Rental & Utility Relief Program
Frequently Asked Questions

1. For Renters

What is the Rental & Utility Relief Program?
- It's a City and County of Honolulu program to help households that have been hit hardest financially by the COVID-19 pandemic pay their rent, utility bills, or both.
- For qualified households, the program pays up to:
  - Past rent and utility bills: $2,500 a month. The program can pay bills going back to March 13, 2020.
  - Current and future bills: $2,000 a month for rent and up to $500 a month for utilities.
- Up to 12 months of total support is available.
- Payments are made directly to the landlord or utility.

What utilities does the program pay for?
- Electricity, water and sewer, and gas.

Does the program pay for phone or internet service bills?
- It can pay for internet bills. Our community partners will help determine qualifications for paying internet service bills.

Does the program pay for mortgages?
- We know owning a home is a big investment.
- Unfortunately, federal regulations do not allow the program to pay for mortgages.
- For more information on assistance to homeowners visit: [https://www.schatz.senate.gov/coronavirus/renters-homeowners](https://www.schatz.senate.gov/coronavirus/renters-homeowners)

Do I qualify?
- The program requires a qualifying household to:
  - Show financial harm from the pandemic, such as qualifying for unemployment, job loss, reduction in wages, or increase in household expenses.
  - Show at least one household member is at risk of losing their housing.
  - Be below the income limit.

Priority will be given to applicants who qualify:
• With a household income less than 50% of the area median income for Honolulu County; OR

• If a household member has been unemployed for at least 90 days at the time of application AND is still unemployed at the time of application.

**What is 50% AMI?**

**What is considered a “household”?**

• “Household” is defined as all persons living at a single residential address.
• However, where tax filings demonstrate that more than one household lives at a single address, the households may be treated separately.

**I live with roommates, not family. Can I qualify?**

• Generally, one lease equals one application.
• When on a shared lease with non-family members, a person may be able to apply for their portion of the lease.

**Do I need to be on unemployment to qualify?**

• No. If a person who lost their job doesn’t have a verification letter from the State of Hawai‘i Unemployment Office, they can use other documents such as a termination letter or furlough letter from an employer.
• This will confirm they either are on unemployment benefits or may qualify for unemployment benefits.
Do I have to be behind on my rent or utilities to qualify?
- No. A household may apply for rent help (and/or utility help) to cover past rent AND/OR upcoming rent payments.
- A household can apply for rent back to March 13, 2020 if needed and up to three months of upcoming rent at one time.
- A total of 12 months of support is available.

Can I apply for funds to help with utilities, even if I don’t need rent relief?
- Yes, a household may apply for help paying for utilities even if they do not need help paying for rent.
- Applicants will need to show past and current amounts due by providing a recent statement from the utility company/companies.

How do I apply?
- We encourage people to apply one at oneoahu.org/renthelp. It’s the fastest way to apply.
- We know not everyone has reliable internet access. Our community partners can help people apply. See FOR APPLICANTS section on page 6.

What documents will I need to apply?
1. ID card for person applying.
2. Social Security numbers for all household members.
3. Income verification documents for all household members.
4. Proof of hardship. May include pay stubs, documenting pre/post COVID-19 income, unemployment approval letter, layoff letter, rent past due notice, or other documents.

These documents may be needed based on the assistance requested:
1. Past due utility bill (electric, gas, sewer and water).
2. Current utility bill.
3. Rental agreement.
4. Past due rent notice.
5. W-9 from landlord

See Appendix B on page 8 for a complete list of acceptable documents.

How long will I have to wait until my application is approved?
- Many of our friends and neighbors are expected to apply, so it will take a few weeks for our partners to review applications and verify documents.
● When a person applies, they will get a receipt for their application and a tracking number to check the status of their application online.
● People without internet access will have a point of contact with one of our community partners who can keep applicants updated on the status of their application.

What if I wasn’t able to apply? When will the portal reopen?
● We are sorry you weren’t able to apply this time but future rounds of applications will open the first working Monday of each month, as long as the program has funding.
● The next reopening is scheduled for July 12.

What happens if the program runs out of money while my application is being processed?
● The $2,000 a month limit for rent and $500 a month limit to cover utility payments will help the City stretch the funding to help as many people as possible.
● In the future, it is possible that the funds will run out before we can cover all the rental and utility arrears. We will keep applicants informed about the status of their application.
● When we are close to paying out the full $114 million, we will close the fund to applications.

I’m getting help with my rent/utilities from another program. Can I also get help from the Rental & Utilities Relief Program?
● A household may receive assistance provided that the funds received are not applied to costs already covered or that will be covered by other federally funded programs, such as:
  ○ The Department of Hawaiian Homelands
  ○ Section 8 housing
  ○ A Housing Choice Voucher
  ○ Public Housing
  ○ Project-Based Rental Assistance

If I’m approved, will I stay enrolled in the program or will I have to reapply to pay future bills?
● Approved households will receive up to three months of future payments.
● Households will have to reapply every three months so we can verify their financial situation.
● In total, a household can qualify for 12 months of help, as long as they requalify every three months and for as long as funds are available.
Can I be evicted while waiting for these funds?
- People who are worried about eviction can contact one of these organizations:
  - Legal Aid Society of Hawai‘i visit https://www.legalaidhawaii.org/housing-covid-19.html or call (808) 536-4302.
  - State of Hawai‘i Landlord Tenant Hotline visit cca.hawaii.gov/blog/what-should-i-do-if-i-have-a-landlordtenant-problem or call (808) 586-2634.
  - Rapid Response Landlord-Tenant Mediation mediatehawaii.org/landlordtenant or call (808) 521-6767.

Will payment be made to me, or to my landlord/utility company?
- Payments are made directly to the landlord or utility company.

2. For Landlords

I'm a landlord/property manager. Can I apply on behalf of my tenants?
- Yes. Landlords must receive written consent from tenants prior to applying. A landlord will need to compile the same documentation outlined in Appendix B. This includes W-9’s.
- As a landlord, enter information into the screening portal at oneoahu.org/renthelp.
- That will take a landlord to the online application. Complete as much of the online application as possible and press the submit button.
- One of our community partners will contact an applying landlord to help them through the rest of the process.

What do I need to do if my tenants are applying?
- Landlords can support the process by working with tenants to ensure all necessary documentation is prepared to complete an application.

Is there a limit to how many tenants of mine can get help from the program?
- No, but only one tenant from each household can qualify.

If a tenant does not qualify for the funding can they be evicted?
- The federal eviction moratorium is in place through June 30. It prohibits landlords from evicting their tenants for unpaid rent through June 30.

If my tenants qualify, how will I get paid?
• Depending on what information was provided on the application and agreement, funds will be delivered by Direct Deposit or check.

3. **For Applicants**

To get ready to apply:

• Have only one person per household apply. Multiple applications from the same household will be disallowed and delay processing applications for other households in need.
• Don’t apply if anyone in your household has already completed an application.
• Gather needed documents. See the required documents on page 8.
• Don’t apply for mortgage help. The program cannot pay for mortgages due to federal guidelines.

When applying on June 7:

1. Complete the eligibility prescreener on June 7. The prescreener will be active on June 7 at 6 p.m. on oneoahu.org/renthelp, not before then.
2. The prescreener will ask for an email address. Use an email that is unique. Some community members are helping family and friends to apply. In that case, make sure there is a unique email address for each application. Using the same email address with more than one application will delay processing.
3. After the pre-screener, there will be a confirmation email or a link to start the application application.
4. Upload your documents and complete your application.
5. Work with a case manager from one of our community partners, if needed.
6. Double check your application. Errors will delay processing.

After applying, people should expect that:

• Being accepted into the program does not mean immediate payment to a landlord or utility. The City’s community partners must verify if an applicant qualifies, including confirming income limits, leases, residency on O‘ahu, and validate documents.
• For households that qualify for rent help, their landlord will have to submit a signed W-9 tax document. Landlords who delay submitting a W-9 will delay the payment process.

How do I check the status of my application or contact a representative for assistance?
4. **APPENDIX A: ELIGIBILITY**

**Eligible Households Must Meet All of the Following Criteria**

1. One or more persons within the household has qualified for unemployment benefits or experienced a reduction in household income, incurred significant costs, or experienced other financial hardship due, directly or indirectly, to the COVID-19 outbreak;
2. One or more persons within the household can demonstrate a risk of experiencing homelessness or housing instability; and
3. Household has a household income at or below 80% of area median income

Priority will be given to applicants who qualify:

- With a household income less than 50% of the area median income for Honolulu County; OR
- If a household member has been unemployed for at least 90 days at the time of application AND is still unemployed at the time of application.

---

**Area Median Income**
• Household income is not more than fifty percent (50%) of the area median income for the household in application.
