

OUR VISION

Roaring Fork Outdoor Volunteers is a diverse and engaged community of outdoor stewards working collectively for the benefit of our public lands.

OUR MISSION

Roaring Fork Outdoor Volunteers promotes stewardship of our public lands by engaging our community in education, restoration and conservation projects.

OUR VALUES

Tangible Results • Volunteerism & Collective Action • Stewardship • Sustainable Outdoor Recreation • Inclusivity & Accessibility • Collaboration • Accountability • Empathy, Respect & Kindness

KEY PILLARS

LAND

We aim to support land managers and partners to create healthy and resilient landscapes.

STEWARDSHIP

We will empower our community with the tools and ethic to actively care for and connect with the natural world.

COMMUNITY

Through engagement, partnerships, and collaboration, we will ensure RFOV's connection to our community - and individual community members' connections to each other - is vibrant and reciprocal.

EDUCATION

RFOV will foster an ethic of stewardship through educational programs that reach all event participants.

COMMUNITY-POWERED STEWARDSHIP SINCE 1995

LAND

Objective 1 Act on priorities identified by land managers to meet the dynamic needs of RFOV's community.

Objective 2 Build institutional capacity and expertise to implement a variety of stewardship and restoration activities and projects.

STEWARDSHIP

Objective 1 Ensure the public can access and participate in RFOV's mission and programming through a variety of in-person and digital entry points.

Objective 2 Communicate a clear and accessible message of Stewardship to partners, stakeholders, and the diverse regional community.

Objective 3 Ensure all RFOV participants and partners understand the intent, impact, and context of their project/engagement/participation.

COMMUNITY

Objective 1 Ensure high quality experiences for volunteers and partners that will encourage continued and increased participation and dynamic relationships.

Objective 2 Increase the visibility of RFOV's community partnerships and highlight the positive impacts of community engagement.

Objective 3 Strengthen and expand RFOV's existing partner network by maximizing those partners' impacts and achieve RFOV's strategic goals through collaboration with RFOV.

EDUCATION

Objective 1 Design and implement educational programs that are "high-impact," mission aligned, and create meaningful relationships and outcomes for partners and participants.

Objective 2 Grow partner relationships to create collaborative educational experiences that align with partner goals/outcomes.

Objective 3 Consistently evaluate and assess educational outcomes.

Putting our Plan to Work: An Example

PILLAR
Stewardship

OBJECTIVE

Ensure all RFOV participants and partners understand the intent, impact, and context of their participation in our shared outdoors.

ACTION

Create a digital archive of work history so individuals and institutions understand the scale of our community stewardship.

GOAL

Create a digital map of RFOV's 2021 project sites and expected work, then create a similar map of the 2016 - 2020 project seasons.
