

Communicating, virtually.

OFFERINGS TO ELEVATE REMOTE CONNECTION

Virtual Presence : Online Workshop

Impactful communication through virtual mediums

Our communication landscape has shifted.

Prioritise authenticity and connection through focusing your capacity to effectively reach others remotely.

This is a virtually delivered 1–1.5 hour interactive workshop session, tailored to your cohort.

This online workshop is for individuals who need to:

- Stay connected to remote teams, partners and clients
- Influence effectively through virtual mediums
- Engage audiences with virtual presentations

This online workshop will help participants:

- Build and maintain authentic connection with stakeholders through virtual channels
- Leverage voice and body language techniques to enhance non-verbal communication on camera
- Find clarity and focus messaging during a time of over-communication
- Use platforms to effectively drive messaging and alleviate barriers
- Present alongside visual aids or written materials as relevant
