ART CONTEST (Ages 4 - 15):

Description: Heroes aren't born; they're made - by artists and storytellers like you! Compete for a chance to see your characters come to life with the Greenville Museum of Art's original character art contest. Have an exciting concept for a superhero, villain, or fantasy character? Submit your own original art of a character of your design to the Greenville Museum of Art and tell us what makes them stand above the rest. The Museum staff will select 10 submissions to be posted to social media for the public to choose their favorite! The winner will not only receive a free ticket to Super Family Game Day but will also win a life-sized cutout of their character, which will also be used and featured during the event!

Details: Anyone ages 4 – 15 may participate. You may use any kind of art supplies you have. Artwork can be no larger than 11x14 inches; however, it should fill that dimension the best you can. Museum staff are mostly concerned with the character and not the background. If you choose to incorporate the background, the winner’s artwork might not include the background in the cutout.

Submission: All artwork should be delivered to the museum no later than January 14, 2023, by 4:00pm.

Greenville Museum of Art
802 South Evans St. Greenville, NC 27834
252.758.1946 | communications@gmoa.org | www.gmoa.org

Judging: Judging will be based on the character creation, quality of the art, the character’s powers and abilities, and general details/statistics. The winner is announced on January 23, 2023, on Facebook and Instagram. The parent/guardian will be contacted via phone and email.
