**Safety Planning with Survivors**
**Wednesday, August 16, 12:00-1:30p**
This training is designed for individuals and professionals to understand the importance of safety planning with those experiencing domestic violence. Attendees will know the importance of an individualized safety plan that includes safety for individuals staying in their relationships, those who are unsure, and those that are leaving.
They will know and understand safety tips and plans for multiple scenarios and situations.
1.5 CEUs available. $20 registration fee. $10 CEU fee.

**Intimate Partner Violence Lethality**
**Monday, September 25, 12:00-1:30p**
The escalation of intimate partner violence to a lethal level follows an identifiable pattern with identifiable indicators. Knowledge of these lethality risk indicators offers an opportunity to raise victim awareness of risk and reduce domestic violence homicides. In honor of the National Day of Remembrance for Homicide Victims, this training will review intimate partner homicide, assessing for risk, and lethality risk factors. Attendees will know how to identify risk factors of someone experiencing intimate partner violence and how to use that information to increase victim safety.
1.5 CEUs available. $20 registration fee. $10 CEU fee.

**How To Help a Loved One**
**Tuesday, October 17, 12:00-1:00p**
This free, 1-hour training is designed for individuals who have a loved one who is or has been in an unhealthy or abusive relationship. During this training we will discuss the power and control wheel and why people stay in abusive relationships. We will give attendees helpful tips and skills to support a loved one. #DVAM2023 #DVAMcle
