From The President

Dear LCHS Members & Friends,

Now that we have resumed our monthly meetings’ we hope you will come and enjoy the interesting speakers and spend some time visiting with LCHS members and friends.

Our March “Music at the Museum” was a great success and enjoyed by everyone. (See pictures and story in this newsletter.) The next music event will be April 29.

Progress is being made with our remote classroom school sessions. We hope to share more news and pictures regarding this in our next newsletter. Stay Tuned!

LCHS Partnering with Galveston Historical Foundation (GHF)

In early April, a team from the LCHS worked together to clean and verify the integrity of several old-vintage antique windows from League City. The ones that were still in great shape after a century of use were hand delivered to the GHF warehouse. This effort allowed the LCHS to partner with the GHF devoting our efforts to historic preservation and history in Galveston County. We would like to thank everyone involved to make this happen.

The League City Historical Society would like to thank everyone who supported our 1st “Music at the Museum” event held Friday, March 25th. What a beautiful evening in League City while everyone had a chance to enjoy the incredible music by several amazing artists. We were so fortunate to have eight local musicians join from the League City Folk Association. You could see excitement from everyone throughout the evening while parents listened to the wonderful music and children played on the grounds of the West Bay Common School Children’s Museum. What a special evening for our members and guests that could join the fun. We wanted to express our appreciation to Rachel and Tucker Hart for their new membership and for working so closely with the LCHS to pull such an incredible family focused event together for the historic district of League City, Texas.

“Welcome back Scout Troop #615!

Eagle Scouts, Troop #615, and their families that did so much work for LCHS came back for an evening visit. From new privacy fencing, to new and maintenance free landscaping, easy care lattice work, reworked brick walkway, fantastic side latch gate, to a rebirth of the original schoolhouse flagpole with materials from the old Moody Cotton Press in Galveston - this Troop is awesome!

Thank you and welcome back! (Photo provided by Troop #615)
