

Central Grasslands Roadmap Summit

A Conservation Roadmap for the Future

May 24-25, 2022 • Salazar Center, Colorado State University • Fort Collins, CO

SPONSORSHIP OPPORTUNITIES

About the Summit

This summit will bring together a cross-section of leaders and experts that live and work in the central grasslands from Canada to Mexico — including private landowners, federal and state agencies, foundations, industry, and nongovernmental organizations including; land trusts, Indigenous and First Nations representatives, and academia.

Together, we will develop a **unified roadmap** to guide and inform conservation for the benefit of grassland birds, pollinators, and mammals, as well as ensure viable human communities across the landscape.

Why You Should Sponsor!

- Show your commitment to healthy grasslands and the communities they support
- Exposure for your organization and opportunities to connect with attendees from three countries
- Be a thought leader in the conversation about the future of our grasslands
- Provide critical financial support!
