Thursday Night Meeting – 6:30 pm February 10, 2011 at TC Ry Museum Nashville TN
Lighthouse Christian School at TCRM
By Marilyn O’Neal

We had a great school visit on Feb 1 from Lighthouse Christian School. The 12 students were all geared up to learn. TCRM members on hand to work and help with the students were Bob Hultman, Eddie Justice, Claire Martin, Kevin Matthews, Marilyn O’Neal, Charles Owens & Jim Perry. We were happy that they were here, had a good time and were through in time to leave before the rain.

TCRM Clothing Available
By Bob Hultman

There are a few TCRM black winter jackets available, XL and XXL size; the jackets feature an embroidered white TCRM emblem over the left side, 2 zippered outside pockets and an inside pocket on the right side. Member prices are $45 for the LG & XL sizes, $50 for the XXL & up sizes. We also have to collect TN sales tax on these jackets.

TCRM black baseball caps w/embroidered logo are available, member price $8

Passing of Pete & Susan Hoadley’s Son
By Bob Hultman

Pete & Susan Hoadley were long-time members of Cumberland Division SER NNMRA and of TC Ry Museum. Please keep them in your thoughts and prayers during this difficult time. Their home address is 205 Andover Way in Nashville TN 37221-3005.

From Pete Hoadley- I have some sad news to pass on to you all. Most of you know that our son, Peter W. Hoadley, has been dealing with heart issues for some time. On about Jan. 1st a heart became available for him and he was rushed to the University of Virginia Medical Center in Charlottesville, VA for a heart transplant. The operation was very difficult and complications developed. He passed away without waking up on Jan. 6th. The memorial service was held on Jan. 12th on the VMI campus where he was a Civil Engineering Professor. He was 53 years old.

Burl Rice L&N, TC HO Line Sold
By Bob Hultman

From Jim King, owner of Smoky Mountain Model Works, Inc 828-777-5619 www.smokymountainmodelworks.com……

Burl Rice of Monterey TN made & sold several L&N RR & TC Ry model RR items & has sold them to Jim King.

I’ve received and evaluated all of the patterns, instructions and decal artwork from Burl Rice. My immediate plans are to use his L&N PS-3 hopper heap shields, TC/L&N chip hopper extensions and TC/L&N 40’ boxcars patterns, along with Freight Car Cyclopedia drawings, to create new patterns using 3D CAD and rapid prototyping. All 3 items will be reintroduced as part of my product line at the Savannah GA RPM meet on 3/25-26.

Part of the revamping will include a 1-piece body for the TC boxcar using new roof and door patterns (but his PS-0 ends), separate underframe and combined TC/L&N decals covering all road numbers. The chip hopper extension may also be part of a 1-piece hopper body but I need to further evaluate that option. The L&N heap shields will be separate parts (as Burl offered) that are easily glued to a PS-3 hopper.

The photoetched switch stand targets, chains and PRR caboose frets will also be available. I have not decided how to address bringing back the TC cabooses. Doing so will be heavily based on potential market, so if anyone reading this wants a 1-piece body kit of either/both cab kits, please reply through my Website.

I will also have credit card processing capabilities very soon, according to my bank, for folks wanting to call in an order instead of using Paypal, checks and MOs (which also remain other payment options).
