

QUALITY, SERVICE AND EXPERTISE
SINCE 1971

Supplying commercial and industrial customers with a full range of mechanical equipment for fluid handling systems

Boilers & Water Heaters

- Firetube & Watertube Condensing Boilers
- Cast Iron Condensing Boilers
- Up to 98.2% AHRI Certified Efficiency
- Commercial Boilers
- Domestic Water Heaters
- Pool Boilers
- Made in Canada

Pumps & Booster Systems

- HVAC Circulators
- Booster Packages
- Commercial/Industrial Applications
- Sumps & Wastewater
- Pool Pumps
- Hydronic Accessories
- Expansion Tanks
- Separators

Unit Heaters

- Gas & Hydronic Unit Heaters
- High Efficiency Condensing Unit Heaters
- Kickspace Heaters
- Convectors

- Infrared Unit Heaters
- Cabinet Unit Heaters
- Hydronic Baseboard

Cooling Towers & Fluid Coolers

- Open Cooling Towers
- Closed Circuit Fluid Coolers
- Dry Coolers
- Evaporative Condensers
- Modular Hybrid Coolers
- Adiabatic Coolers & Condensers
- HVAC Cooling
- Industrial Refrigeration

Industrial Process Fans

- Mining Ventilation
- Custom Centrifugal Fans
- Exhaust Fans
- Pressure Blowers
- Axial Flow Fans
- Custom Air Solutions

Steam Equipment & Accessories

- Steam Boilers
- Hybrid Firetube Boilers
- Building and Process Heat
- Domestic Hot Water
- Steam Power Generation
- Clean Steam Generators
- Steam Coils
- Industrial Steam Unit Heaters
- Condensate Return Packages
- Boiler Feed Pumps & Storage Tanks
- Deaerator

CAST IRON BOILERS

Heat Recovery

- Exhaust Heat Recovery Systems
- Engine Co-Generation Systems
- Boiler Economizer Systems
- Fume Incineration Systems

Heat Pumps

- Gas Absorption Heat Pumps
- Air Sourced Heat Pumps
- Water Sourced Heat Pumps
- CO2 High Temp Heat Pumps

Ventilation & Exhaust Management

- Modulating Draft Systems
- Generator Exhaust Systems
- Boiler Exhaust Systems
- Modulating Combustion & Make Up Air Systems
