

Boro and Sashiko Runner

with Janice Pavy

Combine both Boro and Sashiko techniques in this simple and easy table runner.

Use a variety of coloured fabrics for the boro squares.

Choose from either flowers or a dragonfly set for the sashiko patterns.

These are not pre-printed on fabric, you will be marking them out yourself on a background fabric of your choice.

Runner pattern for construction of your completed pieces included.

Suitable for all skill levels.
