WIN YOUR OWN PLANE!

The 1940 Air Terminal Museum is raffling this vintage 1957 Cessna 172 as a fundraiser. Raffle tickets for the fundraising contest are available for $50 each starting on Tuesday, October 13th, 2015, and no more than 2,500 tickets will be sold. The winner will be announced at the museum’s July 2016 Wings & Wheels open-house (July 16, 2016), or an earlier Wings & Wheels if all tickets have been sold. The raffle airplane will be on display at the museum’s monthly Wings & Wheels open houses, fly-ins, air shows and at popular flying destinations throughout the contest.

Ticket sales will cease when 2,500 tickets have been sold, or at noon CDT on Friday July 15, 2016, whichever occurs first.

Our 172 is a classic example of one of the most popular planes ever produced. It features a TKM MX-300 Nav/Comm, complimented by a 4 place intercom system, as well as a panel mounted RAM® mount for attaching a GPS or tablet.
