We envision resilient connected communities in San Miguel County whose residents can easily access high quality, local, community-based behavioral health services regardless of their ability to pay, language spoken or cultural background.

1. Tammy Jivery transitioning out of position due to losing housing
   
   f. Clients were mostly uninsured or on private insurance. One client on Medicaid.
   
   g. Hard for BHCC to make connections with partner organizations because of how busy they are (ex. Uncompaghre and Telluride Medical Centers)
      
      i. New BHCC will be meeting with organizations to make the connection of what the BHCC does and how to refer
   
   h. Tammy Jivery went through the following trainings, and new BHCC will do the same
      
      i. Trauma informed care
      ii. Opioid use disorder training
      iii. High fidelity wrap around for youth
      
   Questions:
   
   i. Paul Reich noted that it seems like San Miguel County Sheriff’s CORE program is more case management. Noted curiosity on how much interaction will take on from CORE
      
      1. Goal is for warm hand off from CORE to BHCC before crisis is already over
   
   ii. Paul Reich asked about the BHCC connection to the Center for Mental Health
      
      1. Paul noted The Center has options for Medicaid
      2. Amy Rowan noted a case where BHCC brought clients to the Center when whole family was in need, but because of therapeutic relationship Center therapist Jenny Wheeler could only see one family member.
   
   iii. BHS asked if the Caregiver Group is that related to TCHNetwork’s palliative services
      
      1. Amy Rowan noted that there are mental health challenges associated to being a caregiver, so having the BHCC lead the group makes sense
   
   iv. Sarah Landeryou discussed reintroducing new BHCC after the holidays. Pitched the following:
      
      1. Meet and greet
      2. Article in the paper
   
   v. Amy Rowan noted that the new BHCC has stable housing
   
   vi. Carol Friedrich brought up discussion that occurred during UNBOCES meeting
      
      1. Training for student threat assessment teams
      2. Transition from crisis stabilization unit back to the school
         
         a. Creating a system where staff has more information how to care for student in their transition back to school
         b. Carol mentioned BHCC potentially being able to help students make a successful transition back to school

6. Opioid Regional Council Update (Carol Friedrich)
   
   a. Carol Friedrich updated BHS on the status of the Opioid Regional Council
      
      i. Council met, established bylaws, and is moving forward in its formation
   
      ii. There are two representatives from each County within our region
         
         1. San Miguel County Representatives are County Commissioner Hilary Cooper and Sheriff Bill Masters
         2. Ouray County Representatives are Carol Friedrich and Sheriff Justin Perry
   
   iii. Good opportunity for members of BHS Panel to apply. Members can email Commissioner Cooper or Sheriff Masters with interest
b. Time commitment would be two-hour meeting once a month on a standing day
   i. Day TBD

Break 10:13am

Meeting resumed at 10:20am

7. Latinx Membership Marketing Updates
   a. Corinne Cavender shared update for soliciting latinx membership on the BHS Panel. As
      of the date of this meeting, one application had been sent in. Newspaper ads and
      outreach plans will be used throughout the next month to solicit more applications.
      Corinne to bring all applications to next meeting.

8. Teen Mental Health First Aid (Suicide Prevention)
   a. Corinne Cavender discussed successes of teaching Teen Mental Health First Aid to
      Telluride High School Seniors
   b. BHS to consider this once discussing suicide prevention initiatives in 2022

9. 2022 Funding Applications
   a. School Based
   b. Agency
   c. CORE
      i. BHS agreed to send applications for 2022 to organizations who have received
         funding in the past in the above categories
