HEALING ROOMS HAVELOCK NORTH

Here at Arohanui Church
17th September
9:30-11:00am Saturday

*All welcome—No appointment necessary.
Spread the word amongst those you know that there is a loving quiet, confidential environment available where a team will pray for healing, restoration or breakthrough in any area of your life.*

PLEASE PRAY FOR:

Those we know who are unwell, recovering, feeling stressed or awaiting diagnoses.

Pray for our new Pastor Will Joseph, and wife Kayb, and sons Quinn & Albie as they prepare to leave their home in the States.

For our AGM. For our leadership & our vision. For unity

For ourselves for the depth of our personal relationship with God to grow so we can shine our light as a beacon of hope for all those we meet.

For our brothers and sisters around the world who face daily persecution for being Christian.

Pray for the Oxford Centre for Religion and Public Life, the academic branch of Barnabas Aid who help leaders by offering low cost study for those in Christian Ministry in parts of the world where it is difficult to undertake pastoral and theological study. Several students have gained their doctorates and two of their theses are being prepared for publication in order to benefit other church leaders. One thesis is from Nigeria and the other from South Sudan. Pray that the Lord will guide all the students, who continue with their ministries while they study, that their researches may help to build up His people and extend His Kingdom.
