OCT 26
NOV 3

70% of all Coloradans have filled out the census
97% of LCFC respondents have said that they already filled out the Census.

659,000 Latinos in Colorado are eligible to vote
57% of those eligible voters are actually registered to vote

"We believe at Mi Familia Vota that we have the power within our community to go and demand the changes that we want to see. We want to be able to say that Latinos went out and voted and this is what we want and we want to see these kind of policies enacted."
—Salvador Hernandez, Colorado State Director of Mi Familia Vota
