

PARTNERSHIP OVERVIEW

Tutor Corps will provide online enrichment tutoring for small groups of District students who are in the special education program.

Group instruction guidelines:

- 4 groups each of grades K-5 and 6-12 (8 groups total)
- Each group will have no more than 4 students (32 students total)
- Enrichment tutoring will focus on English language arts and math (cap at Algebra 1)
- Each group will meet twice weekly for 30 minutes each session (total 1 hour weekly)
- Instruction will occur between the hours of 3-5pm, Mon-Fri

Our goal with all students is to provide a thoughtful, engaging learning experience. All Tutor Corps' tutors are hand-picked and have backgrounds in working either in special education or have worked with students who have learning differences.

BILLING & PAYMENTS

Tutor Corps will send invoices to the District bi-monthly for instructional hours via email and payments can be sent via check to:
