Materials

- Pencils (1 per child)
- Writing paper (1 per child)

Reproducibles

- “Narrative Story Map” sheet (1 per child)

Directions

1. Explain to children that they will write their own turnip tale with characters, a setting, and a plot (beginning, middle, and end) like Grandma Lena’s Big Ole Turnip - except Grandma Lena’s story was about growing turnips and their story will be about cooking or eating turnips!

2. Distribute one of the “Narrative Story Map” sheets to each child. Instruct children to write or draw the unique setting and characters will be in their story.

3. Then instruct children to formulate their plot - a beginning that introduces the characters, a middle with a problem or conflict, and the end with a resolution.

4. Then, provide each child with a sheet of writing paper and have children use their story map to write a narrative story. Remind students to add in dialogue and descriptions of the characters’ actions, thoughts, and feelings as they respond to the different situations.
