description

small to medium plant
excellent for large
containers, with an array
of flower colors ranging
from dark pink, red to
bronze. an outstanding
changeable bloomer

medium to large, apricot
blooms that stand well
above the water, one of
the best bloomers in light
shade

a miniature waterlily with
creamy, not quite white,
not quite yellow blooms,
flowers continually

large, deep red flowers
are abundant and highly
reflective due to the
intense color

chocolate, mounding
foliage sits beneath fiery
pink blossoms speckled
with yellow, color is highly
