

Bigfoot Adventure Challenge

Swasey Short Trail Route Information

Salt Creek Heights Trail
(inner subdivision portion)

Distance and Elevation: 4.1 miles and 540 feet of climbing

Trailhead Location: Lower Swasey Parking Area – Swasey Recreation Area

Route Directions:

1. Wintu Yemen Trail – out of the parking and through the yellow gate and up the fire road until the signed Wintu Yemen trail veers right and heads uphill. Stay on this main trail past a few connector trails and then up some fairly steep and tight switchbacks before a long up and down traverse to the top of Enticer and then Owens Run.
2. Owens Run to Start – down Owens Run, eventually it turns into a fire road and then intersects with Delano Drive. Left on Delano and then quick left onto the Clear Creek Canal Trail and back to your start.

Summary: This Bigfoot Adventure Challenge Trail route is a fun traverse of the lower area of BLM's Swasey Recreation Area. The Trail user can expect some challenging at times but always fun up, down and across lower Swasey single track track trails.
