Rajkumar, one of the most gifted stage actors in South East Asia, teaches, performs and directs in Nepal. His monthly compensation is the equivalent of $120. There are other students from as far away as South Africa and as close as Rochester in similar positions. These are not beginners looking for a hand out—they are exceptional artists, ready to start making a difference in their communities.

All they need is a PUSH in the right direction...

Sincerely,
Darren Stevenson, Founding Director
