

INSERT FOR PARKETT 73

2005

MATTHEW BRANNON

INSERT

•
Unhappiness is much less difficult to experience.

We are threatened with suffering from three directions: from our own body, which is doomed to decay and dissolution and which cannot even do without pain and anxiety as warning signals; from the external world, which may rage against us with overwhelming and merciless forces of destruction; and finally from our relations to other men.

•
Sigmund Freud, Civilization and Its Discontents, 1930
