Upper Valley MEND Gleaning COVID-19 Guidelines

We appreciate your desire to help! In order to keep everyone healthy, the following guidelines are in place. Thank you for flexibility and support!

- Do not volunteer if you are sick or have been around anyone that is sick.
- Hand sanitizer will be provided prior to and after the volunteer session.
- Masks and gloves will be available for those who wish to wear them.

Gleaning procedures:

- Wash or sanitize hands before putting on gloves and gleaning.
- Work in small groups.
- Respect each other’s personal space while gleaning.
- Cough or sneeze into your elbow.
- Refrain from touching your face.
- Wash hands after removing gloves and after gleaning.
- Have fun!
