# Bringing Physicians and Patients Together

---

Tampa Bay Integrated Healthcare (TBIH) is a network of independent primary care physicians, specialists, and urgent care facilities. Our clinically integrated network (CIN) of industry-leading physicians have joined forces with a core mission to provide the best care, improve patient outcomes, and optimize costs. We are pleased to work alongside dedicated & passionate physicians looking to collaborate on tackling the challenges disrupting the health care industry and creating solutions to improve the care extended to our community.

# Board of Managers

---

Our participating physicians have a team of health care administrators working on their behalf to ensure the each clinical practice is performing at its best. Our hard-working staff can be utilized with on-site training to ensure clinical compliance is being met and best quality practices are being achieved. Our team can assist with billing and coding and provide guidance on management technologies so each practice is successful and profitable.
