1 Title

This Act is the Te Urewera Act 2014.

2 Commencement

This Act comes into force on the day after the date on which it receives the Royal assent.

Part 1
Te Urewera

Subpart 1—Background, purpose, and principles

3 Background to this Act

Te Urewera

- (1) Te Urewera is ancient and enduring, a fortress of nature, alive with history; its scenery is abundant with mystery, adventure, and remote beauty.
- (2) Te Urewera is a place of spiritual value, with its own mana and mauri.
- (3) Te Urewera has an identity in and of itself, inspiring people to commit to its care.

Te Urewera and Tūhoe

- (4) For Tūhoe, Te Urewera is Te Manawa o te Ika a Māui; it is the heart of the great fish of Maui, its name being derived from Murakareke, the son of the ancestor Tūhoe.
- (5) For Tūhoe, Te Urewera is their ewe whenua, their place of origin and return, their homeland.

- (6) Te Urewera expresses and gives meaning to Tūhoe culture, language, customs, and identity. There Tūhoe hold mana by ahikāroa; they are tangata whenua and kaitiaki of Te Urewera.
- Te Urewera and all New Zealanders*
- (7) Te Urewera is prized by other iwi and hapū who have acknowledged special associations with, and customary interests in, parts of Te Urewera.
- (8) Te Urewera is also prized by all New Zealanders as a place of outstanding national value and intrinsic worth; it is treasured by all for the distinctive natural values of its vast and rugged primeval forest, and for the integrity of those values; for its indigenous ecological systems and biodiversity, its historical and cultural heritage, its scientific importance, and as a place for outdoor recreation and spiritual reflection.
- Tūhoe and the Crown: shared views and intentions*
- (9) Tūhoe and the Crown share the view that Te Urewera should have legal recognition in its own right, with the responsibilities for its care and conservation set out in the law of New Zealand. To this end, Tūhoe and the Crown have together taken a unique approach, as set out in this Act, to protecting Te Urewera in a way that reflects New Zealand's culture and values.
- (10) The Crown and Tūhoe intend this Act to contribute to resolving the grief of Tūhoe and to strengthening and maintaining the connection between Tūhoe and Te Urewera.

4 Purpose of this Act

The purpose of this Act is to establish and preserve in perpetuity a legal identity and protected status for Te Urewera for its intrinsic worth, its distinctive natural and cultural values, the integrity of those values, and for its national importance, and in particular to—

- (a) strengthen and maintain the connection between Tūhoe and Te Urewera; and
- (b) preserve as far as possible the natural features and beauty of Te Urewera, the integrity of its indigenous ecological systems and biodiversity, and its historical and cultural heritage; and

- (c) provide for Te Urewera as a place for public use and enjoyment, for recreation, learning, and spiritual reflection, and as an inspiration for all.

5 Principles for implementing this Act

- (1) In achieving the purpose of this Act, all persons performing functions and exercising powers under this Act must act so that, as far as possible,—
 - (a) Te Urewera is preserved in its natural state:
 - (b) the indigenous ecological systems and biodiversity of Te Urewera are preserved, and introduced plants and animals are exterminated:
 - (c) Tūhoetanga, which gives expression to Te Urewera, is valued and respected:
 - (d) the relationship of other iwi and hapū with parts of Te Urewera is recognised, valued, and respected:
 - (e) the historical and cultural heritage of Te Urewera is preserved:
 - (f) the value of Te Urewera for soil, water, and forest conservation is maintained:
 - (g) the contribution that Te Urewera can make to conservation nationally is recognised.
- (2) In achieving the purpose of this Act, all persons performing functions and exercising powers under this Act must act so that the public has freedom of entry and access to Te Urewera, subject to any conditions and restrictions that may be necessary to achieve the purpose of this Act or for public safety.

101 Criteria for adding land

 - (b) natural features of such distinctive natural beauty or cultural or scientific value that preservation of the land in perpetuity is of national importance; or
 - (c) indigenous ecological systems and biodiversity or other natural features whose natural, cultural, or historic values are unique or so scientifically important that their preservation in perpetuity is of national importance.
- (2) An area of land outside the boundaries of Te Urewera may be considered for inclusion in Te Urewera, even if its natural, cultural, or historic values have been diminished, as long as the land—
- (a) is capable of restoration or regeneration, particularly if it is representative of an indigenous ecological system not elsewhere protected in New Zealand; or
 - (b) contains features that are not elsewhere protected in New Zealand but are unique, or so beautiful or scientifically important as to justify protection as part of Te Urewera; or
 - (c) does not have significant natural values but—

 - (ii) the inclusion of that land is compatible with the protection of the natural values of Te Urewera.

- tribution of Te Urewera to achieving that goal;
and
- (v) the efficient management of Te Urewera; and
 - (vi) public access to Te Urewera, to the extent that that is consistent with the need to preserve the natural, cultural, historic, or scientific values of Te Urewera; and
- (b) any extant historical Treaty claims over the land to which the proposal relates; and

 - (b) disturbing, trapping, taking, hunting, or killing indigenous animals within Te Urewera.
- (2) The Board may only grant an activity permit for the activities specified in subclause (1) if—
 - (a) the preservation of the species concerned is not adversely affected; and
 - (b) the effects on Te Urewera are no more than minor; and
 - (c) the grant of a permit is consistent with the management plan.
- (3) In deciding an application, the Board must take into account whether—
 - (a) the proposed activity is essential for management, research, interpretation, or educational purposes; and
 - (b) the proposed activity is important for the restoration or maintenance of customary practices that are relevant to the relationship of iwi and hapū to Te Urewera; and
 - (c) the quantity of indigenous plants or animals that will be affected is minor in relation to the abundance of the material; and
 - (d) the proposed activity could occur outside Te Urewera or elsewhere within Te Urewera where the potential adverse effects would be significantly less; and
 - (e) iwi and hapū support the application.

2 Accommodation

- (1) This clause applies to applications for an activity permit—
 - (a) to establish accommodation within Te Urewera; or
 - (b) to add to an existing structure or facility.
- (2) The Board may only grant a permit for accommodation if that activity is provided for in the management plan.
- (3) In deciding an application, the Board must take into account whether—
 - (a) the accommodation or related facility could reasonably be located outside Te Urewera or elsewhere within Te Urewera where the potential adverse effects would be significantly less; and
 - (b) the activity could reasonably be undertaken in an existing structure or facility; and
 - (c) the proposal—
 - (i) minimises any adverse effects on Te Urewera and on the existing benefit, use, and enjoyment of the public arising from public access to and in Te Urewera; and
 - (ii) avoids a rapid increase in the built environment within Te Urewera; and
 - (iii) complements any existing accommodation and its related facilities; and
 - (iv) provides for a location, scale design, construction, colour, and maintenance that preserve a sense of naturalness and harmonise with the landscape.
- (4) New accommodation and related facilities, including encampments, for exclusive private use are not permitted in Te Urewera.

3 Roads

- (1) The Board may grant an activity permit for the following activities, but only if the activity is provided for in the management plan:
 - (a) to make a road or an extension to a road:
 - (b) to alter an existing road.
- (2) Before granting an activity permit under this clause, the Board must be satisfied that—

- (a) any new road, road extension, or upgrade to an existing road in Te Urewera will have minimal effects on natural features, as far as practicable; and
- (b) all practicable measures are to be taken, in making a new road or extending or upgrading an existing road, to mitigate any adverse effects, including—
 - (i) avoiding the fragmentation of habitats and ecosystems; and
 - (ii) the rehabilitation of the surfaces of earthworks; and
 - (iii) weed control; and
 - (iv) the collection and treatment of storm water run-off.

4 Farming

- (1) This clause applies to farming and grazing land that, in the public interest, should continue to be farmed or used for grazing.
- (2) The Board may grant activity permits under section 57 for Te Urewera land to be used for farming or grazing, but only if farming or grazing is provided for in the management plan.

5 Activity permits for recreational hunting

- (1) The Board may grant an activity permit to undertake recreational hunting for exotic animals in Te Urewera that are not protected, as long as the Board is satisfied—
 - (a) that the grant of such a permit—
 - (i) would be consistent with the management plan; and
 - (ii) would not interfere with any operation to control wild animals and pests in Te Urewera; and
 - (b) that the safety of persons in, or likely to be in, the vicinity of the area to which any permit applies has been provided for.
- (2) The Board may include conditions on a permit granted under this clause, including conditions about the use of dogs, helicopters, and horses.

6 Declarations relating to recreational hunting

- (1) The Board may, by public notice,—
 - (a) declare areas of Te Urewera to be open or closed for recreational hunting;

- (2) Public notice may be given in whatever manner the Board considers appropriate.
- (3) Any declaration or identification under subclause (1) must be consistent with the management plan.

- (1) This clause applies to every activity described in clauses 1 to 6 that is for a commercial purpose, as described in section 62(2), including commercial hunting and trapping, guided hunting operations, and wild animal control operations.
- (2) An activity to which subclause (1) refers is prohibited unless a concession is obtained in addition to any other authorisation required under this Act or other enactment.

8 When applications may be granted

- (1) The Board may grant an application for a lease or a licence (other than a *profit à prendre*), but only if—
 - (a) the lease or licence relates to 1 or more fixed structures and facilities (which do not include any track or road except where the track or road is an integral part of a larger facility); and
 - (b) in any case where the application includes an area or areas around the structure or facility,—
 - (i) either—
 - (A) it is necessary for the purposes of safety or security of the site, structure, or facility to include any area or areas (including any security fence) around the structure or facility; or

- (B) it is necessary to include any clearly defined area or areas that are an integral part of the activity on the land; and
 - (ii) the grant of a lease or licence is essential to enable the activity to be carried on.
- (2) However, no lease may be granted unless the applicant satisfies the Board that exclusive possession is necessary for—
 - (a) the protection of public safety; or
 - (b) the protection of the physical security of the activity concerned; or
 - (c) the competent operation of the activity concerned.
- (3) For the purposes of subclause (2)(c), the competent operation of an activity includes the necessity for the activity to achieve adequate investment and maintenance.
- (4) The Board must not grant an easement over Te Urewera land in a case where a lease, licence, or permit may be granted if the Board considers that a lease, licence, or permit is more appropriate in the circumstances.
- (5) However, if the management plan does not make provision for a concession of the kind applied for, the Board may, after complying with clauses 11 to 14, grant the concession.

9 When applications must be declined

The Board must not grant an application for a concession to build a structure or facility, or to extend or add to an existing structure or facility, if the Board is satisfied that the activity—

- (a) could reasonably be undertaken outside Te Urewera or in another part of Te Urewera where the potential adverse effects would be significantly less; or
- (b) could reasonably use an existing structure or facility or the existing structure or facility without the addition.

10 When applications may be declined

- (1) The Board may decline an application if the Board considers that—
 - (a) the information provided is insufficient or inadequate to enable the Board to assess the effects (including the effects of any proposed methods to avoid, remedy, or

- mitigate the adverse effects) of any activity, structure, or facility; or
- (b) there are no adequate or reasonable methods for remedying, avoiding, or mitigating the adverse effects of the activity, structure, or facility.
- (2) The Board may decline an application, whether or not it is provided for in the management plan, if the Board considers that the effects of the activity are such that a review of the management plan would be more appropriate.
 - (3) If the Board declines an application under subclause (2), the Board may, if requested by the applicant, initiate a review of the management plan in accordance with subpart 5 of Part 2.
 - (4) The Board may require the applicant to pay all or part of the reasonable costs of such a review.
 - (5) Subclauses (2) and (3) do not limit the discretion of the Board to initiate a review under subpart 5 of Part 2.

11 Contents of applications

- (1) Every application for a concession must be made to the Board and must include the following information:
 - (a) a description of the proposed activity;
 - (b) a description identifying the places where the proposed activity will be carried out and indicating the status of such places;
 - (c) a description of the potential effects of the proposed activity, and any actions which the applicant proposes to take to avoid, remedy, or mitigate any adverse effects;
 - (d) details of the proposed type of concession for which the applicant is applying;
 - (e) a statement of the proposed duration of the concession and the reasons for that proposed duration;
 - (f) relevant information relating to the applicant, including any information relevant to the applicant's ability to carry out the proposed activity.
- (2) In the case of an application for a concession of a kind listed in subclause (3), the applicant must also give—
 - (a) reasons for the request; and

- (b) sufficient information to satisfy the Board that it would be appropriate and lawful to grant the application.
- (3) The kinds of concessions referred to in subclause (2) are—
 - (a) a lease:
 - (b) a *profit à prendre* or licence:
 - (c) an easement.

12 Further information may be required

- (1) The Board may require an applicant for a concession to supply further information as it considers necessary to enable a decision to be made, including the preparation of an assessment of effects on the environment in the form set out in Schedule 4 of the Resource Management Act 1991 or any other form the Board requires.
- (2) The Board may, at the applicant's expense,—
 - (a) commission a report or seek advice from any person (including the Director-General) on any matters raised in relation to the application, including a review of any information provided by the applicant:
 - (b) obtain from any source any existing relevant information on the proposed activity or structure that is the subject of the application.
- (3) Any information obtained by the Board under subclause (2) must be supplied to the applicant, who may comment on it within such time as may be specified by the Board.
- (4) An application is incomplete if the Board—
 - (a) advises the applicant that the specified information required under subclause (1) has not been provided; or
 - (b) has not received any report commissioned or advice sought under subclause (2); or
 - (c) has supplied information to the applicant under subclause (3) and the time limit specified under that subclause has not expired.

13 Process to apply when application is complete

- (1) The Board must consider every complete application for a concession received, other than an application that contravenes section 62(3).

- (2) Subclause (1) does not limit clause 34 (which provides for charges applying to applications).
- (3) The Board must decline an application if the Board is satisfied that the application is—
 - (a) contrary to the provisions of this Act; or
 - (b) inconsistent with the management plan.
- (4) If the Board declines an application under subclause (3), the Board must, within 20 working days after receiving the application, inform the applicant of its decision with reasons for declining the application.
- (5) Nothing in this Act or any other enactment requires the Board to grant a concession if the Board considers that the grant of a concession would be inappropriate in the circumstances of the particular application, having regard to the matters set out in clause 14.
- (6) Before granting a lease or a licence with a term (including all renewals) exceeding 10 years, the Board must, in whatever manner it considers appropriate, give public notice of the application.
- (7) Before granting a licence with a term (including all renewals) not exceeding 10 years, or a permit or an easement, the Board may, in whatever manner it considers appropriate, give public notice of the application if, having regard to the effects of the licence, permit, or easement, the Board considers it would be appropriate to give public notice.
- (8) Subclauses (6) and (7) do not apply to the grant of a lease or licence resulting from the exercise of a right of renewal, or a right to a new lease or licence, that is contained in a lease or licence.
- (9) Clause 35 applies to a public notice given under subclauses (6) or (7).

14 Matters that Board must consider

In considering an application for a concession, the Board must, in addition to the relevant matters specified in section 57(2), have regard to the following matters:

- (a) the nature of the activity and the type of structure or facility (if any) proposed to be constructed:

- (b) the effects of the activity, structure, or facility:
- (c) any measures that can reasonably and practicably be undertaken to avoid, remedy, or mitigate any adverse effects of the activity:
- (d) any information received under clause 10, 11, or 12:
- (e) any relevant environmental impact assessment, including any audit or review:
- (f) any relevant oral or written submissions received as a result of a public notice issued under clause 13:
- (g) any relevant information that may be withheld from any person in accordance with the Official Information Act 1982 or the Privacy Act 1993.

15 Mandatory conditions

- (1) Every concession document must include (and is to be treated as including) a condition that the person in whose favour the concession is granted (the **concessionaire**) must act in accordance with the management plan, whether the plan or any amendment to it was approved before, on, or after the date on which the concession became effective.
- (2) A provision of a concession document that contravenes, or allows expressly or impliedly a contravention of, the management plan is of no effect.
- (3) A breach or contravention of the management plan is to be treated as a breach or contravention of the concession and the concession document.

16 Board may impose conditions

In granting a concession, the Board may impose any conditions the Board considers appropriate for the activity, structure, or facility, including conditions relating to or providing for—

- (a) the activity itself, the carrying out of the activity, and the places where it may be carried out:
- (b) the name and full address of every person or body to whom the concession is granted and who may carry out the activity:
- (c) the payment of rent, fees, and royalties as provided in clause 17:

- (d) the payment of compensation for any adverse effects of the activity on the interests of Te Urewera or the public in the land concerned, unless such compensation has been provided for in the setting of rent:
- (e) the provision by the concessionaire of a bond—
 - (i) to cover any costs incurred by the Board in carrying out work that the concessionaire has failed to carry out and that was required by the concession document to be carried out; or
 - (ii) to mitigate any adverse effects arising from but not authorised by the concession or not reasonably foreseen at the time the concession was granted:
- (f) the waiver or reduction of any rent, compensation, or bond where—
 - (i) the concessionaire makes any contribution to the management of the lands or the public interest in those lands; or
 - (ii) there is any other non-commercial public benefit from the activity; or
 - (iii) any circumstances of the concession justify such waiver or reduction; or
 - (iv) the costs of setting and collecting the rent exceed any rent which may be collected:
- (g) the restoration of the site and the removal of any structure or facility at the expense of the concessionaire or the vesting in the Board of any structure or facility at the end of the term of the concession:
- (h) periodic reviews of the terms and conditions (including rents) of the concession:
- (i) a covenant that on any transfer, sublease, sublicence, or assignment of a concession, the concessionaire remains liable throughout the term (including renewals) of the lease or licence or easement and must procure from the transferee, sublessee, sublicensee, or assignee a covenant to be bound by the conditions of the lease, licence, or easement:
- (j) the payment of any fees (including legal fees) in respect of the preparation of the concession document and

its registration (where necessary), being fees payable in addition to any fees or other money payable under clause 17.

17 Condition as to payment of rents, fees, and royalties

- (1) Every concession granted under section 62(1) is subject to a condition that the concessionaire must pay to the Board—
 - (a) the rents, fees, and royalties specified in the concession document; and
 - (b) any other levy or charge made on an occupier of land under a lease, licence, or easement.
- (2) The rent, fee, or royalty specified in a concession document may be fixed at the market value, having regard to—
 - (a) any circumstances relating to the nature of the activity; and
 - (b) the effects of the activity on the purposes of the area affected; and
 - (c) any contractual conditions, covenants, or other encumbrances placed upon intrinsic resources, natural resources, or historic resources by the concession.
- (3) The rent, fee, or royalty for a concession must be reviewed at intervals not exceeding 3 years.
- (4) Revenue received from concessions is subject to section 39.

18 Conditions may be varied

- (1) The Board and the concessionaire may at any time, by agreement in writing and without any public notification, vary any conditions in the concession document if—
 - (a) the variation is of a minor and technical nature and does not materially increase the adverse effects of the activity or the term of the activity or materially change the location of the activity; or
 - (b) the variation will result in a reduction of the adverse effects or the duration of the activity.
- (2) The concessionaire may at any time apply to the Board to vary or extend a concession.

- (3) An application under subclause (2) must be treated as if it were an application for a concession, and the provisions of clauses 11, 13 to 17, 19, and 20 apply.
- (4) The Board, on request or on its own motion, may vary the conditions of a concession if—
 - (a) the variation is the result of a review provided for in the concession document; or
 - (b) the variation is necessary to deal with significant adverse effects of the activity that were not reasonably foreseeable at the time the concession was granted; or
 - (c) the variation is necessary because the information made available to the Board by the concessionaire for the purposes of the concessionaire's application contained inaccuracies that materially influenced the decision to grant a concession and the effects of the activity permitted by the concession require more appropriate conditions.
- (5) A concessionaire is bound by any variation made under subclause (4).
- (6) The Board and the concessionaire must execute a variation instrument.
- (7) If a variation relates to a registered lease or easement, the Board, or a person authorised by the Board, must promptly lodge the variation instrument for registration.
- (8) In this clause, **variation** includes an extension and a renewal.

19 Term of concession

- (1) A lease or a licence may be granted for a term (which must include all possible renewals of the lease or licence) not exceeding 30 years or, if the Board is satisfied that there are exceptional circumstances, for a term not exceeding 60 years.
- (2) A permit may be granted for a term not exceeding 10 years but is not renewable.
- (3) An easement may be granted for a term not exceeding 30 years, but,—
 - (a) in exceptional circumstances, the Board may grant a term not exceeding 60 years; or

- (b) if the easement provides a right of way access to a property to which there is no other practical access, the term may be for a longer period, as the Board considers appropriate; or
- (c) if the easement is for a public work (as defined in the Public Works Act 1981), the term may be for the reasonably foreseeable duration of that public work.

20 Continuation of term after new concession applied for

- (1) This clause and clauses 21 and 22 apply if—

 - (d) the concessionaire gives written notice to the Board that the concessionaire wants to continue to operate under the existing concession under this clause; and
 - (e) the written notice meets the timing requirement in subclause (2) or (3); and
 - (f) the concessionaire has complied with the terms and conditions of the existing concession.
- (2) The written notice meets the timing requirement if it is given at least 6 months before the existing concession expires.
- (3) The written notice also meets the timing requirement if—

without the authority of the Board for the purposes of clause 34.

28 Charges

A concessionaire may, to the extent that the concession document provides, impose a reasonable charge for an activity carried on by the concessionaire in accordance with a concession granted by the Board.

29 Restrictions on aircraft landing in Te Urewera

- (1) Aircraft are not permitted to land on, or take off from, any site within Te Urewera unless that site is a certified aerodrome.

 - (ii) weather conditions or other causes not under the control of the pilot in command; or
 - (b) the action is necessary to establish, construct, operate, maintain, repair, or replace a maritime navigational aid; or

- (4) This clause does not—
 - (a) apply to any aircraft operated by the New Zealand Defence Force or the Civil Aviation Authority of New Zealand; or
 - (b) imply any responsibility by the Board or liability for the safety of any aircraft or person aboard an aircraft while the aircraft is in the air or landing.
- (5) For the purposes of this section, **landing** includes the hovering of any aircraft and the setting down or taking on of goods or persons from an aircraft.

- (6) In this clause, **certified aerodrome** means an aerodrome licensed under the Civil Aviation Regulations 1953 or certified under rules made under the Civil Aviation Act 1990.

30 Tendering and management

The Board may—

- (a) tender the right to make an application, invite applications, or carry out other actions that may encourage specific applications:
- (b) include in a concession provisions for the concessionaire to carry on activities relating to the management of any part of Te Urewera on behalf of the Board or at any time enter into any agreement providing for the concessionaire to carry out such activities.

31 Accounts relating to concessions

- (1) The Board may, to assist in verifying any rent, fees, or royalties, or amount of any compensation or bond, require any body or person who has been granted a concession under this Act to provide a complete statement of audited financial accounts and any other relevant information for that part of the activity that is carried out under the concession on or in Te Urewera.
- (2) The accounts must be forwarded to the Board not later than 3 months after the end of the financial year in respect of which they are required.

- (2) Subclause (1) applies whether the service, benefit, or facility is provided within or outside Te Urewera.
- (3) The contribution assessed under subclause (1) in relation to the capital cost of providing the service, benefit, or facility must be apportioned by the Board among the concessionaires as the Board thinks fit.
- (4) The Board may, in its discretion, determine whether payments must be made in 1 amount or over a period of years.
