QUICKDRY

Why should Urecel quick dry foam be your option?

QuickDry Foam®

Mold forming on normal foam

In-built Uregard anti-microbial technology prevents moulds. Urecel QuickDry is the advanced, high-performance foam designed specifically for outdoor cushions.

Urecel QuickDry is produced by a sophisticated process called Hydro-Blast Reticulation.

Water and air/humidity (through seam)

Water and air/humidity (through zipper)

Our seams and zips are designed to release air and humidity.
