NYC Against Hate is a citywide coalition of community-based organizations working across identities to make New York safer for our communities. Jewish, Arab-American, Muslim, LGBTQ, and Black and Brown New Yorkers are uniting to create community safety for our communities and build a stronger New York City. We believe that the only effective solution to hate violence and bias incidents is in our communities, not in more policing and prosecution. [www.nycagainsthate.org](http://www.nycagainsthate.org)
