The Board of Trustees is pleased to announce the FIFTY-SECOND ANNUAL NATIONAL WASHINGTON CROSSING FOUNDATION SCHOLARSHIP AWARDS for STUDENTS COMPLETING TWELFTH (or final high school year) in 2022 who are planning careers in government service.

We invite you to explore our web site, www.gwcf.org, which contains all of the information candidates should require to prepare and submit an application. Each interested student is invited to write a one-page essay stating why he or she plans a career in government service including any inspiration to be derived from the leadership of George Washington in his famous crossing of the Delaware. The student must confine the essay to viewpoint, attitude, and purpose in choice of career.

This essay must be accompanied by a recommendation from the high school principal or guidance counselor evaluating the student's achievements, academic and otherwise—particularly any preparation relevant to his or her career choice—along with transcripts, national testing scores, résumé and other supporting information of the applicant's choice as described in the Official Rules.

In past years, winners attending will have their expenses paid for transportation, food and housing in Pennsylvania for the weekend, to attend the Scholarship Awards Ceremony. All winners are required to attend the Scholarship Awards Program on Saturday April 23, 2022, to win their scholarship; attendance by Zoom is possible if the winner is unable to attend.

The Washington Crossing Foundation is pleased to offer a variety of national and regional college scholarships ranging from \$500 to \$5,000. Students planning to attend one of the Military Academies or who have been awarded full four-year scholarships will be eligible for a one-year award with proof of valid educational expenses. Students do not apply for specific scholarships; an application is automatically considered in each category for which it qualifies.

At present, there are 16 students who have been awarded personal scholarships by the Washington Crossing Foundation who are currently enrolled in the United States Military Academy, Naval Academy, Coast Guard Academy, Air Force Academy, and ROTC programs. The Foundation seeks to reward young men and women who give outstanding service to their country.

The Ann Hawkes Hutton Memorial Scholarship recognizes her more than sixty years of dedicated volunteer service to memorializing Washington's Crossing of the Delaware, to the Commonwealth of Pennsylvania, and to our Nation. The Trustees of the Foundation, mindful of the significance of

the important event in our nation's history that occurred at Washington Crossing, Pennsylvania, and New Jersey, believe that if our country is to continue to progress, we must have thoroughly trained, dedicated young people to carry on our government's work in future years.

Yours very truly,

Katharine Hutton Tweedy
Volunteer Board of Trustees
