PRESS STATEMENT

MMI UNITED KINGDOM RESPONDS TO COVID-19 PANDEMIC

In light of the latest developments regarding COVID-19, we here at MMIUK have been following closely on the updates provided by the UK government. As the government’s advice rapidly changes with the progression of the outbreak, it is our utmost priority that we look after the wellbeing of the Malaysian medical students in the UK during this time. We have gathered some essential information that is important for your safety.

It is important, now more than ever, to remain calm. Follow the instructions provided to you by your respective universities, the Malaysian Embassy and most importantly, the UK and the Malaysian government. These are unprecedented times we are going through, and it’s easy to get caught up in the heat of it all.
