**Christmas at the Maritime Museum**

The Lake Pontchartrain Basin Maritime Museum in Madisonville, LA is planning to display Christmas trees during the holiday season in front of the museum. Schools, youth groups, businesses and/or civic groups will have the opportunity to sponsor &/or decorate the trees with ornaments using a theme of their choice! (Maritime/Nautical themes encouraged.) The trees will be displayed on the grounds in front of the Museum for the public to see and visit the museum from Dec. 2, 2022—Jan. 6, 2023.

If you would like to sponsor &/or decorate one of the trees at the Maritime Museum, please fill out the needed information that is attached and return it to the museum no later than, November 28, 2022.

The dates for decorating your tree are during the week of November 28 – December 2. You may bring your students or send a representative during that week to decorate your tree. Decorations should be waterproof or laminated. They should also be able to withstand any wind that Mother Nature decides to give us; so, attach them to the tree branches well! We cannot guarantee that your decorations will be returned to you.

Your tree will have your organization or school’s name visibly displayed as the decorator of the tree.

We look forward to hearing from you and seeing your Christmas tree decorated at the Museum!!
