ACOUSTICS

Our 1,800 SF audio space is broken out into a Control Room/Editing Suite, Live Room and a second Live Room/Lounge. All areas are isolated to record. Multi-layer absorption acoustics throughout, designed by Metropolitan Acoustics and fueled by Muhlenhaupt +

PRICING

Rehearsal Time

\$ 40 per hour

Recording Time

\$ 65 per hour
(engineer not included)

Podcast Lounge Time

\$ 40 per hour

BONUS!

Our **visual studio** is directly adjacent to this space. Ready for photoshoots or creative video ideas.

Our **green room** is included in these rental fees. Space for makeup artists doin' their thing or talent to freshen up before the next photo.

Additionally, our entire 3,000 SF Studio serves as a fantastic event space, or extra breathing room during your production.
