**HO Model Railroading News**

- **By Bob Hultman**

  Allen Hicks reports he has written a letter to Accurail, who will be producing our next Division limited run HO car project - an Accurail USRA hopper lettered for NC&StL class HM11 cars built in 1926 by ACF. These cars will be in oxide red paint with white graphics and available in 6 numbers: 47102, 47125, 47161, 47188, 47204 and 47223. Costs and availability unknown just yet.

  The Mid-South Live Steamers Spring Meet 2006 was held Wednesday, May 3 thru Saturday, May 6 at Maury Co Park in Columbia TN. Rain fell sporadically on two of the days, but didn't dampen the spirits of those running their equipment. It was a good turnout of steam, diesel, gas and electric locomotives and trains for all to ride and enjoy. The next meet will be a mini-meet on July 14-15, 2006.

**Next Meeting** Willow St Building Thursday May 20, 2006 7:00 PM
