SOUNDS OF MUSIC TO FILL DOWNTOWN AMHERST THROUGHOUT THE SUMMER SEASON

Announcing the Downtown Amherst Summer Concert Series
The Amherst Business Improvement District (BID) is proud to announce the 2024 summer music series line-up on the four Fridays in July from 5-9 p.m. on the Town Common:

- July 5: SPF-4 & Harvest and Rust
- July 12: Grayson Ty & TapRoots
- July 19: Jazz in July
- July 26: The No Nos & LeFever

This summer concert series is not only a community-building and arts and cultural event but one of a dozen annual events put on by the BID that contribute to the economic vitality of Downtown Amherst. We encourage all to explore all that our dynamic downtown has to offer before and after the concerts. Support local shops, retail, and experiences and enjoy a taste of our global gastronomy by sitting down to dinner al fresco or getting your favorite meal to-go and bringing it to The Common to enjoy. In addition, Downtown Amherst’s signature new local market, Aster + Pine, is offering picnic charcuterie and snacks baskets for each summer concert. Stop into their beautiful brick-and-mortar location on North Pleasant Street or pre-order only at asterandpinemarket.com.

A special thanks to our underwriters of this year’s summer concert series, Encharter Insurance and the Mass Cultural Council. Their support enables us to bring these free concerts to the community.
