Discovery Charter School
800 Canonie Drive
Porter, Indiana 46304

ARRIVAL

Doors open at 7:45 AM. Please do not arrive until 7:45 AM to avoid traffic from backing up.

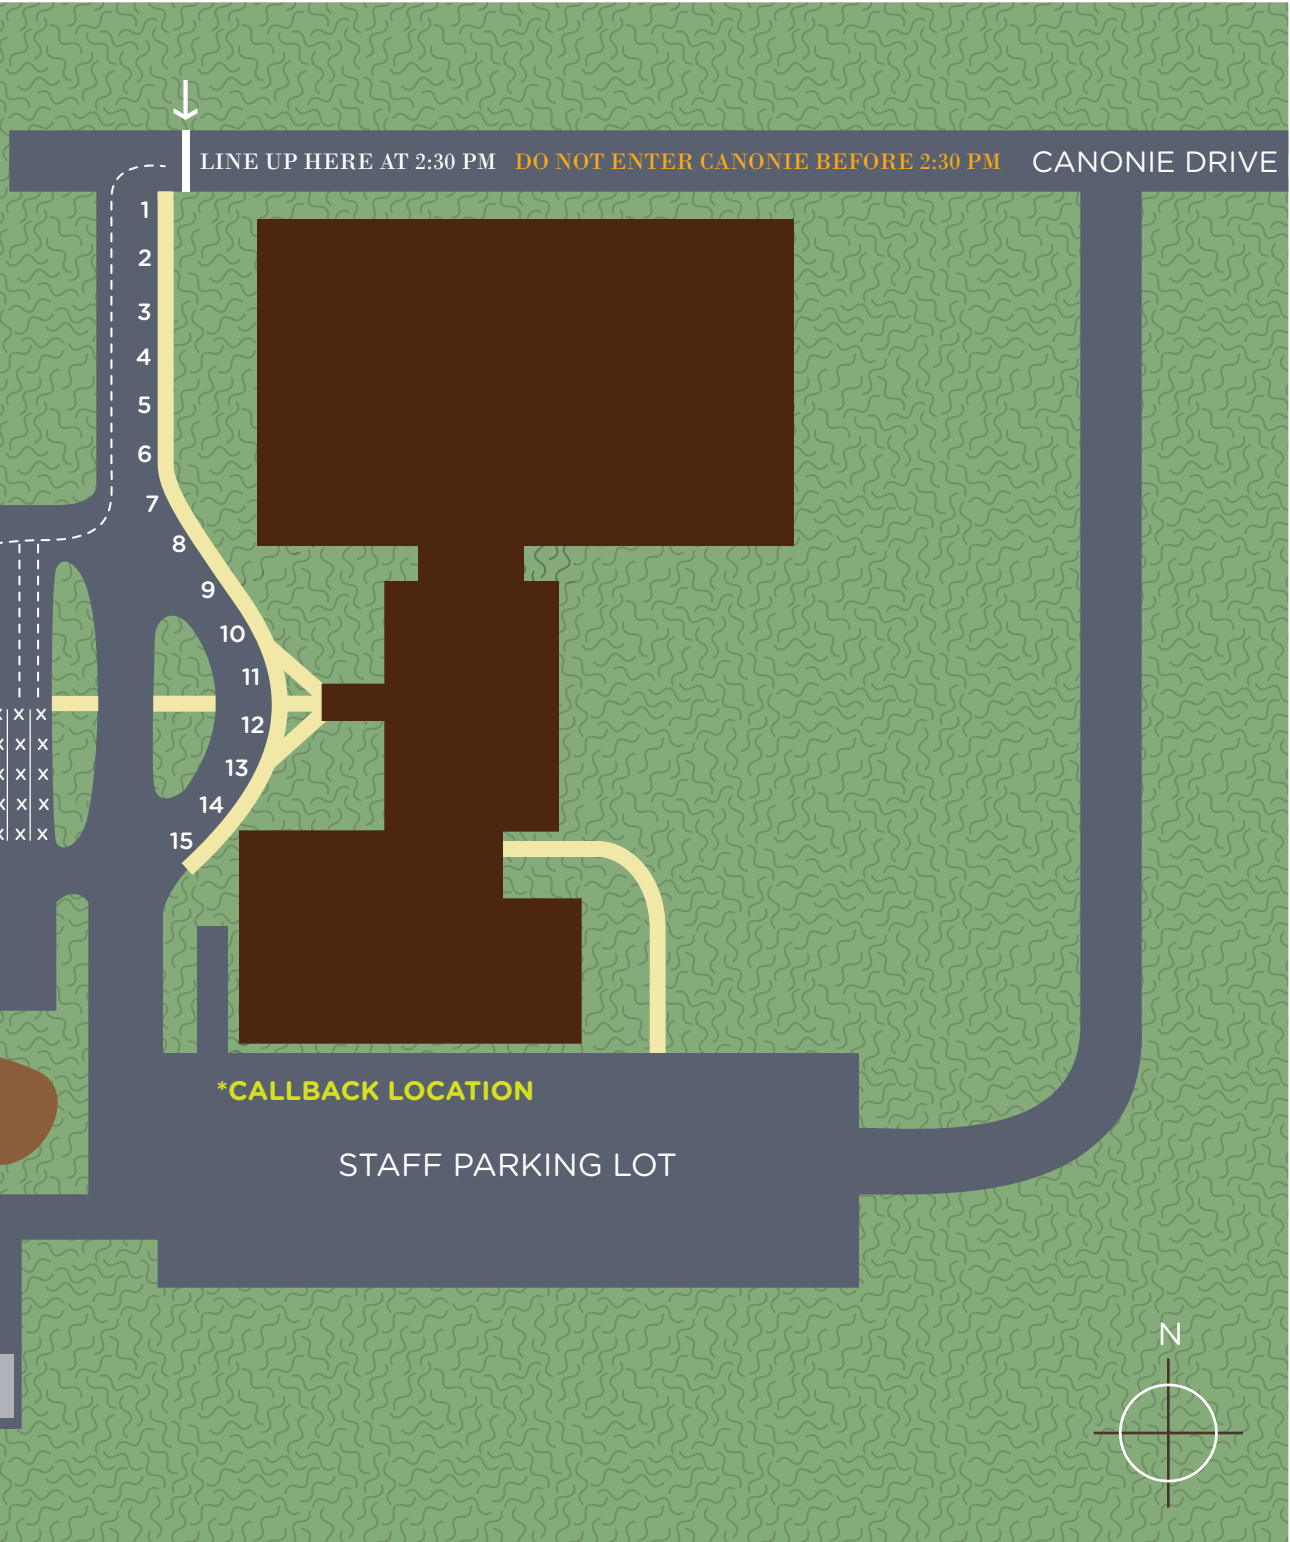

For arrival, cars will drive down Canonie Dr. and enter the West Parking lot. Staff/Volunteers will be outside to assist with doors.

There is **NO PARKING** in the West Parking Lot. Any families that need to park and walk in should park in the South (staff) parking lot.

NO STUDENTS SHOULD BE DROPPED OFF AT THE SOUTH SIDE OF THE BUILDING.

DISMISSAL

Families should place a name card with their carpool name on the inside of their windshield.

Parents should not arrive to pick up students until 2:30 PM. At 2:30 PM cars can begin lining up on Canonie Dr. Cars should pull all of the way up to the white line and wait for a staff member to direct cars into the parking lot.

Once directed into the West parking lot, staff will line cars up into 12 lines of 5 cars each. As dismissal begins, cars will be sent through the circle drive in the order they are lined up (1 - 15) and their students will be waiting along the circle drive.

*In the event that a student is not at their pick up location, parents should proceed through the dismissal line, head East on Canonie Dr. and then South down the access road to the Staff Parking Lot. Pick up your child at the Callback location.

Safety on Canonie Dr.:

When lining up in the car line for dismissal on Canonie Drive it is imperative that no one pass the line on the left (south) side of the line up in order to access the driveway to our back parking lot. If you need to come into the school before dismissal officially begins do so before 2:15 PM and must be scheduled with the office prior to arriving early. Traffic coming from our back parking lot does not have a stop sign and the right (eastbound) turn is blind. There were several near accidents at that corner last year. Please do not let impatience override the concern for the safety of all.

Please see the attached diagram of the dismissal set up.

Additional Information:

Students are expected to be in class by 8 AM each morning.

All students are expected to be picked up before 3:30 PM.

Families will be charged at a rate of \$1.00 each minute students are picked up after 3:30 PM. Boys and Girls Club offers before school and after care at Discovery via their KidStop program.

For more information, visit their website at www.bgcpoco.org/kidstop.

Discovery Charter School has several No-Idle Zone signs on the school grounds. These signs are intended to help promote our No Idling Policy. Idling engines produce thousands of tons of toxic pollution per year, which can be especially harmful at schools while children are outside getting dropped off or waiting to be picked up. In addition to the pollutants, idling also results in a waste of gas and money! Any time you are sitting for more than 10 seconds, we ask that you kindly turn your car off.

Additionally, there is no smoking on school grounds or in vehicles on school grounds!

Thank you for your cooperation in helping keep the air clean for our staff, students, and community!
