PREAMBLE

This Canadian Theatre Agreement (hereinafter called "CTA") made between Canadian Actors' Equity Association (hereinafter called "Equity") and the Professional Association of Canadian Theatres (hereinafter "PACT").

(A) Application of the CTA

The CTA shall apply to all Artists engaged by Regular, Sector 2 and Associate members of PACT in the preparation and presentation of a theatrical production in any venue and, to the extent provided for in the CTA, the recording (preservation) of the audio or visual aspects of such productions in whole or in part. The CTA shall apply to all regular and associate members of PACT. PACT will provide Equity with a membership list of Regular, Commercial, and Associate members which shall be maintained and updated on a regular basis.

(B) Purpose

The purpose of this preamble is to set out the philosophic tenets of our relationship which we agree to apply to our relationship generally and also to the CTA which follows.

We agree that Equity exclusively determines its own mandate and that PACT exclusively determines its own mandate.

(C) EQUITY

Equity is the professional association of performers, directors, choreographers, fight directors, intimacy directors and stage managers in English Canada who are engaged in live performance in theatre, opera and dance.

Recognizing that the arts are vital to life and artists make an invaluable contribution to our society, the association supports the creative efforts of its members by seeking to improve their working conditions and opportunities.

The business of Equity is to negotiate and administer collective agreements, provide benefit plans, information and support, and act as an advocate for its membership. Equity strives for fairness, integrity and compassion in all its endeavours.

(D) PACT

PACT is the national service and trade association for professional Anglophone theatre in Canada.

PACT exists to:

- (i) gain recognition and support for professional theatre in Canada from all levels of government;
- (ii) support the development of Canadian theatre companies by sharing resources and knowledge;
- (iii) develop working standards and relationships with theatre professionals through their associations;
- (iv) inform and connect theatres across Canada through a communications network. PACT was incorporated federally on December 24, 1976 with the following aims and objectives;
 - (i) to promote the general welfare of professional theatre in Canada and to promote community interest in, and support of, theatre in Canada;
 - (ii) to gain increased recognition and support for theatre from federal, provincial and municipal governments and their agencies, and from the corporate and private sectors;
 - (iii) to encourage and promote communications and harmonious relations between and among theatres in Canada, theatres and the media, and theatres and the public.

PACT believes:

- (i) theatre makes an essential contribution to Canadian life on every level - cultural, social and economic;
- (ii) the experience of theatre should be readily accessible to Canadians;
- (iii) theatre companies should be as diverse as the Canadian society they reflect; and
- (iv) theatre professionals deserve supportive working environments - structured enough to provide security, but flexible enough to encourage creativity, afford risk and accommodate change.

(E) PACT and Equity Mutual Interest

In order to accomplish these objectives PACT and Equity agree to work together on issues of mutual interest.

Equity is a signatory to the CTA. PACT membership includes being a signatory to the CTA. The requirements of adherence to the CTA by PACT and Equity members are set out in the CTA.

The CTA reflects our shared interest in flexibility and standards. It is a joint CTA. Its interpretation and application are joint responsibilities. The mechanisms of communication and resolution are also joint responsibilities.

PACT and Equity agree to recognize each other as the exclusive representatives of their respective members for the purpose of orderly collective bargaining pertaining to activities set out in the CTA.

1:00 DECLARATION IN SUPPORT OF THEATRE

PACT and Equity affirm our strong mutual interest in the support of artistic creation, and methods of work leading to artistic creation, which are current theatre practice. We also recognize the need to respond to the evolving nature of this work, and are committed to mechanisms for dealing with change. These mechanisms will respect our long and rich history, and will ensure that present standards, terms, and conditions of work, as manifested in the CTA, are not eroded or lost. These commitments are reflected in our respective mandates, and are vital to both organizations.

The development of artists, audiences, new works, theatre companies, and financial resources are, and will be, of benefit to both organizations, and (to) our respective memberships.

The nature of work that develops artists, audiences, new works, theatre companies, and financial resources is such that it may fall outside the CTA. If so, that determination will be made according to the Adherence Article. Both PACT and Equity agree to reflect the spirit of the commitments outlined above when determining Adherence.

2:00 SCOPE

2:01 Statement of Intent and Principles of Interpretation

This Article reflects the understanding between PACT and Equity for determination of adherence to the CTA by members of PACT.

This Article respects the status quo for historical practices by PACT members. It is not intended to be used to reduce the minimum standards and conditions under which Equity members are engaged.

2:02 Recognition

A Theatre wishing to undertake an activity outside of the CTA must make an application to PACT.

- (A) The Theatre recognizes Equity as the exclusive representation of all Artists engaged under the Canadian Theatre Agreement
- (B) Equity recognizes PACT as the exclusive representative for the administration of the Canadian Theatre Agreement on behalf of its Regular, Associate, and Sector 2 members.

2:03 Administration

This agreement sets out the terms and conditions of engagement of all Artists while signed to a CTA Engagement Contract, for the preparation of a performance of a theatrical production, and to the extent provided for in the CTA, the recording (preservation) of the audio or visual aspects of such productions in whole or in part.

2:04 Determination of Adherence

(A) Past Practice Activities (see Definition in Article 18:00)

In order to determine adherence to the CTA, PACT will consider whether the activity is an historical practice or new. All historical practices will be undertaken under the historical contracting arrangements that pre-existed this agreement, and reflecting the spirit of this Article.

PACT will notify Equity of a past practice activity including the name of the Theatre, name of the activity, the nature of activity and the names of the Equity members in the activity. In the event that Equity does not agree that the activity is past practice, Equity may refer the matter to the Joint Adherence Committee for consideration. Past practice activities will maintain past practice for contracting arrangements.

(B) New Activities

For new activities, PACT and Equity will forward the Theatre's application to the Joint Adherence Committee for consideration. The committee will determine if the activity may be contracted under the principals of similar past practice activities.

(C) Community Engaged Activity

Community Engaged Activities are permitted and do not require an application to PACT. Community Engaged Activities involve sustained collaboration and exchange between a Signatory Theatre, Equity Artists and an identified community, defined by shared interests, experience or identity.

Community Engaged Activities are dynamic relational processes that place communities at the centre, using professional artistic practices for a range of social outcomes and mutual benefits.

It is understood that the nature and process of the activity may evolve over the term of the project, and it is therefore the intention of these provisions to remain flexible and responsive to the needs of the community and Artists involved.

For Community Engaged Activities resulting in public presentations in a Signatory Member's venue, the fee for Equity members for each performance will at least meet the venue's applicable CTA minimum fee on a weekly or pro-rata basis for the duration of the performances.

- (i)** When engaged by a PACT Theatre, Equity members will be signed to a Community Engaged Activities Contract.
- (ii)** Recognition of a Community Engaged Activity and any Equity Artist involved will be given in any printed or online programs under the control of the Theatre.

2:05 Joint Determination by PACT and Equity

When PACT and Equity consider a proposal for such activity, the determination will be based on past practice, historical parallels of other PACT Theatres, the rationale for the activity and the ongoing process of developing a body of practice.

Body of practice refers to the accumulation of adherence experiences including past practices, PACT-approved activities prior to the 2015-2018 CTA, PACT-Equity approved activities, disputed activities and unresolved issues under this Article. It will be used by PACT and Equity to guide the decision-making process under this clause.

Once PACT and Equity have made a determination under this clause, PACT and Equity will notify the Theatre in writing of the decision. Determinations in favour of the activity proceeding outside the CTA will be facilitated by Equity where required, including the issuance of contract forms other than CTA Engagement Contracts.

2:06 PACT and Equity Unable to Make a Joint Determination

If the Joint Adherence Committee is unable to make a joint determination, the activity may proceed during the period of the dispute and the matter may be referred by PACT or Equity to the process for resolution as stipulated in Clause 2:07. Equity acknowledges that it may be required to release forms of contract other than CTA Engagement Contracts or make other allowances which otherwise fall within its sole purview so that the activity may proceed as proposed by the Theatre. However, other Theatres may not undertake similar activities until the resolution of the matter has been reached.

2:07 Process for Resolution

(A) First Meeting

This meeting will be held no more than thirty (30) days after the Joint Adherence Committee has been unable to make a determination.

Three (3) representatives from PACT and three (3) representatives from Equity are quorum for this meeting. The Executive Directors of both PACT and Equity (or their designates) must be present with voice but no vote. The representatives have freedom to resolve the issue by consensus or by majority vote.

If a resolution is reached at this meeting, it is final and binding. The Executive Directors of PACT and Equity are responsible for recording and communicating decisions reached. If no resolution is reached, a second meeting will be held to reconsider the issue.

(B) Second Meeting

This meeting will be held no more than thirty (30) days after the first meeting. The meeting may be held in person or by electronic means.

Two (2) representatives of PACT and two (2) representatives of Equity are quorum for this meeting. One (1) representative from each organization must be a representative from the first meeting and the other must be a new representative. The Executive Directors of both PACT and Equity (or their designates) must be present with voice but no vote. The representatives have freedom to resolve the issue by consensus or by majority vote.

(C) No Resolution

In the event that a resolution is not achieved at the second meeting PACT or Equity may refer to the matter to the dispute resolution process in Article 52:00.

3:00 EQUITY MEMBERSHIP AND AUTHORIZATION

3:01 Equity Members in Good Standing

As a condition of engagement, all Equity members shall be members in good standing during the entire term of their engagement. The Equity member has authorized Equity to act on their behalf with reference to the specific matters set out in the CTA.

Up to fourteen (14) days prior to the intended start date of a CTA Engagement Contract, the Theatre may inquire in writing, and may reasonably expect confirmation, as to the status of an Artist's membership directly from Equity. Upon confirmation from Equity that a member is in good standing then, for the purposes and duration of the CTA Engagement Contract, the member shall be deemed to be in good standing. Should the member fall into arrears between confirmation from Equity and the end of the CTA Engagement Contract, it is the member's sole responsibility to rectify the situation directly with Equity.

At the time of the Theatre's inquiry, should the member be found to be not in good standing, or should Equity be unable to confirm that a member is in good standing then the Theatre may withdraw any contract offer without recourse by the member or Equity.

3:02 Authorization

(A) Equity Member

By the signing of a CTA Engagement Contract, the Equity member assigns to Equity such amounts for dues, initiation fees, and other assessments as may be certified to the Theatre by Equity to be due to Equity from the Equity member. The Equity member authorizes and directs the Theatre to deduct such amounts from their weekly fees and remit same to Equity, which authorization and direction shall be effective and irrevocable for the term of the CTA Engagement Contract.

(B) Non-Member

When a non-member signs a CTA Engagement Contract, the non-member assigns to Equity such amounts that are equal to the deductions taken from a member's Contractual Fee. The non-member authorizes and directs the Theatre to deduct such amounts from their weekly fees and remit same to Equity, which authorization and direction shall be effective and irrevocable for the term of the CTA Engagement Contract.

In a case where the Theatre has not fulfilled its obligation in accordance with Clauses 3:01 and 3:02(A) and (B) above Equity may notify the Theatre that an Artist has not fulfilled their financial obligations to Equity, and the Theatre shall deduct the total amount or a weekly amount as instructed by Equity, from the Artist's fee which the Theatre shall promptly remit to Equity.

If the Artist feels that an error has been made, the Artist shall resolve the matter directly with Equity. The Theatre shall nonetheless make the deduction as directed by Equity.

3:03 Deductions

(A) Payment of Equity Dues

The Theatre agrees to deduct working dues as directed by Equity from the Artist's Contractual Fee and remit same to Equity in accordance with, and subject to, the terms and conditions of payment outlined in Clause 16:17, Remittances.

When the Artist is on tour the working dues deduction shall be applied to the Contractual Fee only, and not to the per diem.

(B) Equity Member Benefits

Equity provides benefits to its members, including but not necessarily limited to the provision of insurance and a group RRSP plan. In order to facilitate this, the Theatre will deduct from fees payable to the Artist, and remit to Equity in accordance with Clause 16:17, such amounts as directed by Equity. These amounts are to be established at the commencement of the CTA, and may be modified on not less than 120 days' notice to PACT.

(C) Other Deductions

Any deduction in addition to the working dues deduction, initiation fees, remittances in accordance with Clause 5:01, or member benefits as set out in this Clause 3:03, shall be subject to a five dollar (\$5.00) processing fee payable by the Artist for each additional requested deduction.

3:04 Discounted Ticket Policies

The Theatre shall inform Equity of any discounted ticket policy when it files its Company Category Calculation.

The Theatre will also make its best efforts to provide and inform Artists of discounted ticket policies, subject to ticket availability and inclusive of the Theatre's standard discounted ticket policies.

4:00 LAWS GOVERNING THE CTA

4:01 Provincial Jurisdiction

Except as provided hereinafter, the CTA shall be subject to and construed by the laws of the province in which the Theatre has its Point of Origin.

4:02 Statutory Conflicts

If the provisions of any statute applicable to the contract of engagement are in conflict with the contract, then the contract of engagement shall be deemed to be modified so as to comply with the statute.

4:03 Canadian Statutes

Any Clauses contained herein illegal in Canada, or any province, territory or municipality thereof shall not be binding therein. Any illegality in any Clause or of the CTA shall not affect any other Clause of the CTA.

4:04 Provisions Affected

If any provision of the CTA shall be held invalid or unlawful by any tribunal of competent jurisdiction, the remaining provisions shall not be affected thereby, but shall remain severally valid, binding and in full force and effect.

5:00 RESPONSIBILITY OF THE ARTIST

5:01 Independent Contractor

The Artist, with the exception of those defined as employees elsewhere in the CTA, acknowledges that they are an independent contractor and are responsible for all federal and provincial taxes and other government requirements with respect to all fees payable to the Artist under their CTA Engagement Contract and all riders attached thereto.

At the request of the Artist and as directed by the Artist, the Theatre will make such remittances on their behalf from fees payable to the Artist.

5:02 Membership in Equity

It is the responsibility of the Equity member to maintain membership in good standing in Equity, to inform management of the Theatre that they are in good standing, and to furnish evidence to the Theatre and the elected Liaison when requested.

5:03 Rules and Regulations

The Artist agrees to abide by all reasonable rules and regulations of the Theatre which are not in conflict with the provisions of the CTA, any CTA Engagement Contract or the rules of Equity. Any such special rules and regulations must be posted by the Theatre on the notice board at the theatre and rehearsal hall.

5:04 Absences from the Theatre's Point of Origin

This Artist must make themselves available during the term of the Artist's CTA Engagement Contract to perform the services of the contract. This includes ensuring that the Artist resides or has temporary residence within the immediate vicinity of the Theatre's Point of Origin. The Artist agrees to request the Theatre's written permission to absent themselves for a period of time from the immediate vicinity of the Theatre's Point of Origin, or to locate their lodging for the duration of the CTA Engagement Contract outside of the Theatre's Point of Origin, such request to be stated in writing. The Theatre agrees to post its policy outlining specific time and distance limitations for which permission is not required.

While on tour, the Point of Origin as it applies to this Clause 5:04 shall refer to the immediate vicinity of the performance venue.

5:05 Impairment

(A) Ability to Perform

If the Artist is unable to rehearse or perform due to intoxication or similar impairment, the Theatre may determine that the Artist shall not rehearse or perform. The Theatre undertakes to report all such occurrences to Equity immediately. In the case of such intoxication or impairment, the Theatre may terminate the Artist's contract under the provisions of Article 38:00 of the CTA.

(B) Termination

In the circumstances outlined above, the Theatre may request relief from the provisions of Article 38:00, Termination, in order to terminate without further payment. Equity may grant such relief when it has been satisfied that the Artist was intoxicated or similarly impaired. Additionally, if a rehearsal or performance is cancelled as a result of the above circumstances, the Theatre may request the Executive Director of Equity to decide if the Artist shall be liable for any loss incurred.

5:06 Exclusive Service of the Artist

Except as otherwise provided for in the CTA Engagement Contract, the Artist shall not accept any concurrent engagement from the date of beginning of rehearsal, and until said CTA Engagement Contract is lawfully terminated, without the written consent of the Theatre. The Theatre shall make every effort to accommodate the Artist's request.

In the case where an Artist has received permission to accept a concurrent engagement, they shall fulfill all the terms and conditions of the original contract, particularly as regards rehearsal and performance provisions, unless permission for the Artist's absence is specifically described (dates, times) and agreed to by the Theatre in advance in writing.

Failure to comply with these terms may result in the original Theatre requiring the Artist to terminate the concurrent engagement immediately.

6:00 MANAGEMENT RIGHTS

6:01 Management Rights

Except as, and to the extent specifically modified by the CTA, all rights and prerogatives of management are retained by the Theatre and its management.

7:00 EQUITY MEMBER'S OBLIGATION TO EQUITY

7:01 CTA Engagement Contract

Nothing contained in any CTA Engagement Contract signed by any member of Equity shall be construed so as to interfere with the carrying out of any obligation which a member owes to Equity by reason of their membership therein. The Theatre shall not request or require any member to do anything forbidden by the Constitution and Bylaws of Equity or by such rules made by Equity or its authorized representatives which are not in conflict with the CTA.

Each of the parties to the CTA shall file with the other changes to its Constitution, Bylaws and rules made by the Council of Equity or the Board or Executive of PACT, on the date that such changes become effective.

7:02 Equity Constitution and Bylaws

If the Constitution, Bylaws, rules and regulations of Equity as they now exist or as they may hereafter be amended, are in conflict with the fulfilment of the provisions of the CTA, then the provisions of the CTA shall prevail.

7:03 Discipline of Members

However, notwithstanding the above, nothing herein contained shall be deemed to limit the right of Equity to suspend, expel or otherwise discipline any member or refuse to admit any non-member pursuant to the Constitution, Bylaws, rules and regulations of Equity.

8:00 CANADIAN ACTORS' EQUITY ASSOCIATION - SPECIAL PROVISIONS

8:01 Benefit Performances

Artists may rehearse for and play in benefits without remuneration only for the Actors' Fund of Canada. There shall be at least one (1) Actors' Fund of Canada benefit performance per season. Alternatively, the Theatre may organize another activity (such as curtain speeches designed to solicit individual donations from the audience) to benefit the Actors' Fund of Canada.

A benefit performance is a regularly scheduled performance, or one in addition to the regular schedule of performances, for which the proceeds are donated to the Actors' Fund of Canada. A Theatre may, with a minimum of two (2) weeks' notice to the Artists which shall be copied to Equity, schedule an extra performance, that is to say a ninth performance in a regular Engagement Week, or a performance on a normal free day, as a benefit performance for the Actors' Fund of Canada. In such performances, Artists will take part without additional remuneration. Provided that an Actors' Fund of Canada benefit performance has been scheduled for that season, the Theatre may schedule other benefit performances with the prior written approval of Equity.

8:02 Membership Meetings - Privilege of Artists to Attend

Provided that Equity shall have given the Theatre two (2) weeks' notice in writing, the Theatre shall not require the services of the Artist for rehearsals (except in cases of dress rehearsals, or rehearsals on an opening date or on the seven (7) consecutive day rehearsal period after opening) at any time when a regularly called meeting of Equity is being held within a reasonable distance of the city where the Artist is being engaged. Time off for this purpose shall not be counted as part of that day's rehearsal period. Such time off shall only be made up during the seven (7) days preceding and/or following the meeting, but not more than two (2) extra hours per day.

8:03 Special Power to Act for Artist

(A) Authority

Whenever it is provided in the CTA or in any CTA Engagement Contract that something may be done by an Artist:

- (i) at the option of, or with the consent of, or at the request of Equity;
- (ii) on the demand of, or with the consent of such Artist, then:

Equity, representing the Artist, has, and is given, authority to act for, and in the place of, the Artist, and to assert their position, or make their request or demand, as the case may be, with all of the power and authority of the Artist themselves without liability to itself.

(B) Consent

In all cases where the consent or approval by Equity is required to modify or limit the rights of any Artist said action will be taken on behalf of Equity in writing by the Executive Director or an authorized delegate only. Such consent or approval will be at Equity's sole discretion.

(C) Representation

Equity may represent Artists in any dispute which may arise with the Theatre, and Equity may, at all times, represent Artists in relation to any matter arising out of the CTA or any CTA Engagement Contract. When any act or request or consent of any such Artist is provided for in such contract, the request, consent, or approval of Equity shall, for all purposes, be deemed the consent, request, approval or act of the Artist.

8:04 Equity Liaisons and Authorized Representatives

(A) Equity Liaisons

Equity Liaisons shall be elected for each production.

In repertory theatre, the election of the Liaison need not be on the first day of rehearsal, but at the earliest opportunity within the first week, and at a rehearsal to which a majority of the Equity Artists are called. An Artist may be the Liaison for more than one (1) production, provided that the Artist has been engaged for each production.

(B) Authorized Representatives

Authorized representatives of Equity shall have free access to all Artists at all times, inclusive of rehearsals or performances. However, there shall be no interruption of work in progress except where deemed essential in order to meet an emergency situation.

Equity representatives shall notify the Theatre in advance of such visits, whenever possible.

8:05 Company Meetings

(A) Secret Ballot

At all meetings of the Equity company called by the Liaison, voting shall be by secret ballot.

(B) Alteration to the Standard CTA Engagement Contract

Should any situation arise where the Theatre wishes the company to consider any alterations to the standard CTA Engagement Contracts, or to the provisions of the CTA, it shall first approach Equity for a concession. Equity shall then arrange a meeting of the company at which neither the Theatre nor its representative shall be present. Any action proposed by the Equity company shall not however, be binding without the written approval of Equity.

(C) Attendance

Attendance at meetings of the Equity company shall be restricted to the Artists contracted for that production.

(D) Determination of Executive Director of Equity

The determination of the Executive Director of Equity as to any issue arising under the provisions of Clause 8:05 shall be final and binding upon the Theatre and each Artist insofar as such determination does not contravene or conflict with any of the terms in the CTA.

8:06 Auditions

Preamble

For the purpose of this Clause, an audition may constitute meetings, readings from a given text, presentations of prepared pieces, improvisations and call backs in relation to an Actor seeking engagement with the Theatre.

Each Theatre shall declare its inclusive casting policy in casting notices and breakdowns.

(A) Notice of Auditions

To promote the dissemination of casting opportunities to the broadest spectrum of artistic talent, all casting notices for all announced auditions shall be posted through Equity's e-Drive with language provided by the Theatre including information regarding productions that are being cast.

The Theatre will make every effort to notify Equity at least three (3) weeks in advance of all announced auditions.

For all open call, un-vetted auditions, the Theatre will make best efforts to distribute the notice at least four (4) weeks in advance so that interested performers may make arrangements to attend.

(B) Roles Previously Cast

Once the season has been announced, the Theatre will, when posting for an audition, other than general auditions, state any roles that have already been cast. The Theatre will also advise the Actors, at the time audition appointments are made, of any roles that have been cast.

(C) Notification of a Role Depicting a Character with a Disability

When a role to be cast depicts a character with a specific disability, the Theatre shall include this information in all casting notices, so that artists with similar disabilities may be informed of the opportunity to audition.

(D) Audition Submission Prohibition

The Theatre shall not require an Actor to disclose their age or weight on an audition submission.

(E) Annual Auditions

In order to facilitate the engagement of new voices and talent, and with particular consideration for advancing opportunities for historically underrepresented and marginalized identities, where the needs of the Theatre dictate, or where the Theatre produces more than two (2) productions in a season, the Theatre will offer a minimum of two (2) days of auditions at least once per year in a major centre or in the Theatre's point of origin. It is not necessary for the two (2) days to be consecutive and the Theatre may schedule these days at their convenience. These auditions may be general in nature in order to review available talent. These auditions shall be attended by the Artistic Director or another senior representative of the Theatre who works in a casting capacity.

Every other year, the Theatre shall add at least one (1) additional day of auditions which shall be an un-vetted open call.

To fulfill the requirements noted above, Theatres may hold joint auditions where multiple Theatres participate in the audition process. Theatres not required to hold general auditions are nonetheless encouraged to participate in these joint auditions whenever possible. These joint auditions need not be for Theatre engaging under the same agreements or policies.

(F) Priority Scheduling

At open call auditions, Equity members will be given the opportunity to be seen prior to non-members. At all other auditions, priority will be given to Equity members for scheduling audition times.

(G) Attendance

No Actor shall be auditioned unless there are at least two (2) persons other than the auditionee(s) present in the audition room.

(H) Nudity

Nudity is prohibited during the entire audition process.

(I) Casting Authority Present

The Director, Music Director, Choreographer, Composer, Choral Director or an appropriate representative of the Theatre with casting authority must be present at all auditions.

(J) Assignment of Casting Prohibited

The assignment of casting for a production exclusively to a casting agent or talent representative is strictly prohibited.

(K) Evening Auditions

Whenever possible, the Theatre will make provision for evening auditions as part of its audition schedule in order to provide an opportunity for those Actors who are working during the day.

(L) Audition Space Prohibitions

An Actor shall not be auditioned in any place that is not an accepted place of business including, but not limited to, a hotel room.

(M) Audition Facilities

Whenever auditions are held the Theatre agrees to provide audition rooms, change rooms and waiting rooms which are properly lighted, ventilated, cooled during hot weather to not more than thirty degrees Celsius (30°C) and heated during inclement or cold weather to at least twenty degrees Celsius (20°C). Best efforts shall be made to ensure that the space is scent and allergen free.

(N) Audition Space Accessibility Considerations

For an Actor with accessibility needs, the Theatre will, at the Actor's request, make all reasonable accommodations to facilitate access, which may include providing interpreters, accessible facilities, and advanced access to audition materials.

(O) Venue Suitability

Where Equity receives a complaint regarding an audition venue, Equity shall be given the opportunity to inspect the venue and, if deemed unsuitable, an alternate suitable venue shall be found at the expense of the Theatre.

(P) Individual Auditions

Except for un-vetted, open calls, Actors shall be called to audition at specific times and shall not be called in groups unless necessary for dance calls, improvisation or voice blending.

(Q) Requirement for Actors to Sign-in

When the Theatre is auditioning more than six (6) Actors in a single day, each Actor shall be required to sign-in on a sheet to be provided to the Theatre by Equity.

The Theatre shall provide a copy of the completed sign-in sheet(s) electronically to Equity within fourteen (14) calendar days after the audition.

(R) Audition Information Sheet

The Theatre will post and make available a one page information sheet supplied by Equity when the Actor signs in for a general audition or open call. The information sheet, approved by PACT and Equity, will outline the responsibilities of the Theatre and the Actor that apply to that audition. Individual information sheets will be available for plays, musical theatre and Sector 2 auditions.

(S) Maximum Number of Calls

For a non-musical, auditions shall be limited to three (3) calls of a maximum of one (1) hour each per Actor for each production.

For a musical, the total audition time inclusive of initial auditions, group calls and callback auditions shall not exceed four (4) hours for each production or repertory season.

For audition calls in excess of the limits above the actor shall be compensated at the rate of one-eighth (1/8) of the minimum weekly fee of the applicable Company Category in which the production will be presented.

At all times all breaks and rest periods shall be observed.

(T) Participation in Another Actor's Audition Call

An Actor engaged to participate in another Actor's audition shall be paid the fee as specified in the current CTA Fee Booklet.

This clause shall not apply to those circumstances where an Actor who is already cast is asked to participate in the auditions for a character to assess suitability.

(U) Recording of Auditions

The presence of cameras or other recording devices at auditions is strictly prohibited. With the Actor's agreement, the Theatre may take a photograph of the Actor during the audition.

However, in some cases it may not be possible for all persons with casting authority to be present at the in-person audition or the production includes on camera performance. In such a situation, the Theatre may record or live video conference the audition with notice to the Actor at the time of scheduling the audition, provided that all video recordings are destroyed at the end of the casting process. In all cases at least one (1) person with casting authority must be physically present at the time of audition.

(V) Self-Tape and Video Conferencing Submissions

If a Theatre wishes to audition an Actor who is unable to attend in-person audition calls, the Theatre may accept self-tapes or arrange for video conferencing. The Theatre shall provide the Actor with clear instructions regarding the submission of videos. Submissions must not be publically distributed by the Theatre and shall be destroyed at the end of the casting process.

(W) Requirement to Provide a Musical Accompanist

The Theatre shall provide an accompanist for all musical auditions involving singing, except where the Actor wishes to self-accompany or is required in the production to sing without musical accompaniment.

In the case of a non-musical production where the singing will be accompanied by live music, an accompanist must also be provided at the audition.

(X) Dance Surfaces

When an Actor is participating in a dance audition, the audition must be conducted on an appropriate dance surface. Actors shall not be required to dance on concrete or marble floors or any other surface which may cause injury to an Actor.

(Y) Change Facilities

Suitable change facilities for all dancers shall be made available. In situations where the available audition space does not have adequate facilities, Equity and all Actors being auditioned shall be made aware no less than twenty-four (24) hours before the scheduled audition time.

(Z) Specifically Requested Material

After the initial audition, when Actors are requested by the Theatre to prepare specific material, they shall be given the opportunity to perform all said prepared songs and/or text during the audition slot. In no case, shall the prepared material exceed more than fifteen (15) minutes of material per role for which the Actor is being considered.

(AA) Requested Material Availability

When an Actor is required to audition with specifically requested material that is not readily available, the Theatre shall provide such material to the actor. In the case of singing auditions, this material must be provided to the actor no less than forty-eight (48) hours prior to the audition call.

(BB) Callback Auditions

When an actor is required for a callback audition on the same day as the initial audition, the callback audition shall take place within a one-and-a-half (1-1/2) hour time period or the actor shall be given an opportunity to return at a later date or time to be mutually decided upon by the Theatre and the actor.

8:07 Musical Theatre Auditions

For musical theatre auditions the following provisions shall apply in addition to the Clauses above.

(A) Groups for Dance Calls

Dancers need not be called at individual times. The Theatre has the opportunity to audition Dancers/Chorus in a group as long as dance or movement ability is the prime consideration of the audition. The principal skill for these calls is dancing.

(B) Chorus Auditions

For Chorus auditions, actors shall be given the opportunity to audition in their principal skill of either dance or singing.

(C) Pre-Rehearsed Dance

At no time shall an actor be required to perform a pre-rehearsed dance. The actor shall only perform such dance as taught by the Choreographer, Assistant Choreographer or Dance Captain at an audition call.

9:00 HARASSMENT AND DISCRIMINATION

Preamble

The PACT and Equity are committed to the pursuit of respectful workspaces and support for those who have experienced or witnessed toxic behaviours and as such have partnered to develop the Not In OUR Space! program. Therefore, all PACT members agree to participate in the joint anti-harassment Not In OUR Space! program as outlined below.

9:01 Not In OUR Space! Program

Participation in Not In OUR Space! requires the Theatre to post the Not In OUR Space! poster in all of their rehearsal spaces and any performance spaces they own or use, for the duration of the production. The Theatre shall make best efforts to ensure the poster shall always be stocked with the appropriate bookmarks from Equity. Furthermore, the Theatre shall make copies available of the Not In OUR Space brochure as required on each production.

Equity's Respectful Workplace Policy shall be posted next to the Not In OUR Space! poster. Further, every Theatre shall have and shall make available in an easily accessible place, their own processes and procedures for filing a complaint and this information shall be communicated to all Artists no later than the first day of their engagement.

A representative from the Theatre and a representative from Equity shall present the "Respectful Workplace Statement" at the beginning of the first day of rehearsals and again in the theatre, should the Artists request it.

9:02 Harassment

"Harassment" is engaging in a course of vexatious comment or conduct against a person in a workplace that is known, or ought reasonably to be known, to be unwelcome or offensive.

Harassment is prohibited on the grounds as defined by legislation in the jurisdiction in which the Theatre has its Point of Origin. However, harassment is generally understood to be:

Sexual Harassment: Engaging in a course of vexatious comment or conduct because of sex, sexual orientation, gender identity or gender expression, where the course of comment or conduct is known or ought reasonably to be known to be unwelcome or making a sexual solicitation or advance where the person making the advance is in a position to confer, grant or deny a benefit or advancement and that person knows or ought reasonably to know that the solicitation or advance is unwelcome.

Harassment: Harassment means engaging in a course of vexatious comment or conduct that is known or ought reasonably to be known to be unwelcome. For the purpose of this policy, harassment includes comment or conduct initiated by one person towards another, which causes humiliation, offence or embarrassment, or which has the purpose or effect of unreasonably interfering with the person's work and/or creating an intimidating, humiliating, hostile or offensive environment. Ordinarily, repeated comment or conduct is required to demonstrate harassment, however single acts of sufficient severity may also constitute harassment.

Bullying is a distinct form of personal harassment and may include, but is not restricted to, some of the following: loud, abusive behaviour, unjustified criticism, shunning behaviours (including withholding information, ganging up, deliberate isolation from colleagues or exclusion from joint activities), repeated delegation of demeaning tasks.

9:03 Reporting Harassment and Resolution Process

PACT and Equity acknowledge that there are a number of possible methods by which a complaint of harassment or discrimination can be made including:

- (a) Directly addressing the alleged harasser and advising that the behaviour is unwelcome and must cease;
- (b) The complaint policy set out in a Theatre's policy; or,
- (c) The complaint process provided for in Equity's policies.

The parties agree that a complaint made to a Theatre is to be investigated. Equity agrees that it shall advise a Theatre of any complaint made to Equity that involves a member of management. Equity and PACT agree that it is the responsibility of a Theatre to conduct an investigation into any complaint made to a Theatre or a complaint made that involves a member of management.

PACT and Equity support the principles of human rights legislation including the principle that a complainant cannot be subject to a reprisal for the filing of a good faith complaint.

PACT and Equity agree that an investigation should be conducted in a confidential manner.

9:04 Requirement to Report

If a complaint is brought forward by an Equity member, at the specific request of a non-member, or if a complaint is made against an Equity member, the Theatre shall immediately advise Equity that an investigation is under way. Upon written consent of the Equity member, the Theatre shall share with Equity a summary report of the actions and findings.

9:05 Relief of Termination Payment

When the results of an appropriately conducted investigation have determined that harassment has taken place and the Theatre wishes to terminate the Artist's CTA Engagement Contract, the Theatre may request relief from the provisions of Article 38:00, Termination, in order to terminate an Artist's CTA Engagement Contract without further remuneration. Equity may grant such relief, provided it is satisfied that such termination of the Artist's contract is the appropriate resolution.

9:06 Dispute Between Equity and the Theatre

If the Theatre and Equity are in dispute with respect to any matter arising from the application of this Article, either party may refer the dispute to the dispute resolution procedures of Article 52:00.

9:07 Discrimination

(A) Discrimination Prohibition

There shall be no discrimination against any Artist or applicant for a role or position by reason of ethno-cultural origin or identity, colour, gender identity and/or expression, sexual orientation, age, disability, political or religious affiliation, citizenship, marital status, or any other basis prohibited by law. Any breach of this Clause by the parties to the CTA may be submitted to the appropriate human rights authority.

(B) Termination Due to Discrimination is Prohibited

When it is alleged that an Artist's engagement has been terminated due to discrimination as described above, the matter may be submitted to the dispute resolution provisions of Article 52:00.

(C) Artist Not Required to Render Services

An Artist shall not be required to render any services to the Theatre in any theatre or any place where it has been determined that discrimination as described in this Article is practised against any person. Where there is a dispute as to whether such discrimination has taken place, the Artist will continue to render their services until final determination has been made under the provisions of Article 52:00.

(D) Discrimination Due to Pregnancy or Parental Status

An Artist's pregnancy or parental status shall not prevent the Artist from enjoying full and equal audition and engagement opportunities. Under no circumstances shall an Artist's pregnancy be considered grounds for termination, unless it impinges on the artistic integrity of the production, to be determined by the Theatre.

(E) Discrimination for Association Activity

(i) Prohibition of Discrimination

The Theatre shall not dismiss or otherwise penalize any Equity member for fulfilling their duties or obligations as a Liaison, elected officer, or member of Equity.

(ii) Claims

Any Equity member who claims that the Theatre has given them notice or otherwise penalized them for fulfilling their duties as an Equity member, may present their case to the Executive Director of Equity who shall give the Theatre the opportunity to be heard. If the Executive Director of Equity is satisfied that such activities are the real cause of dismissal or of any penalty, it shall have the power to determine the character and the amount of a penalty to be assessed against the Theatre. Should the Theatre disagree with the Executive Director's decision or with the assessed penalty, it may appeal through arbitration according to the further provisions of Article 52:00.

(iii) Equity Liaison's Contract Terminated

In the event the engagement of a Liaison is terminated, the Theatre will furnish the reason for this termination to both the Liaison and Equity simultaneously and in writing. Whenever an Equity Liaison is dismissed or otherwise penalized, Equity shall investigate the reasons for such dismissal or penalty. If Equity is satisfied upon investigation that said Liaison was dismissed or otherwise penalized for fulfilling their duties or obligations as a Liaison, their case shall be presented to the Executive Director of Equity of who shall give the Theatre the opportunity to be heard if it desires to avail itself of this opportunity. After said hearing, where the Executive Director of Equity determines that the Liaison has been dismissed or otherwise penalized for fulfilling their duties or obligations as a Liaison, Equity shall have the power to determine the character and the amount of a penalty to be assessed against the Theatre. Should the Theatre disagree with such determination by the Executive Director of Equity or with the assessed penalty, it may appeal through arbitration according to the further provisions of Article 52:00.

(iv) Failure to Pay Penalty

Should the Theatre fail to pay a penalty assessed against it, Equity agrees that it will not attach the Theatre's bond for payment of such penalty prior to sixty (60) days from the date of the final assessment of such penalty.

9:08 Non-Disclosure Agreements and Reprisal

Following the investigation of any complaint or incident, the parties recognize that there are statutory obligations under the appropriate legislation and under no circumstances can one party obligate the other to a non-disclosure agreement or retaliate against the other party.

Both parties acknowledge and understand that there are remedies in the event of demonstrable reprisal.

Artists engaged on a CTA contract may request support and assistance from Equity. PACT Theatres may request support and assistance from PACT.

10:00 ACCESS, INCLUSION, AND ANTI-OPPRESSION

10:01 Acknowledging Systemic Oppression and Exclusion

PACT and Equity acknowledge that Canadian theatre, and the Canadian Theatre Agreement, evolved from a patriarchal, Eurocentric tradition that has contributed to widespread discrimination and exclusion of a range of people and practices. PACT and Equity are committed to redressing systemic exclusion in our shared theatre ecology, and to expanding engagement opportunities for Artists who identify with historically underrepresented groups, so that the practice of theatre honours and reflects the wide diversity of performance, processes, bodies, and identities in our society.

It is additionally acknowledged that theatre in Canada is practiced on the traditional lands of First Nations, Inuit, and the Métis Nation, and that settler artists and institutions have benefitted from colonial structures and systemic racism to the detriment and exclusion of Indigenous artists and art practices. PACT and Equity further commit to building respectful relationships with Indigenous communities through listening, learning, collaboration, and the meaningful sharing of resources.

10:02 Commitment to Anti-Oppression and Inclusion

(A) Joint Undertaking

PACT and Equity recognize that measurable progress towards truly inclusive participation in our theatre ecology requires urgent, systemic, and sustainable shifts in both practices and infrastructures. Both associations are committed to ongoing training and dialogue with their respective memberships to advance inclusion, and will take actionable strides to engage and consult with historically underrepresented groups to redress systemic oppression and exclusion.

PACT and Equity will establish an “Article 10 Committee” to collaborate on joint anti-oppression initiatives, including the establishment of a publicly available Tool Kit of anti-oppression strategies and best practices to support the work of Theatres and Artists in advancing social justice. This committee will meet no less than once per year to monitor the ongoing effectiveness of this article.

(B) Declared Actions: Anti-Oppression and Inclusion

In the spirit of a shared commitment to sectoral change, and to foster the development of safe, respectful, and responsible work environments:

- (i)** The Theatre will articulate their organizational actions addressing anti-oppression and inclusion, according to their needs and circumstances, making use of the Tool Kit as may be desirable, and will share these actions with PACT and Equity annually at the time of submitting their first Production Check List per Clause 16:16. These actions will also be publicly posted at the Theatre as per Clause 9:02, and may be made available to the Artist upon request prior to contracting;
- (ii)** PACT and Equity will articulate the actions they are undertaking as organizations to support and advance the principles of this article. These actions will be updated annually and shared publicly on each organization’s respective website.

The Article 10 Committee may follow-up with the Theatre, PACT and/or Equity to review and support progress in these endeavours.

10:03 Equal Engagement Opportunities

PACT and Equity are committed to the practice of equitable engagement opportunities, to expanding inclusion, and to eliminating discrimination in theatre. To this end, with due respect for the requirements of and suitability for a job – and with the understanding that there can be no interference with the contractual rights or artistic discretion of the playwright, Director, or Choreographer – PACT and its Theatres reaffirm their commitment to non-discrimination and the practice of Inclusive Casting.

(A) Inclusive Casting

Inclusive Casting is defined, for the purposes of this Agreement, as the casting of Artists who self-identify with historically underrepresented groups (including but not limited to Indigenous and racialized identity, age, D/deaf and disability, gender, LGBTQ2+, or neurodiverse) in roles where identity characteristics are not prescribed. This practice shall extend to all roles in a production, including principal and ensemble roles.

(i) Notice of Inclusive Casting Policy

The Theatre will articulate its inclusive casting policy in all casting notices and breakdowns.

(ii) Distribution of Casting Notices and Breakdowns

As per Clause 8.06(A) and to promote dissemination of casting opportunities to the broadest spectrum of artistic talent, all casting notices and breakdowns will be posted on the Equity e-Drive, and any additional channels the Theatre deems appropriate.

(iii) Cultural Integrity in Casting

Notwithstanding the foregoing, PACT and Equity recognize that casting against the indicated or implied ethnicity of a culturally-specific role, or outside the lived experience of a character with a disability or underrepresented gender identity, may have a discriminatory or distressing impact on those artists and communities. When casting such roles, the Theatre will make best efforts to audition and engage Artists of appropriate background or identity.

(B) Inclusive Engagement Beyond Casting

Application of the principle of Inclusive Casting will extend to the engagement of all artistic personnel, including but not limited to Directors, Choreographers, Stage Managers, Fight Directors and Intimacy Directors. Theatres are also encouraged to actively solicit the participation of underrepresented identities in all areas of theatre creation and production.

10:04 Respectful Consultation, Collaboration, and Representation

(A) Respectful Consultation and Collaboration

It is understood that all Artists bring their identity, history, and experience to the creative process, and that the inclusion of diverse identities is a source of richness and strength for a production and the broader ecology. That said,

(i) Where a production deals with identity-specific content, or characters outside the lived experience of the creative team, the Theatre shall make best efforts to consult with appropriately knowledgeable Elders or individuals from those cultures or communities to ensure informed and respectful choices relating to representation. Such consultation should be conducted with sufficient lead time to enable useful integration of any learning into pre-production, rehearsal and production, and shall be compensated appropriately.

(ii) Where an Artist engaged on a production is solicited by the Theatre or Director to provide insight or expertise related to their culture or identity beyond the customary parameters of their contracted duties in the production, the Artist and Theatre will negotiate mutually agreeable terms and financial compensation for that service. These terms will be ridered to their contract, and will be payable by the Theatre at a rate not less than indicated in Clause 16:18 Additional Duty Fees upon submission of invoice. This payment is not subject to Clause 3:03 Deductions.

(B) Respectful Representation

Artists who identify with racialized or historically underrepresented groups hold a range of opinions about how aspects of their identity may or may not intersect with the story, characters, or aesthetics of a production. Timely and transparent discussions with the Artist regarding any use or treatment of their identity are vital to ensure informed and ongoing consent. Such consultation is equally important in works with no implied identity-specific content, where the direction/production seeks to ascribe elements of an Artist's culture or identity on the work.

- (i) When engaging Artists who identify with racialized or historically underrepresented groups, the Theatre will have discussion with the Artist prior to contract signing to understand their specific needs and desired supports related to the engagement. The Theatre and Artist will jointly determine what information will need to be communicated to the Director, Stage Manager, cast, creative collaborators, company staff and/or appropriate theatre personnel. With the consent of the Artist, the Theatre and Artist will outline any specific agreements in a rider to the Artist's CTA engagement contract.
- (ii) Artists who identify with racialized or historically underrepresented groups will be actively consulted regarding their hair, makeup, wardrobe or use of culturally- or identity-specific items in the production. These conversations must be anti-racist and non-discriminatory in language and tone, and provide the Artist with agency and support to achieve respectful self-representation.
- (iii) Where the content of a production deals with issues of violence, trauma, cultural or oppressed groups, or where it may be reasonably anticipated that the Artist's individual identity may intersect with or reinforce harmful or demeaning stereotypes, Theatres are encouraged at the time of offer to provide Actors – regardless of background or identity – with all available information about the production's concept and/or context. (See Clause 35:09(A) Prior Knowledge.)

10:05 Resolution of Issues Related to Identity

- (A) Where issues arise related to the Artist's culture or identity, in rehearsal or production, the Theatre will act promptly and transparently to resolve the issue. All parties are cautioned to refrain from imposing additional emotional labour on the Artist to navigate their own harm or oppression, and commit to protecting the Artist from overt or subtle retribution for identifying harmful behaviour.
- (B) Upon request by the Artist and by mutual agreement, the Theatre will welcome a third-party advocate to facilitate resolution of the issue. Where such an advocate is not an agent, a representative of Equity, or otherwise paid representative, the Theatre will assume costs or appropriate compensation.
- (C) A complaint made during the course of another active investigation (harassment, bullying, health & safety, or other workplace incident requiring legislated investigation) must also be resolved. However, any investigation and resolution of the complaint made under this Article may not interfere with or supersede the active investigation.

11:00 BREACHES

11:01 By The Theatre

(A) Conditions

Should Equity and/or any Artist claim that a Theatre:

- (i) has breached the CTA; or
- (ii) has breached any CTA Engagement Contract; or
- (iii) has made any false statement in connection with any engagement agreement or standard CTA Engagement Contract form tendered to the Artist; or
- (iv) has engaged any Artist for duties which fall within the scope of the CTA under any form of contract other than a standard form; or
- (v) is in default under any CTA Engagement Contract, or is in breach of any such CTA Engagement Contract; or
- (vi) has knowingly engaged or continued to engage subsequent to notice by Equity any Equity member who is not a fully paid-up member in good standing of Equity; or
- (vii) has failed to give or deposit security at the time and in the form and amount required by the CTA; then,

Clauses (B) through (G) below apply.

(B) Procedure

Equity will, within thirty (30) days of a breach occurring, or within thirty (30) days in which Equity ought reasonably to have known of the breach, but in any event no later than ninety (90) days of the occurrence, provide the Theatre and PACT with full details of the complaint in writing. Upon final determination that such breach(es) has/have occurred, the Artist may with the consent of Equity immediately terminate their engagement.

(C) Payment

In addition, the Theatre agrees that it will pay the Artist immediately in full for all services rendered by the Artist not already paid for, plus any other sum to which the Artist may be entitled by the CTA or their CTA Engagement Contract.

(D) Punitive Damages

Should PACT or Equity claim punitive damages, all such claims shall be considered and determined by the Joint Administration Committee, under the provisions of Article 51:00. The Committee will use the standards of the CTA and penalty payments for similar infractions in determining the amount of punitive damages. In no case may the damages exceed two weeks' fee.

(E) No Waiver of Rights

Should any breach be claimed neither the giving of any performance by the Artist, nor any omission of any act by the Artist, or Equity shall be or act as a waiver of any of the rights of either the Artist or Equity.

Should it finally be determined that a breach has occurred, Equity is hereby given authority without prejudice, and without penalty to itself, to intervene and require the Artist to perform, or otherwise act, not to perform, or not to take advantage of any such breach, said requirements to be made by Equity under such terms and conditions as it may in its sole discretion consider just and equitable.

(F) Without Prejudice

All of the foregoing is without prejudice to any other or any further rights given to the Artist or Equity by the CTA or their CTA Engagement Contract.

(G) Discipline

PACT agrees to consider any request from Equity to discipline a member theatre of PACT for breaches of the CTA.

11:02 By The Artist

(A) Absences

If the Theatre alleges an Artist has breached the CTA Engagement Contract during the engagement period due to any of the following, and that the Artist does not provide a reasonable explanation, the Theatre may impose the following penalties, upon written notification to the Artist (copied to Equity and PACT), and provided the Theatre has fulfilled its obligations under Clauses 5:04 and 24:03(F), to be deducted from the contractual payment:

- (i) for each call missed, an amount equivalent to the sum of the rate stipulated on line one (1) of Schedule "A" in the current CTA Fee Booklet per hour of the missed call, to a maximum of one-sixth (1/6) of the Contractual Fee; and/or
- (ii) leaving town without permission, one-sixth (1/6) of the Contractual Fee (this permission will not be unreasonably withheld); and/or
- (iii) where the Artist has received a prior written warning regarding late arrival to a call, twenty-seven dollars and eighty-one cents (\$27.81) for each subsequent infraction.

(B) Request for Absence

It is the essence of this Clause that the Theatre will make every effort to accommodate an Artist's request to be absent from a call or the Theatre's Point of Origin. Inability to secure permission in the event of a family emergency will not constitute a breach of this Clause by the Artist.

(C) Equity's Right to Dispute

Notwithstanding the foregoing, Equity has the right to dispute the alleged breach and the Theatre agrees to reimburse the Artist should the dispute be settled in the Artist's favour. If the dispute can be settled prior to the termination of the Artist's contract, no deduction shall take place until a determination is reached.

(D) Penalties for Other Claims

Furthermore, should a Theatre claim that an Artist:

- (i) has breached the CTA in any other way; or
- (ii) is in breach of any part of their CTA Engagement Contract; or
- (iii) has made any false statement in connection with any engagement agreement; or
- (iv) is in default under any CTA Engagement Contract with any member of PACT; then:

the Theatre will, within thirty (30) days of a breach occurring, or within thirty (30) days in which the Theatre ought reasonably to have known of the breach, but in any event no later than ninety (90) days of the occurrence, provide Equity and PACT with full details of the complaint in writing, after which Equity's hearing procedures, as outlined in Equity's Constitution and Bylaws, will be followed. If the matter is not resolved to the satisfaction of the Theatre, including appropriate compensation, the Theatre shall have recourse to the dispute resolution procedures of the CTA, Article 52:00.

11:03 Waiver or Release Not Permissible

With regard to any claim by the Artist arising from any alleged breach of the CTA or any individual CTA Engagement Contract, no receipt, waiver or release or adjustment by the Artist is of any validity whatsoever, unless Equity consents in writing. The Theatre, by agreeing to this Clause, agrees that it will not seek or solicit any such waiver, release or settlement, nor offer the same in any arbitration or any proceeding in court, unless Equity specifically consents in writing. In no case shall claims of Artists under CTA Engagement Contracts be handled or enforced by agents or attorneys of Artists unless same are consented to by Equity in writing.

11:04 Time Limit in Lodging Claims

Should the Artist deem that they have any claim against the Theatre under their contract, they shall present the same in writing to the Theatre, or to Equity within four (4) weeks after the time when such claim shall have arisen unless they shall give to Equity or to the arbitrator, or to either of them a good and sufficient reason for any delay after such period of four (4) weeks.

12:00 DEFAULTING THEATRES AND ARTISTS

12:01 Theatre in Good Standing

Any Theatre engaging any Artist represents that such Theatre is not in default with respect to any payment or penalty required by the CTA (or any other Agreement with Equity) or any CTA Engagement Contract, or required by the interpretation or arbitration of this Agreement or any CTA Engagement Contract. The Theatre further represents that no breach of the CTA or any CTA Engagement Contract remains unsettled. The subject matter of a dispute for which an unresolved claim has been presented or which is in arbitration or for which notice of arbitration has been given shall not be deemed an unsettled breach.

12:02 Defaulting Theatres

(A) No Requirement to Work

Without the written consent of Equity, no Equity member shall work for any Theatre or be required by any Theatre to work for any person, co-partnership, corporation, enterprise or group:

- (i) which has failed to abide by any settlement or arbitration award; or
- (ii) which through failure to meet past obligations to Equity or its members, has been placed on Equity's Defaulting Theatres List.

Additionally, without the written consent of Equity, no Equity member shall work for, or be engaged by, anyone who is, or has been connected with any defaulting Theatre so specified either as an individual proprietor, general partner, associate producer, corporate director, or officer, or active stockholder.

(B) List

Should Equity place any Theatre on the Defaulting Theatres List, and should the Theatre wish to contest this designation, then the matter may be submitted to the arbitration procedures of the CTA.

When it has been finally determined that a Theatre is in default, Equity and PACT agree to maintain jointly a list of Defaulting Theatres.

(C) Insufficient Security

No Artist shall work for, or be required to work for, or continue in the engagement of any Theatre, should the amount of security deposited or arranged with Equity be insufficient to satisfy the terms of Article 33:00 of this Agreement and/or insufficient security for the payment of any outstanding claim.

(D) Interest Charge

Once it is agreed by Equity and PACT that the Theatre is in default of fees or other monies due to any Artist, or when a settlement or arbitration award has been finally determined, the Theatre agrees to pay one (1%) percent per month interest, beginning thirty (30) days from the date the claim was due and ending when the claim is paid. Such interest shall be added to and payable as part of said claim.

(E) Satisfaction of Claim

Upon satisfaction of the above-mentioned claim by the defaulting Theatre, no individual employed by or associated with that Theatre shall be penalized or discriminated against by Equity.

12:03 Defaulting Artists

Any Artist entering into a CTA Engagement Contract with a Theatre represents that they are not in default with regard to any payments or penalties required by the CTA or any CTA Engagement Contract, or required by the interpretation, or arbitration of the CTA or any CTA Engagement Contract. The Artist further represents that no breach of the CTA or any CTA Engagement Contract remains unsettled.

The subject matter of a dispute for which an unresolved claim has been presented, or which is in arbitration or for which notice of arbitration has been given, shall not be deemed an unsettled breach.

(A) Disciplinary Procedure

Once it is agreed by Equity and PACT that an Artist is in default of termination payments or other monies due a Theatre, or where it has finally been determined that an Equity member has failed to fulfil any settlement or arbitration award, Equity agrees that it will use the disciplinary procedures in its Constitution and Bylaws to ensure fulfilment of the Artist's obligations to the Theatre.

(B) Satisfaction of Claim

Upon satisfaction of the above-mentioned payments, settlements, awards or penalties by the Artists, no Theatre shall penalize or discriminate against any such Artist.

13:00 PRODUCTION PROSECUTED/ CONTRAVENTION OF CRIMINAL CODE

13:01 Defending the Artist

Should the production in which the Artist is engaged be complained of as being in violation of any statute, ordinance, or law of Canada or any province, territory, or municipality thereof, and should claim or charge either civil or criminal be made against the Artist on account of them being engaged in such production the Theatre shall defend the Artist at its own expense, or shall pay any and all reasonable charges laid out or incurred by the Artist in their defence, and any financial losses which they may suffer on account of being engaged in such production.

13:02 Offensive Material

The language, business and costuming of the play are under the control and direction of the Theatre and author, who, according to custom, can at any time delete, change or amend the scenes and lines, and that, consequently, the Artist has no certain method of knowing during rehearsals whether, in its final presentation, the play is susceptible to being considered immoral, or indecent, or pornographic. Therefore, the Theatre represents to the Artist that the play as produced shall not violate any law or give offence which is punishable by any law, and expressly agrees that should they or the author be arrested or summoned on such charges, the Artist may (Equity consenting) end and terminate the engagement immediately. Upon termination, the Theatre shall pay to the Artist immediately all sums due under their agreement plus the normal compensation for the termination of the engagement as specified in the CTA.

13:03 Arrest of Artist

This Clause shall not apply to any case or any set of conditions where its enforcement is illegal.

In the case of an arrest because of the nature of the play or its production, the Theatre shall immediately furnish bail for the Artist, and in the event of its failure to do so, shall provide for payment to the Artist for any expenses incurred by the Artist in this regard. After an arrest, the Artist may demand a suspension of performance pending the outcome of legal proceedings, and such suspension shall not terminate or otherwise affect the terms of the CTA Engagement Contract.

13:04 Duty not to Contravene Criminal Code

The Theatre has a duty to all Artists to see that they are not required to be in any place where the Criminal Code of Canada and/or the Controlled Drug and Substances Act is being contravened. Similarly, all Artists have a duty to the Theatre not to contravene the Criminal Code of Canada and/or the Controlled Drug and Substances Act while on Theatre premises.

13:05 Duty to Report Any Criminal Activity

When an Artist is in any place where they are required to be because of their contract and they have good reason to believe that any other person is committing any criminal act in that place, then the Artist shall report their reasons to the Theatre and the Theatre shall investigate the report. If the Theatre believes that a criminal act is occurring or has occurred, it shall take whatever further action it deems necessary to protect the Artist(s) from any liability or involvement.

13:06 Withdrawal from Contract Due to Contravention of Criminal Code

Where it has been agreed by Equity and PACT that a Theatre has failed to comply with the requirements of Clauses 13:04 and 13:05, then the Artist may withdraw from their contract without liability and shall be entitled to their contractual compensation, as if the contract were terminated by the Theatre. Where it has been agreed by Equity and PACT that any Artist has failed to comply with the requirements of Clause 13:04 their contract may be terminated immediately without further payment.

14:00 PRESENTED COMPANIES

Presentations are not intended to decrease the amount of work for Equity member artists.

PACT and Equity acknowledge that a Theatre may want to partner with, collaborate on, or present another company's production to expose audiences to voices and practices. PACT and Equity further acknowledge that in some instances a presented company's working terms and conditions may vary from those stipulated in the CTA.

Notwithstanding the above, productions that have been produced under the CTA must continue to be produced under the CTA when being present by another PACT Regular member.

The presentation contract is a matter between the producer and the presenter only and is outside of the purview of both PACT and Equity and is not subject to the CTA.

The presenting company will ensure that the applicable health and safety provisions of the CTA as well as the conditions of Not In OUR Space! shall be adhered to for the duration of the presentation contract.

Where the presentation includes non-Equity member artists, the form of contract for those non-Equity member artists will be determined without interference from either association. Where the presentation includes Equity Artists, the form of contract for those Equity member Artists only will be determined by Equity after discussion with the producer.

A presented company working under the terms of the ITA will continue to be bound by the terms and conditions of that agreement.

This Clause does not prevent a non-Equity artist from independently and voluntarily pursuing membership in Equity at any time.

PACT and Equity agree to meet at least every six (6) months during the term of this Agreement to review information about presented productions and to discuss and review any unintended results of this Article. Meeting participants shall be composed of persons involved in the negotiation of this Article. On mutual agreement, other participants may be invited to participate in the meeting.

15:00 COMPANY CATEGORIES

15:01 Company Category Calculation

The Company Category is arrived at by calculating the weekly box office potential according to the formulae following.

The Theatre must provide Equity and PACT with a completed Company Category Calculation before the beginning of each season, prior to issuing CTA Engagement Contracts.

In addition, the Theatre agrees to furnish Equity and PACT with a completed Company Category Calculation in advance of altering ticket prices and/or altering the seating capacity of the theatre or theatres under its control and/or mounting a production in a new venue for the Theatre.

In instances where the Theatre offers one (1) Pay What You Can performance during a week, the value of each seat for that performance shall be calculated at twelve dollars and fifty cents (\$12.50).

15:02 Formulae

(A) Single Productions, Not Part of a Series

Calculate the full value of all seats in each ticket price category (i.e. the price of ticket to purchaser) to derive the box office potential for each performance. Select the maximum number of performances given in any one (1) week (i.e. a Monday to Sunday period as defined in Clause 18:18) and add their total potential together to derive the gross weekly box office potential.

The price of the ticket to purchaser is the full non-discounted price for the seat. However, where the Theatre advertises a discount for seniors and students, the Theatre may subtract an amount equal to ten (10%) percent from the gross weekly box office potential. Theatre for Young Audiences companies which submit Company Category Calculations in accordance with Article 55:00, for productions that do not contain a touring element, may use the student ticket price for performances beginning before 4:30 p.m. For performances beginning after 4:30 p.m., the calculation will be based on half the available seats at the full adult non-discounted ticket price, and the remaining half of the available seats at the children's or student ticket price.

Subtract Entertainment Tax (if any), Goods and Services Taxes or Harmonized Sales Tax (hereinafter called GST or HST), ticket services charges (such as those imposed by recognized third party ticketing services) and capital improvement fund surcharges (hereinafter called CIF) to derive the net box office potential (the deductions shall also apply to Pay What You Can performances). The Theatre will be required to supply PACT and Equity with a copy of any third party agreement upon request. (PACT members may apply to PACT and Equity for the exclusion of capital improvement fund ticket surcharges and other venue surcharges from the price of the ticket. This application should be made prior to preparing the Company Category Calculation.)

Compare the net box office potential to the table as specified in Clause 15:01 of the current CTA Fee Booklet to establish Company Category.

(B) Series of Productions with Consistent Ticket Prices

Complete a Company Category Calculation for each venue or series separately.

Calculate the full value of all seats in each ticket price category (i.e. the price of ticket to purchaser) for each performance in the series (including previews), to derive the gross box office potential per performance.

The price of ticket to purchaser is the full non-discounted price for the seat. However, Theatre for Young Audience companies which submit Company Category Calculations in accordance with Article 55:00, for productions that do not contain a touring element, may use the student ticket price for performances beginning before 4:30 p.m.

Subtract Entertainment Tax (if any), GST or HST, ticket services charges (such as those imposed by recognized third party ticketing services), and CIF (the deductions shall also apply to Pay What You Can performances). The Theatre will be required to supply PACT and Equity with a copy of any third party agreement upon request. (PACT members may apply to PACT and Equity for the exclusion of capital improvement fund ticket surcharges and other venue surcharges from the price of the ticket. This application should be made prior to preparing the Company Category Calculation.)

Add the box office potential for all performances of each production in the series, to derive the series gross box office potential.

If the series of productions is on subscription the Theatre may subtract an additional amount equal to thirty (30%) percent of the total subscription revenue from the last comparable series, resulting in the series net box office potential.

Calculate the total number of performance weeks for the series. For the purposes of this calculation, a performance week is any week in which five (5) or more public performances are presented. For weeks in which fewer than five (5) performances are given, each such performance is counted as one-eighth (1/8) of a week.

Divide the series gross box office potential (or, if the series is a subscription series, divide the series net box office potential), by the total number of performance weeks in the series and compare to the table as specified in Clause 15:01 of the current CTA Fee Booklet to establish Company Category.

(C) Special Circumstances

- (i) The Theatre offers one (1) or more productions outside the series; and/or
- (ii) One (1) or more productions in the series is at a different venue; and/or
- (iii) One (1) or more productions in the series has different ticket prices from the majority of the productions to be given in the series.

Please contact PACT or Equity for clarification of the calculation.

15:03 Supporting Documentation

A Theatre with subscription sales must support its figures with detailed box office statements.

If requested, the Theatre shall also submit to PACT and Equity copies of its detailed calculations for the season's box office potential.

The Theatre shall also submit to PACT and Equity copies of its season brochure or similar documentation showing its regular ticket prices for its season or production.

No Theatre may change in Company Category as a result of Article 15:00 without the prior written consent of Equity, which shall not be unreasonably withheld, and written notification to PACT.

15:04 Multiple Venues

(A) Point of Origin

Where a Theatre occupies more than one (1) performance venue in its Point of Origin, the Company Category applicable to a production presented exclusively in a particular performance venue shall be determined by the potential weekly box office gross of that venue.

(B) Differing Categories

When a Theatre occupies more than one (1) venue with differing Categories, any Artist engaged for more than one (1) venue shall be paid at no less than the minimum fee applicable for the venue possessing the highest Company Category for the duration of their engagement at each venue, unless the Artist is engaged under a separate contract for their engagement at each venue.

15:05 Company Category for a Touring Production

The Company Category for a production that tours to a venue, or multiple venues, outside the Theatre's point-of-origin shall be calculated in one of the following ways, excluding productions engaged under the provisions of Article 55:00.

Please note: For Engagement Weeks in which fewer than five (5) performances are given, each such performance is counted as one-eighth (1/8) of a week.

(A) Box Office Method

In circumstances where the Theatre receives box office revenue and box office statements, the Theatre shall calculate the total box office potential for the total number of performance weeks and divide the total amount of potential box office revenue by the number of performance weeks. For the purposes of this calculation, a performance week is any Engagement Week in which five (5) or more public performances are presented. In the circumstances where the touring company's production is part of a subscription series, the gross potential box office calculation for that part of the tour would be discounted by the pro-rated amount of the host venue's subscription discount from the last comparable series.

(B) Guaranteed Fees Method

To determine the applicable company category for touring productions which receive guaranteed fees using the guaranteed fees method, the Theatre shall divide the total guaranteed fees provided to them by all the presenting venues on the tour by the number of performance weeks. For the purposes of this calculation, performance weeks shall be calculated as in Clause 15:02(B). The Theatre is required to verify guaranteed fee amounts to Equity, by providing the appropriate page of the presenting contract indicating the total guaranteed fee from that presenter.

(C) Mixed Method

To determine the applicable company category for touring productions using this method – in which the Theatre receives a guaranteed fee, as well as a percentage of the Box Office from the presenter – the Theatre shall calculate their percentage take of the box office potential for the total number of performance weeks, add their guaranteed fees revenue for the total number of performance weeks, and divide the total combined potential revenue by the number of performance weeks. In the circumstances where the touring company's production is part of a subscription series, the gross potential box office calculation for that part of the tour would be discounted by the pro-rated amount of the host venue's subscription discount from the last comparable series. The Theatre is required to verify guaranteed fee and box office percentage amounts to Equity, by providing the appropriate page of the presenting contract indicating the total guaranteed fee and box office percentage from that presenter.

Stage Management staffing requirements may remain consistent with the initial run of the production unless the new venue conditions dictate otherwise.

15:06 Transfer

Should the box office potential at the new venue after a Transfer result in a different Company Category in accordance with Clause 15:02, the minimum fee for Artists engaged for the transfer will be adjusted accordingly.

16:00 FEES

16:01 Legal Tender

In Canada, all payments required to be made by the Theatre to the Artist shall be in legal tender of Canada. All minimum rates of compensation set forth in the CTA, all other rates of compensation set forth in the CTA, and all other rates of compensation set forth in every individual contract between the Theatre and the Artist, must be paid in legal tender of Canada.

16:02 At the Point of Origin

(A) Payment by Cheque or Cash

Payments of fees, etc., at the Point of Origin may be made by company cheque, except that Equity has the right to require payment by cash or certified cheque where security arrangements as required by Article 33:00 have expired, or are insufficient to cover the Theatre's outstanding liabilities in addition to the requirements of Article 33:00, or where there have been problems with payments to Artists.

(B) Payment by Direct Deposit

The Theatre may offer the choice of payment of fees, etc. at the Point of Origin by direct deposit. The options available to the Artist must be stated in a rider to the Artist's CTA Engagement Contract. The Artist, on reasonable notice, has the right to revert to payment by cheque in accordance with Clause 16:02(A) at any time at their sole discretion. Should the Artist elect payment by direct deposit under these provisions, the Theatre must provide an itemization of payments and deductions in accordance with Clause 16:06.

16:03 On Tour

The Theatre will advise Equity of its pay arrangements on tour. In any case, the per diem shall be paid at least one (1) week in advance of the week for which it is applicable.

16:04 Time of Payment

(A) Payment by Cheque or Cash

Payment by company cheque must be delivered or made available to the Artists no later than 8:00 p.m. each Thursday. If Friday is a bank holiday, company cheques, cashable on Thursday, must be made available to the Artists no later than 8:00 p.m. on Wednesday.

18:56 Supplemental Business

"Supplemental Business" is a non-essential (not necessary to the continuity of the plot) moment or bit which does not involve specific lines or dialogue and could be cut from a production but is kept for artistic reasons. Supplemental Business may also include the movement of a prop or set piece which is otherwise part of another Role that has been cut from the performance, and which does not result in a significant change to the Artist's blocking or in the Artist performing in a scene in which they would not otherwise appear as part of their Role.

18:57 Swing

A "Swing" is a non performing Artist who has been contracted for a production to cover more than one (1) role or track with the majority of roles being ensemble or chorus tracks. Notwithstanding the above the Artist may provide atmosphere and background in the production provided the actions can be cut without replacement. They may speak in unison or have unscripted lines and perform limited song and dance sequences in a crowd scene but may not move a prop or set piece outside of understudy tracks. Additionally, a Swing may be required to sing offstage.

18:58 Theatre

The term "Theatre" shall mean a PACT member with which the Artist negotiates the CTA Engagement Contract for services rendered.

18:59 Touring

(A) Local (Not Overnight) Run-Outs

A "Run-Out" is any circumstance where the Artist leaves from, and returns to, the Theatre's Point of Origin on the same day for the purpose of rehearsing or performing, and where no accommodation is required.

(B) Overnight

Whenever the Artist, while engaged by the Theatre, is required by the Theatre for any reason to be away from the Point of Origin for ten (10) or more consecutive hours, the Artist shall be considered to be on an "Overnight" tour.

18:60 Transfer

A "Transfer" is defined as a production which is remounted by the Theatre in a different venue in the same Point of Origin at any time within a period of eight (8) weeks from the final performance of the run of performances in the first venue, using the Stage Manager's copy of the prompt script, fifty (50%) percent of the Artists engaged for the original production, and/or all of the original design elements.

The Theatre may contract an Artist under a single CTA Engagement Contract for both venues, or if a transfer is unanticipated at the time of contracting the Theatre may add a rider to the existing CTA Engagement Contract providing for the transfer.

18:61 Performing Understudy

A "Performing Understudy" is an Artist who is contracted for a production to learn the role or track of another Artist, and perform it when such Artist is unable to perform. This Artist regularly performs their own role or track in the production.

18:62 Understudy

The term "Understudy" shall include Performing Understudy, Standby, Swing and Walking Cover.

18:63 Walking Cover

A "Walking Cover" is an Artist who has been contracted for a Non-Musical production to cover up to four roles or tracks. The Artist shall not have a regular onstage or offstage role or track in the production.

19:00 POINT OF ORIGIN

19:01 Theatre's Point of Origin

Once designated, the Point of Origin shall remain the same for the life of the Theatre, but the Theatre has the right at the close of a season to move its headquarters.

Where the Theatre moves its headquarters, it shall file notice of change of Point of Origin with Equity and PACT.

19:02 Change of Point of Origin

Notwithstanding Clause 19:01, there may be the following exceptions:

(A) Change of Point of Origin for Rehearsals

A major centre other than the Point of Origin may be designated as a Point of Origin for rehearsals only, and only when such an arrangement accommodates at least sixty (60%) percent of the Artists in the company by allowing them to remain in their places of residence during said rehearsals.

For those Artists for whom the major centre in question is not their place of residence, the nature and cost of accommodation shall be guaranteed in a rider to the Artist's contract, and the Theatre agrees to pay any costs of accommodation which exceed said guaranteed costs.

Travel insurance will be placed in accordance with Clause 49:08 when the Artists are required to travel between the two (2) points of origin.

(B) Change of Point of Origin for Rehearsals and Performances

A major centre, other than the Point of Origin, may be designated as the Point of Origin for the rehearsals and performances of a production and only when such an arrangement accommodates at least sixty (60%) percent of the Artists in the company by allowing them to remain in their place of residence during said rehearsals and performances. In such a circumstance, if such a production is moved from said major centre, even if it is moved to the Theatre's regular Point of Origin, it shall be considered as a production on tour, and the per diem provided for in Clauses 49:03(B)(i) and 49:03(B)(ii) shall also apply. For those Artists for whom the major centre in question is not their place of residence, the nature and cost of accommodation shall be guaranteed in a rider to the Artist's contract and the Theatre agrees to pay any costs of accommodation which exceed said guaranteed costs.

Furthermore, a production mounted under the provisions of this Article is subject to Clause 38:22.

(C) Applicable Conditions

While rehearsing in, or performing at, the designated Point of Origin, in-town conditions shall apply; while rehearsing in, or performing at, any other location, touring conditions shall apply.

20:00 DUTIES OF THE ACTOR

The Actor agrees to be prompt and punctual at rehearsals, costume calls/fittings, and to attend all rehearsals as required; to appear at the theatre no later than the half-hour call; to pay strict regard to stage make-up and stage dress; to perform their services as reasonably directed, and to conform to the language of the script to the best of their ability; under the instruction of the Stage Manager, to maintain the original intent of the Director throughout the run of the show (see Clause 63:13(J)); to learn their lines within the time period set by the Director, but, in any case, at the very latest by the first dress rehearsal; to properly care for their costumes and props; to use, when required by the Theatre, safe electronic equipment, and to respect the physical property of the production and Theatre.

If the Theatre feels that serious infractions of this Article have occurred, an Equity member may be subject to disciplinary proceedings, in accordance with the Constitution and Bylaws of Equity, or termination of contract by the Theatre. See also Article 5:00, Responsibility of the Artist.

21:00 CHILDREN'S CHORUS

21:01 Children's Chorus

A Children's Chorus shall be composed of six (6) or more children for a non-musical production or ten (10) or more children for a musical production. No child in a Children's Chorus shall be over the age of fifteen (15). These children shall appear as a part of an ensemble where their role is essentially that of a member of the ensemble and is in no way individual in its character or necessary to the continuity of the plot. Persons in a Children's Chorus may speak a few lines, sing or do a dance routine.

21:02 Contracting

The Theatre shall submit a list of Children in the Children's Chorus with the Production Registration and Checklist. This list shall include the Child's affiliations if any and age.

(A) Non-Members

Non-members engaged as a Children's Chorus shall not be required to be engaged under CTA Engagement Contracts.

(B) Members

Equity members engaged as a Children's Chorus shall be signed to an insurance-only form of contract.

22:00 NON-MEMBERS

22:01 Non-Members

(A) Requirement for a CTA Engagement Contract

Except where provided for elsewhere in the CTA, all non-members of Equity shall be signed to CTA Engagement Contracts. A non-member may sign an unlimited number of CTA Engagement contracts and either voluntarily join Equity, or remain a non-member.

Members of other Unions or Associations

Individuals who are not members of Equity, but who are members of ACTRA, Union des Artistes (hereinafter called UDA), or any other performing artists' association or union, shall be signed to CTA Engagement Contracts.

(B) Requirement to Remit Filing Fees

Where a non-member is engaged under a CTA Engagement Contract, the Theatre shall deduct and remit to Equity the amounts as set out in 3:02(B).

(C) Membership Information

A Theatre will provide information supplied by Equity, which outlines the full benefits of being a member of Equity, to non-members.

22:02 Touring Into the USA

A non-member engaged under a CTA Engagement Contract, that includes touring into the USA, shall be offered a limited membership in Equity that will extend for the duration of the CTA Engagement Contract.

23:00 FREE DAY

23:01 Free Day

There shall be at least one (1) Free Day during each Engagement Week. A Free Day must occur within the Engagement Week of which it is a part. Once a Free Day has been designated, it may be changed only upon giving the Artist at least seven (7) days' notice of such change. In the case of the five (5) day work week (see Clause 24:04(D)), the additional Free Day shall be designated by the Theatre with a minimum of twenty-four (24) hours' notice.

(A) Notice

A company notice posted on the call board prior to the end of rehearsals, or by the half-hour call for the evening performance on the eighth day prior to the originally scheduled Free Day, will serve as written notice to the Artist. Should the Theatre fail to provide proper notice of a change in the Free Day, the Artist shall invoice the Theatre at the rate stipulated on line one (1) of Schedule "A" in the current CTA Fee Booklet for services provided on the originally scheduled Free Day.

(B) Scheduling

- (i) Free Days shall be no further apart than nine (9) consecutive days. This option shall not be applied consecutively; and
- (ii) There must always be a Free Day within six (6) days prior to the day of the first public performance of a production; and
- (iii) Once in each production, the Theatre may schedule one (1) Free Day which need not occur within the Engagement Week to which it applies, provided that it is scheduled in the prior or subsequent week in addition to the regular Free Day in that week.

(C) December 25

In addition to the regular Free Day, as stipulated above, December 25 shall be free of rehearsals. There shall be no rehearsals after 6:00 p.m. on December 24.

(D) Duration

In the Point of Origin, the period of time shall commence at 12:00 midnight and end at 9:00 a.m. of the second following day. If the performance immediately prior to a Free Day runs beyond 12:00 midnight, the Artist may not be called during the subsequent thirty-three (33) hours after the final curtain in the Point of Origin; or the subsequent thirty-two (32) hours after the final curtain outside the Point of Origin.

24:00 REHEARSAL CONDITIONS

Note: All rehearsal provisions apply to the individual Artist.

24:01 First Rehearsal Day Health and Safety Postings

The Theatre shall provide to each Artist and/or post the Theatre's harassment policy, emergency procedure policy and its scent awareness information no later than the first rehearsal day of a production.

24:02 Access During the First Rehearsal Week

At Equity's request, the Theatre shall schedule fifteen (15) minutes during the first rehearsal week for an Equity and Theatre representative to provide an information session.

24:03 Standard

(A) Beginning

Rehearsals begin on the date specified on the face of the Artist's CTA Engagement Contract.

(B) Continuous

Rehearsals shall be continuous from the beginning of rehearsals to the date of the first public performance as stated on the face of the Artist's CTA Engagement Contract. After that date they need not be continuous.

(C) Breaks

The length of breaks in a rehearsal day must total at least five (5) minutes for each hour of rehearsal.

(D) Overnight Rest

During the rehearsal period there must be twelve (12) hours clear between the end of one day's rehearsal (or performance if that is later) and the call to work on the next day.

The company in consultation with Equity may decide by secret ballot to agree to reduce this period by one (1) hour for an individual production. Should the Artist consent to provide additional services during this period at the request of the Theatre, the Artist shall invoice the Theatre at the rate stipulated on line three (3) of Schedule "A" in the current CTA Fee Booklet.

(E) Free Day

Free Days are provided for in Clause 23:01. Also, there must always be a Free Day within six (6) days prior to the day of the first public performance of a production.

(F) Posting of Calls

The rehearsal call for the next day must be provided to an Artist not less than eleven (11) hours prior to the next call.

If an Artist has been dismissed before the end of the rehearsal day, it is their responsibility to find out when their next call will be.

(G) Calls on the Free Day

For any rehearsal called on a scheduled Free Day, the Artist shall invoice the Theatre at the rate stipulated on line five (5) of Schedule "A" in the current CTA Fee Booklet. The minimum call for rehearsal on a Free Day shall be four (4) hours. Twenty-four (24) hours notice must be given of a rehearsal on a Free Day. Nevertheless the Artist may only be called on their Free Day with their agreement. (This does not apply to emergency rehearsals; see Clauses 18:17 and 24:13.)

(H) Notice of Additional Rehearsal

The Theatre agrees to inform the Artist at least fifteen (15) minutes before the commencement of rehearsal in excess of the hours provided elsewhere in the CTA. (This does not apply to emergency rehearsals; see Clauses 18:17 and 24:13).

(I) Free Time Between Rehearsal and Performance or Performance and Rehearsal

(i) Break

Except in the case of emergency rehearsal, there shall be no less than one-and-a-half (1-1/2) hours free before the half-hour call during which the Artist may not be called upon to perform any service whatsoever for the Theatre.

(ii) Reduction by Unanimous Consent

Except in the case of emergency rehearsal there shall be no less than one-and-a-half (1-1/2) hours free between the final curtain and a call for rehearsal. This may be reduced to one (1) hour with the unanimous consent of all Artists in the production.

(iii) Payment for Additional Services

If the break between rehearsal and performance or performance and rehearsal is less than provided for in (i) or (ii) above, the following provisions shall apply:

(a) For additional services provided during the first half-hour or part thereof, the Theatre shall provide and pay for a full dinner for the Artist, or the Artist invoice the Theatre at the rate stipulated on line six (6) of Schedule "A" in the current CTA Fee Booklet.

- (b) For additional services provided during the second half-hour or part thereof, the Artist shall invoice the Theatre at the rate stipulated on line six (6) of Schedule "A" in the current CTA Fee Booklet in addition to the Theatre providing the meal in (a) above.
 - (c) For additional services provided during the third half-hour period or part thereof (excluding the half-hour call), the Artist shall invoice the Theatre at the rate stipulated on line six (6) of Schedule "A" in the current CTA Fee Booklet in addition to (a) and (b) above.
- (J) **Dress Rehearsals**
 - (i) For all dress rehearsals (defined in Clause 18:42(E)) there must be a minimum half-hour call which shall be considered to be part of rehearsal time.
 - (ii) No dress rehearsals with invited audiences will be permitted after the first public performance except where necessitated by cast replacement, and/or major script revision.
 - (iii) **Dress Rehearsal Requirement**

There shall be a minimum of one (1) dress rehearsal prior to the first public performance.
- (K) **Classes and Warm-Ups**
 - (i) **Voluntary**

Artists may not attend voluntary classes or voluntary warm-ups which involve the rehearsal of material from the production. Attendance at so-called "voluntary" rehearsals (including readings) is strictly prohibited. Such rehearsals must be contracted and paid for according to the provisions of the CTA, as provided for elsewhere.
 - (ii) **Contractual**
 - (a) Artists may be required to attend classes in specific skills which fall within the applicable rehearsal hours provided that attendance at such classes is stipulated in a rider to the CTA Engagement Contract.
 - (b) Actors may be required to attend warm-ups which fall within the applicable rehearsal hours or prior to performances. However, such warm-ups must not invade the required break between rehearsals and performances (see Clause 24:03(I)) or the half-hour call and may not exceed one (1) hour in length. Such warm-ups must be stipulated in a rider to the CTA Engagement Contract.
 - (c) Notwithstanding the above, Artists may be required to rehearse fight and/or intimacy sequences immediately prior to the half-hour call. All Artists who participate in a stage fight must rehearse said fight before each performance. Any exception shall be at the discretion of the Fight Captain, and initially in consultation with the Fight Director. Similarly, all Artists who participate in scene(s) and/or moment(s) of Intimacy must rehearse said scene(s) and/or moment(s) of Intimacy before each performance. Which scenes and/or moments to be rehearsed shall be determined by the Intimacy Director, in consultation with the Actor(s) involved. Any exception during the run shall be at the discretion of the Intimacy Captain. The Artists must, prior to the fight and/or intimacy rehearsal, receive the break specified in Clause 24:03(I) or Clause 26:04, whichever applies.

(L) Travel Between Locations

Whatever time is required by the Artist to move from one rehearsal or performance location to another will be considered as rehearsal time and must be paid for as such.

If public transportation is not available, transportation must be provided by the Theatre if the distance is more than one-and-a-half kilometres.

(M) Work Prior to Beginning of Rehearsals

(i) Learning Lines or Music

The Artist may not be required to learn lines, music, or choreography prior to the beginning of rehearsal in order to accommodate the rehearsal schedule.

In the event that an Artist is requested to learn lines or music prior to the beginning of rehearsal, the Artist will be paid a one-time fee of an additional amount of not less than fifty (50%) percent of their contractual weekly fee. This arrangement must be included in a rider to the Artist's CTA Engagement Contract and will be considered as part of the Artist's compensation.

(ii) Playing a Musical Instrument

When an Artist is required by the Theatre to play a musical instrument and learn more than one (1) song in a musical or non-musical production prior to rehearsal, the Artist shall be paid a one-time fee of an additional amount of not less than fifty (50%) percent of their weekly Contractual Fee to familiarize themselves with the instrument. However, based on the musical complexity required, in consultation with the Artist and with the agreement of Equity, the additional fifty (50%) percent may be reduced to not less than twenty-five (25%) percent.

The negotiated compensation must be included in a rider to the Artist's CTA Engagement Contract and shall be considered part of the Artist's compensation.

The Artist shall not be required to have any of the musical material performance ready on the first day of rehearsal.

(N) Start of Day

When an Actor provides a service prior to 8:00 a.m., the Actor shall be paid the amount stipulated on line one (1) of Schedule "A" in the current CTA Fee Booklet from the beginning of the service to the end of the service, including all travel time.

(O) Wardrobe Pieces in Rehearsal

The donning or removal of any wardrobe piece(s) for a rehearsal shall be included within the allowable rehearsal hours.

24:04 Standard Rehearsal

Standard rehearsals are those that take place before the first public performance of a production, when no member of the company is also performing at the Theatre.

(A) Standard Hours

The Artist shall not be required to rehearse more than seven (7) out of eight-and-a-half (8-1/2) consecutive hours per day, with a meal break of at least one-and-a-half (1-1/2) hours after a maximum of four (4) hours of rehearsal. The meal break may be reduced to one (1) hour with the unanimous consent of all Artists in the production.

(B) Shortened Days

The rehearsal day may be reduced to only one (1) continuous call of five (5) hours. The requirements for breaks in Clause 24:03(C) or 53:01(A) shall be in effect.

This option may be exercised by the Theatre, or the Director, with the consent of the Artists.

This option may be exercised by the Artists, after a secret ballot by the Artists in the company and the Director, with no less than a two-thirds (2/3) majority in favour. The Theatre or the Director may elect to revert to standard rehearsal hours, on twenty-two (22) hours notice. This option may not be exercised more than once during a rehearsal period without the Theatre's consent. Except with the agreement of the Theatre, this option is not available in Theatres operating in repertory, or mixed companies, nor does it apply to the production week.

(C) Payment for Excess Continuous Rehearsal

For continuous rehearsal in excess of four (4) hours as mentioned above, and for more than seven (7) hours of rehearsal in a standard rehearsal day or for extending the span of the day, the Artist shall invoice the Theatre at the rate stipulated on line one (1) of Schedule "A" in the current CTA Fee Booklet. (See also the special case in Clause 24:09(C), Mixed Company.)

(D) Five Day Rehearsal Week

Notwithstanding any of the above, the Theatre shall operate on a five (5) day rehearsal week basis after a secret ballot on or before the first day of rehearsal, by Artists in the company and the Director, with no less than a two-thirds (2/3) majority in favour of this option. In this case the rehearsal day shall be extended to eight (8) hours out of nine-and-a-half (9-1/2) hours per day with a meal break of at least one-and-a-half (1-1/2) hours after a maximum of four-and-a-half (4-1/2) hours of rehearsal. The meal break may be reduced to one (1) hour with the consent of all the Artists in the production.

The Theatre reserves the right with a minimum of twenty-four (24) hours notice to designate the additional Free Day.

(E) Reverting to a Six Day Rehearsal Week

Furthermore, either the Theatre or the Director has the right to revert to a six (6) day rehearsal week after the conclusion of any five (5) day week. Notice of such a change must be given by the end of the last rehearsal day in the week prior. Except with the agreement of the Theatre, this option is not available in Theatres operating in repertory, or mixed companies, nor does it apply to the production week.

24:05 Extended Rehearsal Days

(A) Single Production and Stock

During the last ten (10) days of rehearsal prior to the first public performance of a single production or any production in a stock season, there may be a total of four (4) days where either:

(i) Ten Out of Twelve Hours

The Artist may be called to rehearse ten (10) out of twelve (12) consecutive hours per day provided that the Artist receives no fewer than two (2) one (1) hour meal breaks within the twelve (12) hour span. Each meal break must occur after no more than four (4) hours of rehearsal.

Alternatively, the Artist may be called to rehearse ten (10) out of twelve (12) consecutive hours per day with a meal break of at least two (2) hours after a maximum of five (5) hours of rehearsal. This break may be reduced to one-and-a-half (1-1/2) hours if the span of the day is reduced to eleven-and-a-half (11-1/2) hours. These four (4) days must involve on-stage, technical or dress rehearsals.

Or:

(ii) Nine Out of Eleven Hours

The Artist may be called to rehearse for up to two (2) days in the rehearsal hall for nine (9) out of eleven (11) consecutive hours per day provided that the Artist receives no fewer than two (2) one (1) hour meal breaks within the eleven (11) hour span. Each meal break must occur after no more than three (3) hours of rehearsal.

Alternatively, the Artist may be called to rehearse for up to two (2) days in the rehearsal hall for nine (9) out of eleven (11) consecutive hours with a meal break of at least two (2) hours after a maximum of five (5) hours of rehearsal. This break may be reduced to one-and-a-half (1-1/2) hours if the span of the day is reduced to ten-and-a-half (10-1/2) hours. The remaining days are governed by the provisions of (i) above (and must involve on-stage, technical or dress rehearsals).

There shall be a minimum of twelve (12) hours between the end of one day's work and the call to work on the next day. Should a call continue for longer than five (5) hours without the required meal break, the Artist shall invoice the Theatre at the rate stipulated on line one (1) of Schedule "A" in the current CTA Fee Booklet.

(B) Repertory

During the last ten (10) days of rehearsals prior to the first public performance in a repertory season, there may be up to two (2) days for each production during which the Artist may be called to rehearse ten (10) out of twelve (12) consecutive hours per day provided that the Artist receives no fewer than two (2) one (1) hour meal breaks within the twelve (12) hour span. Each meal break must occur after no more than four (4) hours of rehearsal.

Alternatively, during the last ten (10) days of rehearsals prior to the first public performance in a repertory season, there may be up to two (2) days for each production during which the Artist may be called to rehearse ten (10) out of twelve (12) consecutive hours per day with a meal break of at least two (2) hours after a maximum of five (5) hours rehearsal. This break may be reduced to one-and-a-half (1-1/2) hours if the span of the day is reduced to eleven-and-a-half (11-1/2) hours. There shall be a minimum of twelve (12) hours between the end of one day's work and the call to work on the next day. At least one (1) such day must involve on-stage, technical or dress rehearsals. Should a call continue for longer than five (5) hours without the required meal break, the Artist shall invoice the Theatre at the rate stipulated on line one (1) of Schedule "A" in the current CTA Fee Booklet.

24:06 Pro-Rated Rehearsal Schedule

PACT and Equity acknowledge that in some cases the nature of the work may benefit from a pro-rated rehearsal schedule. Therefore, the Theatre may utilize the following Rehearsal Schedule model.

The Theatre must schedule a minimum of three (3) weeks of rehearsal, not including extended rehearsal days, prior to the first Public Performance of the production. The Theatre may pro-rate up to five (5) weeks of rehearsal over a period of up to seven (7) weeks, with a minimum weekly commitment of no less than twenty-four (24) hours per rehearsal week.

All Artists shall be contracted for a minimum of eighty-four (84) hours of rehearsal prior to the extended rehearsal days.

(A) Rehearsal Hiatus

Notwithstanding the above, the Theatre may schedule up to two (2) weeks of unpaid hiatus during the rehearsal process. These weeks need not be consecutive, but must be a whole engagement week, Monday to Sunday.

(B) Minimum Call

The minimum call under this rehearsal model shall be four (4) hours.

(C) Notice and Rider

Artists shall be informed of the Theatre's intentions to utilize this pro-rated rehearsal model at the point of initial contact with an Artist or in the audition posting.

The detailed schedule of rehearsal and payment schedule shall be outlined in a rider to the Artist's CTA Engagement Contract.

(D) Insurance Top Up

The Theatre shall be required to pay the applicable insurance top up for each day not worked as per Clause 16:10(C). In weeks where the Artist does not provide service, the Theatre shall remit a full insurance premium to Equity on the Artist's behalf.

(E) Stage Management

Weekly contractual fees for Stage Management may be prorated for personnel engaged for a production under this Clause, however, prep time shall be reduced to one (1) hour per rehearsal day.

In weeks where the Theatre has elected to have a hiatus, the Stage Manager shall be engaged for no less than one (1) prep day in that week at a rate of not less than one quarter (1/4) of their weekly contractual fee.

The Stage Manager must receive one (1) full week of preparation time at the full contractual fee prior to the commencement of rehearsals.

24:07 Non-Continuous Rehearsal

Non-continuous rehearsals are PACT and Equity's response to the creative needs of certain productions as well as to the needs of Artists.

(A) General Provisions

- (i) Non-continuous rehearsals are those that take place before extended rehearsals or the start of the continuous rehearsal period.
- (ii) Clause 34:01 Continuous Engagement does not apply.
- (iii) Clause 5:06 Exclusive Service of the Artist does not apply to the non-continuous rehearsal period.
- (iv) With the exception of Clause 24:03(B), all other standard rehearsal conditions will apply to non-continuous rehearsals.
- (v) The minimum rehearsal period under the Clause is three (3) weeks not including the extended rehearsal period.
- (vi) The rehearsal period prior to the extended rehearsal period must be concluded within a twelve (12) week span.

(B) Process

The non-continuous rehearsal model will be used where it is decided that it works to the benefit of the Artists' schedules or the nature of the work. The following conditions will apply:

- (i) The Theatre will inform the Artist either at the audition or when approaching the Artist that the schedule for the production will be non-continuous.
- (ii) The Theatre will provide the Artist a rehearsal schedule upon offer of a contract. After being issued, this rehearsal schedule can only be amended by mutual agreement.
- (iii) The weeks in which there no scheduled rehearsals shall be unpaid hiatus weeks.

(C) Minimum Fees

Prior to continuous rehearsal or technical rehearsals, all rehearsal weeks shall be paid at no less than one-hundred and twelve (112%) percent of the applicable minimum fees.

(D) Insurance

The Theatre shall remit to Equity the total applicable Insurance Premium for all unpaid hiatus weeks in addition to regular insurance deductions for weeks where the Artist provides service.

(E) Conversion to Continuous Exclusive Services Contract

The date on which the non-continuous period of the rehearsal process ends shall be stated in a rider to the Artist's CTA Engagement Contract. From this date, exclusive services engagement conditions and standard minimum fees shall apply.

(F) Stage Management

The Stage Management team shall be engaged for the standard pre-production preparation time required elsewhere in this Agreement prior to the commencement of rehearsals.

In weeks where there is a return from hiatus, the Stage Manager shall be engaged for no less than one (1) day of preparation at a rate of not less than one-quarter (1/4) of their weekly Contractual Fee.

24:08 Cancelled Performance

When a performance is cancelled, Artists may be required to rehearse for a period of time not to exceed the length of the performance, including the half-hour call, if such rehearsal is after the first fourteen (14) day period following the first public performance. Such rehearsal shall be in addition to the weekly total of hours provided for in Clause 24:0 9(B).

Should a performance be cancelled with less than one-and-a-half (1-1/2) hours notice before the half-hour call, except through failure or inability of an Artist to perform, the Artist in the production will be deemed to have performed and the performance will be included in the maximum number of performances allowed per week.

24:09 Rehearsal on a Performance Day

(A) Defined

Rehearsals on a performance day are rehearsals of a production (other than those stated in Clause 24:08) that take place while at least one (1) Artist in the production is also performing in a production for the Theatre.

(B) Hours

(i) Continuous Five Hour Call

The Artist may be called to rehearse for one (1) continuous call of five (5) hours provided this call does not begin before 11:00 a.m. subject to the provisions of Clause 24:03(D), Overnight Rest.

(ii) Additional Rehearsal Services

For rehearsals in excess of the provisions of (i) above, the Artist shall invoice the Theatre at the rate stipulated on line one (1) of Schedule "A" in the current CTA Fee Booklet.

(C) Mixed Company

On a day when at least one Artist rehearsing a production is also performing at the Theatre, then all Artists in the production may be called for a continuous five (5) hour rehearsal call. Those Artists who are not also performing may be rehearsed for an additional two (2) hours after an appropriate meal break (See Clause 24:04) for a total of not more than seven (7) out of eight-and-a-half (8-1/2) hours per day.

(D) Matinee Days

No Artist who is scheduled to perform at the Theatre may be called to rehearse on a two-performance day, unless they are on separate contracts for the rehearsal and the performance.

(E) Stock and Repertory

The following conditions apply only to Artists engaged in stock and repertory productions.

(i) Prior to the Free Day

An Artist may not be called for rehearsal after 6:00 p.m. on a single performance day immediately prior to the Free Day.

(ii) After the Free Day

An Artist may not be called to rehearse on the day following the Free Day except after 1:00 p.m. for one (1) continuous call of up to five (5) hours.

24:10 After Opening - Exceptions to Standard Rehearsal Conditions

A costume fitting may not be scheduled outside of the allowable rehearsal hours on an extended rehearsal day. However, in the event of an unforeseen circumstance which necessitates a costume fitting outside of the allowable rehearsal hours on an extended rehearsal day the Artist may be called for up to one (1) additional hour and paid at not less than the additional service rate stipulated on line four (4) of Schedule A in the current CTA Fee Booklet.

Travel to and from fittings shall constitute part of the costume fitting time.

25:02 Additional Fittings

Should the Artist be required by the Theatre for costume fittings in excess of the hours provided for in Clause 25:01, such calls shall either be scheduled during the Artist's allowable rehearsal hours or the Artist shall invoice the Theatre at the rate stipulated on line one (1) of Schedule "A" in the current CTA Fee Booklet.

For the purposes of this Clause, a costume fitting shall not be considered a rehearsal.

25:03 Costume Fittings Before the Engagement Period

Should the Artist, at the request of the Theatre, attend costume fittings before the engagement period for which they are contracted, the Artist shall invoice the Theatre at the rate stipulated on line one (1) of Schedule "A" in the current CTA Fee Booklet (minimum one (1) hour) for the actual time of the fitting, if the fitting takes place in the Artist's place of residence, or if the fitting takes place at a location other than the Artist's place of residence, but the Artist is not required to travel to said location specifically for the fitting.

When the Artist is requested by the Theatre to travel to a location outside their place of residence for a costume fitting, they shall be compensated at a rate of one-seventh (1/7) of the applicable minimum fee (plus their per diem, if applicable) and shall be reimbursed for travel and meal expenses incurred.

25:04 Official Call

The Artist must consider a costume fitting as an official call and must present themselves as required, unless said fitting invades their meal break or overnight rest period.

If the Artist is late for or fails to attend a scheduled costume fitting, the provisions of Clause 11:02 shall apply.

Notes may not be given to the Actor during the half-hour call or any intermission except by Equity Stage Management or under the supervision of Equity Stage Management where the note concerns health or safety.

(A) Combination of Services

If more than two (2) performances are given or begun on any one (1) day, each subsequent performance on that day shall be counted as an extra performance and shall be paid for at the rate of two-eighths (2/8) of the Artist's Contractual Fee, even though the total number of performances given during the week is eight (8) or less. (See also Clause 16:20 - While on Tour).

26:04 Breaks Between Performances

(A) Requirement

The break between performances shall be no less than one (1) hour (excluding the half-hour call). But if the break is less than one (1) hour, excluding the half-hour call the following provisions shall apply:

(ii) Additional Services Provided During the Second Half-Hour

For additional services provided during the second half-hour or part thereof, the Artist shall invoice the Theatre at the rate stipulated on line seven (7) of Schedule "A" in the current CTA Fee Booklet in addition to (i) above.

(B) Alternative

However, as an alternative to the above, the Theatre may apply the following provisions:

On a two-performance day when the time span between the half-hour call for the first performance and final curtain of the second performance is four-and-a-half (4-1/2) hours or less (five (5) hours or less when both performances contain at least a fifteen (15) minute intermission), only a one (1) hour break, inclusive of the half-hour call for the second show, is required and the above-mentioned (Clause 26:04(A)) meal penalty will not apply. For additional services provided during the one (1) hour break, the Artist shall invoice the Theatre at the rate stipulated on line eight (8) of Schedule "A" in the current CTA Fee Booklet.

For additional services provided in excess of either the four-and-a-half (4-1/2) hour or five (5) hour time span, the Artist will invoice the Theatre at the rate stipulated on line one (1) of Schedule "A" in the current CTA Fee Booklet.

26:05 End of Performance Call

On a performance day the Theatre will endeavour to include fifteen (15) minutes at the conclusion of the curtain-call to allow Actors to remove costumes/make-up. In no case shall the Theatre provide less than five (5) minutes for this purpose. The time provided to remove costumes/makeup shall be considered part of the performance call.

26.06 Voluntary Talkbacks

The Theatre may request an Artist to participate in a talkback following a performance. The Theatre acknowledges that the participation of an Artist is completely voluntary, therefore, an Artist cannot be compelled or required to take part in a talkback.

26:07 Maximum Number of Performances in a Three-Day Period

No more than five (5) performances and dress rehearsals combined (excluding technical dress rehearsals) may be given in any three (3) consecutive day period, unless that Artist is paid an additional two-eighths (2/8) of their Contractual Fee for each performance in excess of five (5) combined performances and dress rehearsals (excluding technical dress rehearsals) in any such three (3) consecutive day period. (See also Clause 16:20 - While on Tour).

26:08 Free Day

There shall be no performances on the Free Day, except as provided for in Clause 8:01.

26:09 Notice of Changes

The Theatre will advise the Artist, to the best of its knowledge, the anticipated performance schedule at the time of negotiation of the Artist's contract, and further advise if the performance schedule may be subject to change at some point during the run of the production.

The Artist will be notified at least twenty-four (24) hours in advance of any change in the performance schedule, and, whenever possible, forty-eight (48) hours notice will be given.

However, the cancellation of a performance on less than twenty-four (24) hours notice shall not constitute a breach of this Clause.

26:10 Overnight Rest

There shall be a minimum of twelve (12) hours between the end of one day's work and the call to work on the next day. During this overnight rest period, the Artist shall not be required to perform any services or obligations for the Theatre except in accordance with the provisions of Clauses 16:19, 18:33 and 24:03(D).

27:00 CLOTHES, MAKE-UP, MUSICAL INSTRUMENTS AND PROPS

27:01 Provision of Costumes and Clothing

27:02 Personal Clothing and Hair Piece(s)

No Artist shall be required to provide any wardrobe or hair piece(s) to a Theatre for use in any production unless the terms of the rental, including a negotiated rental fee (which cannot be zero), are stated in a rider to the Artist's CTA Engagement Contract. The rental fee must be paid by the Theatre to the Artist with the Artist's Contractual Fee payment.

(B) Consent of Theatre

If an Artist requests to wear their own hair piece(s), clothes and/or shoes instead of those supplied by the Theatre, they may do so only with the consent of the Theatre.

(C) Replacement Value

In the case of (A) and (B) above there must be a rider to the Artist's contract executed which clearly stipulates the replacement value of the Artist's wardrobe item in the event of loss or damage, and the agreement of the Theatre to reimburse the Artist for that amount should such loss or damage occur pursuant to the provisions of Article 32:00.

27:03 Make-Up

The Actor is required to provide only ordinary and conventional stage make-up. All other make-up shall be provided by the Theatre.

27:04 Body Make-Up

Only where suitable bathing facilities are available at the place of performance may the Artist be required to use body make-up. Where suitable bathing facilities are not available at the place of performance, the Artist may agree to wear body make-up on condition that they are provided with protective clothing which the Theatre shall be responsible for cleaning, and the Artist is reimbursed for any resultant cleaning bills for their personal clothing on presentation of receipts. The Theatre may, at its own expense, clean the Artist's personal clothing in lieu of the above payment. If the Artist is required to use body make-up, the Theatre shall launder towels daily for removal of such make-up.

27:05 Cleaning and Upkeep

(A) Cost of Cleaning

The Theatre agrees to reimburse the Artist for the cost of cleaning such article of the Artist's personal wardrobe or hairpiece used in the production, upon presentation of a receipt. As an alternative, the Theatre may, at its own expense, clean the Artist's personal wardrobe or hairpiece. The Theatre and the Artist may agree upon the number of cleanings required (no less than provided for in (C) and (D) below), and this shall be included in the rider required by Clause 27:02(A) above.

However, during the last week of an Artist's engagement, the Theatre shall pay to the Artist a sum equivalent to the prevailing rate for cleaning the article and a receipt need not be presented by the Artist to the Theatre.

For the purposes of this Clause, an article shall be defined as an element of costume and clothing as defined in Clause 27:01, and shall additionally include hairpieces.

(B) Repairs

The Theatre further agrees that any article of apparel from the Artist's personal wardrobe used in the production will be repaired or replaced if damaged during production.

(C) Requirements for

Costumes worn by the Actor are to be cleaned or kept sanitary at the Theatre's expense at least once every two (2) weeks or more often if necessary, and in any case within one (1) week before the show goes on a tour of two (2) weeks or longer.

Beards and hairpieces furnished by the Theatre shall be freshly cleaned when delivered to the Actor and cleaned thereafter whenever necessary but at least every three (3) weeks. Lace in all beards, moustaches and hairpieces will be cleaned daily.

No Actor shall be required to use a wig or hairpiece, including a facial hairpiece, which has been worn by another Actor until the hairpiece or wig has been thoroughly cleaned and properly fitted. After cleaning, hairpieces must be dried and aired prior to issue to the Actor.

This provision may be waived in the case of an emergency.

A schedule of such cleaning shall be maintained by the Liaison and Stage Manager.

(D) Undergarments

Stockings, shirts, and other "skin parts" of costumes and/or clothes supplied by the Theatre shall be laundered daily by the Theatre.

27:06 Kneepads

The Theatre shall furnish kneepads when necessary for rehearsal and/or performances.

27:07 Understudies

Except in the case of emergencies, the Understudies must be furnished with clean costumes when called upon to perform. In any event, the Theatre must provide the Understudies with properly fitted shoes.

27:08 Hair Style or Colour

No Actor may be required to change the colour and/or style of their hair or shave their head or grow or shave their beard unless a rider outlining these requirements is negotiated, signed and appended to the CTA Engagement Contract. The Theatre shall pay for the expense of changing the colour and/or style and of its up-keep during the run of the engagement and of the restoration to the original colour and/or style at the close of the engagement.

Should it prove impossible, for any reason, for the hair to be restored to its original colour, and/or style or should the Artist suffer any permanent loss or damage to their hair as a result of a required change in colour and/or style in the first place and/or of its subsequent restoration provided that restoration of the style is not simply a matter of the hair growing back to its original length, then the Theatre shall continue to pay the Artist their Contractual Fee until the hair and/or its former colour is restored, but for a period not to exceed fifty-two (52) weeks beyond the termination of their individual contract.

When the Artist is required to shave their head, the Theatre shall provide a wig satisfactory to the Artist for their personal use.

For particular considerations regarding the hair of racialized Artists, the provisions of Article 10:04(B)(ii) shall apply.

27:09 Provision for Musical Instruments or Props

(A) Musical Instruments

When an Artist agrees to provide their own musical instrument the negotiated rental fee (which cannot be zero), insurance coverage/replacement cost and agreed upon reimbursement costs for consumables (reeds, strings, etc) shall be included in a rider to the Artist's contract. Additionally, the negotiated fee shall reflect the market rental fee for a comparable instrument at the time of the rental.

(B) Props

When an Artist agrees to provide a prop for use in a production the negotiated rental fee (which cannot be zero), and insurance coverage/replacement cost shall be included in a rider to the Artist's contract.

27:10 High Heels

When an Artist is requested by the Theatre to wear footwear with a heel that is significantly higher than the toe (such as court shoes or stilettos) due to production design, proper risk assessments shall be done to determine the needs of the Artist and identify any safety risks. The footwear shall be provided as early in the rehearsal process as possible. Upon the Artist's request, accommodations and/or alternative flat footwear shall be provided.

28:00 WORKING ENVIRONMENT, HEALTH AND SAFETY

The Theatre agrees to provide the Artist with safe and sanitary places of engagement. The Theatre further agrees that it is subject to the health and safety standards established by the province in which it is located. In the absence of provincial guidelines, the Theatre agrees that the "Safety Guidelines for the Live Performance Industry in Ontario" provide a basis of acceptable health & safety standards, by which the provisions of this Article are to be interpreted.

28:01 Dressing Rooms

(A) Dressing Rooms Provided to Artists

(i) Appropriate Dressing Rooms

The Theatre shall provide appropriate dressing rooms for all Artists. Stage Management personnel will have access to dressing rooms when they are required to be in costume.

(ii) Dressing Room Access

During performances, the dressing rooms shall be maintained for the exclusive use of the Artists. At times other than during performances when the Artists' use of the dressing rooms is not possible, the Stage Manager shall be notified in writing twenty-four (24) hours in advance. In such a circumstance, the Theatre shall provide a secure storage space for the Artists' personal effects.

If the auditorium is not air conditioned, the Theatre shall provide mechanical devices (Canadian Standards Association approved) in dressing rooms to ensure proper ventilation and the circulation of fresh cool air. Similarly, in cold or cool weather, the Theatre shall provide devices (Canadian Standards Association approved) in dressing rooms where heating is deficient, to ensure the maintenance of a comfortable temperature.

(D) Sanitary Toilets and Sinks

Toilets and sinks will be clean and sanitary, and will be separate facilities from those provided for the audience. They must be maintained in good working order at all times, and shall be provided with toilet paper, soap and towels. (See Clause 27:04 regarding body make-up).

(E) Open-Air & Tent Theatres

In all open-air and tent theatres, the Theatre shall make available covered rehearsal space meeting the requirements of this Article.

28:02 Access to Theatre

(A) Outside

(B) Stage Doors

Access to stage doors of the theatre shall be safe, clean, and properly lighted.

(C) Arena Theatres

(A) Dressing Rooms, Warm-Up Areas and Performance Areas

The Theatre agrees to maintain dressing rooms, dance warm-up areas, and places where the Artist is required to rehearse or perform indoors, at a reasonable and constant temperature, said temperature to be no less than eighteen (18°C) degrees Celsius and no more than thirty (30°C) degrees Celsius. The provisions of this Clause will have been satisfied if the temperature at floor level measured one-half (1/2) hour before the commencement of rehearsals and/or performance, is eighteen (18°C) degrees Celsius to thirty (30°C) degrees Celsius. However, minimum temperature in the dressing rooms must be achieved at least two (2) hours before curtain time.

(B) Booth or Calling Area

Any booth or room from which the Stage Manager must call cues shall be equipped and maintained for air circulation, proper lighting, and must be safely accessible.

(C) Weather Condition

Weather conditions will affect open air and tent theatres. If weather conditions constitute a threat to the health and safety of the Artists, the Stage Manager, Equity Liaison, and Theatre's designated representative shall jointly decide how to proceed.

28:04 Fire Drill

The Theatre shall arrange at least one (1) fire drill per production in each location in which Artists are working under CTA Engagement Contracts. The Theatre shall provide Stage Management with a Fire Procedure List for all said locations. A copy of the Fire Procedure List will be prominently posted in each of those locations by the first day of rehearsals.

28:05 Blackouts

In all theatres, the Stage Manager shall ensure that any areas which may be affected by blackouts shall be adequately illuminated with guide lights and/or delineated with phosphorescent tape.

28:06 Extraordinary Risks

(A) Responsibility of the Theatre

The Theatre accepts responsibility for the safety of the Artists in the training and execution of Extraordinary Risks. The Theatre shall engage qualified individuals for the purpose of instructing the Artists in the performance of the following Extraordinary Risks:

- (i) the performance of acrobatic feats; suspension from trapezes, wires, or like contrivances;

(B) Rider

An Artist shall not be required to perform an Extraordinary Risk unless said Risk is stipulated in a rider to the contract.

28:07 Stage Fighting

(A) Requirement

If, in accordance with Clause 28:06(A) and Article 61:00, the Theatre engages a Fight Director, and if that person is not engaged for the duration of the production, the Theatre, in consultation with the Fight Director, shall assign a "Fight Captain" to monitor the stage fight(s) for the duration of the production.

(B) First Aid Equipment

First aid equipment shall be readily available at all rehearsals and performances involving stage fighting.

28:08 Rakes, Safe Surfaces and Platforms

(A) Rehearsal or Performance

Artists shall not be required to rehearse or perform on a surface which is unsafe. The Stage Manager and Liaison will consult with the Theatre if it appears that a surface is unsafe. The Stage Manager, Liaison and Theatre's representative shall jointly decide whether the rehearsal or performance can take place, or what steps can be taken to proceed safely.

(B) Dance

Artists shall not be required to dance or warm up on any surface which is unsafe, or may be the cause of an injury to an Artist, including but not limited to concrete, marble, wood or on any other substance laid directly over such a floor which does not provide an air space of at least one and five-eighths (1-5/8) inches between the structural floor and the dancing surface. The Stage Manager and the Equity Liaison will consult with the Theatre or the Theatre's representative if it appears that the performing surface or warm-up area does not conform with the above. The Stage Manager, Liaison, and the Theatre's representative shall jointly decide whether the rehearsal or performance can take place. A Dancer chosen by the Dancers to represent them or the Dance Captain will participate equally in the consultative process described above, and shall have the authority to request adapted footwear and/or choreography in order for the rehearsal or performance to proceed in a safe manner.

(C) Raked Stage

Where a raked stage is used in a production an Artist shall not be required to rehearse choreographed movement on said stage more than four (4) hours per day on a seven-and-a-half (7-1/2) hour day (or five (5) continuous hours when such a call is the only call of the day).

If the first rehearsal call on which the Artists are required to rehearse on the raked stage is an extended rehearsal day, rehearsal of choreographed movement shall be limited to four (4) hours. Nevertheless, the remaining rehearsal hours may be used for non-choreographic rehearsal purposes.

In all cases the Artist shall have access to an unraked or counter-raked surface.

The Theatre and Equity agree to consult with PACT in order to arrive at a decision to protect the physical safety of the Artists involved if it appears a raked stage is unsafe or may cause injury to an Artist. For the purposes of this Clause, an unsafe rake shall be considered to be one that exceeds an incline of one (1) inch in twelve (12) inches.

Prior to the construction of any raked stage where the rake will be greater than one (1) inch per twelve (12) inches, the Theatre shall promptly notify Equity of such plans and provide such information as Equity may reasonably request. When a Theatre is utilizing a set from a prior production, said notice may not be possible and the Theatre agrees to notify Equity as soon as a determination is made that such set will be utilized.

(D) Platforms, Orchestra Pits and Traps

The edges of platforms and raised stages must be clearly delineated. Where a portable stage is used, platforms must be securely fastened together and evenly joined. Should the joins cause an uneven surface, the stage must be completely covered to ensure a safe and level surface.

Orchestra Pits or traps not in use shall be netted or covered to ensure the Artists' safety.

(E) Consultation

For the purposes of this Clause, whenever consultation with the Theatre's representative is required and the representative is not present, every reasonable effort will be made to contact the Theatre and effect such consultation and take any necessary action before work resumes.

28:09 Cot

The Theatre shall provide a cot for any Artist who may become ill during a rehearsal or performance.

28:10 First Aid Kits

First aid kits, stocked with adequate supplies, shall be available and easily accessible at all times to dressing rooms and rehearsal areas. First aid kits must meet or exceed the applicable Provincial standards requirements.

28:11 Permanent Dressing Rooms

Dressing rooms (except quick-change booths) shall be of a permanent type, and shall not be only under canvas.

28:12 Drinking Water

Ample, pure, cool drinking water shall be provided wherever the Artist is required to rehearse or perform.

28:13 Intercom System

A program sound system between the stage area and dressing rooms shall be installed in all resident theatres, unless the Theatre, Stage Manager, and Liaison agree that the dialogue from the stage is clearly audible in the dressing rooms. In the case of a disagreement, the Liaison shall notify Equity and the Theatre shall notify PACT.

28:14 Equity's Right to Inspect

The Theatre agrees that Equity's representatives shall have the right to inspect its facilities to determine whether the safe and sanitary requirements set forth in the preceding Clauses have been complied with. Except in the case of any emergency, Equity will endeavour to provide twenty four (24) hours notice to the Theatre in advance of any inspection. The representative shall report any deficiencies to Equity in writing, and shall also furnish the Theatre with a copy of their report. Upon receipt of the report, Equity will notify the Theatre, in writing, to correct the deficiencies. Unless the Theatre then either corrects the deficiencies or gives Equity assurance satisfactory to it that such deficiencies will be promptly corrected, the Executive Director of Equity may certify the facilities as unauthorized for rehearsals, for performances, or for both, as the Executive Director of Equity may determine. Upon such certification and until correction of the deficiencies or the giving of assurance satisfactory to Equity that the deficiencies will be corrected within a reasonable time, Equity may require its members to refrain from rehearsing and/or performing in the Theatre's facilities.

28:15 Tours

There may be occasions while on tour when performances occur in a facility other than a theatre, where the conditions of Article 28:00 cannot be met, in whole or in part. In such circumstances, and provided that the company manager, Stage Manager and Equity Liaison agree that the actual physical safety of the Artists is not in jeopardy, the performance shall take place as scheduled.

The company manager and/or Stage Manager and the Equity Liaison shall be responsible for consulting with the Theatre and Equity whenever possible prior to the decision to proceed or not to proceed.

28:16 Unsuitable Facilities

The Theatre agrees to notify Equity and PACT of all facilities deemed unsuitable for rehearsals and/or performances. These facilities shall not be used for rehearsals and/or performances by PACT Theatres until the deficiencies are remedied and the standard of the facility accords with the provisions of Article 28:00.

28:17 Scent Awareness

The Theatre and the Artists are encouraged to be sensitive to the needs of their colleagues with respect to scents. For the workplace, an individual is encouraged to use only unscented personal hygiene products (e.g., shampoo and conditioners, deodorants, soaps, lotions, creams) and to avoid wearing perfumes, fragrances, aftershaves or colognes.

If an individual is concerned about scents or perfumes used by another individual in the workplace, they are encouraged to discuss their concerns directly with that individual in a sensitive and discreet manner. If such a one-to-one discussion is not possible, the Artist should bring their concern to a Theatre representative. Once the matter is brought to the attention of the Theatre's representative it is the Theatre's responsibility to attempt a resolution.

28:18 Threats to Safety

In a situation where there is a threat to the safety of the Artist or place where the Artist is required to be, by reason of fire, acts of God, acts of the public enemy, and similar causes, the Artist may immediately cease all work and remove themselves to a place of safety. They may not return until they have been assured to their satisfaction that the appropriate public authority (e.g., police, fire department, health authorities) has dealt with the situation and has authorized the continuation of work.

28:19 Hazardous Materials

The Theatre will abide by the applicable provincial health and safety legislation with regard to the use of hazardous materials. To the best of its ability, the Theatre will ensure that chemical ingredients used to create special effects for a production will not be harmful to the Artist. Should an Artist develop a medical problem as a result of exposure to said special effect, they shall report this matter to the Theatre and shall consult a physician as soon as possible. Upon written advice of the physician to the Theatre, said Artist may cease rehearsing and/or performing. If the use of the chemical ingredient continues, and/or the Artist is unable to continue their engagement, the contract of the Artist may be terminated in accordance with Clause 38:14. The Theatre and the Artist will promptly notify Equity. However, the Artist must be reinstated upon recovery if they so desire, on terms no less favourable than their original contract.

28:20 Perceived Risk

With respect to Article 28:00, whenever the Artist perceives a risk to their health and/or safety, the Artist shall immediately report said risk to the Stage Manager and the Liaison. The Artist shall not be required to proceed with any work involving said risk until such time as the situation is resolved, or until the Stage Manager, Liaison and Theatre jointly have deemed that no such risk exists.

28:21 Consultation & Notification

Should any circumstances arise in respect to health and safety which require consultation among the Stage Manager, Liaison and Theatre, then the Liaison shall notify Equity and the Theatre shall notify PACT as soon as possible.

28:22 Flying Set Pieces and Large Moving Scenery

In productions utilizing flying set pieces and large moving scenery, the Stage Manager and Liaison, in consultation with the Theatre's technical staff, may insist on a walk-through rehearsal in work light conditions, to acquaint the Performers with the movement and timing of the scene changes during which one or more Performers will be on stage for some or all of the scene change.

28:23 Accident and Incident Reporting

When an Artist is involved in an accident or incident that results in, or may potentially lead to, time off or modified work, and the Theatre is informed of the accident or incident, the Theatre shall file a report. The Theatre will file a copy with Equity of any provincial public agency reports or any accident or incident report generated by the Theatre or Stage Manager. Reports need not be filed in the case of common illness or minor injuries.

29:00 ARTIST'S ACCOMMODATIONS IN THE POINT OF ORIGIN

29:01 Theatre's Responsibility to Provide Housing

It shall be the Theatre's responsibility to locate and reserve suitable living accommodations.

When the Theatre is not providing accommodations, the Theatre will furnish the Artist with an up-to-date list of available accommodations. The list will comprise no fewer than three (3) available accommodation options in different price ranges. Should the Artist refuse a choice of reasonable accommodations within the provisions of this Clause, the Theatre shall be relieved of any further obligation with respect to accommodations.

Where the Theatre is providing accommodations at no cost to the Artist, the Theatre shall not be required to provide accommodation options. In the event that an Artist declines the Theatre's offer to provide accommodation at no cost to the Artist, the Theatre is then required to provide the list of three (3) available accommodation options.

The Theatre will arrange to either have the Artist met on their arrival in the town, or to instruct them in advance where to go on arrival.

29:02 Information Provided to Artist

The Theatre warrants and guarantees that the living accommodations for the Artist will be clean, safe, secure and sanitary. The Theatre will inspect the accommodations that it is making available to the Artist prior to supplying information about the accommodations.

The Theatre will supply the Artist with detailed and accurate information regarding accommodations as soon as possible, but in any event no later than two (2) weeks prior to arrival, including:

- (i) Description and photographs of the housing including furnishing and appliances that will be available. (e.g., TV, bedding, dishes, internet, etc.)
- (ii) Whether smoking is permitted
- (iii) Whether pets are permitted or present
- (iv) Lease conditions
- (v) Size of accommodations
- (vi) Distance to the rehearsal hall or performance venue
- (vii) Security deposit information

29:03 Payment of Deposits

Should the Theatre be requested in writing to make a reservation on behalf of the Artist and a deposit is required in advance, the Theatre will provide the deposit and then deduct the amount from the Artist's weekly Contractual Fee.

29:04 Accessibility of Accommodation

It is the Artist's responsibility to inform the Theatre of any accessibility and health needs prior to accommodation being arranged. The Theatre will accommodate accessibility needs and undertake best efforts to reasonably accommodate other health needs.

29:05 Public Transportation

In all cases where there is no available public transportation and living accommodations are not within two (2) kilometres by a safe, normal transportation route to the Theatre's rehearsal or performance venue, the Theatre shall furnish reasonable, safe transportation to those Artists who identify the need for transportation assistance with regards to any disabilities or concerns of personal safety.

30:00 TRANSPORTATION AND LUGGAGE

30:01 Air Transportation

The Theatre shall, at its own expense, transport the Artist from their place of residence to the Theatre and return transportation shall be by Y-class airfare, or by train or coach if air travel to the Theatre's Point of Origin is not available, unless otherwise negotiated between the Artist and the Theatre, prior to the signing of the contract.

The use of the least expensive, yet reasonable form of transportation (especially as regards air travel) is the spirit and intention of Clause 30:01.

30:02 Alternatives to Air Transportation

(A) Negotiated Transportation

Should transportation other than Y-class airfare be negotiated, it must be negotiated after all the other terms of the contract have been negotiated. The Theatre shall offer to the Artist such alternative forms of transportation and related schedules (to a maximum of three (3) alternatives) as are available. These may include reduced fare air travel, rail travel, commercial bus or private vehicle. The Theatre and the Artist shall then negotiate the mode and schedule of transportation to be used, including ground transportation, and the mode, schedule, the cost if any, of any penalty if the schedule is changed, and the time and date of the Artist's last performance or service to the Theatre must be specified in the Artist's contract or in a rider thereto.

(B) Contractual Specification

If the Artist's contract does not specify all the information stipulated in the preceding paragraph, the Theatre shall be obligated to pay the cost of transporting the Artist up to and including the cost of Y-class airfare. Except in the cases of prior or subsequent engagements or personal emergencies, the Artist shall be required to travel both to and from the Point of Origin by the travel arrangements agreed to in their contract. Should the Artist subsequently change these arrangements for any other reason, the Artist shall be responsible for any additional costs incurred. Likewise, should the Theatre subsequently change these arrangements, it shall be responsible for the payment of any costs incurred.

(C) Use of Artist's Vehicle

Should the Artist choose to use their own private vehicle, they shall receive compensation as specified in the current CTA Fee Booklet, or the cash equivalent of the least expensive airfare available to the general public at the time of contracting, whichever is the lesser.

The Artist must inform the Theatre at the time of negotiating their contract of the Artist's intention to use their private vehicle. Otherwise, if the Theatre has made travel arrangements which cannot be cancelled without loss to the Theatre, the Artist shall receive only the compensation outlined above, less whatever costs have been incurred by the Theatre by virtue of the cancellation. If the cancellation penalty exceeds the compensation to which the Artist would be entitled, then the Theatre shall be absolved of responsibility for transportation costs.

(D) Reimbursement for Travel Insurance

The Theatre will reimburse the Artist for purchase of travel insurance with a claim value up to a maximum of eighty thousand dollars (\$80,000) upon presentation of premium receipts. Where public transportation is unavailable, the Theatre shall transport the Artist by whatever means of transportation is available.

(E) Overnight Travel

Unless chosen by the Artist, no overnight travel may be scheduled under this Article, except where first-class sleeping accommodations are available. If the Artist has travelled overnight, there must be at least four (4) hours between the time of arrival at the Point of Origin and the start of the first rehearsal.

(F) Ground Travel to and from Airport

The Theatre is responsible for the Artist's transportation expenses to and from the terminal at the Artist's place of residence and between the terminal and Theatre and/or the Artist's lodging in the Point of Origin, including the cost of taxi fare between the terminal and the Artist's residence, and the terminal and the Artist's lodging and/or Theatre in the Point of Origin, if a taxi is used. Reimbursement will be issued by the Theatre upon presentation of receipts. The Theatre may stipulate the details and maximum allowable expenses for such "ground transportation" in a rider to the contract at the time of negotiation of the contract. Reimbursement will be issued by the Theatre upon presentation of receipts no later than fourteen (14) calendar days after the production has closed.

(G) Consecutive Engagements

Where the Artist has a consecutive engagement under a CTA Engagement Contract, the Theatre signing the consecutive contract of engagement shall provide and pay for the Artist's transportation either:

- (i) from the first Point of Origin to the second; or
- (ii) from the Artist's place of residence to the second, whichever is less.

Where the transportation cost from the first Point of Origin to the second is less than the transportation cost from the Artist's place of residence to the second Point of Origin, the first Theatre shall be relieved of any obligation for return transportation to the Artist. However, in any other case, the Theatre signing the first contract of engagement shall be obliged to provide and pay for the Artist's transportation back to their place of residence.

The Theatre signing the consecutive contract of engagement is obliged, in addition to the above, to provide and pay for the Artist's transportation back to their place of residence after the Artist has fulfilled their period of engagement.

It is the Artist's responsibility to inform the Theatre of any consecutive contract of engagement and to return the balance due on any advance on return transportation.

30:03 Luggage

The Theatre shall be responsible for the transportation or the cost of transportation for up to three (3) large suitcases (or equivalent, acceptable to the means of transport available), up to a maximum of one hundred and thirty six (136) kilograms.

In the case of air transportation the Theatre shall be responsible for the transportation of luggage up to the maximum weight per bag and maximum linear dimensions as permitted without surcharge by the airline. However, the Theatre shall be responsible for the cost and transportation of not less than one (1) bag by air regardless of the airlines policy regarding the number of allowable pieces without additional cost. Any costs resulting from exceeding the one (1) bag noted above or the airline luggage maximums (number of pieces, weight or dimension) shall be the sole responsibility of the Artist.

The difference in weight between what was transported by air and the one hundred and thirty six (136) kilograms maximum set forth above shall be transported by ground at the Theatre's expense. Transport of this additional luggage within the limits of this clause will be discussed between the Artist and Theatre and appended as a rider to the CTA Engagement Contract at the time of signing.

The transportation of luggage shall be from the Artist's place of residence to the terminal, and/or the Point of Origin (either the Theatre and/or the Artist's place of lodging) and back to the Artist's place of residence (unless the Artist has a consecutive engagement). The Artist shall discuss with the Theatre any further luggage requirements.

The Artist shall be responsible for arranging for the transportation of such luggage to and from the terminal at their place of residence, and shall submit receipts to the Theatre for reimbursement of the cost of such transportation. In the case of consecutive engagements, responsibility for payment for transport of luggage shall be divided as per Clause 30:02(G).

30:04 Transport Within Point of Origin

Whatever time is required by the Artist to move from one (1) rehearsal or performance location to another will be constituted as rehearsal time and must be paid for as such. If public transportation is not available, transportation must be provided by the Theatre, if the distance is more than two (2) kilometres.

30:05 Remote Location

With respect to Clauses 30:04 and 29:05, at the end of a rehearsal or performance call where the remote location of the Theatre, or the infrequency of public transportation or the lateness of the hour could affect the Artist's safety, the Theatre will arrange for safe and convenient transportation from the Theatre without cost to the Artist.

31:00 NUDITY AND ACTS OF INTIMACY IN PRODUCTION

31:01 Sex Acts

Actual sex acts or any acts of a sexual nature which are prohibited in public by the Criminal Code of Canada shall not be required of any actor during rehearsals or performances, nor of any other person in any rehearsals or performances in which any Artist takes part.

31:02 Notification to the Actor

(A) Prior to Signing

To ensure a safe and respectful workplace, Artists are required to review the material in any production that requires nudity or intimacy and address their needs with the Theatre.

Where nudity and/or acts of intimacy are required, the Actor must be advised in writing in advance of both auditioning and of signing the CTA Engagement Contract, and the current script shall also be submitted to the Actor for review. Once agreed, the details of the nudity or intimacy shall be attached to the CTA Engagement contract in the form of a rider.

(B) Notice of Intimacy Rehearsal(s)

Actors shall be consulted on the scheduling of rehearsal(s) of intimate scenes. Consultation should include the Director, the Stage Manager and other Artist(s) in the scene(s).

(C) Rehearsal of Intimacy

If the Actor and/or Director, following consultation about scenes of intimacy, wish to have an Intimacy Director available during rehearsals, their request shall not be unreasonably denied.

Scenes of nudity or Intimacy must never be rehearsed without the presence of the Director, Intimacy Director, or Intimacy Captain. In all instances, the Stage Manager must be present.

Scenes of nudity or Intimacy should always be considered choreography and, as such, should be recorded in detail in the Stage Manager's prompt book.

Intimacy choreography, including the placement of backstage crew and any cover-ups, must be rehearsed with the consent of all Artists involved and must be locked and repeatable by opening night.

(D) In the Performance Space

Once in the performance space, it is strongly recommended an intimacy call be held so that new collaborators may be familiarized with the choreography and content. These new collaborators may include but are not limited to: technical crew, creative personnel, musicians, extras and front of house staff.

31:03 Rider to the CTA Engagement Contract After Signing

Where the requirement for nudity or intimacy arises or changes in the course of rehearsal and the Actor(s) involved gives their consent, the detailed requirements of the nature of the intimacy or nudity shall be stipulated in or added to the rider to the contract as agreed to and signed by both the Actor and the Theatre and immediately filed with Equity. The Actor is not obliged to give such consent. Should the Actor involved refuse and should the Theatre decide to replace the Actor, then the Theatre will pay to the Actor a penalty equal to double the applicable termination settlement or compensation for each week to the end of the run of the production, whichever is the lesser amount.

32:00 PROPERTY, LOSS AND/OR DAMAGE TO

32:01 Reimbursement

Upon presentation of original receipt of purchase or proof of replacement value, the Theatre shall reimburse the Artist for all loss and/or damage caused by the act, fault or negligence of the Theatre, its representatives, agents, or employees, to:

- (i) the Artist's property used, or to be used in connection with a production or productions covered by their CTA Engagement Contract; and/or
- (ii) the personal clothing worn by the Artist to the Theatre; and/or
- (iii) the personal effects of the Artist including their luggage, while any such property is wholly or partly in the possession or control or under the supervision of the Theatre, or any of its representatives, agents or employees or while said property is in any theatre building or other place where the Artist is required to be under their CTA Engagement Contract, and where the Theatre has the ability to provide reasonable security measures or when any such property or personal effects have been in any way shipped, forwarded or stored by the Theatre, or any of its representatives, agents, or employees.

32:02 Reimbursement Limits

The reimbursement shall be up to a limit as specified in the current CTA Fee Booklet for the Artist's personal effects and clothing (excluding furs and jewellery); up to a limit as specified in the current CTA Fee Booklet for the Artist's furs; and up to a limit as specified in the current CTA Fee Booklet for the Artist's jewellery; except if the Theatre provides facilities for safe-keeping the Artist's personal valuables, jewellery and/or cash, not used in the production, while said articles are in any theatre, the Theatre shall be liable for loss and/or damage only if said personal valuables, jewellery, and/or cash are given to the Theatre, or its agent for safe-keeping. In this regard the Theatre agrees to provide facilities for safe-keeping of said articles, and to inform all Artists of same and of necessity for using such facilities under the provisions of this Article by a written notice posted on the call board.

32:03 Theatre's Liability

The Theatre shall not be liable for any loss or damage to the property of the Artist while said property is under the sole and exclusive control and supervision of the Artist.

32:04 Personal Property

Except as above provided, the Theatre shall not be responsible for any loss and/or damage to the personal property of the Artist, over and above the limitations herein set forth. With respect to such property it is the responsibility of the Artist if they desire to protect themselves against loss to insure same.

32:05 Insurance

The Theatre may meet the foregoing obligations by maintaining adequate and sufficient insurance coverage which shall provide the same protection as the Theatre thereby assumes. Upon the direct payment of any damage or loss to the Artist by the Theatre, the Theatre or Insurer shall be subrogated to all rights of the Artist to the extent of such payments.

33:00 POSTING OF SECURITY

33:01 Maintenance of Satisfactory Security

(A) Requirement

It is the essence of the CTA and all CTA Engagement Contracts, and a condition precedent to the engagement of the Artist, which the Theatre shall file and maintain with Equity satisfactory security as required by this Clause. Such satisfactory security shall include agreements in the form of Letters of Credit and Security Agreements.

(B) Liability

If contracts are issued to Artists without the Theatre having posted security in accordance with Clause 33:02, upon notification by Equity, the Theatre shall be liable for payment of one (1) week's minimum fee for each contract so issued, unless proper security is arranged within one (1) business day, such monies to be payable to Equity to be used for unsatisfied judgements.

33:02 Calculation of Amount

(A) Standard and Peak Security Requirements

(i) Forms of Acceptable Security

The Theatre shall be ineligible to engage Equity members unless and until it shall have arranged or deposited with Equity cash, a Letter of Credit (using sample wording agreed to by Equity and PACT), or an Equity approved Bond Insurance Program surety sufficient to ensure the payment of Artist's Contractual Fees for the maximum number of Artists to be engaged during a production or season.

(ii) Calculation of Amount

The cash, Letter of Credit, or Equity approved Bond Insurance Program surety shall be equal to Contractual Fees for two (2) weeks (for Directors, Choreographers, Fight Directors and Intimacy Directors contracted on a per production basis the security required is the total Contractual Fee) plus an additional percentage equivalent to the percentage total of GST, HST, or QST dependent on the Theatre's Point of Origin for each Artist engaged by the Theatre.

(iii) Security Increase Required For Touring

In the case of touring, the security shall be increased by the equivalent of fourteen (14) days of the Artists' per diem. Letters of Credit may include an expiry date, provided said expiry date occurs at least two (2) months after the close of a season or production. Letters of Credit will be released before expiry if requested, once all contractual obligations to Equity and its members have been met.

(B) Peak Security

(i) Theatre's Ability to Post Peak Security

Theatres which have produced at least three (3) seasons under the full terms and conditions of the Canadian Theatre Agreement, and which are not in arrears with remittances and do not have a history of such arrears, may calculate the amount of security on a "peak" basis. Peak is the consecutive two (2) week period of the season with the highest cumulative amount of Contractual Fees. For the purpose of this determination and calculation, the full Contractual Fee for a Director, Choreographer, Fight Director or Intimacy Director shall be included in the first week of the rehearsal period of the Artist's engagement. The amount of security required shall be equal to the sum of the Artists' Contractual Fees for this peak period, plus an additional percentage equivalent to the total of GST, HST, or QST dependent on the Theatre's Point of Origin for each Artist engaged by the Theatre.

(ii) **Summary Requirements For Peak Security**

The Theatre shall provide Equity with a detailed summary of the productions in the season, the number of Artists to be engaged in each discipline, the dates of engagement, and the anticipated Contractual Fees for the Artists to support this calculation. This amount shall be deposited with Equity in cash, by Letter of Credit (using sample wording agreed to by Equity and PACT), or an Equity approved Bond Insurance Program surety prior to issuing any CTA Engagement Contract for the season, which shall be maintained for the duration of the season, and released on request following the conclusion of the final production subject to Clause 33:03. Should the amount of security required by this calculation increase during the season based on the actual amount of the negotiated Contractual Fees, the Theatre shall augment the security deposited with Equity in accordance with Clause 33:01.

33:03 Release

Letters of Credit or cash deposits will be released within ten (10) business days of receipt of a written request for same, where all contractual obligations to Equity and the Artists have been met. Equity agrees to contact the Equity Liaison and/or members of the company where a confirmation of fulfillment of the Theatre's contractual obligations has not been received from the Liaison in reference to a request for a release, and agrees to process the release or partial release if requested where it can satisfactorily verify the fulfillment of the contractual obligations.

In the case of Joint Productions produced under Article 54:00, the security for each partner in the Joint Production shall be released according to the above provisions as each partner's contractual obligations are met.

33:04 Cash Deposits

Where the Theatre deposits cash with Equity, it shall receive interest payments on such deposits as may be agreed upon in writing between the Theatre and Equity.

33:05 Theatres in Arrears

Where Equity can demonstrate that a Theatre is substantially or repeatedly in arrears with remittances (see Clause 16:17), as stipulated in the CTA, Equity shall have the right to increase the amount of security required. Where Equity requires an increase to the amount of security, the Theatre shall immediately provide such an increase. However, if the Theatre disputes the increase, it may, after having provided the increase, have recourse to the provisions of Article 52:00 for the relief of this requirement.

33:06 Drawing Upon Security

No Equity member shall work, or be required to work or continue in the engagement of any Theatre, if and when the security arrangements shall not meet the requirements of this Article. In addition to the provisions of Clause 11:01 and Article 52:00, Equity may draw upon the securities posted to meet payment to Artists of unpaid fees, including payments for additional services, applicable service taxes, deducted dues payments and joining fees, remittances to Equity (see Clause 16:17), and transportation costs of the Artist to the Point of Origin and return to the Artist's place of residence (see Clause 16:09), provided that it shall simultaneously inform the Theatre of its action. However, PACT recognizes Equity's need to protect the interests of the Artists in an emergency, and, therefore, should it prove impossible to contact the Theatre or its authorized representative in an emergency, Equity may proceed to draw upon security.

34:00 ENGAGEMENT CONTRACTS

34:01 Continuous Engagement

Continuous engagement of the Artist is of the essence of all CTA Engagement Contracts. Engagement thereunder shall begin on the date of the beginning of rehearsals or required date of arrival if earlier, and shall continue until terminated as herein provided, and not otherwise. All calculations of sums due or benefits accruing to the Artist shall be computed in Canadian dollars on the basis of consecutive rehearsals and consecutive engagement.

34:02 Minimum Period

The minimum period of engagement shall be two (2) weeks. For festivals, showcases and industry events, the minimum contract period may be one (1) week. Further opportunities may exist where an engagement of less than two weeks may be allowed with the written approval of Equity and PACT.

The preparation period for Stage Management for short contracts will be determined in discussion between the Theatre and the Stage Manager per Clause 63:06(A).

35:00 CONTRACTS

35:01 Standard CTA Engagement

A standard CTA Engagement Contract is a contract which does not in any way amend the basic minimum provisions of the CTA with respect to the minimum period of engagement.

35:02 Run-of-the-Play CTA Engagement

A Run-of-the-Play CTA Engagement Contract is a contract in which the basic minimum provisions of the CTA are specifically amended within the CTA Engagement Contract to prohibit termination for a period of one (1) year from the beginning of the engagement except by mutual consent of the parties to the contract following consultation by the Artist with Equity and receipt of Equity's approval or by virtue of company closing.

A Run-of-the-Play CTA Engagement Contract may not contain an option with respect to an extension of the engagement period.

(A) Rider

The standard CTA Engagement Contract may be designated a Run-of-the-Play CTA Engagement Contract by the addition of a rider which stipulates:

The Theatre and the Artist agree that this CTA Engagement Contract is designated as a Run-of-the-Play CTA Engagement Contract pursuant to the provisions of Clauses 35:02, 35:11, 38:08, 38:11, and 38:15(C).

CTA Engagement Contracts which do not contain this wording will not be accepted as Run-of-the-Play CTA Engagement Contracts.

(B) Period

The period of engagement for a Run-of-the-Play CTA Engagement Contract shall be for the run of the play to a maximum of one (1) year in the first instance, and shall begin on the date of the first rehearsal. The run-of-the-play fee requirements will also begin as of the first rehearsal. After the first twelve (12) month period, extensions of Run-of-the-Play CTA Engagement Contracts shall be for a minimum of three (3) months, to a maximum of one (1) year.

(C) Application

A Run-of-the-Play CTA Engagement Contract can only be applied to a single production which has no scheduled closing date.

(D) Fee

The Artist's Contractual Fee for a Run-of-the-Play CTA Engagement Contract shall be not less than as specified in the current CTA Fee Booklet per week above the applicable minimum fee.

(E) Conversion to Run-of-the-Play Engagement

The Theatre may convert the standard CTA Engagement Contract to a Run-of-the-Play CTA Engagement Contract at any time after it has been executed, provided that the Artist agrees and shall be paid not less than as specified in the current CTA Fee Booklet per week above their original Contractual Fee. This change must be effected by a rider to the Artist's CTA Engagement Contract which also contains the wording specified above.

(F) Notice

The Theatre agrees to make every effort to provide the Artist engaged to a Run-of-the-Play Engagement Contract with four (4) weeks' notice of the Theatre's intention to offer a further contract beyond the expiry of the initial run-of-the-play period.

35:03 Guaranteed Engagement

A Guaranteed CTA Engagement Contract is a contract in which the basic minimum provisions of the CTA are specifically amended to prohibit termination, prior to the final date of the engagement specified on the contract except by mutual consent of the parties to the contract, following consultation by the Artist with Equity and receipt of Equity's approval. A Guaranteed CTA Engagement Contract may contain an option with respect to an extension of the engagement (see Clause 35:11).

(A) Rider

The standard CTA Engagement Contract may be designated as a Guaranteed CTA Engagement Contract by the addition of a rider which stipulates:

The Theatre and the Artist agree that this CTA Engagement Contract is designated as a Guaranteed CTA Engagement Contract pursuant to the provisions of Clauses 35:03, 35:11, 38:09, 38:11, and 38:15(C) of the CTA.

CTA Engagement Contracts which do not contain this wording will not be accepted as Guaranteed CTA Engagement Contracts.

(B) Period

The period of engagement for a Guaranteed CTA Engagement Contract shall begin on the date of the first rehearsal and end on the final date of the engagement which must be specified on the CTA Engagement Contract. A Guaranteed CTA Engagement Contract may be applied to a single production or to an engagement involving more than one (1) production in stock or repertory.

Nevertheless the guaranteed period shall not extend beyond fifty-two (52) weeks from the date of the first rehearsal specified in the contract.

(C) Fee

The Artist's Contractual Fee for a guaranteed CTA Engagement Contract shall be not less than as specified in the current CTA Fee Booklet above the minimum fee.

35:04 Requirement to File

No Artist may begin an engagement unless a CTA Engagement Contract has been completed and a copy filed with Equity.

35:05 Execution and Filing of

(A) Quadruplicate

CTA Engagement Contracts must be executed in quadruplicate:

- (i)** one (1) copy retained by the Theatre; and
- (ii)** one (1) copy filed with PACT by the Theatre; and
- (iii)** one (1) copy filed with Equity by the Theatre; and
- (iv)** one (1) copy retained by the Artist.

All four (4) required copies of each CTA Engagement Contract must bear original signatures.

(B) Confidentiality

Equity and PACT agree that the details of Artists' contracts will be held in strictest confidence.

(C) Deadlines for Filing

No more than ten (10) days from the date of the Artist receiving the contract, the Artist shall file signed appropriate copies of the contract with the Theatre. The Theatre shall file with Equity and PACT the appropriate copies as above of the fully executed contract within five (5) business days (Saturday, Sunday, and holidays excluded) of receipt of same, and, in any event, no later than the first day of the engagement. Should the Theatre not do so, and the Artist has filed their contract with the Theatre as required above, then the Artist may, at any time, terminate their contract without notice, and the Theatre shall pay to the Artist such amount as the Artist may be entitled to under the CTA for a breach thereof (see Article 11:00).

In the case of Workshops or Readings, the CTA Engagement Contract shall be filed no later than the second business day following the first day of the Artist's engagement.

A notice will be sent to the Theatre on the first occasion that contracts are late, advising the Theatre of that fact and identifying, for information purposes only, what the administrative fee would have been on that production. Starting with the second production in each year for which a Theatre files late contracts, Equity shall notify the Theatre that an administrative fee of five dollars (\$5.00) per contract per day that each contract is late will be applied, until such time that the contract(s) is filed with the Equity office. The "second production" is understood to be the first production where contracts are late in each year of the fee schedule.

Where the late filing is caused by delays by the Artist or the Artist's representative (Agent), the Theatre can send to Equity written proof in the form of email on the first day of engagement and no administrative fee will be charged. Equity may elect to fine their member Artist separately.

Equity will submit an invoice to Theatres outlining all remittances at the close of a production.

(D) Electronic Contract Template Forms

Equity and PACT shall agree upon the wording of CTA Engagement Contract forms. Further, Equity and PACT shall agree to the method and cost of creating electronic contract template forms and how that cost of electronic contract template forms shall be borne.

PACT shall provide electronic contract templates to a Theatre upon request. Electronic contract templates may be used solely by a Theatre for the remainder of the term of the CTA only. Further, the electronic contract templates shall not be modified in any way, and any such modification shall be considered a breach of the CTA and render the contract null and void at the option of Equity.

35:06 Effective Date

CTA Engagement Contracts between Theatre and Artist must be signed before the Artist begins rehearsal and shall be signed on the date when the terms of the contract are agreed upon between the parties. If not signed on said date, when issued they must be signed as of said date.

35:07 Changes and Alterations

The Theatre and the Artist may negotiate changes or alterations to the contract which do not reduce the minimum conditions set forth in the CTA but neither the Theatre nor the Artist may waive any of the minimum conditions set forth in the CTA without the written consent of Equity.

If, in the opinion of Equity any riders, changes, alterations, waivers or substitutions, or any part thereof, are not appropriate under the CTA, such riders, in whole or in part, may be made void, at the option of the Artist, Equity consenting. It shall be the duty of the Theatre, not the Artist, to submit proposed changes to Equity for written approval by a duly authorized representative. The Theatre agrees to send all proposed alterations, waivers or substitutions to Equity in writing. Furthermore, the Theatre shall file a copy of all requests for waivers to the minimum terms and conditions of the CTA with PACT.

Equity agrees to respond by telephone to such proposals within ten (10) business days after receipt thereof. Equity shall confirm its decision in writing. If Equity has not signified disapproval within the above stipulated time period, such proposals shall be deemed approved.

The Theatre agrees that all blanks on the face of the contract including date of first public performance, name of part, fee, and required date of arrival, will be filled in, in writing, before signing or delivery of the contract.

When the same alteration or change is required for several contracts, the Theatre may propose a single rider to be executed with all of the Artists, such proposals to be reasonably accepted by Equity.

A rider to the CTA Engagement Contract shall not be required to correct administrative or clerical errors or omissions when such correction is confirmed in the written notification from Equity and not disputed by the Theatre.

35:08 Execution of Engagement Contracts

(A) Issuing Of

When the Theatre confirms to the Artist that agreement has been reached on the negotiated terms for an upcoming engagement, the Theatre shall issue a CTA Engagement Contract to the Artist within ten (10) business days. In any event an Artist must receive their CTA Engagement Contract no later than twenty (20) business days prior to the start date of their engagement.

This provision does not apply to activities contracted under Article 56:00 or Article 57:00 in which the contracted engagement period is less than two weeks.

(B) Signing Of

Unless contracts are signed concurrently, they must be signed first by the Theatre. If the contract is not signed concurrently the Theatre may in writing at the time of sending the contract to the Artist notify the Artist that unless the contract is signed and returned or postmarked, by the Artist to the Theatre within ten (10) business days (Saturday, Sunday and holidays excluded) after receipt thereof by the Artist, the offer of engagement is withdrawn and the contract shall be null and void.

35:09 Roles Unassigned at Time of Contracting (Cast by Consent)

It is understood that productions may involve non-speaking, unnamed or smaller roles which may be difficult to assign at time of contracting. Similarly, a production may wish to make creative use of Actors to populate the world on stage, or to further the story through the practical needs of transitions, and that such use of Actors may evolve over the course of rehearsals. Such roles and stage business are deemed "Cast by Consent", and are subject to the conditions and considerations outlined below.

Notwithstanding the ensuing, and with full respect for the evolving, organic needs of the creative process, Theatres are strongly encouraged to identify and establish the majority of non-speaking, unnamed or smaller roles at the contracting stage, in order to limit the number of assignments that are treated as "Cast by Consent".

(A) Prior Knowledge

- (i) The Theatre will make every effort at the time of offer to provide the Actor with all available information about the production's concept and/or context so that the Actor may make an informed decision about acceptance of the offer. Such information is especially important where the content of a production deals with issues of violence, trauma, or cultural or oppressed groups, or where it may be reasonably anticipated that the Actor's individual identity may intersect with or reinforce harmful or demeaning identity stereotypes.
- (ii) Upon request, the Theatre will facilitate communication between the Actor and Director to discuss intentions and expectations.
- (iii) It is understood that certain types of work or ways of working (e.g., Workshops, or work that is devised) entail the development of characters, story, and/or context as an integral part of the rehearsal process and thus preclude clear assignment of roles at time of contracting. Where a definitive character list is not available or finalized at the time of contracting, Theatres are nevertheless encouraged to share information about the production as may be available.

(B) Multiple Productions (Stock and Repertory)

- (i) All productions in which the Actor is to appear will be specified in their contract, along with the Actor's role assignments in those productions, which may include "Cast by Consent" for unspecified roles.
- (ii) Where season programming is not entirely set at time of contracting, an Actor may agree to appear in a production "to be announced". If productions are subsequently added to the season, the Actor is not obligated to appear in such additional productions without consent, and such appearance(s) must be properly negotiated and ridered to their contract.

(C) Understudy Assignments

A Cast by Consent assignment may only include an Understudy assignment if such is indicated on the contract at time of contracting. Roles or tracks to be understudied must be specifically designated in a rider to that contract no later than fourteen (14) days after the first public performance, or three (3) days following the official opening, whichever comes first.

If the Theatre fails to execute a rider as above, the Actor will be relieved of any responsibility to assume the Understudy assignment. In such circumstances, should the Theatre still request the Actor to accept the assignment, Clause 16:11(A) (Additional Duties) shall apply.

For the purpose of this Clause, Understudy assignments are deemed to include portions of another Actor's assignment in the production.

(D) Changes After Contracting

It is understood that a production will evolve over the course of pre-production and/or the rehearsal process, and that timely and transparent communication are essential to maintaining a safe and respectful workplace.

(i) Ongoing Consent

Where an Actor contracted as Cast by Consent is informed of an altered approach to production or changes to their roles or stage business that may result in offensive racial, cultural or identity stereotypes, or may be experienced by the Actor as triggering or traumatizing, the Actor will have forty-eight (48) hours (from the time of receiving the information) to consider the change before consent is assumed. It is recognized that an Actor need not be involved in a piece of stage business for them to experience a negative impact.

(ii) Right to Decline

Where in rehearsal an Actor objects to such an assignment change, their reasons for objecting should be promptly communicated to the Director or Theatre (whichever is appropriate) so that the concerns may be addressed or the assignment reallocated. Communication to the Director/Theatre should be done in the presence of the Stage Manager, and upon request, another person of the Actor's choosing.

It is understood that a Cast by Consent assignment cannot be declined based on its size or perceived lack of artistic challenge.

(iii) Non-retaliation

The Theatre recognizes the Actor's right to engage in the consent-based process detailed in this Clause and will not allow its use to become the basis for reprisal regarding future engagements.

(E) Assignment Changes After Opening

Where an Actor undertakes a Cast by Consent assignment, their roles and stage business are deemed to be "set" as of the official opening of the production. If their assignment is significantly altered after opening, such alterations will be agreed to in writing as a rider to their contract, and compensated as per Clause 16:11(A) (Additional Duties).

35:10 Concurrent Engagements

The CTA Engagement Contract of the Artist shall take precedence over any other concurrent contract which the Artist may have signed with the Theatre for services which do not fall within Equity's jurisdiction.

35:11 Exercising of Options

(A) Specified Options

Should an option be exercised on the services of the Artist, the Theatre agrees that the terms and conditions, including the date by which notice is to be served, must be included in the Artist's CTA Engagement Contract. The presence of an option clause in the Artist's contract is not a guarantee of engagement and does not override Article 38:00 (Termination).

(B) Written Notice for Productions Running More than Three Weeks

Where the production is scheduled to run for more than three (3) weeks, the Theatre agrees to inform the Artist in writing not less than two (2) weeks prior to the beginning of the option period of its intention to exercise the option, failing which, the option becomes null and void.

(C) Notice for Productions Running Three Weeks or Less

Where the production is scheduled to run for three (3) weeks or less, the Theatre agrees to inform the Artist in writing not less than one (1) week prior to the beginning of the option period of its intention to exercise the option, failing which the option becomes null and void. Further, the Artist may give one (1) week's notice of termination when the Theatre indicates its intention to exercise the option. Where the Theatre exercises the option, it shall be responsible for changes in travel arrangements and accommodation and shall reimburse the Artist for any additional costs incurred.

(D) Filing of Notice

Notice of intention to exercise an option must be in writing and a copy must be filed with Equity.

(E) Options on Guaranteed Engagements

Options to extend a Guaranteed CTA Engagement Contract may only be used under the following conditions:

(i) Notice

The Theatre must give the Artist not less than four (4) weeks' notice in writing prior to the beginning of the option period, of its decision to exercise the option. The date of such notice shall be stipulated in the option rider. Failure to exercise an option as outlined above shall render said option null and void.

(ii) Period

Once an option to extend has been exercised, said option period shall be considered part of the guaranteed engagement period and subject to the provisions of Clauses 35:03 and 38:09.

(iii) Termination by Artist Prior to Beginning of Option Period

If, prior to the exercise of an option to extend, the Artist serves notice that they wish to terminate their contract at the end of the originally guaranteed period, then the period covered by the option shall not be considered part of the guaranteed engagement period and the contract shall be deemed to terminate at the end of the originally guaranteed period.

(F) Options on Run-of-the-Play Engagements

Options on Artist's services are not permitted on Run-of-the-Play CTA Engagement Contracts.

(G) Limitation to Holdover Option(s)

In no event may the option period(s) on an Artist's CTA Engagement Contract be longer than the original run of performance weeks as stipulated on the Artist's CTA Engagement Contract without Equity's prior written consent.

35:12 Most Favoured Nations/Inclusive of Penalty Payments

So-called "most favoured nations" riders, which state that no Actor in the production shall be paid an equal or higher fee than the Artist named on the face of the contract, or so-called "favoured nations" riders, which state that no Actor in the production shall be paid a higher fee than the Actor named on the face of the contract, are deemed unacceptable and are not permitted.

Additionally, any riders which state that the fee specified on the face of the contract is inclusive of payments for additional services, additional duty or other duty fees (see Clauses 16:11, 63:15, and 63:14), that may be due to the Artist or Equity under the CTA are unacceptable and are not permitted.

35:13 Replacement Artist Rehearsal Hours

When a Theatre replaces an Artist either in a currently running production or for a Revival, the Theatre shall include the number of rehearsal hours prior to technical rehearsals or the Artist's first public performance, whichever is sooner, in a rider to the Artist's CTA Engagement Contract.

The Theatre will engage the Artist for a minimum of fourteen (14) rehearsal hours prior to technical rehearsals or first public performance, or will pay a one-time additional amount of not less than fifty (50%) percent of the Artist's Weekly Contractual Fee. Should the Theatre require the Artist to learn the role prior to the start of their CTA Engagement Contract, this will be contracted in accordance with Clause 24:03(M).

This Clause shall not apply in cases of an Emergency Replacement when the Artist is engaged under Clause 40:04.

36:00 BINDING EFFECT OF AGREEMENT

Agreements between the Theatre and so-called "packagers", casting consultants, agents, Theatre's representatives, or Artist's representatives shall in no way limit or reduce the Theatre's liability or responsibility to fulfil all terms and conditions of CTA Engagement Contracts to which the Theatre is a signatory.

All CTA Engagement Contracts signed pursuant to the CTA are binding upon not only the signers on the face thereof, but upon any and all corporations, co-partnerships, enterprises, and/or groups which said signers or each of them controls, and are hereby agreed to be adopted as their CTA Engagement Contracts by each of them.

37:00 PERFORMANCES AND/OR REHEARSALS LOST

If the company cannot rehearse or perform because of the serious and prolonged illness or the death of a prominent member of the cast, fire, accident, strikes, riot, Acts of God or act of the public enemy, which could not be reasonably anticipated or prevented, then the Artist shall not be entitled to their Contractual Fee for the time during which their services shall not for such reason or reasons be rendered, except that the Artist shall receive one-seventh (1/7) of the minimum fee for the applicable Company Category for each day on which rehearsals or performances are not given thereafter including the Artist's Free Day. Should any of the foregoing conditions continue for a period of ten (10) days or more, either party may terminate the CTA Engagement Contract immediately and the Theatre will pay the Artist for all services to date and their transportation back to the place of residence. If the above should occur outside the Point of Origin, the Artist will receive the applicable per diem during the ten (10) day period.

38:00 TERMINATION

38:01 Notice Period

(A) Two Weeks Minimum

The minimum period of notice of termination for the Artist shall be two (2) weeks.

(B) More Than Two Weeks

If an Artist's CTA Engagement Contract specifies a notice of termination greater than two (2) weeks, said greater period shall be substituted for "two (2) weeks" where used in the CTA. However, such notice of termination may not be longer than one-third (1/3) of the total length of the engagement period, but in no case longer than four (4) weeks.

38:02 Delivery of Notice

(A) Written

It is the essence of all CTA Engagement Contracts that all notices thereunder, company and individual, must be in writing. Copies of all notices must be filed with or mailed to Equity immediately by the party (Artist or Theatre) giving notice.

(B) Methods For

All notices to the Theatre must be given to its designated representative in writing. Notice to the Artist must be given to them personally in writing unless they are not at the theatre location, in which case it may be given by registered mail to their last known address and by email copying Equity.

(C) Call Board

All communications which refer to the company in general shall be posted on the call board.

(D) Timing

(i) Individual notices of termination given at or before the half-hour call on the first performance day of the Engagement Week and which take effect at the end of the final day of the week following shall be deemed two (2) weeks' notice.

- (ii) Notices must be delivered at or before the commencement of the first call of the Engagement Week. Any notice given later will not take effect until the following week.

38:03 Deductions

Deductions pursuant to Clause 3:03 shall apply to termination payments. However, when the Artist is not allowed to work out the notice period the deduction for insurance shall not apply.

38:04 Termination Before Rehearsals

CTA Engagement Contracts may, before the beginning of rehearsals, be terminated as follows:

(A) Notice By Artist

By the Artist giving written notice to the Theatre prior to the first day of rehearsal specified in the CTA Engagement Contract, and paying it no less than two (2) weeks' Contractual Fee or for the notice of termination period stated on the CTA Engagement Contract, should said period be longer than two (2) weeks. Termination payments must be paid to the Theatre within two (2) weeks of the notice being given or by a schedule mutually agreed upon between the Artist and Theatre.

(B) Notice By Theatre

By the Theatre giving written notice to the Artist prior to the first day of rehearsal specified in the CTA Engagement Contract and paying the Artist a sum equivalent to not less than two (2) weeks' Contractual Fee or for the notice of termination period stated in the CTA Engagement Contract, should said period be longer than two (2) weeks. Termination payments must be paid to the Artist within two weeks of the notice being given or by a schedule mutually agreed upon between the Artist and Theatre.

(C) Accident, Illness or Pregnancy

Should the Artist be obliged to terminate their CTA Engagement Contract due to an incapacitating accident or illness or due to pregnancy, they will not be required to give notice and there will be no penalty payment. They must inform the Theatre of the accident or illness or pregnancy as soon as possible and provide a doctor's certificate upon request.

38:05 After Beginning of Engagement

Individual notice of termination of a standard CTA Engagement Contract after the beginning of an engagement may not be less than two (2) weeks. If notice of termination is greater than two (2) weeks, it shall be specified in a rider to the CTA Engagement Contract.

38:06 During Rehearsals

(A) By Artist

During rehearsals, the Artist may terminate their CTA Engagement Contract by paying the Theatre the Contractual Fee multiplied by the number of weeks specified in the notice clause in their CTA Engagement Contract. However, the termination of the Artist's services to the Theatre may not occur within the period beginning two (2) weeks prior to and ending two (2) weeks after the first public performance dates specified in the CTA Engagement Contract.

(B) By Theatre

During rehearsals, the Theatre may terminate the Artist's CTA Engagement Contract by paying them the Contractual Fee multiplied by the number of weeks specified in the notice clause in their CTA Engagement Contract except if the Artist's CTA Engagement Contract is terminated during the two (2) weeks prior to the specified first public performance in which case the minimum payment shall be no less than four (4) weeks' Contractual Fee.

(C) Special Conditions

During rehearsals for a production with a running time of sixty (60) minutes or less, or when the rehearsal period is two (2) weeks or less, a standard two (2) weeks' notice of termination may be given by either party as stipulated in Clause 38:02.

(D) Extended Notice

A standard CTA Engagement Contract with an extended termination notice rider may be terminated by immediate payment of the Contractual Fee for the full period of notice.

38:07 Termination After First Public Performance

(A) Notice

Either party may terminate the CTA Engagement Contract at any time on or after the date of the first public performance by giving the other party the notice specified in the CTA Engagement Contract but in no event shall the period of termination notice be less than two (2) weeks.

(B) Extended Notice

A standard CTA Engagement Contract with an extended termination notice rider may be terminated by immediate payment of the Contractual Fee for the full period of notice.

38:08 Run-of-the-Play Contract

A Run-of-the-Play CTA Engagement Contract can be terminated by mutual agreement of the parties in writing, and such mutual agreement shall be filed with Equity. Before rehearsals begin, a Run-of-the-Play CTA Engagement Contract may either be terminated by mutual agreement of the parties in writing or by the immediate payment of four (4) weeks' Contractual Fee by the party initiating the termination.

After the beginning of rehearsals, where mutual agreement is not reached, the CTA Engagement Contract must be fulfilled, or the party initiating termination must give at least one (1) week's notice and shall be liable to the other party for the Contractual Fee from the date of the last service performed by the Artist, to the closing date of the production, or the final date of engagement, whichever is sooner and which in no case shall be greater than twelve (12) months from the date of commencement of the CTA Engagement Contract. Termination payments shall be made weekly or on a mutually agreed schedule. Clause 3:03 shall not apply to termination payments made pursuant to the above provisions.

The following Clauses shall not apply to Run-of-the-Play CTA Engagement Contracts: 35:03, 38:01, 38:04, 38:05, 38:06 and 38:07.

38:09 Guaranteed Engagement Contract

A Guaranteed CTA Engagement Contract can be terminated by mutual agreement of the parties, in writing and such mutual agreement shall be filed with Equity. Where mutual agreement is not reached, the CTA Engagement Contract must be fulfilled, or the party initiating termination must give at least one (1) week's notice and shall be liable to the other party for the Contractual Fee from the date of the last service performed by the Artist to the termination date indicated on the face of the CTA Engagement Contract. Termination payments shall be made weekly or on a mutually agreed schedule.

Clause 3:03 shall not apply to termination payments made pursuant to the above provisions. No layoffs are permitted on Guaranteed CTA Engagement Contracts. The following Clauses shall not apply to Guaranteed CTA Engagement Contracts: 35:02, 38:01, 38:03, 38:04, 38:05, 38:06, 38:09 and 38:10.

38:10 Company Termination Before Opening

If a production for which the Artist is engaged is discontinued, abandoned or postponed, before or during rehearsals, the Theatre shall pay the Artist two (2) weeks' Contractual Fee in lieu of notice and also any additional sums due to the Artist.

This Clause does not apply to Artists engaged for more than one (1) production on the same CTA Engagement Contract, where the Artist's period of engagement and Contractual Fee is not affected by the discontinuance, abandonment or postponement of a production.

38:11 Notice After Opening for a Production or Season ("Company Closing Notice")

(A) Application

This Clause applies to Run-of-the-Play CTA Engagement Contracts but not to Guaranteed CTA Engagement Contracts.

(B) Requirement

No closing notice or payment in lieu thereof shall be required where the termination date of the production or season is the same as that stated in the CTA Engagement Contract. However, if any Artist's contract bears an option rider, notice of closing must be posted and a copy filed with Equity.

(C) Early Closing

Should the Theatre close a production or season prior to the date stated in the CTA Engagement Contract, two (2) weeks' notice of closing must be posted, and a copy filed with Equity. However, in the event of an extension beyond the originally contracted termination date on the Artist's contract, or in the event there is no final performance stated in the CTA Engagement Contract, one (1) week's notice must be posted and a copy filed with Equity or the Theatre must pay one (1) week's Contractual Fee, plus per diem, if applicable, in lieu thereof.

(D) Definition of Notice "Weeks"

For the purpose of this Clause "two (2) weeks' notice" shall constitute two Monday-to-Sunday periods and "one (1) week's notice" shall constitute one Monday-to-Sunday period.

(E) Timing

Closing notice given at or before the half-hour call on the first day of the second Engagement Week prior to closing shall be deemed two (2) weeks' notice and on the first day of the last Engagement Week prior to closing shall be deemed one (1) week's notice. If for any reason there is no performance on the days specified in this paragraph the Artist will be duly notified of the posting of closing notice by telephone prior to 8:00 p.m.

However, where an Artist is unreachable by telephone, the Theatre must dispatch confirmation of the notice of closing to the Artist by email, copying Equity, on the same day, and in any event the Theatre must still post the closing notice on or before the days specified in the preceding paragraph.

(F) Company Notice

Closing notice shall supersede any individual notice of termination then outstanding with the exception of Guaranteed CTA Engagement Contracts which may not be terminated other than as provided for in Clause 38:09.

38:12 Extension of CTA Engagement Contract

(A) Absence of Option

In the absence of an option to extend the CTA Engagement Contract, should the Theatre wish to extend beyond the originally contracted closing date the Artist, at the Artist's option, may upon announcement of said extension, terminate their CTA Engagement Contract upon written notice, said termination to coincide with the originally contracted closing. Written notice under the above conditions may be less than two (2) weeks.

(B) Written Agreement

Should the Artist agree to remain at the Theatre for the extension of the CTA Engagement Contract, a written agreement, so stating, shall be executed by the Theatre, and a copy filed with Equity.

(C) Right to Negotiate

The Artist has the right to negotiate the terms and conditions under which they agree to the extension. At the end of the CTA Engagement Contract period, if the Artist is contracted to perform for part of a week, up to a maximum of four (4) days, compensation shall be prorated and the Artist paid at least one-sixth (1/6) of their Contractual Fee, plus per diem if applicable, for each day worked. (See Clause 16:10.)

38:13 Payment Following

Artists whose CTA Engagement Contracts are terminated under the above Clauses 38:11 and 38:12, shall be entitled to return transportation, and payment for all services to date.

38:14 Absence due to Accidents Involving Extraordinary Risk

When the Artist shall have absented himself/herself for seven (7) days by reason of accident involving Extraordinary Risk, the Theatre may terminate their CTA Engagement Contract by giving the Artist two (2) weeks' notice. Equity may, at its discretion, upon appeal of the Theatre, reduce this period.

However, in the case of an Artist engaged on a Run-of-the-Play or Guaranteed CTA Engagement Contract, the Artist must be reinstated upon recovery if they so desire on terms and conditions no less favourable than their original contract.

38:15 Absence Due to Illness or Accident

(A) Termination For

When the Artist shall have absented himself/herself for seven (7) consecutive days by reason of illness or accident, the Theatre may terminate their CTA Engagement Contract at the end of the said seven (7) days effective immediately.

(B) Payment

This seven (7) day period shall be compensated at the Contractual Fee, plus per diem if applicable. The Theatre may, at its discretion require the Artist to present a doctor's certificate.

(C) Replacement

In the event of an incapacitating accident or illness, the Theatre may replace the Artist immediately, but the Theatre shall be obliged to compensate the Artist for the full seven (7) days.

However, in the case of an Artist engaged on a Run-of-the-Play or Guaranteed CTA Engagement Contract, the Artist must be reinstated if they so desire on terms and conditions no less favourable than their original contract.

The Artist shall advise the Theatre in writing at least two (2) full weeks prior to their expected date of return that the Artist is able to be re-instated. By mutual agreement, the Artist may be reinstated sooner, but in no event later than the expected date of return.

38:16 Military Service or Jury Duty

If the Artist is called to report for military service or jury duty, the Artist may terminate their CTA Engagement Contract without penalty by giving the Theatre as much notice as the circumstances will permit. The Theatre agrees to pay the Artist's return transportation, and the Artist shall not be obligated for the payment of the transportation of successor.

38:17 Payment When Artist is Not Allowed to Work Out Notice

Where it is provided in Article 38:00 that the Theatre may give notice of termination to the Artist during rehearsals, the Theatre will pay the Artist for the required termination notice period immediately, and the Artist's contract is terminated effective immediately.

Upon notice of termination of an Artist's CTA Engagement Contract when they are no longer called upon to perform, they shall be paid immediately and may immediately accept other engagements.

38:18 Rights After Giving Notice When Artist Secures New Engagement

Should either party give the other any notice permitted under their CTA Engagement Contract, which terminates the same, at any future date, and should the Artist have or secure a new engagement, the Artist shall be permitted to attend those rehearsals under the new CTA Engagement Contract which do not conflict with the fulfilment of any of their obligations under their first CTA Engagement Contract or as stipulated in writing by Theatre to Artist.

38:19 Return Transportation Costs

(A) Termination by Theatre

If individual notice of termination is given by the Theatre, it agrees to pay the Artist, in cash, the amount of the cost of transportation of the Artist, and their luggage back to place of residence, or to provide a ticket for same whether the Artist returns immediately or not.

(B) Termination by Artist

If the CTA Engagement Contract is terminated by the Artist, except as provided in Clauses 35:11, 38:12, 38:14 or 38:15 above, the Theatre shall not be responsible for the Artist's return transportation.

If the Artist has terminated their CTA Engagement Contract in order to accept another CTA Engagement Contract, the Artist agrees to reimburse the Theatre for any transportation costs a Theatre may have to pay for the Artist's successor, if any, up to an amount not exceeding the total cost originally incurred by the Theatre in bringing the Artist to work with the Theatre.

38:20 Filing of Notice

Copies of all notices of termination and/or extension referred to above shall be filed with Equity within ten (10) business days.

38:21 Consecutive Engagements

If, while away from the Point of Origin, the Artist is offered another CTA Engagement Contract by the same Theatre which is consecutive and if they are required to return to the Point of Origin on their Free Day in order to start work on their new CTA Engagement Contract then the Artist must be provided with an additional Free Day during the first Engagement Week of said consecutive CTA Engagement Contract, or in lieu thereof, paid an additional one-seventh (1/7) of their Contractual Fee under said consecutive CTA Engagement Contract.

38:22 Re-Opening of Production

A production, once closed, shall not be re-opened within eight (8) weeks of its closing under any Engagement Contract, or except as provided for in Article 37:00, or by the original Theatre within six (6) weeks of its closing under a CTA Engagement Contract, without the consent of Equity and PACT.

Upon written application, copies of which will be given to the Artists by the Theatre, this period may be reduced where it can be demonstrated to the satisfaction of Equity and PACT that the proposal is of benefit to the Artists and the Theatre.

38:23 Bereavement Leave

If any member of an Artist's immediate family is critically ill, or dies (father, mother, legal guardian, brother, sister, child, spouse or equivalent), the Theatre agrees to arrange for the Artist to be absent for up to three (3) days without loss of fee. Additionally, the Theatre will consider a request from an Artist for an absence for bereavement of a non-immediate family member, and the Theatre's permission for the Artist's absence will not be unreasonably withheld.

In such instance, any Artist brought in as a replacement who is not already under a CTA Engagement Contract will be paid in accordance with the provisions of Clause 40:04. However, other Artists in the production who may be required to attend replacement rehearsals for an Artist on bereavement leave will do so without additional payment.

38:24 Growth

Under no circumstances shall an Artist's growth be considered grounds for termination, unless it impinges on the artistic integrity of the production, to be determined by the Theatre.

39:00 UNDERSTUDIES

For the purposes of this Article, Understudy shall include Performing Understudy, Standby and Swing.

Should a Theatre elect to engage Understudies, the following Clauses shall apply.

39:01 Programs

The names of all Understudies shall be listed in the program, except that the Actor may, at their option, require a rider to the Artist's individual CTA Engagement Contract exempting the Artist's name from such listing.

39:02 Rehearsals and Performances

(A) Line Rehearsal

There shall be at least one (1) "line rehearsal" per production completed before the opening of said production. If this is in addition to the regular rehearsal hours, the Artist shall invoice the Theatre at the rate stipulated on line one (1) of Schedule "A" in the current CTA Fee Booklet.

(B) Blocking Rehearsal

(i) Primary Understudy Tracks

Blocking rehearsals for primary Understudy tracks culminating in a complete run-through rehearsal on stage must be completed within fourteen (14) days of the first public performance of each production. In repertory and Sector 2, blocking rehearsals including a minimum of one four (4) hour priority rehearsal call and culminating in a complete on-stage run-through rehearsal, must be completed within twenty-one (21) days after fourteen (14) public performances of each production.

Rehearsals for Understudies must commence no later than two (2) working days following the first public performance of each production.

Such rehearsals may take place under the supervision of the Resident Director or Assistant Director if there is one, or the Stage Manager.

(ii) Secondary Understudy Tracks

When the Theatre has cast secondary Understudy tracks, blocking rehearsals culminating in a complete run-through rehearsal on stage must be completed within fifty-six (56) days after fourteen (14) public performances for the second set of Understudies.

(iii) Extending Timeline

Should an Understudy not receive a run-through rehearsal on stage within the timelines outlined in this Clause, the Theatre shall pay the Artist an additional one-eighth (1/8) of the Artist's Contractual Fee for each week or part thereof until the run-through rehearsal has been completed.

If the production is already open, the provisions for rehearsal after opening (Clauses 24:10(A) or 53:03(A)) shall apply only during the week of the first public performance of replacement Artists with a Performing Understudy track. The Theatre shall designate the official opening for the replacement Artists, which shall not be more than three (3) days after the first public performance.

(C) Pre-Conditions to Perform

If the Artist has been contracted to understudy the part for one (1) week or less the Artist shall not be required to perform it, but may read it, unless the Understudy is also performing, in which case the Understudy must have had the part at least two (2) weeks before they can be required to perform it. An Understudy may not perform unless the Understudy has had at least one (1) rehearsal on the set; however an Understudy performing their assignment in the event of an emergency after the start of a performance would not constitute a breach of this Clause.

(D) Posting of List

(i) Single Production or Stock Company

The list of Understudies must be posted on the company notice board before the end of the first week of rehearsal.

(ii) Repertory Productions

The list of Understudies must be posted on the company notice board before the end of the third week of rehearsals for the full cast, or forty-two (42) hours of rehearsal (excluding music only rehearsals for musical productions), whichever comes first. A copy of the list shall be filed with Equity no later than seventy-two (72) hours after it is posted.

If applicable, the Theatre will file updated versions of the list with Equity no later than seventy-two (72) hours after they are posted.

(E) Permission to Withdraw from Performance

The Actor may consent to withdraw from one (1) or more performances for the express purpose of permitting the Understudy to perform, but only with the consent of both management and the Understudy. In such cases the Understudy will receive no additional pay, and the Actor understudied shall not suffer any loss of fee by reason of such withdrawal. Such arrangement must be in writing and signed by both Artists (Actor and Understudy) and the Theatre and at least forty-eight (48) hours' notice will be given to the cast of such a change.

(F) Understudy and Replacement Rehearsals

If the Theatre requires the Artist to rehearse on a day when the Artist is normally scheduled to perform, the Theatre may, with forty-eight (48) hours' notice, schedule the Artist to attend an Understudy or replacement rehearsal in lieu of the scheduled performance. The hours of the rehearsal shall not exceed the length of the normal show call, including the half-hour call.

39:03 Contracting of Understudies

(A) Requirement for Contract

No Artist shall be required to understudy a role unless they are contracted to do so in their CTA Engagement Contract, or unless the Artist's CTA Engagement Contract is amended by a rider to provide for the assignment(s).

(B) Period of Understudy Assignment(s)

An Artist shall be contracted to understudy a role from the date the Theatre has designated the assignment to the end of the production, or until such time that the understudy assignment has been transferred to another Artist.

If the Artist's original CTA Engagement Contract ends prior to the end of the production, and the Theatre does not transfer the assignment to another Artist, then the Theatre will engage the original Artist as a non-performing Understudy to the end of the production at the rate of thirty percent (30%) less than the original CTA Engagement Contract, or the prevailing legal provincial minimum wage, whichever is higher. If the Artist is required to perform, while they are a non-performing Understudy, then the Artist will be compensated at an additional one-eighth (1/8) of the original Contractual Fee for each such performance, to a maximum of an additional four-eighths (4/8) of the Artist's original Contractual Fee for any given week.

39:04 Maximum Number of Roles

An Artist who has been contracted as a Performing Understudy may be contracted to understudy up to four (4) roles per production, to a maximum of eight (8) roles per engagement. An Artist who has been contracted as a Swing may be contracted to understudy up to ten (10) roles or tracks per production with no more than four (4) principal tracks, to a maximum of fourteen (14) roles per engagement.

An Artist contracted as a Standby may be contracted to cover up to eight (8) tracks per engagement, of which no more than four (4) can be principal tracks. The maximum number of roles which an Artist may be assigned shall be stipulated in the Artist's contract if any Understudy assignments are "Cast by Consent".

39:05 Performing Understudies

(A) Definition

A "Performing Understudy" is an Artist who is contracted for a production to learn the role or track of another Artist, and perform it when such Artist is unable to perform. This Artist regularly performs their own role or track in the production.

(B) Weekly Compensation

A Performing Understudy shall be free to negotiate additional weekly compensation at the time of contracting.

(C) Payment Per Performance

Except as provided for in Clause 39:02(E), a Performing Understudy who is contracted to perform a role in a production who is also contracted to understudy a role shall receive a minimum of an additional one-eighth (1/8) of the Artist's Contractual Fee for each performance in an Understudy track to a maximum four-eighths (4/8) per track per Engagement Week.

39:06 Swing

(A) Definition

A "Swing" is a non-performing Artist who has been contracted for a production to cover more than one (1) role or track with the majority of roles being ensemble or chorus tracks. Notwithstanding the above, the Artist may provide atmosphere and background in a production provided the actions can be cut without replacement. They may speak in unison or unscripted lines and perform limited song and dance sequences in a crowd scene, but may not move a prop or set piece outside of Understudy tracks. Additionally, a Swing may be required to sing off-stage.

(B) Weekly Compensation

A Swing shall be paid not less than one-hundred and twelve percent (112%) of the applicable Minimum Fees.

(C) Payment Per Performance

A Swing shall receive no additional compensation for performing ensemble or chorus tracks. For each performance in a principal role or track in an Engagement Week, a Swing shall receive a minimum of one-eighth (1/8) of the Artist's weekly Contractual Fee up to a maximum of four-eighths (4/8) per role or track.

39:07 Standby

(A) Definition

A "Standby" is a non-performing Artist who has been contracted for a production to understudy one (1) or more roles or tracks, with fifty percent (50%) or more roles or tracks being principal tracks and the remainder ensemble or chorus tracks up to a maximum of eight (8) tracks in total. The Artist shall not have a regular on-stage or off-stage role or track in the production.

(B) Weekly Compensation

When contracted to understudy only one (1) principal role or track, a Standby shall be paid not less than the applicable minimum Contractual Fee. When contracted to understudy two (2) principal roles or tracks, a Standby shall be paid a performance premium of not less than an additional twelve percent (12%) of the applicable minimum Contractual Fee from the first public performance.

When contracted to understudy three (3) or more principal roles or tracks, a Standby shall be paid a performance premium of not less than an additional twenty percent (20%) of the applicable minimum Contractual Fee from the first public performance.

Notwithstanding the above, a Standby is free to negotiate additional compensation at the time of contracting.

(C) Payment Per Performance

A Standby shall not receive any additional compensation for performing an Understudy role or track.

39:08 Bit Cover

(A) Definition

A "Bit Cover" is the performance of a chorus role or part of a chorus role which appears in one (1) or two (2) scenes in a performance. A Bit Cover may involve lines of up to a total of eight (8) exchanges with other characters or a monologue of not more than one (1) minute and appear in a scene in which the Artist would not otherwise appear as part of the Artist's role in that performance.

An Artist performing a non-chorus Role at a performance shall not also be required to concurrently perform a Bit Cover.

(B) Payment Per Performance

A Bit Cover shall be considered an Understudy assignment for the purpose of Clause 39:04. An Artist engaged as a performing Understudy shall be paid an additional one-sixteenth (1/16) of the Artist's Contractual Fee for each performance of a Bit Cover in addition to the Artist's regular performing assignment, or the performance of an Understudy assignment, to a maximum of four-sixteenths (4/16) per week per Bit Cover.

Notwithstanding the above, for a temporary replacement on a scene change for up to a maximum of eight (8) consecutive performances, additional compensation is not required.

39:09 Walking Covers

(A) Definition

A Walking Cover is an Artist who has been contracted solely to understudy fewer than four roles in a non musical production. Understudy assignments for Walking Covers may be "Cast by Consent", but no Artist may be required to accept understudy assignments in addition to those originally required unless such assignments are freely negotiated with the Artist and the Artist is paid not less than the additional duty compensation specified in Clause 16:11(A) in the current CTA Fee Booklet for each additional assignment(s). The Artist will receive no additional fee if the Artist performs a role which they have been contracted to understudy as a Walking Cover.

(B) Fee

When a Performer is engaged as a Walking Cover, the applicable minimum weekly fee shall be not less than 112% of the applicable Minimum Fees.

39:10 Specialty Assignment

The Theatre and Equity shall review the needs of the production in a timely fashion, and jointly determine what constitutes a Specialty Assignment within the context of this Clause. Where the Theatre and Equity are in disagreement over a moment, the Theatre may appeal Equity's final decision to the Joint Administration Committee. Should the Joint Administration Committee be unable to reach a majority decision, the moment or effect shall not be considered a Specialty Assignment.

Where a Specialty Assignment involves appearing in more than one scene, this shall be identified to the Artist at the time of contracting, otherwise each appearance shall be considered to be an individual Specialty Assignment.

An Artist performing a non-chorus Role shall not also be required to concurrently perform a Specialty Assignment.

No Artist may be required to perform prop and/or puppet manipulation beyond the Artist's physical capabilities.

An Artist may be contracted to perform up to six (6) Specialty Assignments in lieu of an Understudy Role.

Where an Artist's Role or Understudy assignment includes one part of a Specialty Assignment, the Artist may agree to rehearse and maintain the specialties, as well as perform them when required. The Artist shall negotiate satisfactory additional compensation which shall not be less than as specified in the current CTA Fee Booklet per week per Specialty Assignment. Such additional compensation shall constitute part of the Artist's Contractual Fee, and shall be specified in a rider to the Artist's contract along with the requirements of the Specialty Assignment. Where the Artist has been contracted as above, the performance of a Specialty Assignment shall not be considered an additional Role for the purposes of Clauses 39:02 and 39:08.

39:11 Supplemental Business

(A) Definition

"Supplemental Business" is a moment or bit not necessary to the continuity of the plot which does not involve specific lines or dialogue and could be cut from a production but is kept for artistic reasons. Supplemental Business may also include the movement of a prop or set piece which is otherwise part of another role that has been cut from the performance which does not result in a significant change to the Artist's blocking or in the Artist performing in a scene in which they would not otherwise appear as part of their role.

(B) Payment Per Performance

An Artist may agree to cover Supplemental Business for a performance for artistic purposes in addition to performing their regular role. The Artist will be compensated as specified in the current CTA Fee Booklet.

Notwithstanding the above, for a temporary replacement on a scene change for up to a maximum of eight (8) consecutive performances, additional compensation is not required.

40:00 CHANGES IN CAST AND REPLACEMENT OF ACTORS

40:01 Notice of Replacements

When an Understudy takes the place of an Artist, in a production, or any Artist is replaced by another Artist, except in an emergency which occurs at or after the half-hour call, announcement to this effect shall be made in two (2) out of the following three (3) ways:

- (i) through the insertion of a printed slip in all programs; and/or
- (ii) by means of a live announcement from the stage; and/or
- (iii) by means of a sign conspicuously and prominently posted at the entrance to the theatre at the place where tickets of admission are collected. The sign shall be at least eight by ten (8" x 10") inches in size, with letters at least one (1) inch high.

In the case of emergencies, any one (1) of the above procedures may be followed.

The Artist who replaces a non-professional may choose to waive the preceding provisions 40:01(i), (ii) and (iii).

For each failure to give required notice of substitution, the Theatre agrees to pay the Artist whose part is played by an Understudy or another Artist and also such Understudy or other Artist over and above their Contractual Fee a sum equal to two-eighths (2/8) of their Contractual Fee.

40:02 Alternating Performances

The Actor may give their consent to alternate with an Understudy or a successor. If the Actor is replaced by either an Understudy or successor, except in the case of emergency, illness or inability to perform, they may not be thereafter required to act again in the part or to report to the theatre for that purpose. Payments, however, shall continue to be made to them according to the terms of their CTA Engagement Contract or until the contract is terminated in accordance with the terms of the CTA.

However, an Actor may agree in a rider to their CTA Engagement Contract to alternate performances with another Actor. Notice that a role is being performed by more than one (1) Actor must be stated in the program and the Actor performing must be properly identified. If such notice is not included in the printed program, then any change of cast must be announced in accordance with Clause 40:01 above.

40:03 Re-Engagement or Replacement of an Artist After Termination

The Theatre may not reduce the Artist's Contractual Fee during the course of their engagement, including any subsequent extension(s) of the original engagement, whether under the same or a separate CTA Engagement Contract for that Artist.

Should the Theatre dismiss or give an Artist notice whereby it terminates their engagement it may not later re-engage them for the same part at less than the original Contractual Fee.

Should the Theatre dismiss or give an Artist notice whereby it terminates their engagement, it may not replace them by another Artist at less than the original Artist's Contractual Fee, without the written consent of Equity, such consent not to be unreasonably withheld.

40:04 Emergency Replacement

(A) Not Originally Under Contract

An Actor not under a CTA Engagement Contract to the Theatre, replacing an Actor who cannot perform because of illness, injury or some other emergency, shall be contracted as follows:

(i) Limited Time Replacement

For an engagement of less than two (2) weeks, the Replacement Artist shall be paid two-eighths (2/8) of the Contractual Fee of the absentee Actor per performance, plus the Artist shall invoice the Theatre at the rate stipulated on line two (2) of Schedule "A" in the current CTA Fee Booklet if any rehearsals are required.

(ii) **Standard Engagement**

Alternatively, the Theatre may elect to contract the Artist on a standard CTA Engagement Contract of a minimum of two (2) weeks.

(B) **Artist Under Contract**

When an Actor who is under a CTA Engagement Contract to the Theatre replaces an Actor who cannot perform because of illness, injury, or some other emergency, but is not contracted to understudy the role, the performance of the role shall be deemed an understudy assignment, and the Artist shall be paid an additional one-eighth (1/8) of their Contractual Fee for each performance of the role.

40:05 Riders

When an Artist takes over or shares a role which they have been contracted to understudy, a new and separate rider to the Artist's CTA Engagement Contract shall be negotiated to govern the terms and conditions under which they replace or share with the original Artist. The Artist shall be deemed to have taken over a role at the time of the termination of the original Artist's CTA Engagement Contract, or the agreement of the original Artist to share the role. Except for termination due to illness or accident, when the Artist takes over the terms of Clause 40:03 shall apply.

41:00 PART CUT OUT

If the part of an Actor is cut out at any time during rehearsals their CTA Engagement Contract may only be terminated upon payment of the balance due for the remainder of the scheduled rehearsal period or two (2) weeks' Contractual Fee, whichever is the greater. But in no event shall the Actor receive compensation less than that guaranteed on the face of their CTA Engagement Contract. If the part of an Actor is cut out after the first public performance, the standard termination provisions shall apply.

42:00 BILLING, DISPLAYS AND PROGRAMS

Preamble

All Artists covered by this Agreement (Performers, Directors, Choreographers, Stage Managers, Fight Directors and Intimacy Directors) shall receive billing as outlined in the clauses below.

The Artist shall have the right to negotiate special billing arrangements at the time of negotiating their CTA Engagement Contract. All billing arrangements (including but not limited to posters, brochures, paid advertising and all publicity material under the direct control of the Theatre and the type size and billing position therein) are to be specified in writing and attached as a rider to the CTA Engagement Contract prior to signing. The Theatre will not use the name of an Artist in an advertisement or announcement unless a CTA Engagement Contract has been signed, or unless permission is given by the Artist.

42:01 General Provisions – Billing

(A) **Publishing of Billing**

The Theatre will publish the names of all Artists in the production, in at least one ad or some other form of promotional material, including online promotional materials, in a format other than those referred to in Clauses 42:03 and 42:04.

(B) **Billing Provisions**

All provisions pertaining to the billing of the Artist shall be specific. If billing is contingent on the billing of any other Artist, such contingency shall be clearly and succinctly set forth in the CTA Engagement Contract.

(C) Media Releases

At least once per production, the Theatre shall include the names of all contracted Artists in at least one (1) media release, provided the Theatre issues media releases.

(D) All Names Included on Website

The Theatre shall include the names of all Artists involved in the production on its website.

42:02 Breaches

Whenever a breach is claimed of a billing clause contained in an Artist's individual CTA Engagement Contract, Equity shall notify the Theatre and PACT in writing of said breach. Where it has been established that said breach has occurred as claimed, the Theatre shall rectify the breach within the prescribed timelines defined by the material:

Where the breach involves online or digital materials, the Theatre shall rectify the error within forty-eight (48) hours of notification without penalty. If the breach is not rectified online within forty-eight (48) hours of notification, the Theatre will pay to the Artist a sum equal to one-eighth (1/8) of the Artist's Contractual Fee for each week or part thereof that the breach continues.

Where the breach involves printed materials (billing in programs or newspaper advertising), the penalty shall be one eighth (1/8) of the Contractual Fee for the first week or part thereof that the breach continues following notification, and one sixteenth (1/16) of the Artist's Contractual Fee for each day thereafter. Exempted from this provision shall be posters on unpaid locations, and season or subscription brochures. Where it can be clearly demonstrated that the Theatre approved a correct copy of the material to be reproduced which did not breach the billing clause as claimed, then the Theatre shall not be liable to a penalty, on condition that it takes whatever steps are possible to immediately correct the breach.

42:03 Photographs

When possible within the limitations of the existing facilities and available space, the names of all Artists in the company shall be displayed in the front of the Theatre in which they perform.

The Artist shall provide an eight by ten (8" x 10") inches professional quality photograph or a high resolution digital image of at least 300dpi, as per the needs of the Theatre and it shall be displayed by the Theatre in one (1) of the following ways:

- (i) prominently displayed and properly identified in the lobby; and/or
- (ii) reduced to an appropriate size and reproduced, properly identified, in the house program; and/or
- (iii) clearly displayed on a digital screen.

42:04 Lobby/House Boards/Digital Screens

The names of all Artists must appear adjacent to all photographs and pictures displayed in the lobby, on the house boards, or digital screens.

42:05 Artists Leaving a Production

When an Artist leaves a production, their name and/or likeness must be removed from all front-of-house displays under the Theatre's control within three (3) days.

In connection with all publicity and promotional material under the Theatre's control, the Theatre shall do all in its power to remove the name and/or likeness of the Artist no longer in the production.

Should the Theatre fail to comply with this Clause within three (3) days of receiving written notice from the Artist, and/or their successor, and/or Equity, the Theatre shall pay extra to the Artist currently performing, and to the Artist whose name and/or likeness has not been removed, one eighth (1/8) of their respective Contractual Fees for each day that the Theatre has not complied with the Clause.

Best efforts shall be taken for the removal of the Artist's name and/or likeness for all frames and platforms not under the Theatre's control.

Notwithstanding the above, original cast materials may be used provided the materials stipulate that the artists shown are original cast members and that new cast members are also displayed in the program and front of house displays.

With the prior written consent of the Artist, copies of which must be filed with Equity, the Theatre may pay the Artist leaving the production a fee of not less than the fee listed in the current CTA Fee Booklet for the continued use of their name and likeness in publicity and promotional material under its control for each period of three (3) months use.

Should the Theatre elect to continue the use of the Artist's image, it must also credit the successor Artist.

42:06 Programs, Errors and Omissions

The Theatre shall list in the program or playbill distributed to the audience the names of all Artists under CTA Engagement Contracts for the production. Stage management personnel shall receive billing for their specific production on either the title page or the cast list page of the house program, placement to be at the Theatre's discretion. The Theatre agrees to remit a copy of the program or playbill to Equity as soon as possible, but in no event later than with the benefits remittance after opening.

If there are errors or omissions in this listing, the Theatre agrees that upon receipt of a written notice of an omission or error it will follow the procedures laid down in this Article. The Theatre further agrees that it will correct the error or omission in the next printing, provided written notice is received at least twenty-four (24) hours prior to the press deadline. For each failure to comply with this Clause, the Theatre shall pay the Artist so affected over and above their fee, a sum equal to one-eighth (1/8) of the Artist's Contractual Fee for each week or part thereof during which the error or omission continues.

42:07 Errors and Omissions, Directors and Choreographers

Notwithstanding the above, in the case of a Director or Choreographer, one (1%) percent of their total fee shall be substituted wherever the one-eighth (1/8) penalty payment applies in this Article, and one-half (1/2) percent of their total fee shall be substituted wherever the one-sixteenth (1/16) penalty payment applies in this Article.

42:08 Program Notice

PACT theatres engaging Equity members agree to include the following notice in their house programs:

"Name of Theatre" is a member of the Professional Association of Canadian Theatres and engages professional Artists who are members of Canadian Actors' Equity Association under the terms of the jointly negotiated Canadian Theatre Agreement. The Theatre agrees to display the Canadian Actors' Equity Association logo in the production program or equivalent. The Equity logo shall be supplied by and remain the property of Equity.

42:09 Biographical Material in Programs

(A) Artist's Right of Approval

The Artist shall have right of approval over biographical material and photographs for use in all programs and souvenir publications. This approval shall be in writing and shall not unreasonably be withheld. In the case of photographs, this Clause applies only to those in which not more than three (3) Artists appear. Biographical material and photographs not disapproved within forty-eight (48) hours of submission to the Artist shall be considered approved. The Theatre shall determine the space available for, and the placement of such material, but may not delete or change Artist-approved material, unless it secures the Artist's written approval for the deletion or changes.

(B) Biographies Not In Program

If the Theatre elects not to print biographies of the Artist in the program or playbill distributed to the audience, or in the souvenir publication, it shall, as an alternative, provide a biography displayed adjacent to the Artist's photograph in the lobby or make it available in digital form on the Theatre's website.

(C) Errors

Significant errors in biographical material published in the program, on the Theatre's website, or displayed in the lobby which change the sense, alter the facts, or misspell the names shall be corrected as soon as possible, but, in any event, within two business days of the Artist's written request.

(D) Corrections

Corrections in programs may be made by reprinting the program, or by inserting the correction in the existing program, using a form of words approved by the Artist (such approval shall not be unreasonably withheld). If the error remains uncorrected beyond the two business days specified above, the Theatre shall pay the Artist one-eighth (1/8) of the Theatre's applicable minimum fee for the first week that the error continues, and one-sixteenth (1/16) of the Theatre's applicable minimum fee for each day that the error continues thereafter. For Directors and Choreographers, the provisions of Clause 42:07 shall apply.

42:10 Billing – Stage Management

The word "Artist" includes all Equity Stage Management personnel.

(A) Photographs and Biographies

Where the Theatre elects to include the photographs and biographies of all Performers engaged in a production in the program, the Theatre will also include the photographs and biographies of Stage Management personnel.

Apprentice Stage Managers must receive a credit in the program. Positioning of such credit would be at the discretion of the Theatre.

(B) Billing Page

When any of the technical, administrative or managerial staff, other than the Theatre, is listed on the billing page of a program, the Production Stage Manager and/or the Stage Manager shall also be listed.

(C) Replacement Personnel Photos & Bios

If the Stage Manager or Assistant Stage Manager is replaced by new Stage Management personnel, an announcement to this effect shall be made in one (1) of the following ways:

- (i) through the insertion of a printed slip in all programs; or
- (ii) by means of a sign prominently posted at the entrance to the theatre.

Additionally, the outgoing Stage Manager's or Assistant Stage Manager's photograph and name must be removed from the lobby and replaced by that of the new Stage Manager or Assistant Stage Manager.

If an emergency replacement occurs at or after the half-hour call, this Clause shall not apply.

(D) Website Billing

Where the Theatre elects to include the names of more than two (2) Actors in the cast in a production on the Theatre's website, not including crediting for photographs, the Theatre shall also include the names of all Artists in the production, including Stage Management.

43:00 GENERAL PROVISIONS – PHOTOGRAPHS AND RECORDINGS

Preamble

PACT and Equity agree there is a joint responsibility to promote a healthy, viable and sustainable professional theatre sector in an increasingly competitive, changing environment through the promotion of productions, Artists, Theatres and the Canadian theatre industry. PACT and Equity understand that the promotion and communication tools used by the Theatre and the Artist continue to develop and evolve at a rapidly increasing rate. It is understood that the use of these tools will provide mutual benefit through theatre awareness, attendance, financial viability, and increased future work opportunities.

43:01 Notice and Declared Use

(A) Notice of Calls

Wherever notice is required to be generated and given to an Artist it is the Theatre representative, not Stage Management staff, who is required to generate the notice.

All Artists involved must receive the required notice corresponding to the declared use of the materials as provided for in Clauses 45:02(C), 44:10, 44:11, 44:12, 44:13, 44:14 or 44:15 prior to any recording or capture of photographs, a copy of which notice shall be filed with Equity.

(B) Initial Declared Use

The Theatre shall declare the intended use(s) of the recorded material, either Commercial Use or Non-Commercial Use identifying the appropriate stipulations for each Declared Use. If at any time the Theatre wishes to change the use of the material from the Initial Declared Use, notice of the change will be submitted (with appropriate stipulations) to the participating Artists, a copy of which shall be subsequently filed with Equity.

43:02 Scheduling of Calls

(A) Calls for Recordings

All recordings and photographs shall be made at the regular rehearsal or performance venue and must take place within the regular working hours. No additional rehearsal or special call to facilitate any recording is allowed, unless provided for herein, in which case the Artist shall invoice the Theatre at one-eighth (1/8) of the Contractual Fee or the rate stipulated on the appropriate line of Schedule "A" in the current CTA Fee Booklet, whichever is greater.

There shall be no such call on a two-performance day or on a day when two (2) dress rehearsals are called. There will be no such call on a ten (10) out of twelve (12) hour day unless the call can be scheduled within the ten (10) work hours. (See Clause 63:15(F)).

(B) Calls during a Rest Period

For any call which results in the Artist providing additional services during any rest period, the Artist shall invoice the Theatre at the rate stipulated on line one (1) or three (3) of Schedule "A" of the current CTA Fee Booklet as appropriate.

However, with the unanimous consent of the company, photographs may be captured immediately prior to the half-hour call with no additional payment required.

(C) Calls Prior to Engagement Period

Should the Artist, at the request of the Theatre, attend a call before the engagement period for which they are contracted, the Artist shall invoice the Theatre at the rate stipulated on line one (1) of Schedule "A" of the current CTA Fee Booklet for the actual time of the call, provided that the call takes place at the Artist's place of residence, or if the call takes place at a location other than the Artist's place of residence and the Artist is not required to travel to said location specifically for the call. The minimum call shall be two-and-a-half (2-1/2) hours.

When the Artist is requested by the Theatre to travel to a location outside of their place of residence for a recording call, they shall be compensated at a negotiated rate of not less than one-sixth (1/6) of the Artist's Contractual Fee. The Theatre will provide suitable accommodation, travel, and meals if required.

The arrangements of the call shall be outlined in a rider to the Artist's CTA Engagement Contract. Daily insurance and standard deductions shall apply.

43:03 Other Conditions

(A) Nude Recordings

Except in the case of an Archival recording, no Artist may be required to appear nude or semi-nude in any recording or image without their prior written consent. Furthermore, any images or footage of nudity may only be in long shot.

The Artist shall be given the opportunity to view and approve all such material prior to any use. No nude or semi-nude recordings or images of an Artist may be used in any way without the prior written consent of the Artist. A copy of the signed consent and approved recording shall be provided to the Artist.

(B) Alteration of Images or Footage

Outside of altering an Artist's image for quality, resizing or video editing, the Artist must approve any recording or photograph in which their likeness has been altered or in which their likeness has been placed in a context unrelated to the original material.

(C) Copy to Equity

In order to verify any of the above conditions, Equity may request a copy of any recorded material, raw or edited, in which case Equity warrants the material will remain in its sole possession.

(D) Use of Recorded Material in Joint Productions

In the case of a Joint Production, recorded material from any or all of the Theatres involved in the Joint Production may be used to promote those Theatres and the production itself.

(E) Use of Recorded Material for Promotion of Canadian Theatre

The Theatre may submit recorded material to PACT or Equity for print or web publication on their platforms. For the purpose of promoting professional Canadian theatre, the Theatre may also permit the use of photographs on the website of a not-for-profit arts service organization of which the Theatre is a member.

43:04 Identification of Photographs

Where the Theatre has control over the photograph, the name(s) of the Artist(s) and title of the Production will be identified when there are five (5) or fewer Artists.

Where the Theatre does not have control over the photograph, the Theatre shall use reasonable efforts to identify the names of all of the Artists appearing in the image and the title of the production whenever possible. The same applies to both PACT and Equity when using photographs supplied by a Theatre in their material.

43:05 Approval of Photographs

Unless otherwise noted in this Article the Theatre shall not be required to obtain the Artist's authorization or additionally compensate the Artist for the distribution of photographs from past or current productions.

43:06 Rights of the Photographer

Photographers have rights under Canadian copyright.

43:07 Use of Recordings and Photographs by the Artist

Where the Theatre is empowered to do so, and in accordance with the agreement held with the photographer, at the request of the Artist, the Theatre may agree to provide a copy of the recording or photograph to an Artist for their own individual souvenir or promotional use. The photographer may charge for images.

The Theatre may ask the Artist to declare in writing the nature of the limited purposes for which the recorded material may be used. The Theatre shall not be responsible for any subsequent misuse of the material, either by the Artist or stemming from the use of the material by the Artist whether such misuse arises from the use of the materials for the purposes set forth by the Artist in their request to the Theatre, or for any other uses.

For the purposes of this Clause, "Artist" shall include other artists (such as designers) whose artistic contribution to the production is represented in the recorded material. The Theatre shall be responsible for securing the appropriate written permissions from all Artists.

43:08 Social Media

PACT and Equity are committed to encouraging a respectful climate of social media use. The Theatre may post any policies regarding the use of the Theatre's technology and social media sites and any parameters regarding use of logo, etc. Artists who wish to use social media on their free time to share their experiences while under contract to the Theatre are encouraged to familiarize themselves with the terms of the policy of the Theatre.

43:09 Social Media "Takeover"

Social media "takeovers" are done only on a voluntary basis. When the Theatre directs the frequency, quantity and/or content of posts in a social media takeover, including a description/list of elements or people that may not be photographed, the Artist shall be compensated at no less than the rate of one-forty-second (1/42) of the Company Category minimum weekly fee per day. The Artist shall receive verbal approval from other Artists present in material before posting.

43:10 Capture of Material in Rehearsal or Backstage

(A) Capture During Rehearsal

Whenever the Artist, while engaged by the Theatre, is required by the Theatre for any reason to be away from the Point of Origin for ten (10) or more consecutive hours, the Artist shall be considered to be on an overnight tour, and the provisions of Clauses 49:03(B)(i), 49:03(B)(ii) and Article 49:00 shall apply.

(i) Per Diem

Per Diem shall not be subject to Clause 3:03 (Deductions) and shall be paid at least one (1) week in advance of the week for which it is applicable.

(a) Standard Per Diem

When the Artist is required to travel outside the Point of Origin on an overnight tour, the Artist's Contractual Fee shall be augmented by a daily expense allowance as specified in the current CTA Fee Booklet.

(b) Reduced Per Diem

With the agreement and approval of the Artist, the Theatre may supply single occupancy, commercial or private with private entrance accommodation, at no cost to the Artist and pay the Artist a reduced daily expense allowance. The reduced daily expense allowance shall be no less than as specified in Clause 49:03(B)(i)(b) of the current CTA Fee Booklet.

(c) Applicable Per Diem for a Production Touring to Northern Canada

The Theatre shall notify Equity no later than fourteen (14) calendar days prior to a production touring to Northern Canada.

The Theatre shall pay one-hundred and twelve (112%) percent of the appropriate Per Diem rate specified in the current CTA Fee Booklet when a production tours to Northern Canada.

A list of Northern Prescribed Zone locations can be found on the Canada Revenue Agency's website under *Line 25500 Places Located in Prescribed Zones*.

(ii) Return From Overnight Tour

When the Artist is returned to the Point of Origin from an overnight tour (see Clause 49:11), the Artist shall receive a meal allowance as specified in the current CTA Fee Booklet.

(C) Applicability

In any given situation the provisions of either Clause 49:03(A) or Clause 49:03(B) above shall apply and not both.

(D) Engagement of a Local Artist

Should a replacement be necessitated by a conflict of another engagement, or should the Actor, Stage Manager, or Assistant Stage Manager refuse a contract for the tour or portion of the tour, a local Artist may be engaged and not be deemed to be on tour. If the replacement Artist is required to travel to the Theatre's Point of Origin they shall be deemed to be on tour while in the Theatre's Point of Origin.

(E) Touring to an Artist's Place of Residence

When a tour is in an Artist's Place of Residence and the Artist will be residing in their home, the per diem will be waived in whole if the following conditions are all met:

- (i) the Artist has access to reasonable and regular public transit; and
- (ii) when accommodation is provided in the Theatre's Point of Origin.

Notwithstanding the above, the Artist is free to negotiate a daily meal allowance while in their Place of Residence.

The agreed upon conditions shall be included in a rider to the Artist's CTA Engagement Contract.

49:04 Free Day

The Free Day on tour shall be governed by the provisions of Clause 23:01.

Notwithstanding the above, the day immediately following the day on which the Artist returns to the Point of Origin from a tour of twenty-eight (28) days or more shall be a Free Day, provided the Artist is continuing their engagement with the Theatre.

49:05 Unpaid Hiatus on Tour

In the case where a tour (including tours governed by Article 50:00) is not less than six (6) performance weeks, one (1) ten (10) day unpaid hiatus may be permitted, allowing for the travel of set and costumes where required. The Theatre may not require any services from the Artist during the unpaid hiatus.

Should the Theatre schedule an unpaid hiatus, it shall pay the cost of round trip transportation, as provided for in Clause 30:01, to and from each Artist's place of residence, plus one-seventh (1/7) of the Contractual Fee for each day spent travelling to and from the Artist's place of residence, plus the applicable per diem per Clause 49:03(B)(ii). In the event that the Artist chooses not to return to their place of residence for the unpaid hiatus period, the Theatre shall pay the Artist the cash equivalent of the transportation costs.

49:06 Hotel Reservations

(A) Responsibility For

Whenever the company performs away from the Point of Origin, the Theatre shall be responsible for securing hotel reservations and shall furnish a list of at least two (2) hotels, when available, offering accommodation at different price ranges. At least two (2) weeks prior to the departure date, the Theatre will submit this list to the company. Within one (1) week thereafter, the Artist must indicate their acceptance or their preference to arrange for their own accommodations. Unless the Artist notifies the Theatre of their acceptance of such accommodation, the Theatre shall be relieved of further responsibility. If the Artist has complied with this requirement, and does not receive accommodations upon arrival, they shall not be required to rehearse or perform until such accommodations are forthcoming. However, should circumstances beyond the Theatre's control make it impossible for the Theatre to provide such accommodations, the Artist shall not avail themselves of this right. If the Artist refuses to accept the accommodation that they have requested and obtained through the Theatre, then the Artist shall be liable for only one (1) night's charges for said accommodation, if required by the Theatre, unless the Theatre can show proof that it is liable for more than one (1) night's accommodation, in which case the Artist shall reimburse the Theatre.

(B) Reduced Rate

The Theatre agrees that it will make every effort to obtain specially reduced hotel rates for multiple reservations, for all Artists, wherever they are obtainable.

(C) Quality of Accommodations

Due regard shall be given to obtaining such accommodations within a reasonable walking distance from the theatre.

Accommodations secured by the Theatre must be safe, clean, and of a respectable nature and class, and they must be substantially as represented to the Artist when offered, failing which, alternative accommodation which meets these standards must be found, and the Theatre shall be liable for any resultant additional cost to the Artist. Where the Theatre disputes its liability under the provisions of this paragraph, it shall be relieved of payment of such additional cost until a determination of its liability has been made under the provisions of Article 52:00.

49:07 Travel

The Artist shall travel with the company by such routes as the Theatre may direct. Travel time is deemed to be consecutive and all waiting periods between alighting from one vehicle and boarding another vehicle shall be part of travel time. The Theatre shall, at its own expense, transport the Artist when the Artist is required to travel. Should any performance be lost through any delays in travel, the loss of said performance shall not affect the Artist's Contractual Fee.

49:08 Purchase of Travel Insurance

(A) Requirement

Equity will place travel insurance for all Artists for whom the placement of travel insurance is required by the provisions of the CTA. This requirement includes, but is not limited to, local, regional, run-out and overnight tours. Travel insurance is not inclusive of supplemental health insurance when required by Clause 49:09.

(B) Plan

The Artists for whom travel insurance must be placed will be insured by the Theatre under the travel accident insurance plan administered by Equity.

(C) Payment Of

(i) Premiums

The applicable premium payments for the coverage, as established by PACT and Equity, are due to Equity's office no later than thirty (30) days after the end of the calendar month in which the travel insurance was required.

(ii) Late Payments

Payments which do not reach Equity's office by the due date will be assessed a two (2%) percent interest charge, compounded monthly.

(D) Monthly Billing Reminder

Equity will mail the Theatre a monthly billing reminder listing one (1) or more of the Artists for whom Equity believes travel insurance is required. The Theatre's remittance to Equity of the correct amounts due will be accompanied by a complete list of the Artists to be covered and the first and last dates of coverage.

The insurance premiums are calculated on the basis of continuous coverage in twenty-nine (29) or ninety (90) consecutive day segments.

49:09 Health Insurance

In addition to the travel insurance provided for in 49:08(A), the Theatre agrees to pay for health insurance for Artists on tour outside Canada. PACT and Equity agree to meet should the interprovincial rules governing universal health insurance coverage in Canada change.

49:10 Route Sheet

The Theatre shall submit to Equity and the Liaison(s) of the company a route sheet (on a form provided by Equity) which shall contain places of performance, distance between cities and estimated hours of travel. Said route sheet shall be submitted at least one (1) week prior to the commencement of the tour. Subsequent route sheets shall be submitted to Equity and the Liaison(s) as further bookings are arranged.

49:11 Return to Point of Origin

(A) Under Contract

When an Artist remains under contract and is returned to the Point of Origin following an overnight tour, they shall receive the applicable payments provided for in Clause 49:03(B)(ii).

(B) After Contract

Should an Artist's contract expire while on tour, they shall be returned to the Point of Origin on the following day and shall receive one-seventh (1/7) of their Contractual Fee plus the applicable meal allowances provided for in Clause 49:03(B)(ii).

(C) Other Means of Transportation

If the Artist chooses not to accept the Theatre's designated means of transportation (consistent with the Artist's contract), the Theatre will pay the Artist the same meal allowance or per diem they would have received if they had travelled by the Theatre's designated means of transportation.

(D) Application of Agreement During Return

All the provisions of the CTA will be in full force and effect while returning the Artist to the Point of Origin and their place of residence.

49:12 Travel by Artist Separate from Company

When the Artist travels separately from the remainder of the company, at the requirement of the Theatre, they must be provided with accommodation equivalent to those of the rest of the company at all times.

49:13 Transportation Between Accommodation and Theatre

In every case where the Theatre is situated more than one-half (1/2) mile from the hotel, the Theatre will provide and pay for reasonable transportation, which may include public transportation where it is readily available, convenient, and safe, to the Theatre and back to the hotel after the performance. The provisions of Clause 30:05 shall apply.

49:14 Rehearsals While on Tour

(A) Arrival in a New Location

On the day of arrival in a new location, except in the case of replacements or emergencies, there may be no rehearsals other than as provided for below. There may be no invasion of Span of Day:

- (i) A rehearsal may be called three (3) hours after arrival at the place of accommodation.
- (ii) The rehearsal which shall not exceed the running time of the production, will be used to adjust to the new stage provided that no rest period is invaded.
- (iii) Following a rest period of a minimum of twelve (12) hours after the arrival in a new location, normal rehearsal conditions shall apply, with the exception that no rehearsals shall begin before 12:00 noon of the day following arrival in a new location.

While on tour, for an engagement of more than five (5) days in one (1) location where substantial changes are required in cast, Stage Management, technical personnel, or the technical presentation, rehearsals prior to the first public performance in the new location shall conform to the provisions of Clauses 24:04 and 24:09.

When a production returns to the Point of Origin from a tour and has not previously been presented in the theatre in which it plays, the provisions of the preceding paragraph may apply.

When travel time from the Point of Origin to the hotel is in excess of two (2) hours but does not exceed three (3) hours, the Artist is not required to perform any services for the Theatre until after a break of three (3) hours.

(B) Sound Check in a New Location

When performing in a new location Artists may be required to be called for a sound check immediately prior to the half-hour call. The sound check may not exceed fifteen (15) minutes.

49:15 Break Between Calls

In no case shall there be less than one-and-a-half (1-1/2) hours between the end of the previous rehearsal or performance and the half-hour call or the Artist's next call. If a previous rehearsal or performance (or arrival in town) is less than one-and-a-half (1-1/2) hours prior to the half-hour call or the Artist's next call, the Theatre will arrange to serve a full meal and such meal shall be paid for by the Theatre.

49:16 Closing Away From Point of Origin

If the company closes away from the Point of Origin, the Theatre may, at the Artist's option, and if the Artist has a bona fide reason, return them to the Point of Origin prior to returning them to their place of residence.

49:17 Luggage on Tour

On tour the Theatre shall be responsible for the transportation of up to three (3) large suitcases (or equivalent), acceptable to the means of transportation available, to a maximum of sixty-eight (68) kilograms in total.

(A) Transfer at Point of Origin

The Theatre shall be responsible for either transporting or paying the cost of transporting the Artist and their luggage to and from the terminal, or to the point of departure and from the point of return. Reimbursement of expense incurred by the Artist shall be made in the week said expense is incurred upon presentation of receipts.

(B) Availability Of

The Artist's luggage shall be readily available to them on a daily basis.

49:18 Air

The Artist may travel by airplane subject to the following conditions:

(A) Unwilling

Should the Artist be unwilling to travel by air, they must advise the Theatre before signing the CTA Engagement Contract. All flights shall be on regularly scheduled airlines, or on a chartered flight.

(B) Calculation of Travel Time

Air travel time shall be computed from the time of call for departure from the organized point of departure until time of arrival at destination (hotel or theatre) and includes travel to and from airports, all waiting time at terminals, flight time and stop-over time, and all delays of any nature whatsoever, however caused, except that there shall be a one (1) hour tolerance for delays caused by inclement weather, mechanical failure, delays in departure of commercial carriers, or other conditions over which the Theatre has no control, including time lost going through customs and immigration at international borders. Tolerance for delays in excess of one (1) hour for the above reasons may be permitted. The reasons for the delay shall be filed with Equity and PACT and shall be subject to the provisions of Clause 49:25.

(C) Prohibited Travel Time

Travel by air shall not be scheduled between 12:00 midnight and 8:00 a.m., except under conditions beyond the Theatre's control. Details of such conditions shall be filed with Equity and PACT in advance, and the scheduling of such travel shall be subject to the provisions of Clause 49:25. Where the total air travel time exceeds six (6) hours on a one-performance day, or eight (8) hours on a non-performance day, the Artist shall invoice the Theatre at the rate stipulated on line one (1) of Schedule "A" in the current CTA Fee Booklet. If the Artist is required to travel during a designated rest period, the Artist shall also invoice the Theatre at the rate stipulated on line three (3) of Schedule "A" in the current CTA Fee Booklet. Where more than two (2) time zones are crossed in travel, rehearsals or performances on the same day must be arranged with Equity in advance; otherwise, the Artist shall not be required to rehearse or perform.

Travel by air on a two-performance day is not permitted.

(D) Cancelled Departure

Should departure by airplane be cancelled, adequate accommodation shall be provided to each Artist including hotel room between 12:00 midnight and 8:00 a.m. If the hotel room is not provided free of charge by the airline, the Artist shall not be required to pay for such hotel room if by so doing they would be required to pay for two (2) hotel rooms within a single span of twenty-four (24) hours. The Theatre shall make every possible endeavour to provide such accommodation.

If the airline and/or the Theatre fail to provide such accommodations to the Artist where it is evident that they could have been provided, then the Artist shall invoice the Theatre at the rate stipulated on line one (1) of Schedule "A" in the current CTA Fee Booklet. Stop-over time ceases when a hotel room is provided as above (between 12:00 midnight and 8:00 a.m.) but will recommence if a travel call is given before 8:00 a.m. If the journey recommences before 8:00 a.m. at the requirements of the Theatre and not due to the airline's rescheduled departure, the Artist shall invoice the Theatre at the rate stipulated on line one (1) of Schedule "A" in the current CTA Fee Booklet up to 8:00 a.m.

(E) Charter Flights

When a flight is chartered by the Theatre, the make-up kits will, whenever possible, be carried on the same plane as the Artists. Scenery and other equipment will not be carried in the passenger section of the plane if it is of a nature and size that will cause discomfort or danger to the Artists.

(C) Calculation of Travel Time

Travel time shall be computed from one-half (1/2) hour prior to the scheduled departure time of the train.

49:20 Ferry Transportation

If the schedule requires ferry transportation between 12:00 midnight and 8:00 a.m., the Theatre shall provide first-class sleeping accommodation and an expense allowance as specified in the current CTA Fee Booklet to each Artist in lieu of the regular per diem. Following continuous ferry travel of eight (8) hours or longer, and after arriving at the final destination (hotel or theatre) after disembarkation, there shall be a minimum rest period of four (4) hours during which the Artist is not required to perform any service for the Theatre. If the above conditions are met, travel after midnight will not constitute invasion of overnight rest (see Clauses 18:33, 26:10, 63:18(F), 55:09 and 55:21). Except for productions operating under Article 55:00, no travel by ferry is permitted on a two-performance day.

49:21 Commercial Bus Transportation (Non-Charter)

(A) Limitation on Excess Travel Time

No more than two (2) hours of scheduled overtime travel is permitted, except under conditions beyond the Theatre's control. Details of such conditions shall be filed with Equity and PACT in advance and the scheduling of such travel shall be subject to the provisions of Clause 49:25. If the travel time exceeds the limitations in Clause 49:25, the Artist shall invoice the Theatre at the rate stipulated on line one (1) of Schedule A.

There shall be an interval of at least eleven (11) hours between the final curtain, on any one (1) night, and the bus call for the next day's travel. In the case of consecutive days being completely devoted to travel with no performances there shall be an interval of at least eleven (11) hours between the termination of one day's bus journey and the beginning of the following day's bus journey.

(E) Unforeseeable Conditions

Travel time shall not include time lost due to accidents on the road or other unforeseeable conditions.

(F) Transportation between Destination and Hotel

Upon arrival at the destination, the Theatre will provide and pay for immediate transportation by private vehicle to the Artist's hotel and to the bus station from the hotel for subsequent travel on the tour.

49:22 Private or Charter Bus Transportation

All bus travel shall be made under the following Clauses:

(A) Routing

The Theatre shall submit to Equity a detailed routing of any proposed bus tour.

(B) Theatre's Representative

An appointed representative of the Theatre shall travel with the company on the bus at all times. The Theatre's representative will keep the bus log which will contain at least the following: departure and arrival times (each hotel), comfort stop times, meal stop times. The Liaison will initial the log daily, verifying the figures entered if in agreement with same.

(C) Comfort and Safety

The Theatre agrees that the bus shall be equal in comfort, conditions and safety to those used by first-class long distance commercial bus companies, and that it shall be equipped with heat, air conditioners, separate luggage quarters, washroom and a seat for each Artist. The distance between seats shall be no less than thirty-one (31) inches. The bus shall be thoroughly cleaned each day, and the driver will be responsible for the loading and unloading of all luggage. The Theatre's contract with the bus company shall permit the Theatre to cancel the contract, if the above-stipulated conditions are not met. The Theatre shall instruct the driver to obey all traffic regulations, and speed and safety rules.

(D) Artist's Responsibility and Calculation of Travel Time

Travel time shall commence and be computed from the time the bus is scheduled to leave. The Artist shall be prompt and punctual for all bus calls and shall make their luggage available for loading at least fifteen (15) minutes prior to the scheduled departure time. If an Artist is responsible for a delay at any time, such delay shall not be counted as part of the travel time of the company. The Theatre may, for the convenience of the company, schedule pickup at a second hotel, in which event travel time shall commence from the scheduled departure from the second pickup. Computation of travel time shall end upon arrival of the bus at the first hotel in the town of destination.

(E) Excess Travel Time

If the applicable travel time set forth in Clause 49:25 is exceeded, the Artist shall invoice the Theatre at the rate stipulated on line one (1) of Schedule "A" for up to two (2) hours of excess travel. No more than two (2) hours of scheduled excess travel shall be permitted except under conditions beyond the Theatre's control. Details of such conditions shall be filed with Equity and PACT in advance and the scheduling of such travel shall be subject to the provision of Clause 49:25, and the Artist shall invoice the Theatre at the rate stipulated on line two (2) of Schedule "A".

(F) Unforeseeable Conditions

Travel time shall not include time loss due to accidents on the road or other unforeseeable conditions, or time lost by inspections by federal or provincial officials, or in going through customs at international borders.

(i) Requirement for Comfort Stops

There shall be a minimum of one (1) comfort stop of at least ten (10) minutes during each (2) hours of travel. The first ten (10) minutes of such comfort stops shall be deemed part of the travel time. Time beyond the first ten (10) minutes, if any, shall not be deemed part of the travel time.

(ii) Missed Comfort Stop Payment

A missed comfort stop payment of ten (\$10.00) dollars shall be paid to the Artist for each comfort stop not provided to the Artist by the Theatre.

(I) Meal Stop

Within the first four (4) hour travel period there shall be a meal stop of not less than one (1) hour. After this first stop, meal stops shall occur at intervals not to exceed five (5) hours. If the trip does not commence until after 12:00 noon, the first meal stop need not occur for five (5) hours. The actual time utilized for such meal stops shall not be considered part of the travel time.

(J) Arrival at Destination and Travel to and from Theatre

The bus, upon arriving at its destination, will immediately deliver the Artists to their hotels. In every case where the theatre is situated more than one kilometre from the hotel, the bus will transport the Artist to the theatre, and return them to the hotel after performance or the Theatre will provide and pay for other transportation by private vehicle in lieu of this. However, where it is reasonable and convenient, public transportation may be used. The bus shall leave the theatre when all Artists are ready to be transported to the hotel(s). The time of the bus departure shall be no later than forty-five (45) minutes after the final curtain. Should the Theatre delay the departure of the bus from the theatre beyond forty-five (45) minutes the actual departure time of the bus shall mark the beginning of the time for the required rest period. Where the Artist is required by the Theatre to travel separately from the rest of the company to and from the theatre the Theatre shall supply said transportation.

(K) Rest Period Before Departure

There shall be an interval of at least eleven (11) hours between the arrival at the hotel and the next day's call for departure.

Night travel by private or charter bus between the hours of 12:00 midnight and 8:00 a.m. is prohibited except under conditions beyond the Theatre's control. Travel after 12:00 midnight is permitted in order to transport the Artists back to the Point of Origin following an evening performance on a local (not overnight) tour. Travel from the performance venue to the theatre in the Point of Origin (or mutually agreed drop-off point) is limited to one (1) hour. In such an instance, there shall be an interval of at least eleven (11) hours between the arrival at the theatre in the Point of Origin (or mutually agreed drop-off point) and the Artist's next call.

49:23 Use of Other Vehicles

In addition to Clause 49:22 (except Clause 49:22(C)), the following conditions shall apply to the use of a vehicle other than a bus as outlined in Clause 49:22(C):

(A) Mechanical Certification

The Theatre agrees that the vehicle used to transport the Artists shall be in first-class mechanical condition, to be attested to in writing by a licensed mechanic or provincial Department of Transport, a copy of which shall be provided to Equity upon request.

(B) Seating

In passenger vans, station wagons, and automobiles, there may be more than two (2) persons to each row of seating only where the seat is large enough to accommodate that number in reasonable comfort.

The maximum number of passengers shall be no more than the number of seat belts installed in the vehicle.

(C) Luggage and Equipment

Luggage and equipment is to be safely stowed within the vehicle provided it does not cause inconvenience to the passengers and does not obstruct or restrict the driver. Safely stowed shall mean there is to be a physical barrier in place between the equipment, set pieces, etc., and the passengers. Alternatively, safely stowed shall mean the pieces noted above (equipment, set pieces, etc) are tied down and nothing is allowed to sit freely in the equipment area. No luggage or equipment shall be carried on the roof of a vehicle unless it is safely loaded, secured, and covered.

(D) Snow Tires

Snow tires shall be used at all times during winter travel.

(E) Vehicle Maintenance

The Stage Manager and/or one of the drivers will be responsible for seeing that the safety of the vehicle is properly maintained according to a checklist supplied by the Theatre.

(F) Drivers

Where a professional driver is not used, an Artist may agree to drive on the following conditions:

- (i)** Their fee shall be not less than as specified in the current CTA Fee Booklet when required to drive, in addition to the fee paid for the performance of the Artist's duties as a Performer or Stage Manager.
- (ii)** All companies touring under the provisions of this Clause will have two (2) designated drivers per vehicle.
- (iii)** Each driver must be properly licensed to drive the vehicle involved according to the provincial regulation of the Theatre's Point of Origin. Where the licensing requirements of the provincial regulation do not include a defensive/safe driving component, the driver must have successfully completed such a course.
- (iv)** No driver may drive unless they have had an overnight rest period of eleven (11) hours.
- (v)** No driver may drive more than three (3) consecutive hours per day, excluding rest stops and meal breaks.
- (vi)** A rider shall be negotiated and attached to the Artist's contract specifying that driving is a part of the Artist's duties and the terms and conditions which apply.
- (vii)** Any driver who is deemed by consensus of the company to drive in an unsafe manner shall be immediately replaced.

(viii) While on the Theatre's business, an Artist cannot be held financially responsible for the deductible of the Theatre's insurance policies. The Theatre will inform the Artist of the Theatre's policy regarding parking tickets and traffic violations.

(ix) The Theatre is financially responsible for all repairs to the vehicle and its maintenance costs, unless the repairs are necessitated by the Artist's negligence.

(G) Road Conditions and Weather

When weather conditions indicate that travel could constitute a danger, the Stage Manager and Liaison together shall obtain a road/weather report from the police or Transport Canada in advance of inter-city travel. When such reports advise against travel, the Stage Manager and the Liaison together have the right to cancel or postpone travel until conditions improve. Such decision shall be taken where possible in consultation with the Theatre. Other than as amended within this Clause, the provisions of Clause 49:22 apply.

49:24 Automobile Transportation

Where the Theatre requests the Artist to use their car for the use of the Theatre and where the Artist agrees to such use, the Artist shall be paid a mutually agreeable fee, not to be less than the per kilometre rate as specified in Clause 30:02(C) of the current CTA Fee Booklet. Such agreement shall be expressed by means of a rider to the Artist's contract.

49:25 Disputes

Where Equity disputes the Theatre's assertion of conditions "beyond its control" or its qualifications for a tolerance for delay, as provided for in Article 49:00, the reasons for the delay shall be filed with Equity and PACT. If there is a disagreement as to what constitutes "beyond its control" the matter will be considered under Article 51:00 of the CTA.

50:00 OVERSEAS RIDER

If the Theatre wishes to present the company outside of Canada and the continental United States, arrangements must be negotiated between Equity and the Theatre in advance, in writing. Such arrangements shall constitute an Overseas Rider to each standard contract, and will set forth the amendments to the terms and conditions of the CTA which shall apply to such tours.

Negotiations for overseas arrangements must take place within ten (10) business days of Equity's receipt of the Theatre's proposal.

Further to Clause 16:03, specific pay arrangements for an overseas tour must be negotiated with Equity and confirmed in the overseas rider. In any case, the per diem shall be paid at least one (1) week in advance of the week for which it is applicable.

Per Diem for travel outside of the continental United States and Canada shall be the greater of seventy-five percent (75%) of the current total amount (including incidentals) set by the Treasury Board of Canada Secretariat based on commercial accommodation, or at the minimum set in Clause 49:03(B)(i), whichever is greater. For Sector 2 productions, the per diem will be the current total amount (including incidentals) set by the Treasury Board of Canada Secretariat based on commercial accommodation, or at the minimum set in Clause 58:06, whichever is greater.

Equity will consider proposals for a reduction below these rates, provided that the Theatre is able to demonstrate a commensurate reduction to the Artist's expenses.

In addition to this per diem, the Theatre shall provide each Artist with single occupancy accommodation of a North American first class standard, satisfactory to the Artist, at no cost to the Artist.

51:00 JOINT ADMINISTRATION OF THE CTA

51:01 Joint Administration Committee

(A) Purpose of Joint Administration Committee

The Joint Administration Committee shall discuss matters of mutual concern regarding the application and administration of the CTA in order to enhance understanding and co-operation between the Associations. Additionally, the Joint Administration Committee may be asked to resolve a dispute between PACT and Equity in regard to the interpretation of a clause in the CTA or an alleged breach of the CTA.

(B) Joint Administration Committee

PACT and Equity shall establish a Joint Administration Committee which shall have an equal number of persons from each Association. PACT and Equity shall each appoint a minimum of two (2) persons and the Executive Directors (or their designates) of each Association. The Joint Administration Committee shall meet a minimum of three (3) times each calendar year to deal with matters placed before the Joint Administration Committee by either Association.

(C) Training of the Joint Administration Committee

PACT and Equity shall undertake a joint information session for the Joint Administration Committee members which may include; presentations from PACT and Equity and their respective legal counsel, training from other third parties on the process, intent and purpose of the Joint Administration Committee in order to facilitate the resolution of disputes that may arise under the CTA with respect to interpretation, application or alleged breach; or any other matters placed before the Joint Administration Committee. Each member of the Joint Administration Committee must attend a joint information session prior to attending a formal meeting as a member of the Joint Administration Committee.

(D) Process of the Joint Administration Committee

The Joint Administration Committee shall meet in a timely manner in person, on the telephone or online to consider the matters that have been referred to the Joint Administration Committee for consideration. The Joint Administration Committee shall attempt to reach a consensus on the matter brought before the Committee for consideration. However, in the event that the Joint Administration Committee does not reach a consensus then the Committee shall vote on the matter presented. If the Joint Administration Committee reaches a majority decision on any matter presented, the decision of the Joint Administration Committee shall be final and binding on the members of each Association. 52:00 DISPUTE RESOLUTION

In the event that PACT and Equity do not reach a determination, with the agreement of PACT and Equity, the matter may be referred to the Joint Administration Committee. If PACT and Equity do not agree to direct the matter to the Joint Administration Committee then either party may refer the matter to arbitration.

The parties are encouraged to continue to attempt to resolve the disagreement during the dispute process.

In the event that the Theatre does not inform PACT and Equity in writing within the fourteen (14) days noted above the matter will not be considered further and the breach will be deemed to have occurred.

Where the member of Equity fails to comply with these arbitration procedures then Equity may discipline the member in accordance with the disciplinary procedures set out in Equity's Constitution and Bylaws.

(K) Theatre's Failure to Comply

54:00 JOINT PRODUCTIONS

Preamble

If a PACT Theatre wishes to undertake a Joint Production with a Theatre not a member of PACT, the terms and conditions shall be negotiated with Equity and PACT in advance of such Joint Productions. When a Sector 1 Theatre produces under Article 54:00 with a Sector 2 Theatre, the production will be subject to the provisions of the CTA which apply to Sector 2 Theatres. If there is a disagreement regarding any other relationship between a Sector 1 and Sector 2 Theatre, the matter shall be resolved at the Joint Administration Committee.

54:01 Auditions

The Theatre must hold open auditions for the season or the Joint Production for Equity members in each of the locations to be governed by this Article. Where it can be demonstrated that the available membership in a location is insufficient to warrant such auditions, auditions in the nearest location where the available membership is sufficient may be substituted.

54:02 Information Letter

Before engaging any Artist for a Joint Production, the two (2) Theatres involved in presenting the Joint Production must provide Equity and PACT with a co-signed letter giving information about the Joint Production, i.e. title, rehearsal schedule, performance dates, hiatus dates (if applicable), travel days, security arrangements, dues and benefits invoice recipient(s), Director's/Choreographer's royalty, points of origin and the proposed Company Category to Company Category calculation for the production.

54:03 Conversion to a Joint Production

(A) After Contracts are Issued

However, circumstances may exist where a production may be designated a Joint Production after contracts with Artists have been signed with one (1) Theatre. In such circumstances, the two (2) Theatres shall present to Equity a proposal for presentation of the production in the second location. Should Equity agree to the proposal, the Artists shall be advised of this either in writing or after beginning rehearsals at a company meeting and shall be given full information about the Joint Production, including performance dates and name of second Theatre. When a production is subsequently designated a Joint Production, all involved Artists shall be offered the option of continuing with the production in the second Point of Origin.

(B) Re-Negotiation of Contracts in Second Point of Origin

CTA Engagement Contracts with all Artists who agree to appear in the production in the second Point of Origin shall be re-negotiated, including those Artists who have already negotiated a Contractual Fee in excess of the minimum fee applicable to the Joint Production. In no case may the Artist's Contractual Fee for the Joint Production be less than the Contractual Fee originally negotiated for the initial production at the first Theatre.

(C) Basis for Negotiation

Where a production is designated a Joint Production in accordance with Clause 54:03(A), then the basis for negotiation shall be the appropriate minimum fee stipulated in Clause 54:05, applied on a retroactive basis to the beginning of the Artist's CTA Engagement Contract. CTA Engagement Contracts shall be executed in accordance with Clause 54:08. Should the provisions of this Clause apply there may be no hiatus (see Clause 54:11).

(D) Artist Elects Not to Continue

Should the Artist elect not to continue with the production in the second Point of Origin:

- (i) their contract may not be terminated by the Theatre for this reason prior to the end of the originally scheduled engagement (inclusive of any extensions) in the first Point of Origin; and

- (ii) the minimum fees required in Clause 54:05 and/or retroactive payments required in Clause 54:03(C), shall not apply.

54:04 Replacement Artists

(A) Changes in Cast

Notwithstanding the definition in Clause 18:08, 18:09 and 18:20, Children, Children's Chorus members or Extras may be replaced in the second and subsequent points of origin.

(B) After the Conclusion

After the conclusion of a Joint Production, and with application to and the advance agreement of Equity, replacement Artists may be engaged under the following terms. An Artist replacing another Artist who has terminated their contract, or is replacing an Artist who has refused an offer to extend their contract, and who is engaged after the latest anticipated closing date of the Joint Production, including options, may be engaged under the terms of Clause 16:14 at the Company Category of the Theatre at which the production is taking place, provided the following is true: that the Theatre has become the sole producer of the run which extends beyond the Joint Production's anticipated closing date, and provided that the run takes place at that Theatre's Point of Origin. Otherwise, the provisions of Clauses 49:03(B)(i) and 49:03(B)(ii) shall apply. Should the production move to another location, the provisions of Clauses 49:03(B)(i) and 49:03(B)(ii) will apply to that Artist.

54:05 Actor Minimum Fees for a Joint Production

The minimum weekly fees for a Joint Production shall be as specified in the current CTA Fee Booklet.

54:06 Accommodation

The Theatre agrees to furnish the Artist with a list of at least two (2) places of accommodation in the second, third and fourth venues, when available, offering accommodation at different price ranges, in advance of signing the contract.

54:07 Contract Information

An Artist offered a contract for a Joint Production must be provided with the names of the Theatres involved, the starting date of the rehearsals and the proposed schedules (including travel days, the Free Day referred to in Clause 54:10 and the date of the first public performance in each Point of Origin) for the duration of the Joint Production including any scheduled hiatus if allowed (see Clause 54:11).

54:08 Working In-Town and On Tour

The Artist will be engaged on a single contract covering the period of the Joint Production. The two (2) Theatres involved in presenting the Joint Production must both sign the Artist's contract, and the Artist shall be considered to be working in-town when rehearsing or performing at the first Point of Origin and shall be considered to be on tour when proceeding to and at the second Point of Origin, except that the Contractual Fees paid in both locations shall be not less than the minimum fees stipulated in Clause 54:05. If there are any further performances outside the two (2) original points of origin, then these performances shall be considered to be in a touring situation, and all standard touring conditions shall apply (Article 49:00), with the exception of minimum fees, which will be determined by the higher of the first two (2) Theatre's points of origin, and shall be in accordance with Clauses 16:14 and 49:03(B)(i).

54:09 Transportation

The Theatres of the Joint Production shall, at their own expense, transport the Artist from their place of residence to the first Theatre's Point of Origin and from the second Theatre's Point of Origin return the Artist to their residence according to Clause 30:01. Transportation will also be provided at no expense to the Artist between the two (2) Theatre's points of origin. However, the Theatres shall not be responsible for transportation payments in the event the Artist chooses to travel at a time, or by means, other than that provided by the Theatre.

54:10 Free Day Between Points of Origin

The Artist shall have at least one (1) day free of any obligation to the Theatre between the close of the production at the first Theatre's Point of Origin, and the first performance at the second Theatre's Point of Origin.

54:11 Hiatus

There shall be no more than one (1) unpaid ten (10) day hiatus period between the end of performances at any one (1) of the Theatre's points of origin and the start of rehearsals and/or performances at the subsequent Theatre's Point of Origin. All other hiatuses shall be paid. Exact travel dates and the exact dates for any hiatus will be clearly set down as a rider in the Artist's CTA Engagement Contract. The Theatres agree that when such a hiatus takes place they will pay to all Artists whose place of residence is different from the first Point of Origin:

(A) Cost of Transportation

The cost of transportation to the Artist's place of residence and thence to the second Point of Origin in the same manner as provided for in Clause 30:01.

(B) Payment for Travel

One-seventh (1/7) of the Artist's Contractual Fee for any day spent in travel to and/or from the Artist's place of residence unless the Artist arrives at their residence prior to 6:00 p.m. in which case payment shall be according to Clause 49:03(A).

Should the Theatres elect to pay the Artist their Contractual Fee during such hiatus, Clauses 54:11(A) and (B) shall not apply, but the Artist shall be free to leave the Point of Origin during such a period.

Nevertheless, the Artist has no obligation to the Theatre during any unpaid hiatus period set down in the Artist's CTA Engagement Contract.

Artists engaged on Run-of-the-Play CTA Engagement Contracts and Guaranteed CTA Engagement Contracts must be paid during the hiatus period. Should there be a hiatus of less than a full week the Artist shall be paid one-seventh (1/7) of their Contractual Fee for each day of work.

Following the end of the one (1) week, all Artists must be returned to their Contractual Fee. In a case when the provisions of Clause 54:03 apply this Clause 54:11 shall not apply and there shall be no hiatus.

54:12 Rehearsals

Rehearsals scheduled for a Joint Production in the subsequent Theatres' points of origin shall conform to the conditions stipulated in Clause 49:14, except that there may be up to five (5) extended rehearsal days to be used in any combination in the two (2), three (3) or four (4) points of origin. Notwithstanding the above, no more than four (4) extended rehearsal days will be used in any Point of Origin.

54:13 Stage Management

(A) Transfer of Responsibilities

The Stage Management responsibilities for the Joint Production may be transferred from the Stage Management personnel in one Point of Origin to the Stage Management personnel in a subsequent Point of Origin. If Stage Management personnel are required to travel during any transfer of responsibilities, said personnel shall be considered to be on tour, and shall be paid the per diem provided for in Clauses 49:03(B)(i) and 49:03(B)(ii).

(B) Engaged for Duration

Alternatively, the Stage Management personnel may be engaged for the Joint Production's rehearsal period at all Theatres, in which case the minimums established in Clause 63:07(B) shall apply from the date that Stage Management personnel begin work on the production (no later than its first rehearsal) and, in the case of Stage Manager, one (1) week prior to the beginning of rehearsal.

(C) Staffing Requirements

The Stage Management staffing requirements for the production will be established by the highest of the Company Categories involved in the Joint Production.

54:14 Breaches

If a breach of the CTA arises out of the Joint Production by one (1) or more Theatres, all Theatres, as signatories to the engagement, shall be held equally responsible, and all Theatres shall deal with the consequences.

54:15 Directors and Choreographers

(A) Fees and Royalties

The Director's or Choreographer's minimum fee for directing/choreographing a Joint Production will be not less than the applicable minimum fees at the first Point of Origin. However, the Director and the Choreographer will receive royalties for use of their production/choreography at the second and subsequent points of origin, which royalties shall in no case total less than thirty (30%) percent of the applicable minimum Director/Choreographer's fees at the higher of the first two (2) points of origin.

The Director's or Choreographer's royalty specified in Clauses 60:06 and 62:07 shall apply from the eleventh week of performance.

(B) Outside the Original Point of Origin

When a Director and/or Choreographer is required for duties outside of the original Point of Origin, the additional dates "on tour", the negotiated mode of transportation to and from the subsequent Point of Origin and the negotiated provisions for accommodations shall also be specified by means of a rider to the Artist's CTA Engagement Contract.

If the Director or Choreographer is required for duties at the second Point of Origin, a separate fee commensurate with the work to be done will be negotiated and specified by means of a rider to the Artist's contract.

However, if a Director or Choreographer is required for duties at the third or subsequent points of origin, the separate fee to be negotiated and specified by means of a rider to the Artist's contract shall not be less than the daily rate provided for in Clause 60:04 for Directors and Clause 62:04(G) for Choreographers.

Clause 49:08 shall apply.

The special category for Director's or Choreographer's rates may not apply.

54:16 Fight and/or Intimacy Directors

(A) Fees and Royalties

The Fight and/or Intimacy Director's fee for a Joint Production shall not be less than the applicable minimum fees at the first Point of Origin. However, the Fight and/or Intimacy Director shall receive royalties for use of their work at the second and subsequent points of origin, which royalties shall in no case total less than thirty (30%) percent of the Fight and/or Intimacy Director's Contractual Fees at the higher of the first two points of origin.

When a Fight and/or Intimacy Director is required for duties outside of the original Point of Origin, the additional dates "on tour", the negotiated mode of transportation to and from the subsequent Point of Origin and the negotiated provisions for accommodations shall also be specified by means of a rider to the Artist's CTA Engagement Contract.

If the Fight and/or Intimacy Director is required for duties at the second Point of Origin, a separate fee commensurate with the work to be done will be negotiated and specified by means of a rider to the Artist's contract.

However, if a Fight and/or Intimacy Director is required for duties at the third or subsequent points of origin, the separate fee to be negotiated and specified by means of a rider to the Artist's contract shall not be less than the daily rate provided for in Clause 61:04. Clause 49:08 shall apply.

54:17 Transfer Rider

PACT and Equity acknowledge that there may be circumstances that arise during the term of the CTA that would be addressed by co-production agreements adapted from the Transfer Rider utilized by Actors' Equity Association (U.S.) and the League Of Resident Theatres (LORT). Should the use of a similar rider be requested during the term of the CTA, Equity and PACT undertake to negotiate the terms and conditions of such a rider, in good faith, in a timely fashion.

The ten (10) hours shall include a one (1) hour meal break during which the Artist may not be required to work or provide any service whatsoever for the Theatre, including travel. The Theatre will make every effort to ensure that the touring schedule provides sufficient information and time for the Artists to take their meal break in a comfortable and convenient location. A meal break must occur after not more than five (5) hours of work, unless it is the unanimous wish of the company to postpone it until a more convenient time, in which case the meal break penalty will not apply.

During an unpaid hiatus, the Theatre shall not be entitled to the Artist's services, except that there may be a run-through rehearsal on the day of re-opening in accordance with the CTA.

In a case where the Artist is physically moving scenery and equipment as opposed to supervising the movement of same, and the total time involved in these operations exceeds one (1) hour for each location, the Artist shall invoice the Theatre at the rate stipulated on line one (1) of Schedule "A" in the current CTA Fee Booklet. However, where there is more than one (1) presentation in the same location involving different scenic elements for each presentation, there may be an additional fifteen (15) minutes allowed for each changeover.

Load-ins and load-outs may not be required at more than two (2) locations in one (1) day. However, security and/or weather issues may require certain items to be removed from the vehicle overnight, in which case, the Artists may be required to assist in this respect to a maximum of five (5) minutes at the beginning and an additional five (5) minutes at the end of the day, provided this time is within the allowable span of the day; otherwise, the Artist shall invoice the Theatre at the rate stipulated on line one (1) of Schedule "A" in the current CTA Fee Booklet.

Where a performance takes place in a venue primarily used for professional theatre performances and a stage crew is assigned to the tasks of load-in, load-out, set-up or strike, this duty will not be required of the Artist.

However, the Theatre may require the Artist to supervise said crew.

However, where the duties take place for productions presented in a theatrical venue for six (6) or more consecutive days, the Artists shall be compensated at the rate outlined in Clause 16:11(A) in the current CTA Fee Booklet for that period. The Stage Manager shall be free to negotiate with the Theatre additional compensation for the added duties and shall be included in a rider to their CTA Engagement Contract.

56:00 TANGERINE PROJECTS

This Article applies to the creation of new work. It allows for more flexible contracting options and working conditions. In determining the phases of production for the Tangerine Project it is important to define what the dominant activity is in each phase. Phases may be repeated over the course of development.

The Theatre must submit an activity checklist to PACT and Equity at least two (2) weeks prior to the commencement of the activity. Additionally, the Theatre shall attach a rider to each Artist's contract that provides for the "agreed upon terms".

In Phases 3 and 4, discussions should be held about the Artist's right of first refusal for any subsequent production and any conditions around ownership of a full production.

An Equity Liaison is a requirement in all phases for activities that exceed one week in duration.

56:01 Defining the Phases of Production

(A) Phase 1: Creation/Investigation - With No Public Reading/Performance

The purpose of Phase 1 is to work at the earliest stages of the creative process, which by its very nature cannot be predetermined. During Phase 1 Artists may be engaged using daily or weekly fees as specified in Clause 56:02. A daily fee provides for up to seven (7) hours and the weekly fee provides for up to forty-two (42) hours of work, which may be pro-rated over whatever schedule is acceptable to all the Artists. At the end of the Creation/Investigation phase, the Artists may decide to abandon the concept entirely or move on to the next phase.

(B) Phase 2: Development - May Include Public Reading/Performance Element

- (i) Some amount of text or pre-determined actions is in place;
- (ii) Material may be presented to an audience for feedback;
- (iii) Invited audience may attend the reading/performance or the reading/performance may be advertised to the industry but the reading/performance may not be advertised to the general public; or
- (iv) Little or no fee is charged for admittance to the reading/performance(s).

(C) Phase 3: Performance In Process - With Further Development

- (i) There is a proposed production schedule including performance date(s);
- (ii) May be advertised to the general public;
- (iii) Admission may be charged;
- (iv) Rehearsals may include some "tech" in the venue prior to the public presentation; or
- (v) Additional development may be scheduled during the performance run or after the performance run to re-work, revise or re-structure segments of the work. This is not in order to have additional rehearsal of the piece but to continue to change/develop the work.

(D) Phase 4: Production

A production is mounted and presented in a venue where tickets are sold to the general public for a specified run. CTA terms and conditions apply.

56:02 Fees and Payments

It is acknowledged that a Stage Manager and/or Director may not be required during Phases 1 and 2 of a creation project. Directors, Choreographers, Fight Directors or Intimacy Directors engaged may, by the nature of the process, be required to work outside the group times. Those hours will be credited against the pro-rated hours.

The agreed upon schedule must be attached by a rider to the Artist's CTA Engagement Contract. Although the hours of work have been agreed upon by the Theatre and the Artist, if Equity perceives an unsafe or unhealthy work schedule, Equity, upon discussion with the Theatre and the Artist, reserves the right to re-negotiate the schedule.

When the performance running time is one (1) hour or more the Artist will be entitled to a half-hour call prior to the performance. When the performance running time is less than one (1) hour the Artist will be entitled to a fifteen (15) minute call prior to the performance.

The Theatre will schedule such appearances with no less than thirty-six (36) hours' notice to the Artist. Such appearances may not be scheduled on the Free Day, although in an extraordinary circumstance, the Theatre may make a request to the Artist with a copy of such request to Equity to schedule such an appearance on the Free Day. Should the Artist agree to a promotional appearance on a Free Day, the Artist shall invoice the Theatre at the rate stipulated on line twelve (12) of Schedule. The minimum call for a promotional appearance on a Free Day shall be four (4) hours.

Any appearances over and above those allowed in this clause may only be scheduled with the permission of the Artist.

58:30 Workshops and Readings - Sector 2 Theatres

This Clause applies to workshops and readings for either the development of a new work, or a new translation or adaptation of an existing work. - (vi) Leaves will not be requested during the period between December 25 and January 1.

In the event that a personal leave is granted and subsequently cancelled due to an emergency for the reasons set forth in Clause 58:33(iv), a written report signed by the Theatre's senior management will be submitted to the Artist, and upon request, the Theatre shall provide Equity with a copy of the report. This report will detail the circumstances of the cancellation of the leave, and the Theatre's rationale for such cancellation.

58:34 Maternity & Parental Leave

The parties recognize and value the contribution that mothers and parents make to our society and emphasize that the parties will recognize and meet all applicable statutory obligations with regard to maternity and parental leaves.

58:35 Betterment in A-2 Productions

Artists engaged on Run-of-the-Play or Guaranteed Engagement Contract in an A-2 production for a Chorus role may, after the completion of thirteen (13) months service, provide a minimum of six (6) weeks written notice of termination in order to accept a non-Chorus engagement offer in a theatrical production under a CTA, other Equity contract form, or AEA contract. If the Artist has been provided specific specialized training for their role, the theatre may in a rider to the CTA Engagement Contract reasonably increase the notice period required under this Clause.

An Artist who gives termination under this Clause or a legitimate rider alteration to this Clause shall not be subject to penalties.

58:36 Concurrent Engagement in A-2 Productions

The Artist may accept a concurrent engagement while under contract to the Theatre in an A-2 production, provided that the Artist first fulfils all obligations owing under the CTA Engagement Contract, and provided further, in the sole determination of the Theatre, that such concurrent engagement does not:

- (ii) Endanger the Artist's vocal and/or dance ability;
- (iii) Show the Artist in a recognizable or featured role; or
- (iv) Require the Artist to travel outside the limits of the municipality where the production is currently situated.

Approval of the Artist's request shall not be unreasonably withheld.

The minimum fees shall be as specified in the current CTA Fee Booklet.

59:00 CHILD PERFORMERS

Preamble

PACT and Equity agree that specific and appropriate care and attention be given to Child Performers. Child Performers shall be treated with respect at all times. No Child Performer may be punished or subject to other harmful, frightening or humiliating behaviour.

Child Performers are entitled to the same working terms and conditions as adult Artists except as amended by this Article. Any Theatre that allows for provisions of the CTA (e.g., breaks or rest periods) to be waived as a punishment for a Child Performer shall be in breach of this Agreement.

PACT and Equity recognize that the responsibilities in the contracting of a Child Performer include written permission from the parents/legal guardian, and a full discussion of the duties and responsibilities of the Theatre, the parents and the Child Performer. A Child Performer will be provided with additional consideration in all matters of intimacy, areas of supervision, training, hours of participation, interaction with others and permission from, and communication with, parents/legal guardian and schools. This consideration does not reduce the duty of care required of the Theatre and of those engaged by the Theatre with regard to their interaction with Child Performers.

59:01 Provincial Legislation

A Child Performer may not be engaged under conditions which do not meet or exceed either the Theatre's provincial legislation or regulations, or in the absence of such, the Ontario Child Performers Guidelines. The Theatre will provide the parent or legal guardian with a copy of the relevant provincial legislation or the Ontario Child Performer Guidelines, whichever is applicable.

59:02 Guardian Meeting

The Theatre, the parent or legal guardian, the Child Performer, and Equity shall have a thorough discussion addressing the following items:

- (i) Travel, care, and release, including who is to be responsible for the Child Performer and whether the Child Performer has any known allergies, medical history or any attitudinal or psychological condition of which the parent or legal guardian is aware that might interfere with their ability to carry out the role or otherwise affect their engagement.
- (ii) Dismissal and/or absence from school, including whatever arrangements have been made for the tutoring of the Child Performer.
- (iii) The anticipated schedule for rehearsals and performances including any existing or possible obligations on the part of the Child Performer which could affect that schedule. It is understood that some scheduling can only take place as the production process evolves and therefore additions or amendments to the scheduling provision in the rider may come during production.
- (iv) Etiquette and behaviour expected of the Child Performer and the parent or legal guardian and conversely, what expectations of etiquette and behaviour the Child Performer, parent or legal guardian may expect from the Theatre.
- (v) Any scenes the Child Performer will be expected to participate in where the parent and/or legal guardian and the Theatre have determined the Child Performer will require additional support in order to appear in those scenes.
- (vi) Any relevant policies of the Theatre.
- (vii) Arrangements for meal break supervision or pick up.
- (viii) Any relevant concerns of the parent/legal guardian or the Child Performer.

The Theatre shall execute and attach a rider to the CTA Engagement Contract outlining the agreement on items 59:02(i) through (viii).

59:03 Categories of Engagement

A Child Performer may be engaged:

- (i) by signing a CTA Engagement Contract; or
- (ii) as a member of a Children's Chorus, pursuant to the provisions of Article 21:00.

59:04 Supervision of the Child Performer in the Workplace

The parent or legal guardian and the Theatre shall agree on the terms and conditions for the care and supervision of the Child Performer from the time the Child Performer is dropped off at the rehearsal hall or theatre until the Child Performer is picked up by the parent or legal guardian. In the absence of agreed to terms and conditions the parent or legal guardian will be required to be with the Child Performer at all times during the engagement.

Child Performers under the age of 16 will be under the supervision of a qualified Child Supervisor at all times.

It is acknowledged that there may be instances where a Child Performer will require additional care and supervision. Any such requirements will be negotiated and agreed to between the Theatre and parent or legal guardian. Such negotiation may include parental access.

All personnel employed by the Theatre who, as a result of their responsibilities, are required to be alone with a Child Performer, must undergo a Police Record Check or provincial equivalent prior to commencement of the Child Performer's engagement. This includes but is not limited to Child Supervisors and any wardrobe, hair or makeup personnel or any other persons who may have unsupervised access to the Child Performer.

(A) Child Supervisor

The Child Supervisor shall supervise all Child Performers from the time of arrival in the workplace to the time they are picked up by the parent/legal guardian/chaperone.

The Theatre shall provide written notification to the parent or legal guardian of the Theatre's selection of Child Supervisor(s) responsible for the Child Performer(s) so that the parent or legal guardian may address any concerns with the Theatre in advance of the engagement. In an emergency, the Theatre may replace the Child Supervisor with an otherwise qualified person in this capacity in which case the Theatre shall use its best efforts to advise the parent or legal guardian of any such substitution as soon as possible.

(B) Ratios

(i) Under the Age of Five

Where the youngest Child Performer is between two-and-a-half (2 1/2) and five (5) years old, there shall be at least one (1) Child Supervisor for every six (6) Child Performers present, for any given production.

(ii) Under the Age of Ten

Where the youngest Child Performer is between six (6) and nine (9) years old, there shall be at least one (1) Child Supervisor for every ten (10) Child Performers present, for any given production.

(iii) Under the Age of Sixteen

Where the youngest Child Performer is between ten (10) and fifteen (15) years old, there shall be at least one (1) Child Supervisor for every fifteen (15) Child Performers present, for any given production.

(iv) Multiple Locations

Regardless of the Child Supervisor ratios required by the number of Children as above, if Child Performers are required to be in different locations, additional supervision by a person who has obtained a vulnerable sectors check shall be provided by the Theatre.

(C) Theatre Policies and Procedures

The Child Supervisor and the Child Performers shall be present whenever the company receives instruction on fire drill procedures, backstage etiquette, backstage traffic, orientation of the production and facilities, and Theatre policies.

(D) Consistency

The Theatre shall use its best efforts to engage consistent Child Supervisors for the production.

(E) Indemnification

The Artists in the production shall be indemnified by the Theatre, and saved harmless from any liability in respect of interaction with a Child Performer where the Artists are acting in accordance with carrying out their duties and responsibilities as directed by the Theatre and the CTA.

(F) Child Supervisor Communication Responsibility

The Child Supervisor(s) has a responsibility to keep an open channel of communication with the parents and/or guardians of the Child Performer(s) and an obligation to report to senior management of the Theatre any incidents or concerns that arise during the child's presence at the theatre.

The Child Supervisor will complete a daily Child Supervisor log provided by Equity and PACT which shall be filed with the Theatre. This log will document the breaks, general health and wellbeing and any issues of note relating to the day's Rehearsal or Performance activities which involve the Child Performer(s). The Child Supervisor log shall be made available upon the request of the Child's parent/legal guardian, Equity or PACT.

59:05 Dressing

(A) Changing Facilities

There shall be separate dressing rooms as required by gender for Child Performers, which when feasible, shall be separate from the dressing rooms provided for the adults. Child Performers of all genders may share a supervised waiting room or dressing area provided that there are private changing facilities available.

(B) Quick Changes

All quick changes shall be rehearsed to ensure the comfort and security of the Child Performer involved. The Theatre will ensure that the parent or legal guardian is apprised of the details of the quick change, and upon request, the parent or legal guardian will be given the opportunity to watch a rehearsal of the quick change.

59:06 Tutoring of Child Performers

(A) Requirement for Tutoring

When the Theatre's schedule requires the Child Performer to be absent from school for three (3) consecutive school days, or for a total of five (5) school days, as determined by the school and/or the parent(s) or legal guardian over the course of the engagement, the Theatre shall make allowances in the schedule for the Child Performer to receive two (2) hours of tutoring (in uninterrupted blocks of no less than thirty (30) minutes) on each such missed school day when the Child Performer is at the theatre.

(B) Parental Responsibilities

The Theatre will rely on the parent or legal guardian to make arrangements with the school to secure the appropriate schoolbooks and assignments for the Child Performer.

(C) Facilities

The Theatre will ensure that there is an appropriate area for the tutoring to take place, which shall take into consideration proper lighting and a proper work surface for the Child Performer.

59:07 Conditions of Engagement

A Child Performer signed to a CTA Engagement Contract, shall be subject to the full terms and conditions of the CTA, including minimum fees, except as amended herein.

(A) Double Casting

Other than for productions on tour, if the Child Performer is double cast (i.e. two (2) Child Performers alternate a single role) and contracted for a maximum of twenty-eight (28) hours of rehearsal per week and four (4) performances or fewer in a performance only week, the minimum fee shall be sixty (60%) percent of the appropriate company category minimum fee.

Should a week contain both rehearsal and performance, the Child Performer shall not be required to provide more than twenty-eight (28) hours of service without additional compensation. Any hour or part thereof in excess of twenty-eight (28) shall be paid at a rate of no less than one thirty-sixth (1/36) of the Artist's Contractual Fee.

For each performance call in excess of four (4) during a week, an additional one-eighth (1/8) of the Child Performers Contractual Fee shall be payable after the first public performance.

(B) Joint Productions

Notwithstanding the provisions of Article 54:00, the Theatre may recast the role of a Child Performer engaged under a CTA Engagement Contract locally in each Point of Origin of a Joint Production. In those cases, the applicable minimum fee shall be that of the Theatre in which each Child Performer is engaged.

59:08 Extended Rehearsal Days

On an extended rehearsal day, a Child Performer may be called for a maximum of two (2) calls of up to four (4) hours each out a span of not more than twelve (12) hours.

59:09 Scheduling Parameters

The Theatre shall use its best efforts to inform the parent(s) or legal guardian(s) of the demands of the role(s) for which the Child Performer is engaged. Any information provided to the parent(s) or legal guardian(s) in regard to the scheduling of rehearsals, performances, and any other special conditions that pertain to scheduling for the Child Performer shall be attached as a rider to the Child Performer's CTA Engagement Contract. The Theatre acknowledges that a Child Performer may need additional notice with respect to scheduling changes, and will use its best efforts to give as much notice of such changes as possible.

59:10 Notification of Accidents

Should a child performer become ill or be injured, the Theatre will make every reasonable effort to contact the parents or legal guardian as soon as the Child Performer's immediate needs are addressed.

59:11 Parental Contact

A Parent or legal guardian of a Child Performer under sixteen (16) years of age must be accessible to the Child Performer at all times. They will be responsible for the transportation of the Child Performer to and from the rehearsal hall or theatre and shall have the right to accompany the Child Performer on hair, makeup and wardrobe calls. The parent/legal guardian shall abide by the Theatre's policies regarding rehearsal halls and backstage and performance areas where arrangements for the parent/legal guardian have not been made for their presence. Where the parent/legal guardian is disruptive to a rehearsal process or performance, the Theatre may request a meeting with the parent/legal guardian and Equity to agree on alternate arrangements.

Upon request of the Child Performer, the Theatre shall reasonably facilitate contact with a parent or other person responsible for the Child Performer, subject to the availability of the parent or guardian for such contact.

It is understood that the Child Performer may be subject to the same cell phone policies as the rest of the acting company. The Theatre shall ensure the children shall have access to their cell phone during breaks in the rehearsal.

60:04 Direction After Opening

(A) Work After Opening

Should the Director be asked to do additional work on a production after the official opening, a separate fee commensurate with the work to be done will be negotiated. Such agreement as to the fee must be in the form of a rider to the Director's original contract.

Should this arrangement not be part of the original contract, the Director will be compensated at a daily rate of two (2%) percent of the contractual fee.

Should such work require the Director to be away from their place of residence, they will be paid travel and meals as specified in Clause 49:03(B)(ii) with accommodation expenses to be negotiated and included in the rider.

The Director shall be insured under the insurance coverage provided for in Clause 49:08 when providing these services.

(B) Director Giving Notes During the Performance Run

The Director shall have the option to give notes to the Actors during the performance run provided that they copy the Theatre's Artistic Director, and convey the notes through the Stage Manager to the Actors in accordance with Clause 24:16.

(C) Direction Altered Without Consultation

If the work of the Director has been altered without consultation the Theatre shall pay the Artist four (4%) percent of the Director's contractual fee for each week or part thereof of the breach. Where the Director does not agree with the changes made, they shall have the option of having their name removed from programs and publicity materials produced subsequent to the notice to remove the name.

The consultations as provided above are advisory in nature and to be seriously considered by the Theatre; but final decisions are reserved to the Theatre. Such consultation shall not be required if the Director is not readily available as defined in Clause 60:03(B)(ii). However, the Theatre shall inform the Director in writing of all such changes, when they were made and by whom they were made.

60:05 Right to Negotiate Billing

The Director has the right to negotiate billing in newspaper, magazine, television and radio ads. Whenever anyone other than the author is given billing in other media, the Director will receive billing in other publicity material (under the Theatre's control) for the production that is prepared after the engagement of the Director. The size and position will be negotiated at the time of engagement.

60:06 Director's Royalty

(A) Requirement For

An additional fee or royalty for any extension beyond the proposed run of the production, whether or not such an extension is envisaged, shall be negotiated at the time of the Director's engagement. For the purpose of the Clause, the final date of the proposed run shall be the final performance prior to any option period, or ninety-six (96) performances, whichever comes first.

(B) Amount Of

The negotiated royalty shall be not less than two (2%) percent of the Artist's negotiated Contractual Fee for each week of the extension, or after ninety-six (96) performances, whichever comes first. If no royalty is negotiated and specified on the CTA Engagement Contract, the Director shall receive a royalty of four (4%) percent of their original Contractual Fee for each week of the extension, or after ninety-six (96) performances, whichever comes first. This royalty shall be prorated for weeks with fewer than eight (8) performances. Royalty payments to Directors shall be paid monthly or at the end of the run, whichever comes first.

In the case of Theatre for Young Audiences, Clause 55:02(C) shall supersede this Clause.

(C) Revival

Should a Theatre decide to revive a production, or should a Theatre give permission to another Theatre to revive a production within a period of two (2) years from the first public performance of the production, and should the originally producing Theatre provide the second Theatre with the prompt script and designs as described below, one (1) of the following shall apply:

(i) Original Director Directs Revival

If the original Director directs the revival, they shall receive a fee of no less than one-half (1/2) the total original directing fee, or one-half (1/2) the fee applicable to the Theatre reviving the work, whichever is greater.

The Theatre may negotiate a royalty with the Artist at the time of the original production in contemplation of a revival which shall not be subject to the minimum royalty in Clause 60:06(B). If a royalty for a revival was not negotiated and specified on the original CTA Engagement Contract, the Artist shall receive a royalty of four (4%) percent of their original Contractual Fee for each week of the revival.

(ii) Original Director Declines Offer

If the original Director declines, for any reason, an offer to direct the revival, they shall be paid one-half (1/2) the originally negotiated royalty for a revival as per Clause 60:06. If no such royalty for a revival was negotiated, the Artist shall receive one-half (1/2) of the originally negotiated royalty as per Clause 60:06(A). Further, the Director of the original production shall be billed according to the provisions of Clause 60:05 and in accordance with the terms of their original contract.

(iii) No Offer Made to Original Director

If the original Director is not offered the opportunity to direct the revival, they shall be paid a royalty commensurate with the originally negotiated royalty for an extended run as per Clause 60:06(A). Further, the Director of the original production shall be billed using the phrase "Originally Directed By..." unless originally negotiated otherwise.

(iv) Artistic Director Directing Revival

If the original Director was engaged by the Theatre originating the work as Artistic Director without being subject to the terms of Article 60:00 (see Clause 60:10), the provision of Clause 60:06(C) may apply to the Artist's subsequent engagement for a revival of the production.

(v) Director Not Required For a Revival With Limited Rehearsal

In the event that not more than three (3) days are scheduled to address technical elements for a revival a Theatre may choose not to engage a Director for the revival. In such cases the Director who directed the previous production shall be paid the royalty stated in Clause 60:06(C)(iii) for each of the performance weeks.

(vi) Director Engaged for a Revival With Limited Rehearsal

In the event that not more than three (3) days are scheduled to address technical elements for a revival a Theatre may engage the Director or a new Director and pay them not less than thirty-three and one-third (33 1/3%) percent of applicable minimum fee. In addition the Director shall receive the royalty stated in Clause 60:06(C)(iii) for each of the performance weeks.

60:07 Custom of the Trade

The Director's contribution to the production may be seen to be represented in part by the notations in the prompt book and other tangible records of the production, and therefore the Director as a contributor to the production has the right of reasonable access to such records. Any costs incurred under this determination shall be borne by the Director or their representative.

60:08 Termination

An individual Director's CTA Engagement Contract with the Theatre may be terminated by mutual consent of both parties in writing, following consultation by the Director with Equity.

Where no mutual consent is reached, the contract may be terminated as follows:

(A) By Director

By the Director, upon written notice to the Theatre with payment to it of no less than the full face value of the contract. Termination payment must be paid to the Theatre within two (2) weeks of the notice being given or by a schedule mutually agreed upon between the Director and Theatre.

(B) By Theatre

By the Theatre, upon written notice to the Director with payment to them of no less than the full face value of the contract. Termination payment must be paid to the Director within two (2) weeks of the notice being given or by a schedule mutually agreed upon between the Director and Theatre.

(C) Production Abandoned

If the production is abandoned four (4) weeks or more prior to rehearsal, the Director shall be paid fifty (50%) percent of their Contractual Fee immediately. If the production is abandoned less than four (4) weeks prior to rehearsal, the Director shall be paid seventy-five (75%) percent of their Contractual Fee immediately.

(D) Rehearsal Postponed

The Theatre may postpone the first day of rehearsal for up to two (2) weeks from the date specified on the Director's contract by giving the Director a minimum of four (4) weeks' notice. Should the Theatre postpone the first day of rehearsal for more than two (2) weeks, or not give the Director the required notice, or should the Director no longer be available for the rehearsal period due to a postponement, then the Director may claim the production to be abandoned and Clause 60:10(C) shall apply.

(E) Illness or Accident

No penalty or notice is required if the Director terminates their contract due to incapacitating illness or accident. The Artist will however inform the Theatre of their illness or accident as soon as possible and provide a doctor's certificate upon request. Copies of all notices of termination must be filed with Equity.

60:09 Special Category

(A) Short Performances

When a production has a performance running time of sixty (60) minutes or less, with the agreement of the Director and upon prior written notification to Equity by the Theatre confirming that the production qualifies under the provisions of this Clause, the special category rate in Clause 60:01 may apply.

(B) Summer Stock

Theatres operating in summer stock (i.e. not more than three (3) weeks of rehearsal, and not more than two (2) weeks of performance for each production presented between June 1 and September 30) may pay the summer stock Director's rate upon presentation of their season's schedules to Equity and PACT confirming that they qualify for the provisions of this Clause.

This Clause shall not apply to a production which runs for more than two (2) weeks.

60:10 Artistic Director

Only the Artistic Director or one (1) equivalent staff member responsible for the artistic direction of the Theatre may direct productions for their Theatre without being subject to the terms of this Article 60:00. In the case of Joint Productions with more than two (2) partners, this Clause may apply only to the Artistic Directors or their equivalent of the first two (2) Theatres. When an Artistic Director or their equivalent directs at any Theatre other than their own, except as provided for above, they will be subject to the terms of Article 60:00.

60:11 Multiple Assignments

No Director shall stage manage the production which they are directing.

A Director who also functions as a Choreographer of a production which they direct must be paid an additional fee not less than fifty (50%) percent of the applicable Company Category minimum fee for a Choreographer specified in Clause 62:04.

If dance elements are included in the production which are not intrinsic to its nature and were not envisaged as being required, but their inclusion develops solely at the Director's discretion, this Clause shall not apply.

60:12 Assistant Directors

(A) Requirement for Engagement Contract

When the Theatre engages an Assistant Director who is a member of Equity, the execution of an insurance only CTA Engagement Contract is required. Assistant Directors who are engaged by the Theatre shall be offered the opportunity to be engaged under a CTA Engagement Contract if they so desire. In such a case, Clause 3:03 (Deductions) will apply to Equity members and Clause 22:01(B) to non-members.

There are no minimum fee requirements.

Equity Members who are students on practicums or who have received grants from a recognized funding body to participate in a production as an Assistant Director shall have the opportunity to self-engage under the appropriate form of Equity Contract.

Individuals who have no pre-assigned functions other than to audit the rehearsal process shall be excluded from this Clause.

The Theatre will determine the appropriate credit in any programs for individuals who audit the rehearsal process. The Director will have approval over the crediting language.

It is the essence of the CTA that the Director shall be available to attend rehearsals. Except in the case of an emergency which necessitates the Director's absence of one (1) week or less, the Assistant Director may not be required to rehearse a production unless they has been contracted as a Director under terms and conditions to be agreed to by Equity, such agreement not to be unreasonably withheld.

60:13 Training and Professional Development

In the interests of the training and professional development of Canadian Directors, whenever a non-Canadian (or non-landed immigrant in Canada) is engaged as a Director, a Canadian member of Equity shall be offered a position as Assistant Director. In the event that a Canadian Equity member is not engaged as an Assistant Director, Equity may request a list of members who were offered and declined the position.

61:01 Requirement for a Fight Director

The Theatre will determine if staging requires choreography within the realm of dance, or other specialized movement, or fight direction. When fight direction is required, a Fight Director shall be contracted according to this Article 61:00 whenever two or more Artists are required to participate in a stage fight (in accordance with Clause 28:07) involving one or more of the following elements:

- (i) weapons of any sort, including but not limited to, furniture or other props used as weapons;
- (ii) martial arts and unarmed combat.

61:02 Engagement Contract

When the Theatre determines the requirement for a Fight Director (see Clause 28:07(A)), the Theatre will give first consideration to existing Equity Fight Directors. On request of the Theatre, Equity will assist the Theatre in the search for an Equity Fight Director by providing a current list of Fight Directors who have informed Equity that they are available for work. The Theatre will not be obliged to engage any Fight Director whom it judges to be incompatible with its needs.

(A) Fight Directors

Fight Directors must be engaged according to terms and conditions no less favourable than those set out in this Article.

(B) Concurrent Engagement

Any Artist who is an Equity Fight Director and is currently under engagement to the Theatre may be offered either a concurrent CTA Engagement Contract or an additional services rider, the terms and conditions of which are no less favourable than those set out in this Article.

61:04 Fight Director Minimum Fees

The minimum fees for Fight Directors shall be as specified in the current CTA Fee Booklet.

(A) Payment Schedule

The Contractual Fee shall be payable as agreed between the Fight Director and the Theatre and will be set out in the CTA Engagement Contract. (B) Hourly

61:08 Changes

If, after the completion of the fight rehearsals, there are changes or deletions to the original fight direction, the Theatre will make every reasonable effort to contact and consult with the Fight Director. The Fight Director, as part of their original fee for service, will advise and make recommendations to the Theatre regarding any implications of such changes. The consultations so provided are advisory in nature and final decisions are reserved to the Theatre. Where the Fight Director does not agree with the changes made, they shall have the option of having their name removed from programs and publicity materials that are produced subsequent to the notice to remove their name.

For the purposes of the CTA, the movement of individual Artists, or groups of Artists, where such movement would normally be considered "blocking" is not to be considered choreography.

62:02 Special Category

In situations where the total amount of creative work required of the Choreographer is deemed to require less than the applicable minimum rate, the Theatre may, with the agreement of the Choreographer, apply for Equity's approval to pay the special category rate.

62:03 Association Status

(A) Terms and Conditions

Choreographers must be engaged according to terms and conditions no less favourable than those set out in this Article. Choreographers who are not members of Equity and not members of another performing arts union or association shall not be required to join Equity.

(B) Consideration of Equity Members

The Theatre agrees that it will give serious consideration to the engagement of existing Equity Choreographers for all such positions in its company. The Theatre will request, and Equity will provide, a current and up-to-date list of Choreographers who have informed Equity that they are available, in order to assist the Theatre in finding an Equity Choreographer.

However, the Theatre shall not be obliged to engage any Choreographer so listed whom it judges to be incompatible with its needs.

(C) Non-Member Other Affiliation

Should a Choreographer already be a member of another performing artists association, they shall be signed to a CTA Engagement Contract and become a member of Equity for the duration of the engagement.

62:04 Choreographer Contractual Minimum Fees

The minimum fees shall be as specified in the current CTA Fee Booklet.

(A) Payment Schedule

The Contractual Fee shall be payable as stated on the face of the contract, or if not stipulated otherwise in the following manner:

Twenty (20%) percent shall be payable on the signing of a contract to choreograph.

Thirty (30%) percent shall be payable on or before the first day of rehearsal.

The remaining fifty (50%) percent shall be payable pro rata on a weekly basis throughout the rehearsal period, with the final payment made by the official opening night.

Should the Theatre fail to fulfil its contractual obligation under this Clause it shall pay to the Choreographer an additional sum equal to five (5%) percent of the contractual fee.

(B) Hourly, Daily and Weekly Rate for a Non-Musical

The hourly, daily or weekly rate as specified in the current CTA Fee Booklet (minimum three (3) hour call) shall apply when a Choreographer is engaged to set choreography or repeated specialized movement for a non-musical production.

(C) Applicable Minimum

The minimum fee that applies for the engagement of an Artist as a Choreographer shall be the minimum fee applicable on the date of the first public performance of the production.

(D) Free Day

The Choreographer must receive a Free Day, as provided for in Clause 23:01. The Artist shall invoice the Theatre at the rate stipulated on line five (5) of Schedule "A" in the current CTA Fee Booklet for any activity required by the Theatre of the Choreographer on a Free Day. The minimum call for such activity shall be for four (4) hours.

(i) required by emergency; or

(ii) the physical conditions of the theatre necessitate change and/or deletions.

If the Choreographer's work is altered and they have not been consulted, the Theatre shall pay the Artist four (4%) percent of the Choreographer's Contractual Fee for each week or part thereof of the breach. Where the Choreographer does not agree with the changes made, they shall have the option of having their name removed from programs and publicity materials produced subsequent to the notice to remove their name. In the event that the Choreographer does not respond to the Theatre's request for consultation within forty-eight (48) hours, the Theatre may alter the work as required without penalty.

(G) Additional Work After Opening

Should the Choreographer be required to provide additional services after the opening the rates in Clause 62:04(B) shall apply.

Should the Choreographer be asked to do additional work on a production after the official opening, a separate fee commensurate with the work to be done will be negotiated. Should this arrangement not be part of the original contract, the Choreographer will be compensated at a daily rate of three (3%) percent of the contractual fee. Such agreement as to fee must be in the form of, or an amendment to, the Choreographer's original CTA Engagement Contract. Should such work require the Choreographer to be away from their place of residence, they shall be paid travel and accommodation expenses to be negotiated with the fee required above and included in the rider.

62:05 Duties of a Choreographer

The Choreographer shall conduct dance rehearsals, respect the physical property of the production, theatre, and place of rehearsal, abide by particular artistic policies of the specific Theatre to which the Choreographer is contracted, and generally fulfil the artistic planning and production contributions commonly within the scope of the functions of the Choreographer. The Choreographer will be available for such meetings and consultations as are required by the Theatre, particularly with the Director and music director. Such meetings and consultations shall be agreed to in advance, and included in the CTA Engagement Contract, or after signing, in a rider thereto, and must be specific as to dates, times, locations, and remuneration of travel and accommodation expenses. The Choreographer agrees to promote the production, and may make reasonable personal publicity appearances and participate in radio, television, and press interviews for that purpose. In addition, they shall be generally supportive of the Theatre's interests during the term of their contract.

62:06 Billing

The Choreographer has the right to negotiate billing in newspaper, magazine, television and radio ads. Whenever anyone other than the author is given billing in other media, the Choreographer will receive billing in other publicity material (under the Theatre's control) for the production that is prepared after the engagement of the Choreographer. The size and position will be negotiated at the time of engagement.

62:07 Choreographer's Royalty

(A) Requirement For

An additional fee or royalty for any extension beyond the proposed run of the production, whether or not such an extension is envisaged, shall be negotiated at the time of the Choreographer's engagement. For the purpose of the Clause, the final date of the proposed run shall be the final performance prior to any option period, or ninety-six (96) performances, whichever comes first. Royalty payments to Choreographers shall be paid monthly or at the end of the run, whichever comes first.

(B) Amount Of

The negotiated royalty shall be not less than two (2%) percent of the Artist's negotiated Contractual Fee for each week of the extension, or after ninety-six (96) performances, whichever comes first. If no such fee or royalty is negotiated and specified on the CTA Engagement Contract, the Choreographer shall receive a royalty of four (4%) percent of their original Contractual Fee for each week of the extension, or after ninety-six (96) performances, whichever comes first.

This Clause does not apply to Theatre for Young Audiences.

(C) Revival

Should a Theatre decide to revive a production, or should a Theatre give permission to another Theatre to revive a production within a period of two (2) years from the first public performance of the production, and should the originally producing Theatre provide the second Theatre with the prompt script and designs as described below, and the right to use the original choreography, one (1) of the following shall apply:

(i) Choreographs Revival

If the original Choreographer choreographs the revival, they shall receive a fee of no less than one-half (1/2) the original Contractual Fee, or one-half (1/2) the fee applicable to the Theatre reviving the work, whichever is greater.

The Theatre may negotiate a royalty with the Artist at the time of the original production in contemplation of a revival which shall not be subject to the minimum royalty in Clause 62:07(B). If a royalty for a revival was not negotiated and specified on the original CTA Engagement Contract, the Artist shall receive a royalty of four (4%) percent of their original Contractual Fee for each week of the revival.

(ii) Declines Offer

If the original Choreographer declines, for any reason, an offer to choreograph the revival, they shall be paid one-half (1/2) of the originally negotiated royalty for a revival as per Clause 62:07(C)(i). If no such royalty for a revival was negotiated, the Artist shall receive one-half (1/2) of the originally negotiated royalty as per Clause 62:07(B). Further, the Choreographer of the original production shall be billed according to the provisions of Clause 62:06 and in accordance with the terms of their original contract.

(iii) No Offer Made

If the original Choreographer is not offered the opportunity to choreograph the revival, they shall be paid a royalty commensurate with the originally negotiated royalty for an extended run as per Clause 62:07(A) above. Further, the Choreographer of the original production shall be billed using the phrase "Originally Choreographed By..." unless originally negotiated otherwise.

62:08 Termination

An individual Choreographer's CTA Engagement Contract with a Theatre may be terminated by mutual consent of both parties in writing, following consultation by the Choreographer with Equity.

Where no mutual consent is reached, the contract may be terminated as follows:

(A) By Choreographer

By the Choreographer, upon written notice to the Theatre with payment to it of not less than the full face value of the contract. Termination payment must be paid to the Theatre within two (2) weeks of the notice being given or by a schedule mutually agreed upon between the Choreographer and Theatre.

(B) By Theatre

By the Theatre, upon written notice to the Choreographer with payment to them of not less than the full face value of the contract. Termination payment must be paid to the Choreographer within two (2) weeks of the notice being given or by a schedule mutually agreed upon between the Choreographer and Theatre.

(C) Production Abandoned

If the production is abandoned four (4) weeks or more prior to rehearsal, the Choreographer shall be paid fifty (50%) percent of their Contractual Fee immediately. If the production is abandoned less than four (4) weeks prior to rehearsal, the Choreographer shall be paid seventy-five (75%) percent of their Contractual Fee immediately.

(D) Rehearsals Postponed

The Theatre may postpone the first day of rehearsal for up to two (2) weeks from the date specified on the Choreographer's contract by giving the Choreographer a minimum of four (4) weeks' notice. Should the Theatre postpone the first day of rehearsal for more than two (2) weeks, or not give the Choreographer the required notice, or should the Choreographer no longer be available for the rehearsal period due to a postponement, then the Choreographer may claim the production to be abandoned and Clause 62:08(C) shall apply.

(E) Illness or Accident

No penalty or notice is required if the Choreographer terminates their contract due to incapacitating illness or accident. The Choreographer will however inform the Theatre of their illness or accident as soon as possible and provide a doctor's certificate upon request. A Dance Captain may be responsible for the following duties: notate choreography, assist stage management with blocking notes of musical numbers, sit in on rehearsals for musical numbers they are not involved in, rehearse dancers in a secondary rehearsal space when the choreographer is unavailable, clean-up rehearsals for Dancers, notes for Dancers, consult on casting of replacement Dancers, rehearse blocking changes relevant to dance while on tour or in an emergency, schedule dance rehearsals in consultation with the Stage Manager.

(C) Remuneration

A Dance Captain shall be free to negotiate remuneration above the minimums in Clause 16:13 as appropriate to the work required and acceptable to the Dance Captain, which shall be not less than one-hundred and fifty (150%) percent of the additional duties rate as provided for in Clause 16:11(A) in the current CTA Fee Booklet.

(D) Authority

A Dance Captain shall work in consultation and co-operation with the Stage Manager, and may not usurp or override the Stage Manager's authority.

62:10 Assistant Choreographers

When the Theatre engages an Assistant Choreographer who is a member of Equity, the execution of an insurance only CTA Engagement Contract is required. All Assistant Choreographers shall be offered the opportunity to be engaged under a CTA Engagement Contract if they so desire. There are no minimum fee requirements. However, Clause 3:03 (Deductions), will apply to Equity members and Clause 22:01(B) for non-members.

Equity Members who are students on a practicum or who have received grants from a recognized funding body to participate in a production as an Assistant Choreographer shall have the opportunity to self-engage under the appropriate form of Equity Contract.

Individuals who have no pre-assigned functions other than to audit the rehearsal process shall be excluded from this Clause.

The Theatre will determine the appropriate credit in any programs for individuals who audit the rehearsal process. The Choreographer will have approval over the crediting language.

It is of the essence of the CTA that the Choreographer shall be available to attend rehearsals. Except in the case of an emergency which necessitates the Choreographer's absence of one week or less, the Assistant Choreographer may not be required to rehearse a production unless they have been contracted as a Choreographer under terms and conditions to be agreed to by Equity, such agreement not to be unreasonably withheld.

62:11 Training and Professional Development

In the interests of training and professional development of Canadian Choreographers, whenever a non-Canadian (or non-landed immigrant in Canada) is engaged as a Choreographer, a Canadian member of Equity shall be offered a position as Assistant Choreographer. In the event that a Canadian Equity member is not engaged as Assistant Choreographer, Equity may request a list of members who were offered and declined the position.

62:12 Choreographer's Royalty for Reuse of Work

When the Theatre produces a new or adapted play or musical and incorporates choreography created by a Choreographer previously engaged under an Equity form of contract in the development of the work but who has not been engaged for the production, a royalty of not less than one (1%) percent of the applicable Company Category minimum fee for use of such original work shall be required.

The use of the work of the original Choreographer will be at the sole discretion of that individual which will not be unreasonably withheld. Appropriate credit will be given in the production program.

In order to establish the Choreographer's contribution to the new work or adaptation of an existing work, the Theatre shall record each workshop in which the Choreographer is present. A copy of the reference recordings shall be given to the Choreographer. The reference recordings shall not be broadcast by the Theatre or the Choreographer, posted on the internet or distributed in any way.

For the purposes of this Article, Clause 62:07(C) Revival shall not apply.

Preamble**(A) Employment Status**

All personnel engaged to fulfil Stage Management duties as defined in Clause 63:13 shall be hired as employees of the Theatre and must be contracted under the terms of the CTA. Equity and PACT will consider it to be a breach of the CTA if the Theatre uses non-Equity personnel to fulfil Stage Management duties as herein defined.

(B) Employment Standards Act

Provincial statutes will stipulate the overtime provisions as they apply to hours of work and the requirements for averaging agreements, where applicable.

If the Theatre operates in a province or territory where the legislated number of allowable working hours in a day or week is less than permitted for Stage Management personnel in the CTA, the applicable clauses of the CTA shall be altered to conform to the legislation. Where this legislation permits the Theatre to apply for an extension to the number of working hours in a day or week, it shall be the sole responsibility of the Theatre to secure permission to do so.

The Theatre shall advise the Artist in advance of signing a CTA Engagement Contract of any permits related to the allowable working hours in a day or week that may affect the Artist's working conditions. This information shall also be included in a rider affixed to the Artist's contract. In addition, the rider must include how ESA overtime is administered by the Theatre, including, but not limited to, any applicable averaging cycle and the timing of payment of ESA overtime to the Artist.

For ESA overtime purposes the Theatre shall divide the Artist's weekly Contractual Fee by the number of allowable work hours before overtime is payable under the applicable Provincial Employment Standards Act to ascertain the hourly rate of pay for the Artist.

(C) Overtime and Averaging Agreements

The Stage Management overtime workbook shall be used to calculate overtime on a weekly basis. Where averaging agreements are in place, total weekly hours as calculated by the workbook shall be used to calculate overtime over the averaging agreement period(s).

Averaging agreements shall be applied to weeks in which the Artist is receiving a full weekly fee, beginning with a Monday (per Clause 18:18), and may not include hiatus weeks for which no fee is paid.

The following do not apply to Stage Management:

5:01	Independent Contractor

63:01 Equity Stage Management

The Theatre agrees that it will engage only existing Equity Stage Managers and Assistant Stage Managers for all Stage Manager and Assistant Stage Manager positions on its staff. Equity will provide on request a current and up-to-date list of Stage Managers who have informed Equity that they are available for work. However, the Theatre shall not be obliged to engage a Stage Manager or Assistant Stage Manager whom the Theatre judges to be incompatible with its needs. A person who is not already a member of Equity may be engaged as a Stage Manager with the written permission of Equity provided that the Theatre has publicly advertised the job, and conducted a search for, and considered existing Stage Manager members. Advertising will include the Theatre's website and/or sphere of social media pages. The Theatre will also make best efforts to post on Equity's e-Drive.

63:02 Production Rights Agreements Requiring Playwright's Prior Approval

The Theatre will make its best efforts to ensure that the Stage Manager is aware of any production rights agreement which requires the playwright's prior approval of any changes to the production script. The Stage Manager shall endeavour to inform the Theatre in a timely fashion of any changes so made.

63:03 Contractual Obligations Requiring Stage Manager's Assistance

The Theatre will make its best efforts to inform the Stage Manager of any contractual obligations the Theatre has made which will directly affect the Stage Manager's engagement or will require the Stage Manager's assistance in ensuring compliance.

63:04 Consultation on Selection of Stage Management Personnel

Whenever possible, the senior Stage Management positions shall be filled first. At the time of contracting, the Theatre will consult with the Production Stage Manager or the Stage Manager in the selection of other Stage Management staff for positions not already contracted. The Production Stage Manager or Stage Manager shall have control over Apprentice Stage Managers' assignments on a production.

63:05 Stage Management Staffing Formulae

All Theatres will engage sufficient personnel to ensure the safe and efficient running of a production. To this end, the Production Stage Manager or Stage Manager and the Theatre will thoroughly discuss the Stage Management staff planned for a given production prior to the contracting of the Production Stage Manager or the Stage Manager.

(A) Requirements

There shall be at least one (1) Stage Manager or Production Stage Manager for each production.

A Production Stage Manager may be required to stage manage or assistant stage manage productions. However, in such cases, the assignment of a Production Stage Manager to each production must be agreed to prior to the signing of their contract.

(B) Repertory

In addition to Clause 63:05(A), when a Theatre produces in repertory with two (2) or more productions with Artists who are cross-cast, the following shall apply:

- (i) Where there is a separate Stage Manager for each production, no Production Stage Manager is required, unless the combined cast sizes are sixteen (16) or more Artists.
- (ii) Where the Stage Manager is the Stage Manager for two (2) or more productions, then at least one (1) Production Stage Manager shall be engaged beginning with the first production.

(C) Assistant Stage Managers

There shall be at least one (1) Assistant Stage Manager engaged by Theatres in Company Categories A (including A+), B, C and D, none of whom may understudy or perform. All Stage Management personnel may be assigned to two (2) or more consecutive or concurrent productions.

For Theatres in Company Categories E, F and G, where no Assistant Stage Manager is required, and where the Stage Manager is unable to supervise the performance from the stage or the immediate vicinity of the stage, the Theatre will ensure that a member of the production staff or stage crew or Apprentice Stage Manager is accessible to that location in order to ensure the safety of the Actors.

However, in the case of productions with a unit set or black box and a cast of three (3) or less, regardless of Company Category of the production, the hiring of Assistant Stage Managers is solely at the discretion of the Theatre, after consultation with the Stage Manager, except as outlined in Clause 63:05(D). In such cases where the Theatre elects not to engage an Assistant Stage Manager, the Theatre will hire an Apprentice Stage Manager, with the approval of the Stage Manager.

(D) Size and Complexity of Production

For productions with:

- (i) mechanized and/or automated and/or flown scenery where there is no competent on-deck supervision with a direct line of sight, or;
 - (ii) a cast size of sixteen (16) or more;
- regardless of the Company Category, a Stage Manager and an Assistant Stage Manager shall be required.

For productions with:

- (i) a cast size of excess of sixteen (16) or more; and
- (ii) extensive backstage traffic,

the following minimum Stage Management requirements will apply:

A (including A+): Stage Manager, two (2) Assistant Stage Managers;

B - G: Stage Manager, Assistant Stage Manager, Apprentice Stage Manager.

When it becomes apparent at any time during the rehearsal or run of a production that the number of Stage Management personnel is insufficient for the safe, efficient running of the production, the Production Stage Manager or the Stage Manager shall notify the Theatre and Equity of the situation. If the Theatre and Stage Management personnel are unable to agree to a resolution, Equity and the Theatre will consult with respect to the Stage Management needs of the production.

63:06 Pre-production Preparation Time

(A) Original Stage Management Personnel

(i) Production Stage Managers and Stage Managers

All Production Stage Managers and all Stage Managers shall be engaged for one (1) week prior to the commencement of rehearsals. Where the Theatre and the Artist agree that the period may be shorter, the Theatre will consult with the Artist at the time of offer to jointly establish the exact number of days required for pre-production preparation, the terms of agreement to be approved by Equity prior to signing, such approval will not be unreasonably withheld. Should the Stage Manager be hired for less than one (1) full week, the daily remuneration shall be no less than one-quarter (1/4) of the week's Contractual Fee.

(ii) Assistant Stage Managers

All Assistant Stage Managers shall be engaged for a minimum of two (2) working days prior to the first rehearsal, unless the Theatre and Equity agree that the period is not required. However, where the Theatre and Stage Manager agree by the scale of the production that additional time is necessary, the Theatre shall engage the Assistant Stage Manager for a minimum of three (3) days prior to the first rehearsal.

Where the Assistant Stage Manager is a resident in the Theatre's Point of Origin, this day may be scheduled in consultation with the Stage Manager, and shall be mutually agreed upon. The Assistant Stage Manager shall be remunerated for this day at the rate of one-sixth (1/6) of their Contractual Fee. In all other cases, the Assistant Stage Manager will be paid one-sixth (1/6) of their Contractual Fee, but may not be required by the Theatre to report to the Theatre sooner than two (2) days prior to the beginning of rehearsal.

(iii) Apprentice Stage Manager

Should the Theatre wish to secure the services of an Equity Apprentice Stage Manager, the Apprentice will be engaged to assist the Stage Manager for three (3) days during the pre-production week unless the Apprentice Stage Manager is not available for such a period due to prior commitments.

Where an Apprentice Stage Manager is engaged for the production, the Assistant Stage Manager's pre-production preparation period may be reduced to not less than one (1) day.

All Equity Stage Management personnel shall be paid one-seventh (1/7) of their contractual fee for each day or portion thereof on which their services are required prior to the commencement or after the termination of their contracts.

(B) Replacement Stage Management Personnel

(i) Replacement Stage Manager

Where a replacement Stage Manager will be taking over rehearsal, the replacement Stage Manager shall be engaged with no fewer pre-rehearsal preparation days than the Stage Manager they are replacing.

Where the replacement Stage Manager will be taking over technical rehearsals or performance, they shall be engaged one (1) week prior to the date on which they are to take over the production, unless the Theatre, the Stage Manager and the Replacement Stage Manager agree that the period may be shorter.

(ii) Replacement Assistant Stage Manager

Where a replacement Assistant Stage Manager will be replacing the original Assistant Stage Manager for rehearsal, the replacement Assistant Stage Manager shall be engaged for no less than one (1) preparation day.

Otherwise, vacation pay shall be paid weekly with the contractual payment.

After six (6) months of continuous engagement on any contract of fifty-two (52) weeks (or longer), the Artist must have the opportunity to take a one (1) week vacation at a mutually acceptable time on provision of four (4) weeks' notice to the Theatre, being compensated from the accrued vacation pay. Thereafter, the Artist may take a one (1) week vacation after each further six (6) months of continuous engagement on the same terms. The Artist shall receive their accrued vacation pay prior to any vacation period.

63:09 Statutory Holidays

Should a member of the Equity Stage Management staff be required to work on a statutory holiday (as designated by the laws of the province in which the Theatre is located), then that member shall be compensated in accordance with said laws for those public holidays. The calculation for such work shall be based on one-seventh (1/7) of the Contractual Fee multiplied by the maximum time premium factor available under the applicable provincial laws.

63:10 Responsibility of an Assistant Stage Manager

An Assistant Stage Manager will work under the direction of the Production Stage Manager and/or Stage Manager and will fulfil all such tasks as are assigned by them. An Assistant Stage Manager may never be solely in charge of a performance or a production.

The Assistant Stage Manager cannot be required to call the show, except as provided for in Clause 63:13(B) with the prior approval of the Theatre. In the event that the Assistant Stage Manager calls the show, they shall be compensated at not less than one sixth (1/6) the applicable Stage Manager weekly fee for each day that they undertake the duty.

Assistant Stage Managers may not perform or understudy performers, except as provided for in Clause 63:12(G).

63:11 Apprentice Stage Manager

It is acknowledged that an Apprentice Stage Manager position is a training position and is not to replace the need for additional stage management staffing.

An Apprentice Stage Manager may, unless otherwise provided for in the CTA, be engaged under terms and conditions outside the CTA, and may be required to tour. Equity agrees to consider any request from a member of a professional performing artists' association or union for permission to register as an Apprentice.

(A) Registration

The Theatre shall register with Equity (on a form provided by Equity) each Apprentice hired within one (1) week of the engagement by filing a resume and an Apprentice Registration form signed by the Apprentice to the effect that they are not now and never has been a member of any performing artists' association or union. The Apprentice Registration form and resume shall be accompanied by a fee to be determined by Equity, seventy-five dollars (\$75.00) of which shall be paid by the Theatre, for each production for which the Apprentice has been hired.

(B) Maximum Number

The maximum number of Apprentice Stage Managers engaged by the Theatre shall not, at any time, exceed the current number of Equity Stage Management personnel engaged by the Theatre.

(C) Fee Paid to Apprentice Stage Manager

(C) Signing Closing Notices

Signing the closing notice of a company or the individual notice of an Actor or any other member of a company.

(E) Payroll

Doing the payroll or distributing payments (including but not limited to fees and expense allowances) except where such payments are delivered in a sealed envelope addressed to the individual Artist. In matters of finances, the Stage Manager is personally responsible only for items purchased out of their petty cash budget. The Stage Manager should, however, keep the Theatre informed of developments that may involve unexpected major expenses.

(F) Serving Meals

Serving meals for the Actors. At the discretion of the Stage Manager, Stage Management personnel may order and/or obtain meals for the Actors, but shall not assume any personal financial commitment in this regard.

(G) Understudying and Performing

Understudying or performing on stage. Only in an emergency and with their consent may Stage Management personnel perform, for which performance they will be paid at the prorated applicable minimum fee for an Actor in addition to their Contractual Fee. However, where there are two (2) Assistant Stage Managers under contract for a single production, then the second Assistant Stage Manager may perform and understudy, following the consent of Equity in advance, which shall not be unreasonably withheld. The part which they are to perform must be contracted for in advance of the first day of rehearsal for such productions.

63:13 Duties and Responsibilities of Stage Management

In addition to those duties detailed in Article 5:00 (Duties and Responsibilities of the Artist), the duties and responsibilities of Stage Management personnel are defined within this Clause, unless other or additional duties are agreed to by a rider at the time of contracting.

In the following Clauses, references to the Stage Manager shall encompass an Artist engaged as a Production Stage Manager who is assigned to stage manage a given production (See Also Clauses 63:05(A) and (B)).

(A) Discretion in Organization of Work

The Theatre recognizes that the Stage Manager holds a position of supervisory responsibility and, as such, may exercise discretion in arranging their work and that of their staff. Such discretion shall be exercised by the Artist, after consultation with the Theatre's designated representative. The Artist cannot be held responsible for any overtime which may arise through circumstances beyond their control.

(B) Delegation

The Stage Manager may delegate any of their duties or authority to their staff as they feel necessary for the efficient running of their production, excepting that a person contracted as Stage Manager will be in the theatre and available throughout all performances. Such delegation to a member of Equity will require that person to be contracted as an Assistant Stage Manager.

(C) Organization of Rehearsals and Performances

The Stage Manager shall organize and supervise all rehearsals and performances, and endeavour to uphold the terms of the CTA, the requirements of Equity's Constitution, Bylaws and any regulations governing its membership, and any management rules and regulations not in conflict with the CTA and to consult with the Liaison and the Theatre's designated representative where necessary.

(D) Scheduling Rehearsal Calls

In accordance with the requirements of the Theatre, the Director, and the terms of this Agreement, the Stage Manager shall be responsible for the calling of all rehearsals, whether before or after opening, and for the scheduling of other company or individual calls related to a production.

(E) Scheduling Set-Ups, Strikes, Load-Ins and Load-Outs

The Production Stage Manager or Stage Manager shall schedule and control set-ups, strikes, load-ins and load-outs if required by the Theatre. If, on the final day of engagement, the Artist is required to supervise the strike and load-out, they shall receive the regular overtime rate, according to Clause 63:18(C) beyond 12:00 midnight. On tour, if the Artist is responsible for set-ups and strikes, they must be present for same.

(F) Photo Calls

The Theatre shall consult with the Stage Manager prior to the setting of a shot list for photo calls in order that both parties are aware of the technical requirements of the photo call. In addition to the terms of Clauses 43:01 and 43:02, the following shall apply:

- (i) The Stage Manager shall be provided with a shot list at least twenty-four (24) hours in advance of any photo calls requiring the stage, costumes, properties, make-up and lighting effects. Should such notice not be provided, The Stage Manager may delay the start of a photo call to change the proposed order of the shot list to accommodate the technical requirements. In such instances, the Theatre should be aware that such a delay could result in overtime.
- (ii) Photo calls requiring any or all of the following elements may not be scheduled on an extended rehearsal day unless the call is scheduled within the regular rehearsal hours: the stage, costumes, properties, make-up, and lighting effects. (See Clause 43:02)

The Stage Manager and the Assistant Stage Manager(s) shall be present at all scene change rehearsals and cueing sessions for the production which will come under the supervision of Stage Management during rehearsals or performances. A cueing session includes any period of time during which the Director and designer of any discipline (i.e. lighting, sound, video, etc.) are setting numbered cues for the production. Stage Managers must be given sufficient time to see/hear and accurately place cues in their prompt book before the cues are rehearsed onstage with Actors. The Stage Manager shall be present for all cueing sessions for the production, and the Assistant Stage Manager shall be present for any cueing session which will come under their supervision during rehearsals or performances. The Stage Manager shall attend production meetings as provided for in Clause 63:16.

(I) Prompt Book

The Stage Manager shall assemble and maintain the prompt book, which is the property of the Theatre, and is defined as the accurate and up-to-date playing text and stage business, together with cue sheets, plots, daily records, etc. as are necessary for the actual technical and artistic operation of the production. The Stage Manager will submit the prompt book to the Theatre at the end of the run of the production.

(J) Maintenance of Artistic and Technical Intentions

The Stage Manager shall maintain, to the best of their ability, the artistic and technical intentions of the Director, Theatre and designer after opening, and upon approval of the Theatre, shall call rehearsals when necessary, and shall prepare Understudies, replacements, and Extras, when or if the Director or Theatre is unavailable or declines this prerogative.

(K) Show Reports

During the rehearsal period, the Stage Manager shall communicate with the Theatre's designated representative about running times and any problems in the artistic or technical elements of the production. During performance this communication must be written and filed with the Theatre's representatives in the form of a per performance show report. The Stage Manager shall send the show report to a maximum of four (4) individuals as designated by the Theatre. Upon request, the Director, Choreographer, and/or music director of the production may also receive the show report. For Repertory theatre and Joint Productions, this number shall be increased to six (6) individuals in addition to the Production Stage Manager, where applicable.

Additionally, PACT and/or Equity may request, with a reasonable cause, a copy of the daily show report. Such request will not be unreasonably withheld.

The Stage Management show report shall be treated as confidential. Nevertheless, when an Artist receives a reprimand or complaint from the Theatre based on the report, the Artist has the right to access any portion of the report which may have been the basis for the reprimand or complaint, and the Stage Manager shall be so informed immediately.

(L) Record-Keeping

The Stage Manager shall keep such records as may be necessary to advise the Theatre, the Liaison and/or Equity on matters of company discipline and other business related to the rights and obligations of Artists, such as, but not limited to, attendance, overtime, work on statutory holidays, meal breaks, costume and photo calls, working environment health and safety.

(M) Health and Safety

The Stage Manager shall keep such records as are necessary and take all necessary precautions to see that safe and clean conditions exist both on stage and backstage as well as in rehearsal halls, and shall immediately advise the Theatre's designated representative if the health and safety provisions of the CTA are not being maintained.

(N) Physical Welfare of Company Members

In the absence of a company manager, the Stage Manager shall be prepared to assist and advise members of the company on matters relating to their physical welfare, and to this end shall, among other things, see that first aid supplies, listings of emergency services and medical advisors, and insurance and accident report forms are provided to the Artists.

(O) Dressing Area

In accordance with Clause 26:01, the Stage Manager has the authority to keep the Actors' dressing area free of all unnecessary personnel during any half-hour call or intermission.

(P) Backstage Area

During performances, the Stage Manager is in sole charge of the backstage area, and if the physical arrangement of the theatre necessitates technical supervision from some area other than backstage, the Stage Manager will ensure that some member of the production staff is in the backstage area. In addition, the Stage Manager is in sole charge of cueing the movement of all scenic elements, technical elements, and Performers.

(Q) Security

The Stage Manager shall implement provisions made by the Theatre for the security of personal property and notify the Theatre's designated representative when security provisions for Artist's valuables are not available/operable.

(R) Sound Operation in Rehearsal

In rehearsal, the Stage Manager may be asked to operate sound and/or video cues which are integral to the movement or blocking of the piece. It is understood that the priority of the Stage Manager in rehearsal should not be the execution of technical cues. Should the Theatre and the Stage Manager agree that the complexity of the operation is significant, such as alteration of cues, and the Theatre requires the Stage Manager to perform these operations, the additional duty fee stipulated in 16:11(A) is required until such time as the Stage Manager is relieved of the duty. The fee shall be provided for in a rider to the Stage Manager's CTA Engagement Contract, and is considered as part of the Artist's Contractual Fee.

63:14 Other Duties

As the duties of Stage Management may differ from theatre to theatre, it is required that the Theatre discuss these duties with the Stage Management personnel prior to signing the contract. Any other duties than those previously defined herein shall be contracted separately in writing and included as a rider to the contract and the Stage Manager and the Theatre shall be free to negotiate additional compensation for such other duties. This does not preclude Stage Management personnel from performing other duties in an emergency.

The Stage Manager may, at their discretion, use preparation time to accomplish such other duties as long as they do not interfere with the regular preparation duties. If these other duties cannot be accomplished within the regular work hours and/or during the preparation hours, then regular overtime shall apply, and confirmation of this requirement shall be included in the rider to the Artist's contract.

Such other duties include, but may not be limited to, the following:

(A) Supervision of Animals

Any situation where Equity Stage Management personnel, in the absence of any other personnel appointed by the Theatre, is responsible for the care and feeding of any animal used in a production. This does not preclude the usual supervision required of Stage Management personnel when animals are involved in rehearsals and/or performances.

However, it is the intention of this Clause to allow what is considered to be a reasonable time period to accomplish the preparation work, and is not the intention to allow for overtime payments that may occur as a result of the particular style of the Stage Management personnel. It is expected that at all times preparation time is to be used in the most efficient manner possible so that overtime is minimized.

Preparation time is separate from the half-hour call and any allowable rehearsal hours. Preparation time is not transferable to another day.

Where the company has agreed to reduce the meal break to one (1) hour (Clauses 24:04(A) and (D)), the Stage Management must be given a meal break of at least forty-five (45) minutes.

When the Stage Manager is required to undertake duties during the meal break as provided for above, the Theatre may require the Production Stage Manager or Stage Manager to adjust the schedule for Stage Management staff to avoid overtime penalties. The Theatre shall also apply any required adjustments to benefit remittances and remit the full amount of the adjustment to Equity with their next scheduled remittance payment. Riders confirming the new Company Category, and indicating adjustments in fees will be issued to all affected Artists.

(B) Company Category Continuance

APPENDIX IV SIDE LETTER RE: PERFORMING ARTS LODGE BENEFIT PERFORMANCE

Theatres recognize the value and importance to our communities of the Performing Arts Lodges of Canada (PAL) and its regional chapters. Each Theatre will endeavour to provide financial support to their local or regional chapter.

A Theatre may elect to provide support to PAL by means of a scheduled benefit performance or audience collection. A benefit performance is a regularly scheduled performance, or one in addition to the regular schedule of performances, for which the proceeds are donated to PAL. A Theatre may, with a minimum of two (2) weeks' notice to the Artists, Equity and PACT, schedule an extra performance, that is to say a ninth performance in a regular Engagement Week, or a performance on a normal Free Day, as a benefit performance for PAL. In such performances, Artists will take part without additional remuneration.

Alternatively, a Theatre may schedule a benefit activity for PAL in accordance with Equity's Guidelines for Benefits and Fundraisers except that Equity's permission will not be required prior to the scheduling of the benefit. In such cases the Theatre shall notify the Artists, PACT and Equity no later than two weeks prior to the activity taking place. For any benefit activity that requires variances to the Guidelines for Benefits and Fundraisers, other than requesting permission, the Theatre shall give Equity at least thirty (30) days notice to consider the variance. Until such time that the variance has been granted by Equity the standard provisions of Equity's Guidelines for Benefits and Fundraisers shall prevail.

APPENDIX V SIDE LETTER RE: INFORMATION PROVIDED TO NON-EQUITY ARTIST BY THE THEATRE

In the interest of full disclosure of information pertaining to membership options available to a non-Equity Artist engaged under a CTA Engagement Contract the Theatre shall provide to each non-Equity Artist an information sheet that has been supplied to PACT by Equity.

APPENDIX VI SIDE LETTER RE: ELECTRONIC STATEMENTS

PACT and Equity agree that the parties may benefit from the increase in ability to conduct administrative functions electronically. To that end, Equity will explore the feasibility of issuing statements to Theatres as stipulated in Clause 16:17 by electronic means.

APPENDIX VII PAST PRACTICE ACTIVITIES

Notwithstanding the provisions of Article 22:00, Equity and PACT agree that certain Theatres' historical practices are reliant on terms and conditions available in prior CTA agreements. Where there is disagreement upon the application of terms or conditions to past practice activities, the matter will be referred to the Joint Administration Committee.

The nature of the activities fall under several categories of non-member engagement. The common element among all such past practice activities is that the use of non-members has been the Theatre's historical practice on a regular basis prior to the expiration of the 2009-2012 CTA.

A Community Member is defined as is a non-professional who is a bona fide member of the community and who does not intend to make a career in professional theatre.

These activities shall consist of the following categories:

- (i) The historical practice of including Community Members, as defined herein, where the Theatre's mandate, artistic practice, community outreach and/or audience development require community members' engagement in the production;
- (ii) The historical practice of engaging non-members to allow an annual production that the Theatre would otherwise be unable to mount, or mount on an appropriately substantial scale, for financial reasons.

Theatres conducting activities under the categories above can avail themselves of the following non-member quota provisions:

The number of Community Members and/or non-members combined shall not exceed the following percentages of the total number of Actors in a production:

Company Category A (including A+), B, C, D: 25%

Company Category E, F, G: 33%

All other Actors in the production, who are not Community Members, must be signed to CTA Engagement Contracts and all will be compensated at not less than Engagement Level 1.

Theatres having historically conducted activities meeting any of the foregoing criteria will apply to PACT and Equity for inclusion in the past practice program outlined herein. Once approved these activities shall not require annual approval unless any material aspect of the activity, or the Theatre's mandate, changes.

For specific examples of such historical practices please contact PACT or Equity.
