ABOUT US

Zinntex LLC, is located in New York City at 260 West 39th Street, Suite 401. The Company was founded in 2015, by Morris, Alyce, Ricky, Ithan and Barry Zinn. Zinntex is a Vertical Operation with offices in N.Y., Hong Kong and China, as well as factory partnerships in China, Taiwan, Bangladesh, Mexico, Vietnam and US. The company offers Direct Sourcing to retailers, hospitals, government agencies and businesses all over the world.

In February of 2020 after seeing Covid-19 effect our friends & global partners around the world and with PPE in short supply we launched Zinntex Medical. We hit the ground running with a mission to source the most experienced factories all over the world that manufactured top quality PPE supplies, meeting FDA and CDC regulations. We have secured production space manufacturing N95 & KN95 masks, 3 ply surgical and non-surgical masks, medical gowns, isolation gowns, shields, goggles, bouffant hair and shoe covers, nitrile gloves, infrared thermometers, hand sanitizer, and several other PPE items.

The Zinn family has 40 years of experience manufacturing garments and have utilized their supply chain to support Hospitals, Healthcare Professionals, First Responders, The New York State Dept. Of Health, Essential Businesses and Large Corporations.

We are handling PPE procurement for BlackRock, Chase Bank, Marc Jacobs, Tom Ford, the MLS, NBA, Amazon, Walmart and many others. We work hand in hand with our sourcing team and FDA attorney vetting factories by double checking all documentation. Our global factory partnerships enable us the flexibility both on price and speed to market.

Zinntex Medical is dependable, is priced competitively and is eager to help, to make a difference. We are ready to support you in this battle against Covid-19. Please reach out at any time. We are in this together.
