

Peralta Community College District Community Partners, Volunteers, Visitors and Vendors COVID Screening

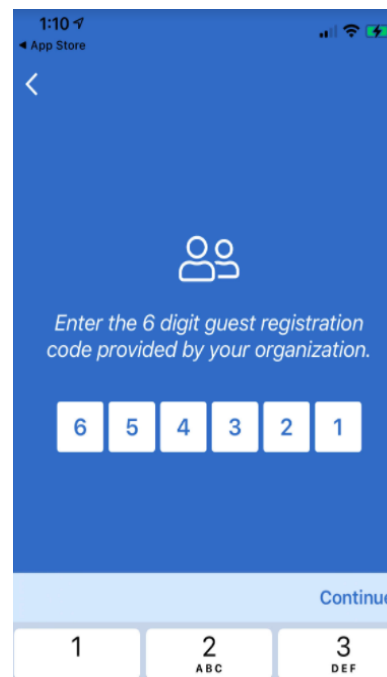

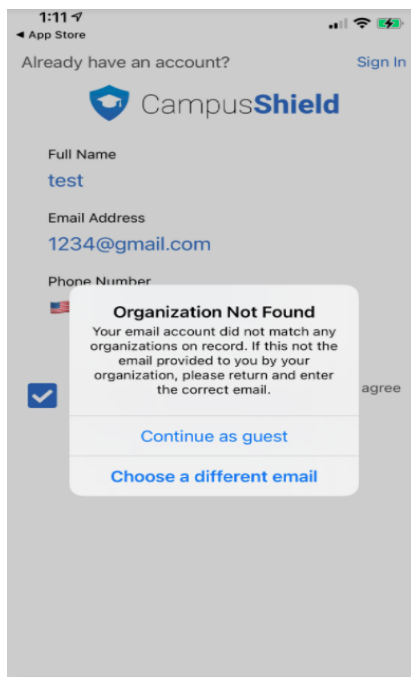

Campus Shield

Campus Shield is a phone app based program originally set up to use for safety purposes on Peralta Campuses. Beginning fall 2021, Campus Shield will be used for COVID screening purposes of all non-employees entering a Peralta Community College District building. Once the registration has been completed, the user will answer questions aligned with CDC recommendations. After completion of the COVID self-assessment, a color screen will appear at the end. A green screen will allow the individual to stay on campus and a red screen means they will need to leave campus and follow the instructions sent to them. Campus Shield will be used for Screening for Students, visitors and contractors. Instructions for non-students in the links below:

<https://safe.peralta.edu>

<https://web.peralta.edu/files/2021/08/Campus-Shield-setup-mobile.pdf>

1. Where is the QR code? The QR code will be posted throughout each campus and on <https://safe.peralta.edu/>.
2. All non-students, may register as a guest using the registration code **654321**

3. Do the organizations that rent our facilities on a daily basis need to sign up for Campus Shield? Yes, all people entering the Peralta campuses will need to be screened before they can proceed to their destination.
4. Kiosks located on each campus are available to support individuals with Campus Shield registration. If an individual forgets their phone, a computer and printer is available at each kiosk where the information can be entered and the result of the screen will be printed for campus use.
5. For individuals who prefer a language other than English, the Campus Shield app automatically adapts to the language used on your phone.
6. After you complete the self assessment, what will be on the green screen? A green badge with a 16 hour countdown timer.
7. Who should I contact if I have problems? Campus kiosks can assist in addition to contacting campusshield1@peralta.edu.
