* Host Committee Chair

New Members

George Atkinson, Signal Mountain TN
Cornelious Shepard, Smyrna TN
Rerailed members – Harry Batey, Lewisburg TN and James Bilbrey, LaVergne TN

Welcome, new members…. we’re glad to have you aboard!

TCRM Excursion Train News

By Bob Hultman

Our next excursion train is the July 8 Nashville-Watertown Murder Mystery Trip to Watertown’s Jazz Festival. Notify Bob Hultman at 615-833-5158 or E-mail hultman@bellsouth.net. This trip is a 4 pm departure with return to Nashville around 10:00 pm.

Work efforts continue at TCRM on our excursion train equipment. Recent car-washing has been done by Bill Howard & John Kennedy. Robert Marsmaker remounted a vestibule trap latch on one of our coaches, thus eliminating the safety hazard of a trap latched in the open position coming free when someone steps onto the vestibule steps. Bob Hultman and Joe Sapp are continuing window rebuilding work on windows in dome-coach 9400.

Hobby Shop News

Manager Eddie Justice reports the Athearn HO ethanol tank cars are being shipped by Horizon Hobbies. He’s ordered several car numbers that should be arriving at the shop very soon. Also Intermountain HO FP7’s in Southern and L&N RR paint schemes, 2 different road numbers, choice of sound/DCC equipped or no sound/DCC... Athearn HO L&N RR 40’ & 50’ flat car kits…. Proto 2000 RTR L&N RR war emergency 2-bay open hoppers list $26, selling for $15. Stop in the shop and see what else is new!

Free Ride to August Meeting

By Robb Corriveau

An opportunity has come about to use Charter Buses for taking some folks to the August meeting. I would like to gauge the response to see how many and if anyone would be interested in taking a bus from TCRM in Nashville to TSG Headquarters in Lebanon for the August meeting. Bus or Buses would leave TCRM at 6:15 pm and return back to TCRM say 45 minutes to 1 hour (8:30?) after the meeting. I am trying to organize this for several reasons – 1)Parking at TSG is limited. 2) Some folks might not know exactly where or how to drive to TSG. 3) It would be later in the evening for some of our older folk and the distance may deter some from coming to the meeting that is 30 miles away or better. 4) Save gas. There will be NO CHARGE for the ride. There will be a sign-up sheet at the July so I have an idea of how many will be riding. E-mail Robb at csx3298@gmail.com if you want to ride but are not able to sign the sign-up sheet.

Nashville Ntrak News

By Tom Staggs

Nashville Ntrak has been busy these last few months. We set up a layout and represented TCRY at the CSX family day. We also helped with the very successful TCRM Rail-Train Camp. Some of our members helped in teaching 16 students at Rail-Train Camp. Wednesday, of the camp week, was the day the students were taught all aspects of modeling.

The Discovery Center in Murfreesboro needed our help to take down the O scale layout that we restored and set up last fall. We

NEXT MEETING  Willow St Building  Thursday July 13, 2006  7:00 PM
helped to pack it up so it could be put in storage. This will be temporary until a new addition can be built on the Discovery Center.

Our May-July project has been to modify our yard so all the ladder tracks can be selected on our DCC throttles with routes. When a route is selected, all turnouts needed for that route will be thrown by Tortoise switch motors controlled by Digitrax DS64 stationary decoders. Our analog members will still be able to select routes with a dedicated tethered throttle in the yard.

We are also very excited to have a new member, Gary Walters.

HO Model Railroading News

By Bob Hultman

Cumberland Division is selling our 2006 Limited Run HO Scale Nashville, Chattanooga & St Louis Ry 55-ton Two-Bay “USRA clone” Open Hopper, Series 47100-47224 Class HM-11

These cars are oxide red color with white graphics and available in 6 numbers: 47102, 47125, 47161, 47188, 47204 and 47223. These cars were originally built in 1926 by American Car & Foundry at their Madison IL plant. Our models are produced by Accurail using their USRA two-bay open hopper car kit. At least 120 cars of each number have been produced. These kits are $12.50 each or a set of all 6 numbers for $72.00. All prices are postpaid.

If you want to order these cars by mail, enclose a check or money order payable in US dollars only to Cumberland Division SER-NMRA and mail to: J Allen Hicks 833 Kenny St Gallatin TN 37066-3535. Also include your complete US Postal Service address since we ship these cars via parcel post. If you want to print out an order form, go to our Web home page – http://www.tcry.org Our Webmaster Brent Gaddes has added a link on the home page to a pdf file of the order form.
