2C Kids Week

March 6 - 11, 2022

Our kids and school teams need to be reminded: You Matter; You are Loved. Every young person needs a trusted adult to rely on when times are tough – a message we clearly heard during December’s Youth Mental Health Community Conversation.

Please join us as we celebrate 2C Kids Week and reinforce that our communities care about our kids!

Sunday, March 6th

Chalk the Walk- Businesses, parents, church & service groups are encouraged to adopt a school and create chalk messages of hope and positivity on the sidewalks.

Monday, March 7th

Band Together for Our Kids-Optum Idaho wristbands distributed to all students and school staff to reinforce “You Matter: You are Loved.” Special video message from Nampa Mayor Debbie Kling to be shared in schools and on social media.

Tuesday, March 8th

My Trusted Adult- Students write on sticky notes (provided in kit) about a trusted adult they turn to in times of need, then post as ‘tree leaves’ on posters throughout school hallways. Having a trusted adult is one of the most important protective factors in a child’s life.
