Mentorship Program

- We pair you with an **upperclassman**, who will help you develop socially and professionally.
- Mentor and mentee pairings will meet **once every one or two weeks** to talk about a suggested conversation topic. Some activities planned for this semester include Games Night, Professional Exploration, and a Competition between mentor-mentee pairings at the very end!
- **Speed Dating Session: Friday, September 18th at 3:30 PM - 4:30 PM**
 - You will be put into breakout rooms with mentors to just chat and get to know each other!
- **Mentorship Application** opens **Monday, September 21st**
- **Mentorship Application** is **DUE Sunday, September 27th at 11:59pm**

We Have Fun :)

What is Actuarial Science?

It's a discipline that combines...

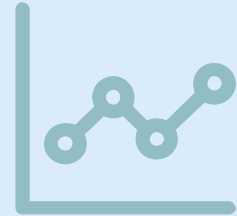

Math

Finance
