

NEW RELEASE

NARROW REED GLASS

A STYLISH ALTERNATIVE – ADDING SOPHISTICATION,
PRIVACY AND A TOUCH OF OLD-WORLD

Narrow Reed Glass diffuses light perfectly, transferring light and offering you the privacy you desire. The timeless narrow reed design gives a nod to old-world, recreated in a modern sophisticated new design. Panels are made to a high level Grade A safety glass, of durability and quality finish to the relevant standards (AS/NZS2208). Reeded glass panels available in 3 fixed panel width options at 2050mm high and 1 bath panel option at 1500mm high.
