

Seed Paper Valentine Templates

Instructions

1. Purchase printable Seed Paper, such as [this one on Amazon](#).
2. Print page two of this pdf, flip paper over and print page three of the pdf, making sure to format paper so backside prints right side up. It may be helpful to print a few practice sheets on regular paper, before using the seed paper.
3. Cut the valentines to size.
4. Add your personalized note and give to classmates. Tell them to watch the wildflowers grow!
