Verne's Journey

R O N I

H O R N

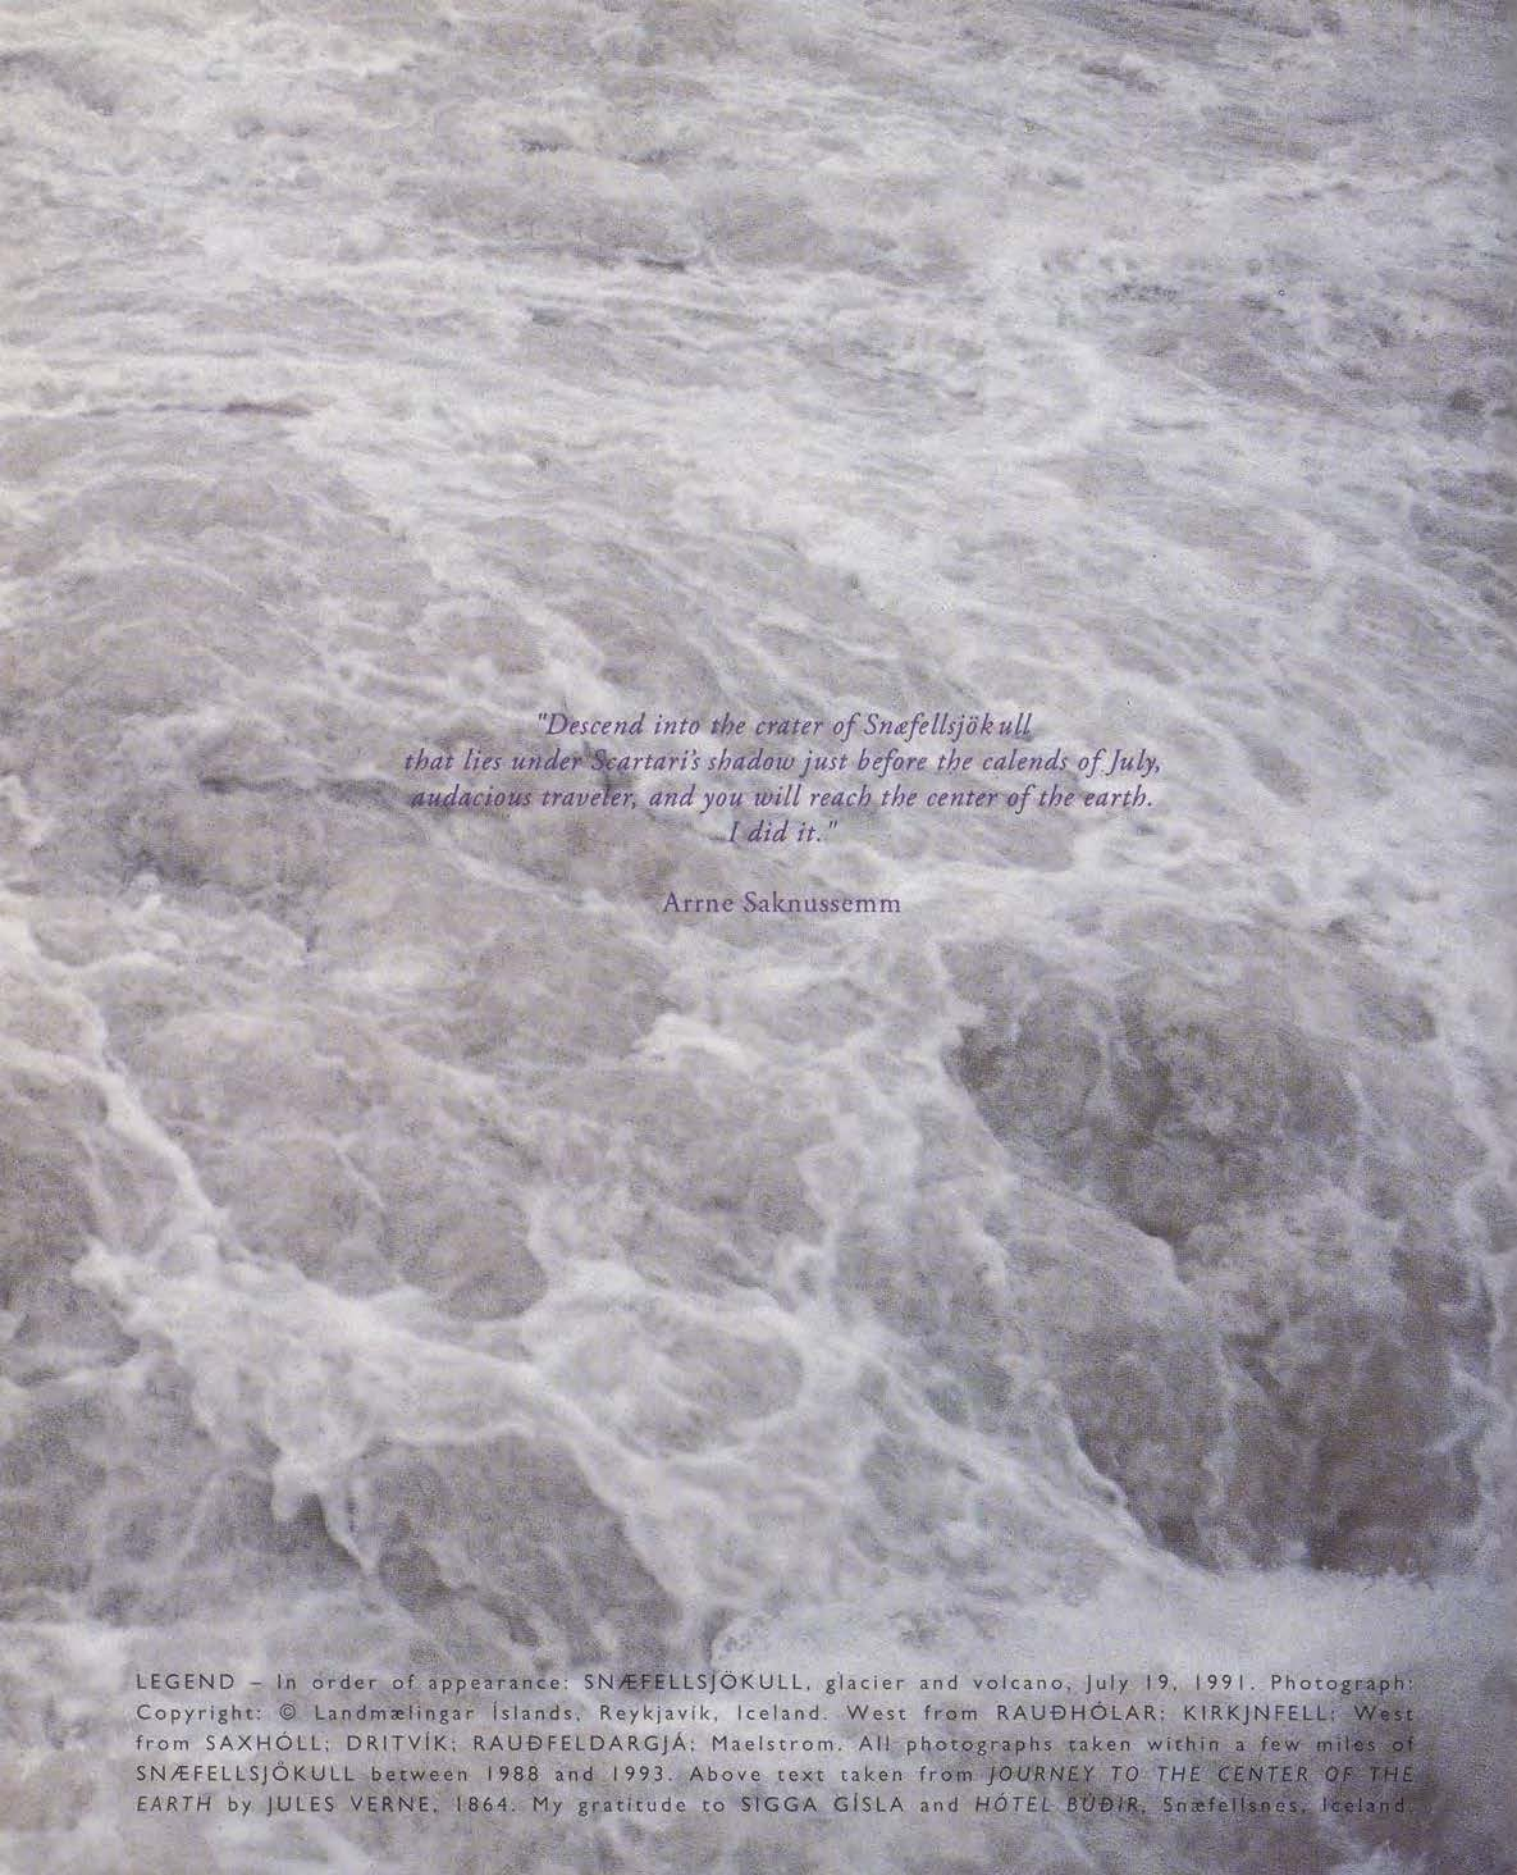

*"Descend into the crater of Snæfellsjökull
that lies under Scartari's shadow just before the calends of July,
audacious traveler, and you will reach the center of the earth.
I did it."*

Arne Saknussemm

LEGEND – In order of appearance: SNÆFELLSJÖKULL, glacier and volcano, July 19, 1991. Photograph: Copyright: © Landmælingar Íslands, Reykjavík, Iceland. West from RAUÐHÖLAR; KIRKJNFELL; West from SAXHÖLL; DRITVÍK; RAUÐFELDARGJÁ; Maelstrom. All photographs taken within a few miles of SNÆFELLSJÖKULL between 1988 and 1993. Above text taken from *JOURNEY TO THE CENTER OF THE EARTH* by JULES VERNE, 1864. My gratitude to SIGGA GÍSLA and HÓTEL BÚÐIR, Snæfellsnes, Iceland.
