

Bigfoot Adventure Challenge

Gas Point Gravel Route Information

Distance and Elevation: 10.5 miles and 600 feet of climbing

Trailhead Location: Intersection of Gas Point Road and Lower Gas Point Road, Igo California

Route Directions:

1. Gas Point Road – take the paved Gas Point Road south until the intersection with Lower Gas Point Road
2. Lower Gas Point Road – Take the mostly gravel Lower Gas Point Road back to your start.

Summary: This Bigfoot Gravel route is a little bit of Tehama County style open country AG in Shasta County. Riders can expect a first half fast pavement decent on Gas Point Road followed by mostly gravel return on Lower Gas Point amongst the cows, big oak trees, few ranches and lots of open country.
