JOB DESCRIPTION: Rebel Dog Coffee Co. is looking to fill a full time barista position at our Farmington location and are currently accepting applications for baristas who are passionate about specialty coffee and eager to grow their career with our company and in the industry. Experience working in high-volume coffee shops/cafes is preferred. We also place a strong emphasis on excitement for coffee (and a desire to learn more about it), as well as excellent customer service, a strong work ethic, and the ability to work well with the rest of the team, including the kitchen staff, to ensure efficient and thorough service. The following are required to be executed in a safe and sanitary manner:

Customer Service & POS: At the point of sale, baristas are responsible for taking both food and beverage orders efficiently and thoroughly, and engaging with customers in a friendly manner. As our customers’ first point of contact, baristas will be prepared to answer questions, make suggestions, and draw attention to any new, seasonal, or special offerings.

Drink Preparation: Baristas will be trained in and responsible for crafting all beverages offered at the coffee bar, from brewing drip coffee to crafting specialty espresso drinks and preparing French presses and pour overs.

Food Running/Online Order Fulfilment: Baristas at all Rebel Dog locations are responsible for running and handing off completed food orders from the kitchen to customers both dining in and taking out. Online orders will be put together (drinks + food) and placed in the designated pick up space.

Float/Support & Cafe Maintenance: All front of house staff are responsible for maintaining the cleanliness and order of the cafe space by wiping tables, sweeping, bussing tables, and monitoring garbage bins, assisting on the espresso and manual brew bars, or assisting at the POS with drink and pastry fulfillment or coffee brewing.
