time?

To ensure the bikes are available for everyone to use, late fees apply for renters who do not return their bike on time. The penalty is \$20. If you do not return the bike within 24 hours, you will be charged \$300. If you do not return the bike within 48 hours, the replacement cost of the bike (\$675) will be charged to your credit card.

What if the rental location is closed when I return my bike?

If you are late, and the rental location is closed upon your return, you are responsible to return the bike the following day when the rental location opens and will be charged the appropriate late fees. You are responsible for the bike from the moment you receive the key until the moment you hand it back in. We do not recommend lending it to anyone else as you are responsible for any damage/theft that occurs while you are renting the bike.

What is the cancellation policy?

In the event you are unable to meet your reservation, we ask that you call to cancel or do so online.
