

Church Membership Application

Believing that I have been born again according to *John 3:3 & Romans 10:9* and having accepted the Lord Jesus Christ as my personal Savior, and being in full accord with the Statement of Essential Truths of the Pentecostal Assemblies of Canada, and possessing a desire to live a consecrated and Godly Christian life, I hereby apply to be a member of **Calvary Temple Brandon**.

I will diligently serve my local church to the best of my abilities with the talents that God has given me, as represented in the New Testament by the early church and the Apostles. I acknowledge that CT is governed by the constitutional regulations of the PAOC and will adhere to that with my support through prayer, finances, and attendance.
