

# WE'RE HERE FOR YOU.

## Behavioral Health

Premier Community HealthCare believes in restoring and enhancing the quality of life in each individual we serve. We provide an array of behavioral health services for children, teens and adults. Our behavioral healthcare clinicians include: Licensed Clinical Social Workers, a Board Certified Psychiatric ARNP/PA, a Psychologist, a Consulting Psychiatrist and a Physician Assistant. We encourage you to learn about the services which we provide and how Premier will support you on your journey.
