

# Step into Your Mission

## Step #1 Begin with Prayer

Your mission is actually God's mission. Begin by praying that God will help you to see your world the way that He does. Pray that He shows you those He has chosen to be in your *oikos*.

## Step #2 Make a List

As God reveals who is in your *oikos*, write their names on your list. Put the list where you will see it regularly (such as your Bible) to remember your *oikos*. As life changes, so does your *oikos*. Keep your list updated as God shows you.

## Step #3 Pray for Your Oikos

Set aside time to be with God each day. As a part of that time, pray specifically for your *oikos*. You can pray for their needs, that God would draw them to Him, or that God will show you how to minister to them. You may even ask them how you can be praying for them.

## Step #4 Serve in Love

Be attentive to opportunities that God gives you to love your *oikos* through acts of kindness. God has chosen you to give them an experience of His presence.

## Step #5 Invite into Community

Regularly invite your *oikos* to participate in Christ-centered fellowship. This might be a worship service, small group, a fun activity, or a meal at your home.

## Step #6 Be Ready

Be ready to share what Jesus has done in your life and what He can do in the lives of your *oikos*. Learn to be aware of His work and regularly express gratitude through prayer, conversation, or journaling so that sharing becomes natural.

## Step #7 Grow in Christ

Your life is a journey with God. He is always at work transforming and shaping you for your good and His glory. Continue to abide in Him through reading His word, worship, fellowship, prayer, and obedience.
