## ***“What is needed above all is a Christian Life Distinguished in the Art of Prayer”***

Pope Saint John Paul II – “Nova Millennio Inuente” (9)

As these meditations are in depth, they are to be prayed slowly and reverently allowing time for the lesson to sink into the soul, ‘*masticating their truths*’ as Jesus instructed Luisa. There is no need to be concerned with praying all 5 or more mysteries all at once. The intention of Divine Will is to embody all that It does in every act. In one mystery alone for example all possible lessons are there - for Jesus is All in all - and the Cross of His Passion was in Him from Conception.

***“The Christian people sit at the school of Mary and are led to contemplate the beauty on the Face of Christ and to experience the depths of His Love. Through the Rosary the faithful receive abundant grace, as though from the very hands of the Mother of the Redeemer. (The Mysteries) put us in living communion with Jesus through - we might say - the Heart of his Mother ... But the most important reason for strongly encouraging the practice of the Rosary is that it represents a most effective means of fostering among the faithful that commitment to the contemplation of the Christian Mystery, which I have proposed in the Apostolic Letter Nova Millennio Inuente as a genuine “training in holiness”: “What is needed is a Christian Life distinguished above all in the Art of Prayer”. (9) Inasmuch as contemporary culture, even amid so many indications to the contrary, has witnessed the flowering of a new call for spirituality, due also to the influence of other religions, it is more urgent than ever that our Christian communities should become “genuine schools of prayer”. (10) The Rosary belongs among the finest and most praiseworthy traditions of Christian contemplation ... Without this contemplative dimension the Rosary would lose its meaning ... as Pope Paul VI clearly pointed out: “without contemplation, the Rosary is a body without a soul and its recitation runs the risk of becoming a mechanical repetition of formulas, in violation of the admonition of Christ: *‘In praying do not heap up empty phrases as the Gentiles do - for they think they will be heard for****

*their many words' (Matt 6:7)" ... "By its nature, the recitation of the Rosary calls for a quiet rhythm and a lingering pace, helping the individual to mediate on the mysteries of the Lord's Life as seen through the eyes of Her who was closest to the Lord. In this way the unfathomable riches of these Mysteries are disclosed (14) ... The Rosary mystically transports us to Mary's side as She is busy watching over the human growth of Christ in the home of Nazareth. This enables Her to train us and to mould us with the same care, until Christ is 'fully formed' in us. (cf. Gal 4:19)"*

## ***"The Secret of the Rosary"***

by St Louis de Montfort

*"Our Lady spoke this to Blessed Alan de la Roche in a vision: 'When people pray 150 angelic salutations, this prayer is very helpful to them and a very pleasing tribute to Me. But, they will do better still and will please Me even more, if they say these salutations while meditating on the Life, Death and Passion of Jesus Christ. For this meditation is the Soul of this prayer'"*

## **Prayer before the Holy Rosary**

Ever Holy and indivisible Trinity, as your little child I come to You to fill the void of those of Your Acts that have not yet been placed in Your Will in these mysteries of the Life of the Holy Family and I place my *'I love You'* on each of these Acts and ask that Your Kingdom come on earth as it is in Heaven. *"Behold, Father, You have prepared a Body for Me, I come to do Your Will"* in this *'Body of Light'* You have created for me in the Humanity of Your Son. I want Your Will to be my Life, my Food, my Love and my Light in each one of Its Acts. Amen. Fiat!

## **Two Very Great Things: Divine Will and Love**

**“I have given you two very great things which, one can say, formed My very Life. My Life was enclosed in these two points: Divine Will and Love; and this Will carried out My Life in Me and accomplished My Passion.** I want nothing else from you but that My Will be your Life, your rule, and that in not one thing, whether small or big, you escape from It.

**This Will will carry out My Passion in you; and the closer you remain to My Will, the more you will feel My Passion within you. If you let My Will flow as Life within you, My Will will make My Passion flow within you.** So you will feel It flowing in each one of your thoughts, in your mouth – you will feel your tongue soaked in It, and your word will come out warm with My Blood and you will speak eloquently about My pains.

**Your heart will be filled with My pains, and in each of its outpourings, it will bring the mark of My Passion to your whole being; and I will keep repeating to you always: ‘Here is My Life, here is My Life.’** I will delight in giving you surprises, narrating to you now one pain, now another, which you have not yet heard or understood. Aren’t you happy?” V 11: November 20, 1914

**“My Will has arrayed in Itself, the pains of My Infancy, all the internal acts of My hidden life, which are prodigies of grace and of sanctity; all the humiliations, the glories and the pains of My public life, and the hidden pains of My Passion. All are suspended;** the complete Fruit has not been taken by creatures. I await those who must live in My Volition, so that they will no longer be suspended but poured out, releasing their complete Fruit upon creatures for their good.

**Only those who must live in My Will will liberate My goods from this suspension. Therefore enter into each act and pain of Mine, so that My Will be fulfilled in you.** Between you and Me I do not want things suspended, nor will I tolerate not being able to say what I want. Therefore, I want to find in you My very Will, so that nothing can be opposed to whatever My own Will wants to give you.” “The Book of Heaven” Volume 18: October 4, 1925

## Four Special Ave Maria's

**To Honour the Four Virginal Nuptial Fiats of Mary in the Fiats of Creation, Redemption, Sanctification and with St Joseph to sanctify marriage and nuptial love.**

✱ *Hail Mary, full of Grace, the Lord is with Thee. Blessed art Thou among women and blessed is the Fruit of Thy Fiat, Jesus.*

*Holy Mary, Mother of God, pray for us sinners in all Thy Virginal Nuptial Acts of Love with the Eternal Father in the Fiat of Creation, preparing for Jesus and us a paradise of natural delights to feed all our senses and souls and lead us to glorify our Father. Fiat!*

✱ *Hail Mary, full of Grace, the Lord is with Thee. Blessed art Thou among women and blessed is the Fruit of Thy Fiat, Jesus.*

*Holy Mary, Mother of God, pray for us sinners in all Thy Maternal Acts of Love for Jesus' suffering Humanity in the Fiat of Redemption, preparing for us the Joy of our return to the Father's House through Him, with Him and in Him. Fiat!*

✱ *Hail Mary, full of Grace, the Lord is with Thee. Blessed art Thou among women and blessed is the Fruit of Thy Fiat, Jesus.*

*Holy Mary, Mother of God, pray for us sinners in all Thy Spousal Acts of Love for the Holy Spirit in the Fiat of Sanctification, preparing the Era of the "Fiat Voluntas Tua" on earth as in Heaven in all Thy maternal Acts of Love for Luisa. Fiat!*

✱ *Hail Mary, full of Grace, the Lord is with Thee. Blessed art Thou among women and blessed is the Fruit of Thy Fiat, Jesus.*

*Holy Mary, Mother of God, pray for us sinners in all Thy Virginal Nuptial Acts of Love for Abba Joseph, conceiving in him a virginal Fatherhood which generates in and with You the Life of Jesus. In uniting his Fiat with Yours, holy Mother, Joseph reformed the Sacrament of Holy Matrimony and laid the foundation for the Incarnation of God and the generation of "divine lives" to populate His Kingdom! Fiat! (St Augustine says that Joseph's Fiat with Mary made of them 'one single moral entity – one single person.')*

## *The Passion of the Infant Christ*

*"Wouldn't you have chosen to be in that dark stable filled with the cries of the little Child, rather than beside yourself with joy, with the shepherds at this sweet heavenly melody and the beauty of this admirable splendour? Yes! You are nowhere but close to the Infant Jesus, trembling with cold in the stable of Bethlehem.*

*You are on Calvary with the Marys, where you see nothing but death, nails, thorns, powerlessness, extraordinary darkness, abandonment and dereliction. Therefore, I beg you to love the crib of the Child of Bethlehem. Love the Calvary of the God crucified amid the darkness! Stay close to Him and know that Jesus is in the midst of your hearts more than you could believe or imagine."* (St Padre Pio)

*"In the grotto (of Bethlehem) I had my dear Mother, who so often took Me with her very pure hands and covered Me with inflamed kisses so as to warm Me. She nourished Me with her very sweet milk. In my Sacramental Life it is all the opposite. I do not have a Mother. If they take Me, I feel the touch of unworthy hands that smell of earth and dung. Oh, how I smell the stench more than I smelled the dung of the grotto.*

*Instead of covering Me with kisses they touch Me with irreverent acts; and instead of milk they give Me the gall of sacrileges, of indifference and of coldnesses. In the grotto St Joseph did not permit Me to lack a little lamp, a light in the night. Here in the Sacrament, how many times do I remain in darkness, even at night! Oh, how my Sacramental lot is more sorrowful! How many hidden tears not seen by anyone! How many whimpers not heard! If you are moved to pity for my infantile lot, much more must you be moved to pity for my Sacramental Life."*

V 12: December 25, 1920

*Fiat Mihi Secundum*

*Verbum Tuum*

## Consecration to Jesus

*“Oh Jesus! King of kings, God of Goodness, God of Love, God of Mercy, I adore, love, thank and glorify Your most Holy Will, emanating from Your Omnipotence, guided by Your Wisdom, accompanied by Your Goodness and Love. Everywhere and in every time, be it either in joy or in pain, may Your most Holy Will, Your Divine Love, be the “Star” that I gaze at, the “Law” that governs me, the “Air” that I breathe, the “Heartbeat” of my heart, the “Substance” or, better, the Life of my life.*

*To such an end, I unite all my prayers and actions to Yours, all my life to Yours, as well as to that of our Virgin Mother, of Abba Joseph, Luisa, Saints Annibale, Padre Pio and all the Elect that have been, are now and shall ever be, with all good, past, present and future which is real and possible in Heaven and on earth. I consecrate and give all myself, what I have, who I am, what pertains to me, what is dear to me, my life, my death, my Eternity, all that which You have created and will create by Your Supreme Will, by Your Infinite Love; and I pray You, oh Infinite Wisdom, to inscribe me with indelible characters in Your adorable Heart as the ardent and zealous child of Your Divine Will, of Your Pure Love.*

*I make this offering and donation in the Power of the Father, in the Wisdom of the Son, in the Virtue of the Holy Spirit, in my name, and in the name of all creatures to obtain the advent and the expansion of the Kingdom of the Divine Will, of Your Divine Love upon the earth.*

*For pity’s sake, oh my Lord, grant that from every lip and from every heart there may continually be raised, as from a sacred altar, the prayer that You Yourself, as the first addressed to the Father, “Your Kingdom come! Your Will be done on earth as it is in Heaven.” So be it! Fiat!*

*Your Kingdom Come*

## Act of Contrition

*“Forgive me, my God, I dared to offend You and to turn against You in the same instant in which You loved me! I repent and am sorry with all my heart for having offended You. I pray You - I supplicate You to grant me your own affliction, so that, I might be sorry with the same Sorrow with which You were sorry for my sins - Sorrow which was so great and intense as to make You sweat Blood. Heavenly Mother, obtain for me from your Jesus and mine the longed for forgiveness. I resolve and promise in the most energetic and absolute way to never sin again. I bring with me every human being from Adam to the last and immerse them all in the Sorrowful anguish of Jesus to repair for all our sins. Fiat!”*

## Prayer to our Celestial Mother

*‘Immaculate Queen, my celestial Mother, I come upon your maternal knees as your dear child to abandon myself in your arms to beg of You with my most ardent sighs the greatest grace of all – that You will admit me to live in the Kingdom of the Divine Will. Holy Mother, You who are the Queen of this Kingdom, admit me as your child to live in It, so that It no longer be deserted but populated with your children, (for I bring with me in this Act the entire Order of Creation in Jesus).*

*I entrust myself to You, my Sovereign Queen, so that You may guide my steps into the Kingdom of the Divine Will. And, held tightly by your maternal hands, You will guide all my being so that I may live perennial Life in the Divine Will.*

*You will be a Mother to me and because of this I shall consign my will to You so that You may exchange it for me with the Divine Will. This way I can be sure of never going out of Its Kingdom. Therefore, I beg You to illuminate me to make me understand what 'Will of God' means. Amen. Fiat!*

*Will of God possess me!*

## Prayer to our Beloved Abba Joseph

Beloved Abba, in your Virginal Nuptial Love of the Immaculate Conception, our Mother, I come to you also to entrust to you my Life of Love in the Divine Will. As you guided, nurtured and protected with your Virgin Love the Divine Will Himself, love, nurture and protect His Life in me, for without Him I can do nothing and am nothing.

As you prayed with Him and our blessed Mother every moment of your life, pray now with me that I may enter these mysteries of the most holy Rosary how you lived them with Jesus and Mary. Teach me and lift the ‘veil’ of these mysteries to reveal the beautiful Face of my Beloved and see Him as you saw Him, love Him as you loved Him, learn from Him as you learned from Him, compassionate Him as you compassionated Him. And in Him I will delight to call you my “Abba” and hearing this word the unction of your paternal love will flow into me and into all for the sake of circumcising our hearts from their selfishness and coldness towards God.

Make a little fire in the cold “stable” of my heart and teach me how to love dear Jesus and holy Mother. I ask this in all the ardours of the Divine Will, Who desires this more than anything and you can refuse Them nothing.

Beloved Abba as God the Eternal Father entrusted to you the Treasure of Heaven and Earth, not as some sterile eunuch to guard, but as Virgin Spouse and Father to guide, shelter and protect as your holy soul led you, I would be foolish not to “*do what I see my Father doing*”. (John 5:19)

*“I tell you most solemnly, the Son can do nothing by Himself. He can do only what He sees the Father doing, and whatever the Father does the Son does too. For the Father loves the Son and shows Him everything He does Himself; and He will show him even greater things than these works that will astonish you. Thus, as the Father raises the dead and gives them life, so the Son gives life to anyone he chooses.”* (John 5:19-21)

## PRAYER BEFORE THE MYSTERY

Oh, Divine Will of the Eternal Love, I immerse myself in You as You live this Mystery. I bring with me the entire order of Creation to participate in and glorify You in these Acts of Love *that not one is lost* but all may make their home in You as You have made Your home in us. Fiat! (John 17)

*Our Father Who art in Heaven Hallowed be Thy Name, Thy Kingdom come! Thy Will be done on earth as it is in Heaven. Give us this day our daily Bread and forgive us our trespasses as we forgive those who trespass against us. And lead us not into temptation but deliver us from evil. Amen.*

☼ Permit me O Divine Will to be truly present at the Annunciation of the Angel Gabriel to our Holy Mother Mary and allow my love to flow in his words, *Hail O Mary, our Queen! The Divine Fiat has filled You with Grace. He has already pronounced the Fiat that He wants to descend. He is ready. He is behind me, but He wants Your Fiat to form the completion of His Fiat!*

☼ In You dearest Mother I immerse myself and long for the Incarnation of Jesus in me and in all. I fuse myself into the Ardours of the Divine Will as It wants to descend upon earth and reclaim Its Kingdom. I fuse myself into the Ardours of the Father as He wants to send His Son to deify all Creation. I fuse myself

into Jesus as He wants to descend in order to weave the wedding garment for His Bride, the Church. I fuse myself into the Holy Spirit as He wants to take possession of His Bride, Mary, and make of Her the habitation of His Elect.

✿ I take all these Ardours of the Trinity to every creature and plant in their hearts the words of Mary, *“Behold the handmaid of the Lord. Be it done unto me according to Thy Word.”* **Hail Mary**

✿ Transform me dear Jesus into Yourself as You stand at the Gate of Heaven ready to descend into our Mother’s Womb, anticipating Her Fiat, longing to become Man, *bone of Her bone and Flesh of Her flesh*, so that, all flesh immersed in You may become Pure again *as it was in the beginning*. With You I want to enter our Mother Mary and feed from Her Divine Holiness, abiding in the pure Joy of Her Fiat and in You I want to bring to Her all Creation to be reborn anew in Your Holy Will. **Hail Mary!**

✿ Mother says, *I pronounced the Fiat, and oh, marvel! The two Fiats fused together, and the Divine Word descended into Me. My Fiat, strengthened by the same value of the Divine Fiat, formed of the seed of my humanity, the tiny, little Humanity that should enclose the Word. And so the great prodigy of the Incarnation was accomplished.* Dear Mother, infuse my Fiat in Yours so that the Eternal Word may take flesh in me through You. *Be it done unto me according to Your Word* and may this Word enflesh Himself into all humanity from Adam to the last who shall live on the face of the earth. Fiat! **Hail Mary!**

✿ *All Creation made merry and exulted with joy saying in their mute language, “Oh! Prodigy of prodigies that only a God could do! The Immensity has become little! The Power has become impotent! The unapproachable High One has lowered Himself into the abyss of the Womb of a Virgin. At the same time He has remained little and immense - powerful and impotent - strong and weak!”*

☼ Jesus! Clothe me and all in Your Littleness in Mary that we may become docile to Her in You. And as You repeat this prodigy at the Consecration in every Mass, I fuse myself into Your great Love that continues to descend into our broken lives to be the One broken for us and in us. Beloved Jesus in every Eucharist I call all the angels and saints to praise, glorify and thank you. I call all the “*divine lives*” created by Your Will to welcome You so that nothing will be lacking in the adoration of Your Presence. Fiat! **Hail Mary!**

☼ Holy Mother says, “*Let me pronounce My Fiat on your soul. but to do that I want yours. Alone, it cannot do true good but always in two’s can they do the greatest works. God Himself did not want to work alone, (see John 5:30 “I can do nothing by Myself”) but wanted Me with Him to form the great prodigy of the Incarnation, and in my Fiat and His was formed the Life of the Man God, thus mending the lot of the human race. Heaven was no longer closed and all goods were enclosed between the two Fiats. Therefore, let us pronounce together, ‘Fiat! Fiat!’ and in My Maternal Love I will enclose in you the Life of the Divine Will!’*”

☼ Mother I give You my Fiat to live in You and with You, so that united with You, the Life of the Divine Will may reign in me and all. I go round in all Creation and I call each one to give glory to God in Your Fiat. I ask each one to “*Behold your Mother!*” Fiat! **Hail Mary!**

☼ *The Sun of the Eternal Word, blazing with inaccessible Light, came to take His place within this heaven, hidden in His little Humanity ... (which) was unable to contain the Light, so it overflowed outside, investing Heaven and earth. It reached every heart. With His tapping of Light, He knocked at every creature, and with voices of penetrating Light, He said to them: ‘My children! Open to Me! Give me a place in your heart. I have descended from Heaven to earth to form My Life in each of you. My Mother is the centre where I reside, and all my children will be the circumference where I want to form as many lives of mine for as many children there are.’*

☼ Dear Jesus, I never want to close the door of my heart to You. Holy Mother, help me and all to open our hearts and wills for Jesus to enter with His Fiat. I fuse myself into Him and into that Light which penetrates every heart and therein I want also to form as many *divine lives* for as many children there are. But more than this I want to form as many *divine lives* as the Divine Will has conceived in Mary, but have not yet been born, because the human will has contracepted the Divine Will in its acts. Fiat! **Hail Mary!**

☼ *And the little Humanity of Jesus moaned, cried and suffered agonies. From within that Light which reached into hearts, He let flow His tears, His moans and agonies of Love and Sorrow ... devoured by seas of flames of Love. You should know that as His little Humanity was conceived, He conceived the pains that He must suffer even to the last day of His Life. He enclosed in Himself all souls because, as God, no one could flee from Him. His Immensity enclosed all creatures. His all-seeingness made all present to Him.*

☼ Dear Jesus! You conceived us in Yourself with all the pains our sins have caused you. In Your own Sorrow I immerse my own and the sorrows of all. And so that You may be eternally recompensed for so many wounds, and so many contraceptions of Your Divine Will, I offer You the Sorrows and Tears of our dear Mother and those of Abba Joseph and Luisa for my sins and those of all mankind. Fiat! **Hail Mary!**

☼ *My child! You must know that, from the moment I was conceived, I loved you as Mother. I felt you in my Heart. I was ablaze with Love for you, but I did not know why. The Divine Fiat made Me do the deed, but I kept the secret hidden. But as He became incarnate, He unveiled the Secret to me, and I understood the fecundity of Maternity - that not only must I be Mother of Jesus but Mother of everyone. And that this Maternity should be formed upon the stake of Sorrow and of Love. My child, how much I have loved you and do love you!*

☼ Mother! Thank you for Your Love and Your Sorrows that gave us all the Life of Jesus. Fill us with His Fiat and Yours and that of St Joseph, so that all may receive the Gift of His Divine Paternity and Your Maternity. Mother I want to offer my life and its little acts to form a crown of Love for You to thank You for all the Sorrows You bore in order to give birth to Jesus' Life in me and in all. Fiat! **Hail Mary!**

☼ *Now listen to Me, dear child, where one can reach when the Divine Volition takes operating Life in the creature, and the human will leaves It free without impeding Its step. This Fiat, which in nature possesses the generative virtue, generates all goods in the creature. It renders it fecund, giving it the Maternity over everyone, over all goods, and over Him Who has created it. Maternity says and means True Love, heroic Love, Love that is content to die to give Life to whom it has generated. If this would not be so, the word Maternity would be sterile, empty and reduced to only a word. But, with deeds it would not exist. Therefore, my child, if you want the generation of all goods, let the Fiat take operating Life in you, which will give you Maternity. And you will love everyone with Love of Mother. I, your Mother, will teach you the way to make fruitful in yourself this all holy and Divine Maternity.*

☼ With Luisa's prayer we pray: *Holy Mother, I abandon myself in your arms. Oh, how I want to bathe your maternal hands with my tears to move You to compassion for this state of your poor children! Oh, if you love us as Mother, enclose us in your Heart and let your Love burn away our miseries, our weaknesses. And let the Power of the Divine Fiat, which You possess as Queen form Its operating Life in us in such a way that we can say: "My Mother is all for us: and we are all for Her."* Fiat! **Hail Mary!**

☼ *Dearest child, do not fear. Trust your Mother, let everything flow into My Heart, and I will take all into account. I will take care of you as a Mother. I will change your pains into Light and make use of them to extend the boundaries of the*

*Kingdom of the Divine Will in your soul. Therefore, put all aside and listen to Me! **Hail Mary!***

- ☼ *And in all the acts of the Divine Will found in this Mystery we pray, 'Glory be to the Father etc ...*
- ☼ *0 my Jesus forgive us our sins. Save us from the fire of Hell and lead all souls to Heaven especially those who have most need of Thy Mercy.*
- ☼ *Saint Joseph! Virgin Father of the Divine Will, generate His Life in us!*

Supreme Majesty! As Your little children we come upon Your Paternal Knees, to offer You all the Acts of the Divine Will found in this Mystery, together with our acts of reciprocal love, which in the name of all creatures embrace these Acts. With this offering we implore Mercy, Salvation and Sanctification for every creature, the quick and complete Triumph of the Divine Will on earth, and Its quick and complete triumph in us. **Fiat!**

## ***The Visitation***

Quotes taken from *The Virgin Mary in the Kingdom of the Divine Will*, Day 21 and Appendix

Oh, Divine Will of the Eternal Love, I immerse myself in You as You live this Mystery. I bring with me the entire order of Creation to participate in and glorify You in these Acts of Love *that not one is lost* but all may make their home in You as You have made Your home in us. **Fiat!** (John 17:12 -15:4)

*Our Father Who art in Heaven hallowed be Thy Name. Thy Kingdom come! Thy Will be done on earth as it is in Heaven. Give us this day our daily bread and forgive us our trespasses as we forgive those who trespass against us and lead us not into temptation but deliver us from evil. Amen.*

☼ Dear Jesus! Immerse me in Your little self travelling in the Womb of Your Holy Mother across the hill country to Judea to bring Your Gift of Eternal Life to Your cousin John and to bless with extraordinary love his mother Elizabeth, father Zechariah and all of their household. I immerse myself and all creation especially pregnant mothers in You dear Mother to celebrate the Good News that our Saviour is here among us. I immerse myself in the words of St Elizabeth, *How is it that I am so blest to receive a visit from the Mother of my Lord?* And with her I welcome You my dear Mother and fuse my 'I love You' into every word of Your Magnificat to praise the most blessed Trinity in every repetition of your Prayer throughout the ages.

☼ I adore You dear Jesus in Your Mother, the first Tabernacle of Your Real Presence and new Ark of Your Holiness! I place my 'I love You' on all the steps and acts of Saint Joseph, who guided you safely in all Your journeys leading the little donkey which carried You and Your holy Mother. May he protect your Incarnation in me my human will, which may sometimes want to wander away seeking its own satisfactions. I immerse myself in all the Ardours of Your Divine Will as It blesses Elizabeth and John and causes John to leap in his mother's womb. May all who pray the words of Saint Elizabeth, "*Blessed are you among women and blessed is the fruit of your womb.*" and "*Blessed are you because you believed all that all the Lord said would be done to you*", be given the Gift of Your Divine Fiat. **Hail Mary!**

☼ *And so, my child, the little Humanity of Jesus grew hypostatically united with the Divinity. My Maternal Womb was very tight and dark. There was not a glimmer of light. I saw Him immobile in my Maternal Womb, enveloped within a profound night. But do you know who formed this so intense darkness for the Infant Jesus? The human will ... Dear Jesus may all the divine lives You created in Your Humanity shed light on the darkness You experienced in Your Mother's Womb and also in the womb of the Church and Her Tabernacles; and bring Light to all the*

little ones resting in the wombs of their mothers and those still living in the darkness of the human will. Fiat! **Hail Mary!**

✿ *My dear Jesus, to put into flight the darkness of this so profound night in which Man made himself prisoner of his own darksome will, even to losing the motion to do good, chose the sweet prison of His Mother and voluntarily offered Himself to immobility for nine months.*

✿ *With Luisa's prayer I pray: Dear little Jesus, I want to bring the Life of Your Will into the narrow prison of Your first dwelling place on earth, to dispel the darkness where You are. I want to impress my kisses and my "I love You" on Your tender limbs constrained to immobility, to ask of You, through the merits of these sufferings of Yours, that Your Divine Will may have motion in creatures and, through Its Light, may dispel the night of the human will and form the perennial Day of Your Fiat. Fiat! **Hail Mary!***

✿ *My child, if you only knew how my Maternal Heart was martyred in seeing the little, immobile Jesus cry and sigh in my womb! His ardent heartbeat pound so strongly, and, delirious with love, He made His Heartbeat felt in every heart to ask out of pity for their souls because He, for love of them, had voluntarily changed light for darkness so that everyone might be able to obtain the True Light to place themselves in safety. Dear Jesus make Your Light flow in our darkness and the dark night of those little ones condemned to abortion, scientific experiments and violence in the womb. Dear Jesus, You live in the dark that others may have Your Light, You live in silence that others may hear Your Voice, You live immobile that others may move only in Your Will, You live in solitude that others may rejoice in Your company. Make me live also in these sacrifices that I may open the floodgates of Your Merciful Will for others. Fiat! **Hail Mary!***

✿ *My child, true Love never says enough, does not look at the pains and, by way of pains, searches for the one it loves, and is content to set aside its life to give life again to the one it loves.*

Jesus, True Lover of souls, give us Your courage to die to ourselves that others may live in Your Fiat! **Hail Mary**

☼ *My child, listen to your Mother. Do you see what great evil it is to do your will? Not only do you prepare the night for your Jesus and yourself. But you form seas of bitterness, of unhappiness and miseries in which you become so overwhelmed that you do not know how to go out of them. Therefore, be attentive! Make Me happy by saying to Me: "I want always to do the Divine Will".*

☼ *Mother I want always to do the Divine Will. Help us all in our weakness to sacrifice our human will for the Divine. I see, Holy Mother, that every act of ours that we neglect or refuse to put into the fecundity of the Divine Will, contracepts the Immaculate Conception of His Will and causes You and the Blessed Trinity immense sorrows and pains. Mother remind me to always put every act of mine in Your Will, so that I conceive Your Immaculate Life in each act. Fiat! **Hail Mary!***

☼ *Now listen my child. The little Jesus, agonizing with love, was in act of taking the step to go out to the light of day. His anxieties, his ardent yearnings and desires of wanting to embrace the creature, of making Himself seen and of looking at the creature, to rapt it to Himself, did not give Him any rest. And as one day He had gone on the lookout at the doors of Heaven to come and enclose Himself in my Womb, so He was in act of placing Himself as sentinel at the doors of my Womb, which is more than Heaven. O Mother, You are the Gate of Heaven for us, opening Your Womb for Jesus to embrace us. Open up our hearts to receive the Will of God born in You. We say, "Welcome dear Jesus with all the kisses and embraces of the Divine Will" to make up for all the lack of "welcomes" He suffered then and now in every consecrated host. Fiat! **Hail Mary!***

☼ *The Sun of the Eternal Word rose in the midst of the world and formed there the full noon. So, for the poor creatures there will be no longer night, nor early dawn, nor daybreak, but always sun, more than that in the fullness of midday. I burned with the*

*desire to bring Jesus to (Elizabeth). The fullness of Grace, of Love, of Light which I felt in Myself pushed Me to carry, to multiply a hundredfold the Life of my Son in creatures ... This was the greatest miracle that I could do – to have Jesus ready, to give Him to whoever desires Him. How happy did I feel! In You, Holy Mother, I carry Jesus to all I meet. To do this I immerse myself in the Divine Will reigning in You and ask that He radiate His Life to everyone near and far and speak His adorable words of Love to each one and call them to His Wedding Feast. Holy Mother hasten the new publications of Luisa's writings that this Light of the Divine Will spread throughout the earth and Jesus can be born again and again and again. **Hail Mary!***

 *At the greeting that I gave her, marvellous phenomena occurred. My little Jesus exulted in My Womb and, fixing little John in the womb of his mother with the rays of His own Divinity, He sanctified him, made him know that He was the Son of God and gave him the use of reason. John leapt so hard for love and for joy that Elizabeth felt herself shaken. Struck also by the Light of the Divinity of my Son, she knew that I had become the Mother of God. O Mother let all especially your priests know that You are the true Mother of God and that only through You are we mothered into Eternal Life. I immerse myself in Jesus, the True Sun of radiant Love, and I take His rays of Love and shoot them into the hearts of every creature that they, like John and Elizabeth, will leap for Joy at meeting their Saviour and their True Mother, especially the little ones in the womb. Fiat! **Hail Mary!***

 *My daughter, I felt Myself consumed by the desire to give a vent to the flames of Love which enveloped me and to manifest my secret to Elizabeth, who also longed for the Messiah upon the earth. The secret is a necessity of the heart which is irresistibly revealed to persons capable of understanding each other ... If you also let the Divine Volition reign in your soul, you too will become the bearer of Jesus to creatures. You also will feel the irresistible need to give Him to everyone! O Mother I want to do what You want, but I am poor in every virtue. You must inhabit me and give me Your Grace, Your words, Your dispositions and*

Your love, so that I can touch the hearts of others with Your very same Love for Jesus. Fiat! **Hail Mary**

- ☼ *And in all the acts of the Divine Will found in this Mystery we pray, 'Glory be to the Father and to the Son, and to the Holy Spirit ...*
- ☼ *O my Jesus forgive us our sins. Save us from the fire of Hell and lead all souls to Heaven especially those who have most need of Thy Mercy.*
- ☼ *Saint Joseph! Virgin Father of the Divine Will, generate his Life in us!*

### **Prayer After the Mystery**

Supreme Majesty! As Your little children we come upon Your Paternal knees to offer You all the Acts of the Divine Will found in this Mystery, together with our acts of reciprocal love, which in the name of all creatures embrace these Acts. With this offering we implore Mercy, Salvation and Sanctification for every creature, the quick and complete triumph of the Divine Will on earth and its quick and complete triumph in us. Fiat!

### ***Mary's Magnificat***

*My Soul magnifies the Lord, and My Spirit rejoices in God, My Saviour, because He has regarded the Humility of His Handmaid. For behold, henceforth all generations shall call Me blessed because, He Who is mighty has done great things to Me and Holy is His Name! His Mercy is from generation to generation to all those who fear Him. He has shown might in His Arm. He has scattered the proud in the conceit of their heart. He has put down the mighty from their thrones and exalted the humble. He has filled the hungry with good things and sent the rich away empty. He has given help to Israel His servant, being mindful of His Mercy - even as He spoke to our forefathers - to Abraham and his posterity forever.*

## **PRAYER BEFORE THE MYSTERY**

Oh, Divine Will of the Eternal Love, I immerse myself in You as You live this Mystery. I bring with me the entire order of Creation to participate in and glorify You in these Acts of Love *that not one is lost* but all may make their home in You as You have made Your home in us. Fiat!

*Our Father Who art in Heaven! Hallowed be Thy Name! Thy Kingdom come! Thy Will be done on earth as it is in Heaven. Give us this day our daily Bread and forgive us our trespasses as we forgive those who trespass against us and lead us not into temptation but deliver us from evil. Amen.*

☼ *My dearest child, oh, how I long to have you in my arms, to have the great contentment of being able to say to our little Baby King: “Don’t cry, my dear. See! Here with Us is my little child who wants to recognize You as King and give You dominion in her soul, to let you distend the Kingdom of Your Divine Will in Her. With Luisa’s prayer we pray: Dearest Mother, I know that You love us and, therefore, I pray You to give me (and all who are most in need) a little place in Your arms so that I may give Him my kisses and pour my heart into the little King Jesus and confide to Him my interesting secrets which oppress me so much. And, making Him smile, I will say to Him: “My will is Yours and Yours is mine. And, therefore, form in me the Kingdom of Your Divine Fiat”. Hail Mary!*

☼ *Child of my Heart ... pay attention to Me ... you must know that it was midnight when the little, newborn King came forth from my Maternal Womb. But the night was changed into Day. He who was owner of the Light put into flight the night of the human will, the night of sin, the night of all evils. O Divine Light envelop all and quench our darkness, as you quenched the darkness of midnight; as through Your own interior darkness on the Cross, You quenched the darkness of the devil. Fiat! Hail Mary!*

☼ *All created things rushed to sing to their Creator in that little Humanity ... the heavens were shaken to their foundations. The earth exulted and trembled even into its bowels. The sea became tumultuous with its most high waves ... the very Angels, forming light in the air with melodious voices, making themselves heard by all, said; “Glory to God in the highest heavens and Peace on earth to men of good will! Dear Jesus I too welcome You with the Love of Your Will and bring all Creation to You, each one to sing their songs of love for You to repair for the absence of welcome You suffered in Bethlehem and in every consecrated Host. I fuse every act of humanity to Your Will and welcome You into each act, giving You new birth. Fiat! Hail Mary!*

☼ *And so, my dear child, continue to listen to Me. As I received Him in my arms and gave Him my first kiss, I felt the need of Love to give of Myself to my little Baby Son, and, giving Him my breast, I gave Him abundant milk - milk that was formed by that same Divine FIAT in my person to feed the little King Jesus. With Luisa's prayer we pray, I, too, want to place myself in Your Mother's arms and I want to meet Her kiss with my own. I want to let my "I love You" flow in Her Virginal milk so I can feed You with my love. Everything She did for You, I also want to do it for You. Fiat! **Hail Mary!***

☼ *I wrapped Him in poor but neat swaddling clothes and laid Him in the manger ... but before doing this I let dear Saint Joseph take part, giving Him into his arms. And, oh, how he delighted, and squeezed Him to his heart. And, the sweet, little baby poured torrents of graces into his soul. O little tender Baby Jesus, let me hold you in my arms so that You may pour torrents of graces and mercy into my poor soul, and in all Creation from Adam to the last man, who I bring to Your cradle. For Your Holy Word says, *You became poor so we could become rich.* I want to give the riches of Your Divine Will and Love to everyone. I immerse myself in You Jesus also to give all Humanity in You into the arms of St Joseph that he may be for each one their protector and provider as he was for You and our dear Mother. **Hail Mary!***

☼ *Together with Saint Joseph, we arranged a little hay in the manger, and, detaching Him from my maternal arms I placed Him there to lie within it. And your Mother, enraptured by the beauty of the Divine Infant, spent the greater part of the time genuflected before Him. I placed in motion all my seas of Love that the Divine Volition had formed in Me, to love Him, adore Him and thank Him. I place my love in Your holy Mother and father's adorations and those of the angels and saints that the coldness You feel may be warmed in this Love. I also place all our coldness in Your Divine warmth, the deep ardours of Love of our heavenly Father and the Holy Spirit for You, that our hearts of stone may be turned into hearts of flesh. Fiat! **Hail Mary!***

☼ *And the heavenly little Boy, what did He do in the Manger? A continuous Act of the Will of our heavenly Father ... He cried and called everyone by saying in His loving moans "Come everyone, my children. For your love I am born to sorrow, to tears. Come everyone to know the excesses of my Love! Give Me a refuge in your hearts". My Jesus! I give You a refuge in my heart filled now with Your own Heart and its throbbing, its warmth and its radiating Light. I immerse myself and all Creation in the Flames of Love of Your Heart. Fiat! **Hail Mary!***

☼ *My child you must know that all my joy was to have my dear Son Jesus in my lap, but the Divine Volition made me understand that I should place Him in the manger at the disposition of everyone, so that, whoever wanted could caress Him, kiss Him and take Him in their arms as if He were theirs. He was the little King of everyone. Therefore, they had the right to make of this a sweet pledge of love. And I, to fulfil the Supreme Will, deprived Myself of my innocent joys and began with works and sacrifices the Office of Mother to give Jesus to everyone. Heavenly Mother, thank you for depriving Yourself of so much consolation that we could have Jesus for ourselves, each one personally to love and adore. May your deprivations be the sword that opens the most hardened hearts and release from these hearts the affectionate cries of love for their Divine Saviour. Fiat! **Hail Mary!***

☼ *My child, the Divine Will is exacting and wants all, even sacrifice in the holiest things and according to circumstances the great sacrifice of depriving oneself of Jesus Himself. But this is for more greatly extending His Kingdom and to multiply the Life of Jesus. Because, the creature who for His Love deprives herself of Him, such and so much is her heroism and the sacrifice that it has the virtue of producing a new Life of Jesus, to be able to form another habitation for Jesus. Therefore, dear child, be attentive, and under whatever pretext never deny anything to the Divine Will. Oh Mother, give me that heroism of Your own Heart that*

surrenders the consolations of Jesus, that He may generate in this sacrifice 'divine lives'. Fiat! **Hail Mary!**

✿ In Luisa's prayer we pray, *Holy Mother, Your beautiful lessons confound me. But, if you want me to put them into practice, do not leave me alone. And when you see me about to succumb under the enormous weight of the divine privations, squeeze me to your Maternal Heart, and I will feel the strength to never deny anything to the Divine Will.* Amen. Fiat! **Hail Mary!**

✿ *And in all the acts of the Divine Will found in this Mystery we pray, 'Glory be to the Father etc ...*

✿ *0 my Jesus forgive us our sins. Save us from the fire of hell ..*

✿ *Saint Joseph! Virgin Father of the Divine Will, generate his Life in us!*

## **PRAYER BEFORE THE MYSTERY**

Oh, Divine Will of the Eternal Love, I immerse myself in You as You live this Mystery. I bring with me the entire order of Creation to participate in and glorify You in these Acts of Love *that not one is lost* but all may make their home in You as You have made Your home in us. Fiat! John 17

*Our Father, Who art in Heaven, hallowed be Thy Name. Thy Kingdom come! Thy Will be done on earth as it is in Heaven. Give us this day our daily Bread and forgive us our trespasses as we forgive those who trespass against us and lead us not into temptation but deliver us from evil. Amen!*

🌸 *Holy Mother, here I am near You to accompany You to the Temple where You are going to carry out the greatest of sacrifices, that is, to give the Life of the Heavenly Infant into the mercy of each creature so that they may use It to place themselves into safety and to sanctify themselves. But, ah, what pain! Many will make use of It to offend Him and even to become lost! For pity's sake, Mother, deposit little Jesus in my heart and I promise and swear to You to love Him always and to keep Him as Life of my poor heart. Fiat! **Hail Mary!***

☼ *You must know that forty days have already passed since we found ourselves in this Grotto of Bethlehem, the first dwelling place of my Son here below. The Heavenly Infant in a transport of Love descended from Heaven to earth. He was conceived and was born and felt the need to unbosom this Love. Therefore, each breath, heartbeat and movement was a venting of Love which He did. Each tear, whimper and moan was a venting of Love. Even His feeling Himself benumbed by the cold and His little lips, livid and trembling, were all vents of Love that He did. And He searched for His Mother to deposit this Love in Her, which He could not contain, and I was overwhelmed by His Love. Therefore, I found myself continually wounded.*

☼ O Mother! The wounds my sins have inflicted upon Your Heart fill me with deep sorrow and the desire to console you, so I take the vents of Love of dear little baby Jesus and with Him pour them into Your Heart as infinite torrents, that thereby consoled, You may open Your heart to us poor sinners and help us live in His Will and Heart. May those who seek to kill the Life of the Divine Child in the newly conceived be thereby stunned with the force of His Love and convert by the power of His Breath, Tears, Heartbeats and all the faculties of His Infant Body and Soul. Fiat! **Hail Mary!**

☼ *I felt my dear Little One palpitate, breathe and move in my Maternal Heart ... I was inundated by the Flames of His Love. The Circumcision had already opened profound rents in Me, into which He poured so much Love that I felt Myself Queen and Mother of Love.*

☼ Oh Mother, the memory of the Circumcision opens rents in my heart also. The first shedding of the Precious Blood of Jesus from His Infant Flesh reminds me of the shedding of so much innocent blood in the little unborn; and the cutting of His genitals reminds me of the horrible sins against the genitals of the innocent children. Mother in Your Immaculate and Sorrowful Heart, I offer with You and Saint Joseph all the pains of Jesus' Circumcision, in which He gifted Himself as the sacrificial Lamb

to bring God's Will to Man, so that all may reverence the Body as the temple of the Holy Spirit. Fiat! **Hail Mary!**

☼ *The repetition of His acts together with Me, His Tears, His Pains and His Love were, as it were, transfused together. And whatever He did I did. I too Mother with You enter the Tears, Pains and Love of Jesus to take their merits to all the suffering children of the world in all generations, who for want of loving parents living in the Divine Will are reared to live in the dark night of the human will. Unify all families Mother in His Will. Fiat! **Hail Mary!***

☼ *The dear Baby, more than ever drowned in His Love, wanted to obey the Law and present Himself in the Temple to offer Himself for the salvation of each. It was the Divine Will that called Us to make the great sacrifice and We promptly obeyed. I too, Mother, accompany You, Abba Joseph and dear little Jesus to make the sacrifice of my will to the Divine Will. May I be sustained through all difficulties never to betray this Love Covenant. Fiat! **Hail Mary!***

☼ *My daughter, when this Divine FIAT finds promptness to do whatever It wants, It puts at the disposition of the creature Its Divine Strength, Its Sanctity and Its Creative Power to multiply that act, that sacrifice for each and for all. It puts into that sacrifice the little coin of infinite value with which one can pay and satisfy for all.*

☼ *Thankyou heavenly Mother for Your teaching, Your Love, Your encouragement that what is impossible for me is possible for Jesus and You. Help me always to run towards the Divine Will and immerse myself instantly when the human will threatens to steal me away. Fiat! **Hail Mary!***

☼ *Now it was the first time that your Mother and Saint Joseph went out together with the Child Jesus. All things of Creation recognized their Creator and felt honoured in having Him in their midst. When we reached the Temple we prostrated ourselves and adored the Supreme Majesty. Then we placed Him in the arms of the Priest who was Simeon. He made the offering*

*of Him to the Eternal Father, offering Him for the salvation of all ... After the offering he assumed the attitude of prophet and predicted all My Sorrows. Beloved Mother and Abba Joseph take me to the Temple of the Divine Will and give me into the arms of my Eternal Father. Fiat! **Hail Mary!***

☼ *Oh, how the Supreme FIAT made My Maternal Heart feel painfully, with vibrant sound, the fatal tragedy of all the pains that my Divine Son would have suffered. Each word was a cutting sword that transfixed Me. But what most transfixed my Heart was to hear that this Heavenly Infant was to be not only the salvation but also the ruin of many and the target of contradictions. What pain! What Sorrow! If the Divine Volition had not sustained Me, I would have died instantly for pure pain. Instead, It gave Me Life to begin to form in Myself the Kingdom of Sorrows in the Kingdom of Its own Divine Will. Therefore, together with the motherly right which I had over everyone, I also acquired the right of Mother and Queen of all Sorrows. Oh Yes! With My Sorrows I acquired the little coin to pay the debts of my children and also of the ungrateful children.*

☼ *I immerse myself in the Spirit of Prophecy to invest all with its Sword of Truth and call everyone back to the Kingdom, so that in seeing so many of Your children return home, loving Mother Your Sorrows will be vanquished forever. Amen. Fiat! **Hail Mary!***

☼ *Now, listen to your Mother. In your pains, in the painful encounters which are not lacking to you either, when you know that the Divine Volition wants some sacrifice from you, be ready. Do not lose heart. Rather, immediately repeat the dear and sweet FIAT, that is, "Whatever You want, I want." And, with heroic love, grant that the Divine Volition take its Royal place in your pains so that It may convert them for you into little coin of infinite value with which you will thus be able to pay your debts, and also those of your brothers, to redeem them from the slavery of the human will and to make them enter, as free sons, into the Kingdom of the Divine FIAT.*

☼ Mother I want to obey all your wishes so that you will be able to use all my acts of obedience to console Jesus for so much pain caused Him. Mother my soul cries in You for the salvation of all, especially the little children left bereft of sound teaching and tender care, abandoned by their parents who fill them with the poison of human ideologies that give no glory to God; and so, these little ones grow up hating God and Man. Please help all the generations of children, who through no fault of their own, find themselves in the hell of the human will. Fiat! **Hail Mary!**

☼ *Holy Mother, place all my pains in your transfixed Heart, for You know how they afflict me. For pity's sake, act the part of Mother to me and pour the balsam of Your Sorrows into my heart so that I may have Your same lot of using my pains to pay court to Jesus, to keep Him defended and sheltered from all offences, and as sure means to conquer the Kingdom of the Divine Will and make It come to reign upon the earth. Fiat! **Hail Mary!***

☼ *And in all the acts of the Divine Will found in this Mystery we pray, 'Glory be to the Father and to the Son and to the Holy Spirit. etc ...*

☼ *O my Jesus forgive us our sins. Save us from the fire of Hell and lead all souls to Heaven especially those who have most need of Thy Mercy.*

☼ *Saint Joseph! Virgin Father of the Divine Will, generate his Life in us!*

## PRAYER BEFORE THE MYSTERY

Oh, Divine Will of the Eternal Love, I immerse myself in You as You live this Mystery. I bring with me the entire order of Creation to participate in and glorify You in these Acts of Love *that not one is lost* but all may make their home in You as You have made Your home in us. Amen. (John 17)

*Our Father, Who art in Heaven, hallowed be Thy name. Thy Kingdom come! Thy Will be done on earth as it is in Heaven. Give us this day our daily Bread and forgive us our trespasses as we forgive those who trespass against us. And lead us not into temptation but deliver us from evil. Amen.*

☼ *My daughter/son your company and the diligence which you show upon hearing my heavenly lessons in order to imitate Me are the most pure joys that you can give to my Maternal Heart. I rejoice because I can share the immense riches of my inheritance with you. And Mother, I rejoice in You that I am sharing these riches. I celebrate, praise and thank You for Your Fiat that gave birth to me in Jesus' glorious Body. I want to stay close to You so I can continuously be taught how to live, work and pray in the Divine Will so I too may share in giving birth to Jesus in souls. Amen. Fiat! **Hail Mary!***

☼ *We continued to live life in the quiet little house of Nazareth, and my dear Son grew in Grace and in Wisdom ... Not long before He had reached the age of twelve, according to custom, the trip was made to Jerusalem to solemnize the Passover ... He, Saint Joseph and I set out. At Jerusalem we went straight to the Temple. Upon arriving, we prostrated ourselves face to the ground. We profoundly adored God, and we prayed at length. Our prayer was so fervent and recollected that it opened the Heavens, attracted and bound the Heavenly Father and, therefore, accelerated the reconciliation between Him and men. I immerse myself in those fervent prayers and adorations of the Divine Will of You, little Jesus and Saint Joseph that all families may once again be united in such prayer and adoration to open Heaven and call the blessing of the Heavenly Father upon earth. **Hail Mary!***

☼ *Now, my daughter/son, I want to confide to you a pain which tortures Me. Unfortunately, there are many who go in fact to church to pray, but the prayer that they address to God stops upon their lips because their hearts and minds flee far from Him! How many go to church for mere habit, or to uselessly pass the time! These close Heaven rather than open It. And how numerous are the irreverences, which are committed in the House of God! How many scourges would not be spared in the world and how many chastisements would not be converted into graces if all souls did their utmost to imitate our example. Immersed in the prayers of Jesus, Mary and Joseph I pray for the Holy Spirit to fill*

the Church with a new fervour for prayer, for daily Eucharist, for adoration of the Blessed Sacrament and for awareness that in His Will we are living Hosts of His Divine Essence. **Hail Mary!**

✿ *Only the prayer that springs from a soul in which the Divine Will reigns, acts in an irresistible way upon the Heart of God. It is so powerful as to vanquish Him and to obtain from Him the maximum graces. Therefore, take care to live in the Divine Volition. And, your Mother, Who loves you, will grant to your prayer the rights of Her powerful intercession. Mother always and everywhere I will pray in God's Holy Will to vanquish the human will which contrives so many abortions of His Will. Amen. Fiat! **Hail Mary!***

✿ *We prepared to make our return to Nazareth. In the confusion of the crowd we lost each other. I remained with the women and Joseph joined the men. I looked around to make sure my dear Jesus had come with Me. But, not having seen Him, I thought He had remained with his father Joseph ...What was not, instead, the amazement when I did not see Him at his side! Unaware of what had happened, we felt such fright and such pain that we both remained mute. Crushed by the pain, we hastily returned, anxiously asking all whom we encountered, "For pity's sake, tell us if you have seen Jesus, our Son, because we can no longer live without Him!" Dear Mother and Saint Joseph I immerse myself and the pains and sufferings of all parents who are separated from their children, in these pains and anguish of your maternal and paternal hearts. May we like you persevere in prayer and trust calling for the Divine Will to reunite with our children who have strayed from the Unity of the Divine Family. Amen. Fiat! **Hail Mary!***

✿ *The pain that I suffered worsened so much as to make Me cry bitterly and as to open profound rents in my soul in every instant, which caused Me true agonies of death. Dear daughter, if Jesus was my Son, He was also my God. Therefore, my pain was all in the divine order, that is to say, so powerful and immense as to surpass all other possible torments united together ... If the FIAT that I possessed had not sustained Me continually*

*with Its divine force, I would have died of dismay. Seeing that no one could give us information, I anxiously inquired of the Angels that surrounded Me ... Amen. Fiat! **Hail Mary!***

*“I sought Him but did not find Him. So, I will rise and go through the City, in the streets and the squares. I will seek Him whom my heart loves ... I sought Him but did not find Him. The watchmen (guardian angels) came upon me on their rounds of the City, “Have you seen Him whom my heart loves?” Scarcely had I passed them than I found Him whom my heart loves. I held Him fast, nor would I let him go, till I had brought Him, into the room of Her who had conceived me.”*

### The Song of Songs 3

 *After three days of most bitter sighs, of tears, of anxieties and of fears, we entered into the Temple ... I finally perceived my Son Who was in the midst of the doctors of the Law! He spoke with such wisdom and majesty as to astonish and surprise all who listened to Him. Upon merely seeing Him I felt Life return in Me and I immediately understood the hidden reason of His loss ... During those hours so painful, He sacrificed His own Mother, She who loved Him so, to His Divine Will, to demonstrate to Me how I, too, one day would have to sacrifice His very Life to the Supreme Volition. Mother I immerse myself in the Sorrows of Jesus sacrificing You and His Abba Joseph to such a great torture – the torture of separation from God – the very same torture suffered by the soul who divorces herself from Your Will. Invest me and all with the will to sacrifice Jesus’ consoling Presence so that others may come to Him and love Him. Fiat!*

 *In this unspeakable pain I did not forget you, my beloved. Considering that it was to serve as example to you, I kept it at your disposition so that at the proper moment you might have the strength to sacrifice everything to the Divine Will. O Mother grant that I may always remember what it cost You to obtain for me the gift of the Divine Will, Jesus. I offer all Your pains, sacrifices, prayers, tears and love united to those of Saint Joseph in order to obtain for all generations the supreme Gift of the Divine Will. **Hail Mary!***

☼ No sooner did Jesus finish speaking than we reverently drew near to Him and gave Him sweet reproof, “Son, why did You do this to us?” And He, with divine dignity, responded to us, “Why did you seek Me? Did you not know that I have come into the world to glorify my Father?” Having understood the high meaning of such a response and having adored the Divine Volition in it, we returned to Nazareth. May all families ‘descend to Nazareth’ the home of simplicity and poverty and great Love one for one another in the acts of family life, unity and divine love. Amen. Fiat. **Hail Mary!**

☼ Daughter of my Maternal heart, listen! When I lost my Jesus, the sorrow that I suffered was most intense. Still, to this there was added a second, that is, that of your own becoming lost. Indeed, foreseeing that you would go far from the Divine Will, I felt at once deprived of my Son and of my daughter, and therefore my Maternity suffered a double blow. My daughter! When you are on the point of doing your will instead of that of God, consider that by abandoning the Divine FIAT you are about to lose Jesus and Me and to precipitate into the kingdom of miseries and of vices. Therefore, keep the word you gave Me to remain indissolubly united to Me. And I will grant you the grace of never again letting yourself be dominated by your volition but exclusively by that Divine. Mother I immerse myself in little Jesus and all His Love for you to love you with His Love. **Hail Mary!**

☼ And in all the acts of the Divine Will found in this Mystery we pray, ‘Glory be to the Father and to the Son and to the Holy Spirit, as it was in the beginning etc ...

☼ O my Jesus forgive us our sins. Save us from the fire of Hell and lead all souls to Heaven especially those who have most need of Thy Mercy.

☼ Saint Joseph! Virgin Father of the Divine Will, generate his Life in us!

#### PRAYER AFTER THE MYSTERY

Supreme Majesty! As Your little children, we come upon Your Paternal knees to offer You all the Acts of the Divine Will found in this Mystery, together with our acts of reciprocal love, which in the name of all creatures, embrace these Acts. With this offering we implore Mercy, Salvation and Sanctification for every creature, the quick and complete triumph of the Divine Will on earth and Its quick and complete triumph in us. Amen. Fiat!

# *The Duty of Tears*

***“My daughter! My Tears began even from the first instant of My Conception in the Womb of My Celestial Mother until My last Breath upon the Cross. The Will of My Celestial Father entrusted to Me even the duty of tears and from My eyes there must flow as many of them for as many as there ought to flow from all creatures together. As I conceived all those souls in Me, so I had to shed all their tears from My eyes.***

***See, therefore, how much you must cry: you must shed from My eyes the tears that the creatures shed by passion, so that, Mine will smother their passions; you must shed the tears that are necessary after sin, in order to give them the sorrow of having offended Me and be convinced of the evil that they have done, preparing, with My Tears the intention of not offending me anymore. You must shed tears to soften souls to make them understand the pains of My Passion, as even you shed abundant tears of love to electrify souls to love Me, to attract their sympathy and their heart, all for Me ...***

***It is enough to say to you that there is no tear that breaks forth upon the human eye that I did not shed from my eyes.”*** (V18 “*The Book of Heaven*”: Dec 20, 1925)

## **HAIL HOLY QUEEN**

Hail! Holy Queen! Mother of Mercy! Hail our Life, our Sweetness and our Hope. To Thee do we cry, poor banished children of Eve. To Thee do we send up our sighs, mourning and weeping in this vale of tears. Turn then, most gracious Advocate, Thine eyes of Mercy towards us and after this our exile, show unto us the blessed Fruit of Thy Womb, Jesus. O Clement, O Loving, O Sweet Virgin Mary. Pray for us, O Holy Mother of God, that we may be made worthy of the promises of Christ.

## **CLOSING PRAYER**

O God! Whose only begotten Son, by His Life, Death and Resurrection has purchased for us the rewards of Eternal Life, grant, we beseech Thee, that meditating upon these mysteries of the most holy Rosary of the Blessed Virgin Mary, we may imitate what they contain, and obtain what they promise, through the same Christ our Lord, Amen.

## PRAYER TO SAINT MICHAEL THE ARCH ANGEL

Saint Michael the Archangel, defend us in the hour of battle. Be our safeguard against the wickedness and snares of the devil. May God rebuke him, we humbly pray and thou, O Prince of the Heavenly Host, by the Power of God, cast Satan down to hell and with him all the wicked spirits who wander through the world seeking the ruin of souls. Amen.

## PRAYERS FOR THE HOLY FATHER

Lord Jesus, shelter our Holy Father, the Pope, under the protection of Thy Sacred Heart. Be Thou his Light, his Strength and his Consolation. Deliver him not up to the will of his enemies. (One Our Father, Hail Mary and Glory Be.)

### From *“The Book of Heaven”*

Experience has shown it best, in prayer meetings, to read a lesson slowly and reverently repeating a paragraph perhaps three times, then pausing for the Holy Spirit to infuse our souls with His Light. We need to allow time and reverence for the anointing of Truth to take place. This anointing is the work of the Holy Spirit alone and is given according to His Wisdom as to the unique nature of individual souls. **Jesus said to Luisa,**

“This morning my sweet Jesus made Himself seen in a wonderful way. He was standing upon my heart; on it He had placed two bars over which He had formed an arch, and in the middle of it He had fixed a little wheel with two ropes, one on the right and one on the left, and a little bucket hanging from it. And Jesus, all hurriedly, would make the little bucket descend into my heart; then He would pull it up full of water, and would pour it over the world. He kept drawing and pouring, in such a way as to flood the earth. It was delightful to see Jesus, as though hurrying, dripping with sweat because of the effort He made in drawing so much water. I thought to myself:

*‘How is it that so much water comes out of my heart, while it is so small? And when did He put it in there?’* And blessed Jesus made me understand that all that apparatus was nothing other than His Will which, with so much goodness, had operated upon me. The waters He was drawing were the sayings and the

teachings on His adorable Will, which He had placed in my heart as though in deposit, and which, more than water He was drawing - wanting to water the Church in order to give Her the knowledge of His Will, so that It might be fulfilled as He wants.

*“My daughter, this is what I did in the Incarnation: First I placed in my dear Mama all the goods which were needed in order to descend from heaven to earth, and then I incarnated Myself, forming the deposit of my very Life. This deposit came out from my Mama as life of all.*

*The same will be with my Will. It is necessary that I make the deposit of the goods, the effects, the prodigies and the knowledges It contains; then, once I have formed the deposit in you (Luisa), It will make Its way and will give Itself to the other creatures. Therefore, see, everything has been prepared – the deposit is almost complete. There is nothing left but to dispose the first ones to receive It, that It may not remain without Its fruit.”*

## **Consecration to the Divine Will**

by Luisa Piccarreta

*Oh! Adorable and Divine Will, behold me here before the immensity of Your Light, that Your Eternal Goodness may open to me the doors and make me enter into It to form my life all in You, Divine Will.*

*Therefore, oh adorable Will, prostrate before your Light, I, the least of all creatures, put myself into the little group of the sons and daughters of Your Supreme FIAT. Prostrate in my nothingness, I invoke Your Light and beg that It clothe me and eclipse all that does not pertain to You, Divine Will. It will be my Life, the centre of my intelligence, the Enrapturer of my heart and of my whole being. I do not want the human will to have life in this heart any longer. I will cast it away from me and thus form the new Eden of Peace, of Happiness and of Love. With It I shall be always happy. I shall have a singular strength and a holiness that sanctifies all things and conducts them to God.*

*Here prostrate, I invoke the help of the Most Holy Trinity, that They permit me to live in the cloister of the Divine Will and thus return in me the first Order of Creation, just as the creature was created.*

*Heavenly Mother, Sovereign and Queen of the Divine Fiat, take my hand and introduce me into the Light of the Divine Will. You will be my guide, my most tender Mother, and will teach me to live in and to maintain myself in the order and the bounds of the Divine Will. Heavenly Mother, I consecrate my whole being to*

*your Immaculate Heart. You will teach me the doctrine of the Divine Will and I will listen most attentively to your lessons. You will cover me with your mantle so that the infernal serpent dare not penetrate into this Sacred Eden to entice me and make me fall into the maze of the human will.*

***Heart of my greatest Good, Jesus, You will give me your flames that they may burn me, consume me, and feed me, to form in me the Life of the Divine Will.***

***Saint Joseph, you will be my protector, the guardian of my heart, and will keep the keys of my will in your hands. You will keep my heart jealously and shall never give it to me again, that I may be sure of never leaving the Will of God.***

***My Guardian Angel, guard me. Defend me. Help me in everything, so that my Eden may flourish and be the instrument that draws all men into the Kingdom of the Divine Will. Fiat!***

#### **PRAYER FOR THE BEATIFICATION OF LUISA**

O Most Holy Trinity! Our Lord Jesus Christ taught us that, as we pray, we should ask that our Father's Name be always glorified, that His Will be done on earth and that His Kingdom come to reign among us. In our great desire to make known this Kingdom of Love, Justice and Peace we humbly ask that you glorify your servant, Luisa, the Little Daughter of the Divine Will, who, with her constant prayer and suffering deeply yearned for the salvation of souls and the coming of God's Kingdom in the world. Following her example we pray to You, Father, Son and Holy Spirit, to help us joyously embrace the crosses of the world so that we may also glorify Your Name, and enter into the Kingdom of your Will. Amen.

# The Three Fiats of the Trinity

*The Book of Heaven:* Volume 12:  
2/2/1921

**“My daughter, it is true; in My Volition is the Creative Power.**

*From within one single Fiat come forth billions and billions of stars; from the ‘Fiat Mihi’ of My Mother from which My Redemption had its origin, come forth billions and billions of Acts of Grace that are communicated to souls.*

**Those Acts of Grace are more beautiful, more resplendent, and more multiform than the stars.**

*Moreover, while the stars are fixed and do not multiply themselves, the Acts of Grace multiply themselves to the infinite; they run at every instant attracting creatures, making them happy, fortifying them and giving them life. Ah! If creatures could see the supernatural realm of Grace, they would hear such harmonies, they would see such an enchanting spectacle as to believe that it was their Paradise.*

**Now the Third Fiat must also run together with the other two Fiats.** *It must multiply Itself to the infinite; and at every instant It must give as many Acts for however many Acts of Grace*

*come forth from My Bosom; for however many stars, for however many drops of water, and for however many created things the Fiat of Creation brought forth, It must blend together with them and say: “However many acts are yours, so many do I do!”*

**These Three Fiats have the same value and power. You disappear - it is the Fiat that Acts,** *and therefore even you can say in My Omnipotent Fiat: ‘I want to create so much love, so many adorations, so many benedictions and so much glory to my God, as to supply for everyone and everything’.*

**Your acts will fill Heaven and earth, will multiply with the Acts of Creation and Redemption and they will make themselves one alone.** *All this will seem surprising and incredible to some and then they would place in doubt My Creative Power. Moreover, when it is I who want it, who gives this power every doubt ceases. Am I perhaps not free to do what I want and to give to whoever I want?*

**You be attentive! I will be with you. I will overshadow you with My creative strength and I will accomplish what I want with you.”**
